5 “**SECTION 1.** ORS 678.370 is amended to read:

6 “678.370. (1) The Oregon State Board of Nursing shall issue a certification to act as a clinical  
7 nurse specialist to any nurse who meets the requirements established by the board pursuant to ORS  
8 678.372.

9 “(2) A person may not act as a clinical nurse specialist, use the name, title, designation, initial  
10 or abbreviation of clinical nurse specialist or otherwise hold oneself out as a clinical nurse spe-  
11 cialist unless the person is certified as a clinical nurse specialist pursuant to subsection (1) of this  
12 section.

13 “(3) A certified clinical nurse specialist is authorized to prescribe drugs for the use of and ad-  
14 ministration to other persons if approval has been given under ORS 678.390. The authority to pre-  
15 scribe and dispense prescription drugs shall be included within the scope of practice of certified  
16 clinical nurse specialists as defined by rules of the board [*subject to ORS 678.385*].

17 “**SECTION 2.** ORS 678.375 is amended to read:

18 “678.375. (1) The Oregon State Board of Nursing is authorized to issue certificates of special  
19 competency to licensed registered nurses to practice as nurse practitioners if they meet the re-  
20 quirements of the board pursuant to ORS 678.380.

21 “(2) No person shall practice as a nurse practitioner or hold oneself out to the public or to an  
22 employer, or use the initials, name, title, designation or abbreviation as a nurse practitioner until  
23 and unless such person is certified by the board.

24 “(3) A registered nurse, certified as a nurse practitioner, is authorized to complete and sign  
25 death certificates. Death certificates signed by a certified nurse practitioner shall be accepted as  
26 fulfilling all the requirements of the laws dealing with death certificates. A certified nurse practi-  
27 tioner who signs a death certificate must comply with all provisions of ORS 432.307.

28 “(4) A registered nurse, certified as a nurse practitioner, is authorized to prescribe drugs for the  
29 use of and administration to other persons if approval has been given under ORS 678.390. The drugs  
30 which the nurse practitioner is authorized to prescribe shall be included within the certified nurse  
31 practitioner’s scope of practice as defined by rules of the board [*subject to ORS 678.385*].

32 “(5) [*The dispensing of certain limited medications*] **A licensed pharmacist may fill and a li-**  
33 **icensed pharmacist or an employee of the licensed pharmacist may dispense medications** pre-  
34 scribed by a nurse practitioner in accordance with the [*formulary established under ORS 678.385 and*  
35 *dispensed by a licensed pharmacist or an employee thereof may be filled by a pharmacist according to*

1 *the*] terms of the prescription. The filling of such a prescription [*shall*] **does** not constitute evidence  
2 of negligence on the part of the pharmacist if the prescription was dispensed within the reasonable  
3 and prudent practice of pharmacy.

4 “(6) As used in this section:

5 “(a) ‘Drug’ means: [*medicines and preparations for internal or external use of human beings which*  
6 *are recognized in the formulary adopted pursuant to ORS 678.385*]

7 “(A) **Articles recognized as drugs in the official United States Pharmacopoeia, official**  
8 **National Formulary, official Homeopathic Pharmacopoeia, other drug compendium or any**  
9 **supplement to any of them;**

10 “(B) **Articles intended for use in the diagnosis, cure, mitigation, treatment or prevention**  
11 **of disease in human beings;**

12 “(C) **Articles other than food that are intended to affect the structure or any function**  
13 **of the body of human beings; and**

14 “(D) **Articles intended for use as a component of any articles specified in subparagraph**  
15 **(A), (B) or (C) of this paragraph.**

16 “(b) ‘Prescribe’ means to direct, order or designate the preparation, use of or manner of using  
17 by spoken or written words or other means.

18 “**SECTION 3.** ORS 678.390 is amended to read:

19 “678.390. (1) The Oregon State Board of Nursing may grant to a certified nurse practitioner or  
20 certified clinical nurse specialist the privilege of writing prescriptions [*described in the formulary*  
21 *under ORS 678.385*], **including prescriptions for controlled substances listed in schedules II,**  
22 **III, III N, IV and V.**

23 “(2) A certified nurse practitioner or certified clinical nurse specialist may submit an application  
24 to the Oregon State Board of Nursing to dispense prescription drugs. The Oregon State Board of  
25 Nursing shall provide immediate notice to the State Board of Pharmacy upon receipt and upon ap-  
26 proval of an application from a certified nurse practitioner or certified clinical nurse specialist for  
27 authority to dispense prescription drugs to the patients of the applicant.

28 “(3) An application for the authority to dispense prescription drugs as authorized under sub-  
29 section (1) of this section must include:

30 “(a) Evidence of completion of a prescription drug dispensing training program jointly developed  
31 and adopted by rule by the Oregon State Board of Nursing and the State Board of Pharmacy.

32 “(b) Except when a certified nurse practitioner is seeking authority to dispense prescription  
33 drugs at a qualified institution of higher education as defined in ORS 399.245, demonstration of a  
34 lack of readily available access to pharmacy services in the practice area of the applicant and that  
35 the lack of access would be corrected by granting authority to dispense prescription drugs by the  
36 applicant. Lack of readily available access to pharmacy services for patients may be established by  
37 evidence:

38 “(A) That the patients of the applicant are located:

39 “(i) Outside the boundaries of a metropolitan statistical area;

40 “(ii) Thirty or more highway miles from the closest hospital within the major population center  
41 in a metropolitan statistical area; or

42 “(iii) In a county with a population of less than 75,000; or

43 “(B) Of financial barrier to access, including but not limited to receiving services from a health  
44 care safety net clinic or eligibility for participation in a patient assistance program of a pharma-  
45 ceutical company.

