27 peaceably remove a tenant without complying with ORS 105.105 to 105.168 if the tenant has used

26 (6) The date and time for moving out specified in a notice under subsection (3) of this section
27 must be at least 24 hours after the date and time the notice is delivered to the tenant. If the tenant
28 remains on the group recovery home premises after the date and time for moving out specified in
29 the notice, the tenant is a person remaining unlawfully in a dwelling as described in ORS 164.255
30 and not a person described in ORS 105.115. Only a peace officer may forcibly remove a tenant who
31 remains on the group recovery home premises after the date and time specified for moving out.

38 (a) The group recovery home removed the tenant in bad faith or without substantially complying
39 with this section; or

40 (b) If removal is under subsection (2)(c) of this section, the removal was wrongful because the

45 (10) In any court action regarding the removal of a tenant under this section, a group recovery

1 home may present evidence that the tenant used or possessed alcohol or illegal drugs within seven
2 days preceding the removal, whether or not the evidence was described in the notice required by
3 subsection (3) of this section.

4 (11) This section does not prevent a group recovery home from terminating a tenancy as pro-
5 vided by any other provision of this chapter and evicting a tenant as provided in ORS 105.105 to
6 105.168.

7 **SECTION 60.** ORS 92.337 is amended to read:

32 (h) Provisions, satisfactory to the commissioner, have been made for satisfaction of all liens and

40 state material facts to obtain the exemption or has failed to comply with any provision to which the
41 subdivider or series partitioner is subject under subsections (1) and (2) of this section.

42 (4) In the event that any provision under subsection (1) of this section is not or cannot be sat-
43 isfied and without invoking the power granted under subsection (3) of this section, the commissioner
44 and the subdivider or series partitioner may mutually agree in writing upon a written disclosure of

7 be sufficient.

8 **SECTION 61.** ORS 93.270, as amended by section 16, chapter 100, Oregon Laws 2007, is
9 amended to read:

10 93.270. (1) A person conveying or contracting to convey fee title to real property may not in-
11 clude in an instrument for that purpose a provision:

12 (a) Restricting the use of the real property by any person or group of persons by reason of race,
13 color, religion, sex, sexual orientation, national origin or disability.

14 (b) Restricting the use of the real property by any home or facility that is licensed [*by or under*
15 *the authority of the department*] under ORS 443.400 to 443.455 or 443.705 to 443.825 to provide resi-
16 dential care alone or in conjunction with treatment or training or a combination thereof.

17 (2) Any provision in an instrument executed in violation of subsection (1) of this section is void
18 and unenforceable.

19 (3) An instrument that contains a provision restricting the use of real property in a manner
20 listed in subsection (1)(b) of this section does not give rise to any public or private right of action
21 to enforce the restriction.

22 (4)(a) An instrument that contains a provision restricting the use of real property by requiring
23 roofing materials with a lower fire rating than that required in the state building code established
24 under ORS chapter 455 does not give rise to any public or private right of action to enforce the
25 restriction in an area determined by a local jurisdiction as a wildfire hazard zone. Prohibitions on
26 public or private right of action under this paragraph are limited solely to considerations of fire
27 rating.

28 (b) As used in this subsection, “wildfire hazard zones” are areas that are legally declared by a
29 governmental agency having jurisdiction over the area to have special hazards caused by a combi-
30 nation of combustible natural fuels, topography and climatic conditions that result in a significant
31 hazard of catastrophic fire over relatively long periods each year. Wildfire hazard zones shall be
32 determined using criteria established by the State Forestry Department.

33 **SECTION 62.** ORS 97.210 is amended to read:

34 97.210. The body of any person who died of smallpox, diphtheria, scarlet fever or other disease

36 not be subject to the provisions of ORS 97.170 to 97.200.

