JOINT MEMORIAL

1
2 To the President of the United States, the Senate and the House of Representatives of the United
3 States of America, in Congress assembled:

4 We, your memorialists, the Senate and the House of Representatives of the State of Oregon, in
5 legislative session assembled, respectfully represent as follows:

6 Whereas the noble people of Ethiopia have developed and nourished a proud and distinguished
7 culture that has endured for three millennia; and

8 Whereas Ethiopia has had a long and productive friendship with the United States of America;
9 and

10 Whereas over the past three decades, the brave and gentle people of Ethiopia have been dev-
11 astated by famine and wars; and

12 Whereas the people of the United States have responded generously to the plight of the
13 Ethiopian famine victims through the provision of humanitarian aid; and

14 Whereas Ethiopia, poised at a crucial juncture in its history, is making a dramatic effort to re-
15 place tyranny with democracy; and

16 Whereas the people of Ethiopia are aspiring to resolve their political problems through the
17 formation and utilization of democratic institutions; and

18 Whereas the basic underpinnings of democratic institutions in the new Ethiopia should be the
19 supremacy of the will of the people and the guarantee of the rule of law; and

20 Whereas the Ethiopian government should adhere to the United Nations Universal Declaration
21 of Human Rights that encourages freedom of speech, assembly, religion and press, guarantees all
22 basic human rights, and discourages ethnocentric politics; and

23 Whereas it is crucial that the diverse voices, opinions and philosophies of the Ethiopian people
24 be expressed in the promotion of political, economic and social progress and justice in Ethiopia; and

25 Whereas a democratic, multiparty government may be the most egalitarian, feasible and pro-
26 ductive political arrangement in providing universal suffrage and overcoming monumental obstacles;
27 and

28 Whereas the President of the United States and Congress will play a crucial role in promoting

5 (1) The Senate and House of Representatives of the State of Oregon:

6 (a) Encourage the formation of democratic institutions, multiparty participation, progressive so-
7 cial change and respect for human rights in Ethiopia.

8 (b) Condemn the ongoing, state-sponsored violence against the opposition in Ethiopia and are
9 outraged that the ruling party's security forces killed 199 unarmed and defenseless protesters on
10 June 6 to 8, 2005, and that to this date an investigation into those killings has not been conducted.

11 (c) Respectfully urge the President of the United States and Congress to reexamine the foreign
12 policy toward Ethiopia and to promote an active foreign policy that declares that the United States
13 does not tolerate dictators that oppress and abuse their citizens.

14 (d) Respectfully urge the President of the United States to encourage the Prime Minister of
15 Ethiopia to guarantee the safety and security of elected opposition leaders, to release from prison
16 all students, journalists and members and supporters of the opposition parties, and to respect the
17 democratic opposition's right to public assembly and access to publicly owned media.

18 (e) Respectfully urge the President of the United States and Congress to help avert the poten-
19 tially explosive situation in Ethiopia by supporting a peaceful transitional arrangement.

20 (2) A copy of this memorial shall be forwarded to President George W. Bush, the leadership of
21 the United States Congress, Secretary of State Condoleezza Rice and His Excellency the Ethiopian
22 Ambassador Samuel Assefa.
