**EFFECTIVE DATE:** January 1, 2010

**LOCAL GOVERNMENT MANDATE:** This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

**ANALYSIS:** This measure allows the Department of Human Services (DHS) to deny, suspend, revoke or refuse renewal for a license of a provider if the Department finds that the provider operates a separate facility that is not or has not been in substantial compliance with state statutes. The bill defines facility as developmental disability residential training/treatment facility or home as defined in Oregon Revised Statutes 443.400 and adult foster homes as defined in Oregon Revised Statutes 443.705.

Passage of this bill would have a minimal fiscal impact on the Department of Human Services because it does not create new programs or workload for the Department. DHS believes the potential for contested case hearings is also minimal given the historical record of developmental disability residential training/treatment facility or home, and adult foster homes.