1           “(c) Any other information required by the Oregon State Board of Nursing.  
2           “(4) The Oregon State Board of Nursing shall adopt rules requiring:  
3           “(a) Drugs dispensed by certified nurse practitioners and certified clinical nurse specialists to  
4 be [*in the formulary established under ORS 678.385 and be*] either prepackaged by a manufacturer  
5 registered with the State Board of Pharmacy or repackaged by a pharmacist licensed by the State  
6 Board of Pharmacy under ORS chapter 689;  
7           “(b) Labeling requirements for drugs dispensed by certified nurse practitioners and certified  
8 clinical nurse specialists that are the same as labeling requirements required of pharmacies licensed  
9 under ORS chapter 689;  
10          “(c) Record keeping requirements for prescriptions and drug dispensing by a certified nurse  
11 practitioner and a certified clinical nurse specialist that are the same as the record keeping re-  
12 quirements required of pharmacies licensed under ORS chapter 689;  
13          “(d) A dispensing certified nurse practitioner and a dispensing certified clinical nurse specialist  
14 to have available at the dispensing site a hard copy or electronic version of prescription drug re-  
15 ference works commonly used by professionals authorized to dispense prescription medications; and  
16          “(e) A dispensing certified nurse practitioner and a dispensing certified clinical nurse specialist  
17 to allow representatives of the State Board of Pharmacy, upon receipt of a complaint, to inspect a  
18 dispensing site after prior notice to the Oregon State Board of Nursing.  
19          “(5) The Oregon State Board of Nursing has sole disciplinary authority regarding certified nurse  
20 practitioners and certified clinical nurse specialists who have drug dispensing authority.  
21          “(6) The privilege of writing prescriptions and dispensing drugs may be denied, suspended or  
22 revoked by the Oregon State Board of Nursing upon proof that the privilege has been abused. The  
23 procedure shall be a contested case under ORS chapter 183. Disciplinary action under this sub-  
24 section is grounds for discipline of the certified nurse practitioner or certified clinical nurse spe-  
25 cialist in the same manner as a licensee may be disciplined under ORS 678.111.  
26          “**SECTION 4.** ORS 689.765 is amended to read:  
27          “689.765. (1) No drugs shall be dispensed to the public by means of automatic vending machines.  
28          “(2) As used in this section, ‘automatic vending machine’ means any mechanical device or  
29 contrivance whereby the purchaser is able to secure drugs.  
30          “(3) No person shall adulterate for the purpose of sale any drug in such manner as to render it  
31 injurious to health, or knowingly sell or offer for sale any adulterated drug.  
32          “(4) No person shall manufacture, compound or sell or offer for sale or cause to be manufac-  
33 tured, compounded, sold or offered for sale any drug, compound or preparation for internal or ex-  
34 ternal use under or by a name recognized in the United States Pharmacopoeia, Homeopathic  
35 Pharmacopoeia or National Formulary which differs from the standard of strength and purity spec-  
36 ified therein as official at the time of manufacture, compounding, sale or offering for sale.  
37          “(5) No person shall manufacture, compound, sell or offer for sale, or cause to be manufactured,  
38 sold or offered for sale, any drug, the strength and purity of which falls below the professed standard  
39 of strength and purity under which it is sold.  
40          “(6) No person shall sell, give away, barter, dispense, distribute, buy, receive or possess any  
41 prescription drug except as authorized by law.  
42          “(7) No manufacturer or wholesaler shall sell or otherwise distribute, or offer to sell or other-  
43 wise distribute, any drug or device except to a person legally authorized to resell, dispense or oth-  
44 erwise redistribute such drug or device. The board may grant an exemption from the requirement  
45 of this subsection in the form of a special permit if the board finds that an exemption is in the best

1 interest of the public health and safety.

2 “(8) Any practitioner who receives any complimentary samples of any controlled substance, as  
3 defined in ORS 475.005, shall keep the samples in a securely locked, substantially constructed cabi-  
4 net and shall maintain a record of receipts and withdrawals from each inventory of samples. The  
5 record requirements shall be specified by rule of the licensing board that has jurisdiction over the  
6 practitioner’s license. The licensing board may inspect the records and the inventory of samples.

7 “(9)(a) No person may sell, purchase or trade or offer to sell, purchase or trade any drug sample.

8 “(b) As used in paragraph (a) of this subsection, ‘drug sample’ means a unit of a drug, subject  
9 to this chapter, that is not intended to be sold and is intended to promote the sale of the drug, and  
10 includes a coupon or other form which may be redeemed for a drug.

11 “(10) For purposes of this section and ORS 678.375, distribution of prepackaged complimentary  
12 samples of medications by a nurse practitioner or clinical nurse specialist with prescription writing  
13 authority shall not constitute dispensing when the sample medication is within the [*established*  
14 *formulary for*] **prescriptive authority granted to** that nurse practitioner or clinical nurse special-  
15 ist.

16 “**SECTION 5. ORS 678.385 is repealed.**

17 “**SECTION 6. This 2008 Act being necessary for the immediate preservation of the public**  
18 **peace, health and safety, an emergency is declared to exist, and this 2008 Act takes effect**  
19 **on its passage.”.**