37 **SECTION 63.** ORS 97.450 is amended to read:

38 97.450. (1)(a) Whenever any cemetery that is within the limits of any county, city or town has
39 been abandoned, or it is desirable to abandon such cemetery, the governing body of any county, if
40 the cemetery is owned by the county, or the corporate authorities of the city or town, if the ceme-
41 tery is owned by the city or town, or the trustees or directors, if the cemetery is owned by an as-
42 sociation or corporation, may order that such burial ground be discontinued, have the remains of
43 all persons interred in the cemetery moved to some other suitable place and provide for the removal
44 and reerection of all stones and monuments marking said graves. Each removal must be made in an
45 appropriate manner and in accordance with the directions of the Director of [*Human Services*] **the**

1 **Oregon Health Authority.** Prior to any removal authorized under this section, written notice must
2 be given to the family, or next of kin of the deceased, if known, and if unknown, notice of the re-
3 moval shall be published for at least four successive weeks in a newspaper of general circulation in
4 the county in which the cemetery is located and twice in a newspaper with statewide circulation.

5 (b) Any removal and the costs of the proceedings under this section shall be at the expense of
6 the county, city or town, individual, corporation or association owning the cemetery to be moved.

7 (2) Notwithstanding subsection (1)(a) of this section, a cemetery or burial ground containing
8 human remains that were interred before February 14, 1909, may not be discontinued or declared
9 abandoned or have remains removed from the burial ground or cemetery without prior notice to and
10 comment by the Oregon Commission on Historic Cemeteries. When commenting on a request to
11 discontinue or declare abandoned a cemetery or burial ground, the commission shall consider:

12 (a) The listing of the cemetery or burial ground under ORS 97.782;

13 (b) The historic significance of the cemetery or graves included in the request; and

14 (c) The findings of any archaeological survey of the cemetery or burial ground.

15 **SECTION 64.** ORS 97.977 is amended to read:

16 97.977. (1)(a) The [*Department of Human Services*] **Oregon Health Authority** may allow an or-
17 gan procurement organization to establish a donor registry.

18 (b) Only one donor registry may be established within this state.

19 (c) The donor registry shall comply with subsections (3) and (4) of this section.

20 (2) The Department of Transportation shall:

21 (a) Cooperate with a person who administers the donor registry established under subsection (1)
22 of this section for the purpose of transferring to the donor registry all relevant information regard-
23 ing a donor's making, amending or revoking an anatomical gift.

24 (b) When requested by the organ procurement organization that has established the donor regi-
25 stry in this state, the department shall electronically transfer to the organ procurement organiza-
26 tion the name, address, birthdate and donor designation listed on the driver license or identification
27 card of a person designated as a donor. The organ procurement organization shall treat the infor-

29 the making of anatomical gifts authorized by the donor.

30 (3) The donor registry must:

32 a statement or symbol that the donor has made, amended or revoked an anatomical gift;

33 (b) Be accessible to a procurement organization to allow the procurement organization to obtain
34 relevant information on the donor registry to determine, at or near death of the donor or a pro-
35 spective donor, whether the donor or prospective donor has made, amended or revoked an anatom-
36 ical gift; and

37 (c) Be accessible for purposes of this subsection seven days a week on a 24-hour basis.

38 (4) Personally identifiable information on the donor registry about a donor or prospective donor
39 may not be used or disclosed without the express consent of the donor, prospective donor or person
40 who made the anatomical gift for any purpose other than to determine, at or near death of the donor
41 or prospective donor, whether the donor or prospective donor has made, amended or revoked an
42 anatomical gift.

43 **SECTION 65.** ORS 105.580 is amended to read:

44 105.580. (1) Except as provided in subsection (3) of this section, if the existence of the nuisance
45 is established in the action, an order of abatement shall be entered as part of the general judgment

1 in the case.

2 (2) The order of abatement may direct the effectual closing of the premises, building or place
3 against its use for any purpose, and so keeping it closed for a period of one year, unless sooner re-
4 leased. The court shall not include provisions for the closing of the premises under the provisions
5 of this subsection unless that relief is specifically requested in the complaint.

6 (3) The court, if satisfied of an owner's good faith, shall enter no order of abatement as to that
7 owner if the court finds that the owner:

8 (a) Had no knowledge of the existence of the nuisance or has been making reasonable efforts
9 to abate the nuisance;

10 (b) Has not been guilty of any contempt of court in the proceedings; and

11 (c) Will make best efforts to immediately abate any nuisance that may exist and prevent it from
12 being a nuisance for a period of one year thereafter.

