WHAT THE MEASURE DOES: Expands the list of individuals from whom the State Parks and Recreation Department may require fingerprints to include department licensees, persons responsible for sale or distribution of tickets or other instruments that can be exchanged for good services or access to events on department property, and persons with key access to buildings and grounds that contain private property. Repeals statute relating to criminal records check by abolished Oregon State Fair and Exposition Center.

ISSUES DISCUSSED:

- Option to conduct background check without fingerprinting
- Provisions of the measure

EFFECT OF COMMITTEE AMENDMENT: No amendment.

BACKGROUND: House Bill 3502 (2005) transferred the powers of the Oregon State Fair and Exposition Center to the State Parks and Recreation Department. House Bill 2217 allows the department to uniformly apply fingerprinting requirements by adding the criteria that were previously required by the center.
