A BILL FOR AN ACT

1
2 Relating to health; amending sections 5, 9, 24 and 25, chapter 697, Oregon Laws 2007; appropriating
3 money; limiting expenditures; and declaring an emergency.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1.** Section 5, chapter 697, Oregon Laws 2007, is amended to read:

6 **Sec. 5.** (1) There is established within the Department of Human Services the Oregon Health
7 Fund Board that shall be responsible for developing the Oregon Health Fund program comprehen-
8 sive plan. The board shall consist of seven members appointed by the Governor, subject to confir-
9 mation by the Senate pursuant to section 4, Article III of the Oregon Constitution. The members of
10 the board shall be selected based upon their ability to represent the best interests of Oregon as a
11 whole. Members of the board shall have expertise, knowledge and experience in the areas of con-
12 sumer advocacy, management, finance, labor and health care, and to the extent possible shall rep-
13 resent the geographic and ethnic diversity of the state. A majority of the board members must
14 consist of individuals who do not receive or have not received within the past two years more than
15 50 percent of the individual's income or the income of the individual's family from the health care
16 industry or the health insurance industry.

17 (2) Each board member shall serve for a term of four years. However, a board member shall
18 serve until a successor has been appointed and qualified. A member is eligible for reappointment.

19 (3) If there is a vacancy for any cause, the Governor shall make an appointment to become ef-
20 fective immediately for the balance of the unexpired term.

21 (4) The board shall select one of its members as chairperson and another as vice chairperson,
22 for such terms and with duties and powers necessary for the performance of the functions of such
23 offices as the board determines.

24 (5) A majority of the members of the board constitutes a quorum for the transaction of business.

25 (6) Official action by the board requires the approval of a majority of the members of the board.

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted.
New sections are in **boldfaced** type.

1 (7) A member of the board is not entitled to compensation for services as a member, but is en-
2 titled to expenses as provided in ORS 292.495 (2).

3 (8) **The board may adopt rules necessary for the administration of sections 2 to 13,**
4 **chapter 697, Oregon Laws 2007.**

5 **SECTION 2.** Section 9, chapter 697, Oregon Laws 2007, is amended to read:

6 **Sec. 9.** (1)(a) The Oregon Health Fund Board shall establish a committee to examine the impact
7 of federal law requirements on reducing the number of Oregonians without health insurance, im-
8 proving Oregonians' access to health care and achieving the goals of the Healthy Oregon Act, fo-
9 cusing particularly on barriers to reducing the number of uninsured Oregonians, including but not
10 limited to:

11 (A) Medicaid requirements such as eligibility categories and household income limits;

12 (B) Federal tax code policies regarding the impact on accessing health insurance or self-
13 insurance and the affect on the portability of health insurance;

14 (C) Emergency Medical Treatment and Active Labor Act regulations that make the delivery of
15 health care more costly and less efficient; and

16 (D) Medicare policies that result in Oregon's health care providers receiving significantly less
17 than the national average Medicare reimbursement rate. The committee shall survey providers and
18 determine how this and other Medicare policies and procedures affect costs, quality and access. The
19 committee shall assess how an increase in Medicare reimbursement rates to Oregon providers would
20 benefit Oregon in health care costs, quality and access to services, including improved access for
21 persons with disabilities and improved access to long term care.

22 (b) With the approval of the Oregon Health Fund Board, the committee shall report its findings
23 to the Oregon congressional delegation no later than *[July 31]* **October 1, 2008.**

24 (c) The committee shall request that the Oregon congressional delegation:

25 (A) Participate in at least one hearing in each congressional district in this state on the impacts
26 of federal policies on health care services; and

27 (B) Request congressional hearings in Washington, D.C.

28 (2) The Oregon Health Fund Board shall develop a comprehensive plan to achieve the Oregon
29 Health Fund program goals listed in section 4, **chapter 697, Oregon Laws 2007** *[of this 2007 Act]*.
30 The board shall establish subcommittees, organized to maximize efficiency and effectiveness and as-
31 sisted, in the manner the board deems appropriate, by the Oregon Health Policy Commission, the
32 Office for Oregon Health Policy and Research, the Health Services Commission and the Medicaid
33 Advisory Committee, to develop proposals for the Oregon Health Fund program comprehensive plan.
34 The proposals may address, but are not limited to, the following:

35 (a) Financing the Oregon Health Fund program, including but not limited to proposals for:

36 (A) A model for rate setting that ensures providers will receive fair and adequate compensation
37 for health care services.

38 (B) Collecting employer and employee contributions and individual health care premium contri-
39 butions, and redirecting them to the Oregon Health Fund.