13 (4) Except for an order of abatement entered based on the manufacture of a controlled sub-
14 stance, if an order of abatement has been entered and an owner subsequently meets the require-
15 ments of this section, the order of abatement shall be canceled as to that owner.

16 (5) If the court enters an order under this section on the basis that the property was used for
17 the manufacture of a controlled substance, the court shall send a copy of the order to the Director
18 of [*Human Services*] **the Oregon Health Authority**. The director or the director's designee shall
19 declare the property to be an illegal drug manufacturing site for purposes of ORS 453.855 to 453.912.
20 An order of the court under this section shall not be canceled until the director or the director's
21 designee determines the property to be fit for use. Upon determining the property to be fit for use,
22 the director or designee shall notify the court, which shall cancel the abatement order.

23 **SECTION 66.** ORS 106.081 is amended to read:

24 106.081. When the county clerk issues a marriage license, the county clerk shall also give to the
25 licensees a pamphlet describing the medical condition known as fetal alcohol syndrome, its causes
26 and its effects. The pamphlet shall be provided to the counties by the [*Department of Human*
27 *Services*] **Oregon Health Authority** under ORS 431.825 for distribution under this section.

28 **SECTION 67.** ORS 109.094 is amended to read:

29 109.094. Upon the paternity of a child being established in the proceedings, the father shall have
30 the same rights as a father who is or was married to the mother of the child. The clerk of the court
31 shall certify the fact of paternity to the Center for Health Statistics of the [*Department of Human*
32 *Services*] **Oregon Health Authority**, and the Center for Health Statistics shall prepare a new birth
33 certificate for the child.

34 **SECTION 68.** ORS 109.096 is amended to read:

35 109.096. (1) When the paternity of a child has not been established under ORS 109.070, the pu-
36 tative father is entitled to reasonable notice in adoption or other court proceedings concerning the
37 custody of the child, except for juvenile court proceedings, if the petitioner knows, or by the exer-
38 cise of ordinary diligence should have known:

39 (a) That the child resided with the putative father at any time during the 60 days immediately
40 preceding the initiation of the proceeding, or at any time since the child's birth if the child is less
41 than 60 days old when the proceeding is initiated; or

42 (b) That the putative father repeatedly has contributed or tried to contribute to the support of
43 the child during the year immediately preceding the initiation of the proceeding, or during the pe-
44 riod since the child's birth if the child is less than one year old when the proceeding is initiated.

45 (2) Except as provided in subsection (3) or (4) of this section, a verified statement of the mother

1 of the child or of the petitioner, or an affidavit of another person with knowledge of the facts, filed
2 in the proceeding and asserting that the child has not resided with the putative father, as provided
3 in subsection (1)(a) of this section, and that the putative father has not contributed or tried to con-
4 tribute to the support of the child, as provided in subsection (1)(b) of this section, is sufficient proof
5 to enable the court to grant the relief sought without notice to the putative father.

6 (3) The putative father is entitled to reasonable notice in a proceeding for the adoption of the
7 child if notice of the initiation of filiation proceedings as required by ORS 109.225 was on file with
8 the Center for Health Statistics of the *[Department of Human Services]* **Oregon Health Authority**
9 prior to the child's being placed in the physical custody of a person or persons for the purpose of
10 adoption by them. If the notice of the initiation of filiation proceedings was not on file at the time
11 of the placement, the putative father is barred from contesting the adoption proceeding.

12 (4) Except as otherwise provided in subsection (3) of this section, the putative father is entitled
13 to reasonable notice in court proceedings concerning the custody of the child, other than juvenile
14 court proceedings, if notice of the initiation of filiation proceedings as required by ORS 109.225 was
15 on file with the Center for Health Statistics prior to the initiation of the proceedings.

16 (5) Notice under this section is not required to be given to a putative father who was a party
17 to filiation proceedings under ORS 109.125 that were dismissed or resulted in a finding that he was
18 not the father of the child.

19 (6) The notice required under this section shall be given in the manner provided in ORS 109.330.

20 (7) No notice given under this section need disclose the name of the mother of the child.

