Prepared By: Paul Warner, Economist

Meeting Dates: March 2, 8, 2009

WHAT THE BILL DOES: Corrects grammar, syntax and references in Oregon tax laws. Repeals obsolete statutes. Has no impact on current tax policy.

ISSUES DISCUSSED:

- Nature of biennial revisers bill.
- House committee action to retain reference to MIAs from Vietnam War era.

EFFECT OF COMMITTEE AMENDMENTS: Resolves conflicts with previously enacted bill.

BACKGROUND: During each interim, Legislative Counsel prepares the "revisers bill" which is designed to update and make corrections to Oregon tax statutes. HB 2065 is the 2009 version of that effort. In preparing this bill Legislative Counsel strives to make sure the bill does not have an impact on current tax policy.