40 (C) Implementing a health insurance exchange to serve as a central forum for uninsured indi-
41 viduals and businesses to purchase affordable health insurance.

42 (D) Taking best advantage of health savings accounts and similar vehicles for making health
43 insurance more accessible to uninsured individuals.

44 (E) Addressing the issue of medical liability and medical errors including, but not limited to,
45 consideration of a patients' compensation fund.

1 (F) Requesting federal waivers under Titles XIX and XXI of the Social Security Act, or other
2 federal matching funds that may be made available to implement the comprehensive plan and in-
3 crease access to health care.

4 (G) Evaluating statutory and regulatory barriers to the provision of cost-effective services, in-
5 cluding limitations on access to information that would enable providers to fairly evaluate contract
6 reimbursement, the regulatory effectiveness of the certificate of need process, consideration of a
7 statewide uniform credentialing process and the costs and benefits of improving the transparency
8 of costs of hospital services and health benefit plans.

9 (b) Delivering health services in the Oregon Health Fund program, including but not limited to
10 proposals for:

11 (A) An efficient and effective delivery system model that ensures the continued viability of ex-
12 isting prepaid managed care health services organizations, as described in ORS 414.725, to serve
13 Medicaid populations.

14 (B) The design and implementation of a program to create a public partnership with accountable
15 health plans to provide, through the use of an Oregon Health Card, health insurance coverage of
16 the defined set of essential health services that meets standards of affordability based upon a cal-
17 culation of how much individuals and families, particularly the uninsured, can be expected to spend
18 for health insurance and still afford to pay for housing, food and other necessities. The proposal
19 must ensure that each accountable health plan:

20 (i) Does not deny enrollment to qualified Oregonians eligible for Medicaid;

21 (ii) Provides coverage of the entire defined set of essential health services;

22 (iii) Will develop an information system to provide written information, and telephone and
23 Internet access to information, necessary to connect enrollees with appropriate medical and dental
24 services and health care advice;

25 (iv) Offers a simple and timely complaint process;

26 (v) Provides enrollees with information about the cost and quality of services offered by health
27 plans and procedures offered by medical and dental providers;

28 (vi) Provides advance disclosure of the estimated out-of-pocket costs of a service or procedure;

29 (vii) Has contracts with a sufficient network of providers, including but not limited to hospitals
30 and physicians, with the capacity to provide culturally appropriate, timely health services and that
31 operate during hours that allow optimal access to health services;

32 (viii) Ensures that all enrollees have a primary care medical home;

33 (ix) Includes in its network safety net providers and local community collaboratives;

34 (x) Regularly evaluates its services, surveys patients and conducts other assessments to ensure
35 patient satisfaction;

36 (xi) Has strategies to encourage enrollees to utilize preventive services and engage in healthy
37 behaviors;

38 (xii) Has simple and uniform procedures for enrollees to report claims and for accountable
39 health plans to make payments to enrollees and providers;

40 (xiii) Provides enrollment, encounter and outcome data for evaluation and monitoring purposes;
41 and

42 (xiv) Meets established standards for loss ratios, rating structures and profit or nonprofit status.

43 (C) Using information technology that is cost-neutral or has a positive return on investment to
44 deliver efficient, safe and quality health care and a voluntary program to provide every Oregonian
45 with a personal electronic health record that is within the individual's control, use and access and

1 that is portable.

2 (D) Empowering individuals through education as well as financial incentives to assume more
3 personal responsibility for their own health status through the choices they make.

4 (E) Establishing and maintaining a registry of advance directives and Physician Orders for
5 Life-Sustaining Treatment (POLST) forms and a process for assisting a person who chooses to exe-
6 cute an advance directive in accordance with ORS 127.531 or a POLST form.

7 (F) Designing a system for regional health delivery.

8 (G) Combining, reorganizing or eliminating state agencies involved in health planning and pol-
9 icy, health insurance and the delivery of health care services and integrating and streamlining their
10 functions and programs to maximize their effectiveness and efficiency. The subcommittee may con-
11 sider, but is not limited to considering, the following state agencies, functions or programs:

12 (i) The Health Services Commission;

13 (ii) The Oregon Health Policy Commission;

14 (iii) The Health Resources Commission;

15 (iv) The Medicaid Advisory Committee;

16 (v) The Department of Human Services, including but not limited to the state Medicaid agency,
17 the Office for Oregon Health Policy and Research, offices involved in health systems planning, of-
18 fices involved in carrying out the duties of the department with respect to certificates of need under
19 ORS 443.305 to 443.350 and the functions of the department under ORS chapter 430;

20 (vi) The Department of Consumer and Business Services;

21 (vii) The Oregon Patient Safety Commission;

22 (viii) The Office of Private Health Partnerships;

23 (ix) The Public Employees' Benefit Board;

24 (x) The State Accident Insurance Fund Corporation; and

25 (xi) The Office of Rural Health.