21 (8) A putative father has the primary responsibility to protect his rights, and nothing in this
22 section shall be used to set aside an act of a permanent nature including, but not limited to,
23 adoption or termination of parental rights, unless the father establishes within one year after the
24 entry of the final judgment or order fraud on the part of a petitioner in the proceeding with respect
25 to matters specified in subsections (1) to (5) of this section.

26 **SECTION 69.** ORS 109.225 is amended to read:

27 109.225. (1) After filing the petition, the petitioner shall cause the Center for Health Statistics
28 of the *[Department of Human Services]* **Oregon Health Authority** to be served by mail with a notice
29 setting forth the court in which the petition was filed, the date of the filing therein, the case num-
30 ber, the full name and address of the child, the date and place of the child's birth, or if the child is
31 not yet born, the date and place of the child's conception and the probable date of the child's birth,
32 the full names and addresses of the child's alleged parents, and the names and addresses of the
33 petitioner and of the respondents in the proceedings.

34 (2) The Center for Health Statistics shall file immediately the notice, or a copy thereof, with the
35 record of the birth of the child or in the same manner as its filing of records of birth if the center
36 does not have a record of the birth. The center shall only provide the information contained in the
37 notice to persons whose names appear in the notice or to persons or agencies showing a legitimate
38 interest in the parent-child relationship including, but not limited to, parties to adoption, juvenile
39 court or heirship proceedings.

40 **SECTION 70.** ORS 109.251 is amended to read:

42 to determine paternity of a type generally acknowledged as reliable by accreditation bodies desig-

11 **Oregon Health Authority** pursuant to rule.

12 (2) However, the person providing treatment shall have the parents of the minor involved before
13 the end of treatment unless the parents refuse or unless there are clear clinical indications to the
14 contrary, which shall be documented in the treatment record. The provisions of this subsection do
15 not apply to:

16 (a) A minor who has been sexually abused by a parent; or

17 (b) An emancipated minor, whether emancipated under the provisions of ORS 109.510 and
18 109.520 or 419B.550 to 419B.558 or, for the purpose of this section only, emancipated by virtue of
19 having lived apart from the parents or legal guardian while being self-sustaining for a period of 90
20 days prior to obtaining treatment as provided by this section.

21 **SECTION 72.** ORS 109.680 is amended to read:

22 109.680. A physician, psychologist, nurse practitioner, licensed clinical social worker or com-

24 the parent or parents or legal guardian of any minor described in ORS 109.675 of the diagnosis or
25 treatment whenever the disclosure is clinically appropriate and will serve the best interests of the
26 minor's treatment because the minor's condition has deteriorated or the risk of a suicide attempt
27 has become such that inpatient treatment is necessary, or the minor's condition requires
28 detoxification in a residential or acute care facility. If such disclosure is made, the physician, psy-
29 chologist, nurse practitioner, licensed clinical social worker or community mental health [*and de-*
30 *velopmental disabilities*] program shall not be subject to any civil liability for advising the parent,
31 parents or legal guardian without the consent of the minor.

36 to any civil liability for providing such diagnosis or treatment without consent of the parent or legal
37 guardian of the minor.

38 **SECTION 74.** ORS 109.695 is amended to read:

39 109.695. For the purpose of carrying out the policy and intent of ORS 109.675 to 109.695 while

42 [*Department of Human Services*] **Oregon Health Authority** shall adopt rules for the implementation
43 of ORS 109.675 to 109.695 by community mental health [*and developmental disabilities*] programs
44 approved to do so. Such rules shall provide for the earliest feasible involvement of the parents or
45 guardians in the treatment plan consistent with clinical requirements of the minor.

1 **SECTION 75.** ORS 110.318 is amended to read:

2 110.318. In a proceeding to establish, enforce or modify a support order or to determine par-

21 it finds suitable as personal representative, giving preference in the following order:

22 (a) To the executor named in the will.

23 (b) To the surviving spouse of the decedent or the nominee of the surviving spouse of the
24 decedent.

25 (c) To the nearest of kin of the decedent or the nominee of the nearest of kin of the decedent.

26 (d) To the Director of Human Services or a designee, if it appears the decedent received public
27 assistance pursuant to ORS chapter 411 [*or 414 and that such assistance is a claim against the*
28 *estate*].

