20 terest therein and has the effect of reducing the fair market value of the property, or any interest
21 therein, then the owner of the property shall be paid just compensation.

22 (2) Just compensation shall be equal to the reduction in the fair market value of the affected
23 property interest resulting from enactment or enforcement of the land use regulation as of the date
24 the owner makes written demand for compensation under this section.

25 (3) Subsection (1) of this section shall not apply to land use regulations:

37 of the owner who owned the subject property prior to acquisition or inheritance by the owner,
38 whichever occurred first.

39 (4) Just compensation under subsection (1) of this section shall be due the owner of the property

7 the present owner of the property has made written demand for compensation under this section, the
8 present owner of the property, or any interest therein, shall have a cause of action for compensation
9 under this section in the circuit court in which the real property is located, and the present owner

14 a prerequisite to the filing of a compensation claim under subsection (6) of this section, nor shall
15 the failure of an owner of property to file an application for a land use permit with the local gov-
16 ernment serve as grounds for dismissal, abatement, or delay of a compensation claim under sub-
17 section (6) of this section.

18 (8) Notwithstanding any other state statute or the availability of funds under subsection (10) of
19 this section, in lieu of payment of just compensation under this section, the governing body respon-
20 sible for enacting the land use regulation may modify, remove, or not to apply the land use regu-
21 lation or land use regulations to allow the owner to use the property for a use permitted at the time
22 the owner acquired the property.

23 (9) A decision by a governing body under this section shall not be considered a land use decision
24 as defined in ORS 197.015 [(11)] (10).

25 (10) Claims made under this section shall be paid from funds, if any, specifically allocated by the
26 legislature, city, county, or metropolitan service district for payment of claims under this section.