26 (c) Establishing the defined set of essential health services, including but not limited to pro-
27 posals for a methodology, consistent with the principles in section 3, **chapter 697, Oregon Laws**
28 **2007** [of this 2007 Act], for determining and continually updating the defined set of essential health
29 services. The Oregon Health Fund Board may delegate this function to the Health Services Com-
30 mission established under ORS 414.715.

31 (d) The eligibility requirements and enrollment procedures for the Oregon Health Fund program,
32 including, but not limited to, proposals for:

33 (A) Public subsidies of premiums or other costs under the program.

34 (B) Streamlined enrollment procedures, including:

35 (i) A standardized application process;

36 (ii) Requirements to ensure that enrollees demonstrate Oregon residency;

37 (iii) A process to enable a provider to enroll an individual in the Oregon Health Fund program
38 at the time the individual presents for treatment to ensure coverage as of the date of the treatment;
39 and

40 (iv) Permissible waiting periods, preexisting condition limitations or other administrative re-
41 quirements for enrollment.

42 (C) A grievance and appeal process for enrollees.

43 (D) Standards for disenrollment and changing enrollment in accountable health plans.

44 (E) An outreach plan to educate the general public, particularly uninsured and underinsured
45 persons, about the program and the program's eligibility requirements and enrollment procedures.

1 (F) Allowing employers to offer health insurance coverage by insurers of the employer's choice
2 or to contract for coverage of benefits beyond the defined set of essential health services.

3 (3) On *[the effective date of this 2007 Act]* **June 28, 2007**, the Oregon Health Policy Commission,
4 the Office for Oregon Health Policy and Research, the Health Services Commission and the
5 Medicaid Advisory Committee are directed to begin compiling data and conducting research to in-
6 form the decision-making of the subcommittees when they are convened. No later than February 1,
7 2008, the Oregon Health Policy Commission, the Office for Oregon Health Policy and Research, the
8 Health Services Commission and the Medicaid Advisory Committee shall present reports containing
9 data and recommendations to the subcommittees as follows:

10 (a) The Oregon Health Policy Commission shall report on the financing mechanism for the
11 comprehensive plan;

12 (b) The Administrator of the Office for Oregon Health Policy and Research shall report on the
13 health care delivery model of the comprehensive plan;

14 (c) The Health Services Commission shall report on the methodology for establishing the defined
15 set of essential health services under the comprehensive plan; and

16 (d) The Medicaid Advisory Committee shall report on eligibility and enrollment requirements
17 under the comprehensive plan.

18 (4) The membership of the subcommittees shall, to the extent possible, represent the geographic
19 and ethnic diversity of the state and include individuals with actuarial and financial management
20 experience, individuals who are providers of health care, including safety net providers, and indi-
21 viduals who are consumers of health care, including seniors, persons with disabilities and individuals
22 with complex medical needs.

23 (5) Each subcommittee shall select one of its members as chairperson for such terms and with
24 such duties and powers necessary for performance of the functions of those offices. Each chairperson
25 shall serve as an ex officio member of the Oregon Health Fund Board. Chairpersons shall collab-
26 orate to integrate the committee recommendations to the extent possible.

27 (6) The committee and the subcommittees are public bodies for purposes of ORS chapter 192 and
28 must provide reasonable opportunity for public testimony at each meeting.

29 (7) All agencies of state government, as defined in ORS 174.111, are directed to assist the com-
30 mittee, the subcommittees and the Oregon Health Fund Board in the performance of their duties
31 and, to the extent permitted by laws relating to confidentiality, to furnish such information and ad-
32 vice as the members of the committees, the subcommittees and the Oregon Health Fund Board
33 consider necessary to perform their duties.

34 (8) The Oregon Health Fund Board shall report to the Legislative Assembly not later than
35 February 29, 2008. The report must describe the progress of the subcommittees and the board toward
36 developing a comprehensive plan to:

37 (a) Decrease the number of children and adults without health insurance;

38 (b) Ensure universal access to health care;

39 (c) Contain health care costs; and

40 (d) Address issues regarding the quality of health care services.

41 (9) The Oregon Health Fund Board shall present a plan to the Legislative Assembly not later
42 than February 1, 2008, for the design and implementation of the health insurance exchange described
43 in subsection (2)(a)(C) of this section.