29 **(e) To the Director of the Oregon Health Authority or a designee, if it appears the**
30 **decedent received medical assistance pursuant to ORS chapter 414.**

31 [(e)] **(f)** To the Department of Veterans' Affairs, if the decedent was a protected person under
32 ORS 406.050 (7), and the department has joined in the petition for such appointment.

33 [(f)] **(g)** To any other person.

34 (2) Except as provided in subsection (3) of this section, the court shall appoint the Department

37 administration of the estate. Any funds received by the Department of State Lands in the capacity
38 of personal representative may be deposited in accounts, separate and distinct from the General
39 Fund, established with the State Treasurer. Interest earned by such account shall be credited to that
40 account.

41 (3) The court may appoint a person other than the Department of State Lands to administer the
42 estate of a decedent who died wholly intestate and without known heirs if the person filing a peti-
43 tion under ORS 113.035 attaches written authorization from an estate administrator of the Depart-
44 ment of State Lands appointed under ORS 113.235 approving the filing of the petition by the person.
45 Except as provided by rule adopted by the Director of the Department of State Lands, an estate

1 administrator may consent to the appointment of another person to act as personal representative
2 only if it appears after investigation that the estate is insolvent.

3 **SECTION 77.** ORS 113.105 is amended to read:

4 113.105. (1) Unless a testator provides in a will that no bond shall be required of the executor

6 of State Lands, [*or is the Director of Human Services or a designee, or is*] the Department of Veter-
7 ans' Affairs, **the Director of Human Services or a designee or the Director of the Oregon**
8 **Health Authority or a designee**, the personal representative may not act nor shall letters be issued
9 to the personal representative until the personal representative files with the clerk of the court a
10 bond. The bond shall be executed by a surety company authorized to transact surety business in this
11 state, or by one or more sufficient personal sureties approved by the court. A personal surety must
12 be a resident of this state. The court may, in its discretion, require a bond notwithstanding any
13 provision in a will that no bond is required. The bond shall be for the security and benefit of all
14 interested persons and shall be conditioned upon the personal representative faithfully performing
15 the duties of the trust.

16 (2) The amount of the bond set by the court shall be adequate to protect interested persons, but
17 in no event shall it be less than \$1,000. In setting the amount of the bond the court shall consider:

18 (a) The nature, liquidity and apparent value of the assets of the estate.

19 (b) The anticipated income during administration.

20 (c) The probable indebtedness and taxes.

21 (3) Nothing in this section affects the provisions of ORS 709.240, relating to a trust company
22 acting as personal representative.

23 (4) Notwithstanding any other provisions of this section, a court may, in its discretion, waive
24 the requirement of a bond if all devisees and heirs known to the court agree in writing that the
25 requirement be waived and the signed agreement is filed with the court at the time of filing of the
26 petition for the appointment of a personal representative.

27 **SECTION 78.** ORS 113.145 is amended to read:

28 113.145. (1) Upon appointment a personal representative shall deliver or mail to the devisees,
29 heirs and the persons described in ORS 113.035 (8) and (9) who were required to be named in the

31 that shall include:

41 for the personal representative;

42 (g) If information under this section is required to be delivered or mailed to a person described
43 in ORS 113.035 (8), a statement that the rights of the person in the estate may be barred unless the
44 person proceeds as provided in ORS 113.075 within four months of the delivery or mailing of the
45 information; and

1 (h) If information under this section is required to be delivered or mailed to a person described
2 in ORS 113.035 (9), a statement that the rights of the person in the estate may be barred unless the
3 person proceeds as provided in ORS 112.049 within four months of the delivery or mailing of the
4 information.

5 (2) If the personal representative is a devisee, heir or other interested person named in the pe-
6 tition the personal representative is not required to deliver or mail the information under this sec-
7 tion to the personal representative.

8 (3) The failure of the personal representative to give information under this section is a breach
9 of duty to the persons concerned, but does not affect the validity of appointment, duties or powers
10 or the exercise of duties or powers.

