WHAT THE MEASURE DOES: Provides that veterinarian or veterinarian technician acting within scope of their license is not a pesticide user subject to pesticide reporting system.

ISSUES DISCUSSED:

- Veterinary use of pesticides
- Pesticide use reporting system

EFFECT OF COMMITTEE AMENDMENT: No amendment.

BACKGROUND: The pesticide use reporting system was originally passed by the 1999 Oregon Legislature. The program requires all persons applying pesticides in the course of business, for a government agency or in a public place, to annually report that use online. A pesticide is any chemical used to kill, repel or mitigate a pest. This includes insecticides, herbicides, fungicides, rodenticides and others.
