# **Summary of Revenue Changes**

The Land Use Board of Appeals is funded primarily with General Fund. Other Funds revenue is generated through filing fees and the sale of publications of the Board's opinions and final orders. Revenues received from filing fees are transferred to the General Fund.

### **Summary of Natural Resources Subcommittee Action**

The Land Use Board of Appeals (LUBA) hears appeals of land use decisions made by state agencies, special districts, and local governments. The Board was created by legislation in 1979 to ease the workload in the court system and provide a forum to resolve land use disputes quickly and consistently. The Natural Resource Subcommittee approved a budget of \$1,579,580 General Fund, \$81,546 Other Funds and six positions (6.00 FTE). This represents a nearly two percent increase from the 2007-09 Legislatively Approved Budget.

The subcommittee approved Package 810, Co-Chair Budget Reduction, which reduces LUBA's Service and Supplies budget by \$20,000 General Fund.