11 (4) Within 30 days after the date of appointment a personal representative shall cause to be filed
12 in the estate proceeding proof of the delivery or mailing required by this section or a waiver of
13 notice as provided under ORS 111.225. The proof shall include a copy of the information delivered
14 or mailed and the names of the persons to whom it was delivered or mailed.

15 (5) If before the filing of the final account the personal representative has actual knowledge that
16 the petition did not include the name and address of any person described in ORS 113.035 (4), (5),
17 (7), (8) or (9), the personal representative shall:

18 (a) Make reasonable efforts under the circumstances to ascertain each of those names and ad-
19 dresses;

20 (b) Promptly deliver or mail information as described in subsection (1) of this section to each
21 of those persons located after the filing of the petition and before the filing of the final account; and

22 (c) File in the estate proceeding, on or before filing the final account under ORS 116.083, proof
23 of compliance with this subsection or a waiver of notice as provided under ORS 111.225.

24 (6) Within 30 days after the appointment of a personal representative, the personal represen-
25 tative must mail or deliver the information specified in subsection (1) of this section and a copy of
26 the death certificate of the decedent to the Department of Human Services **and the Oregon Health**
27 **Authority.**

28 **SECTION 79.** ORS 114.525 is amended to read:

29 114.525. An affidavit filed under ORS 114.515 shall:

30 (1) State the name, age, domicile, post-office address and Social Security number of the decedent;

31 (2) State the date and place of the decedent's death. A certified copy of the death certificate
32 shall be attached to the affidavit;

33 (3) Describe and state the fair market value of all property in the estate, including a legal de-
34 scription of any real property;

35 (4) State that no application or petition for the appointment of a personal representative has
36 been granted in Oregon;

37 (5) State whether the decedent died testate or intestate, and if the decedent died testate, the

39 (6) List the heirs of the decedent and the last address of each heir as known to the affiant, and
40 state that a copy of the affidavit showing the date of filing and a copy of the will, if the decedent

12 The finding may be based upon any evidence before the court, including, but not limited to, the facts
13 of the case, stipulations of the parties and the results of any evaluation conducted under ORS
14 137.227.

15 (2) When the court finds that the defendant is an alcoholic or a drug-dependent person, the

23 [*Department of Human Services*] **Oregon Health Authority** or its designee perform an assessment
24 of the defendant's mental capacity to engage in reasoned choices of legal strategies and options if:

25 (A) The defendant indicates the wish to waive the right to counsel; and

27 cannot engage in reasoned choices of legal strategies and options.

28 (b) The court also shall order an assessment described in paragraph (a) of this subsection upon

42 capacity to engage in reasoned choices of legal strategies and options.

43 (4) The [*Department of Human Services*] **authority** shall file three copies of the report of the
44 competency assessment with the clerk of the court, who shall cause copies to be delivered to the

5 in reasoned choices of legal strategies and options. If neither the state nor counsel for the defendant
6 contests the finding of the report filed under ORS 137.464, the court may make the determination
7 of the defendant's mental capacity to engage in reasoned choices of legal strategies and options on
8 the basis of the report. If the finding is contested, the court shall hold a hearing on the issue. If the
9 report is received in evidence at the hearing, the party contesting the finding has the right to
10 summon and to cross-examine the psychiatrist or psychologist who submitted the report and to offer
11 evidence on the issue. Either party may introduce other evidence regarding the defendant's mental
12 capacity to engage in reasoned choices of legal strategies and options.

13 (2) If the court determines that, due to mental incapacity, the defendant cannot engage in rea-

37 used in this subsection, "labor dispute" has the meaning given that term in ORS 662.010.

38 (6)(a) When a person is released from imprisonment on post-prison supervision, the board shall

12 paragraph, for the waiver.

13 (c)(A) The board shall determine the county where the person resided at the time of the offense
14 by establishing the person's last address at the time of the offense. In making its determination, the
15 board shall examine all of the following:

16 (i) An Oregon driver license, regardless of its validity;

25 cording to the date of the last arrest resulting in a conviction.

26 (D) In determining the person's county of residence for purposes of this subsection, the board
27 may not consider offenses committed by the person while the person was incarcerated in a Depart-

29 (7) As used in this section, "attends," "institution of higher education," "works" and "carries
30 on a vocation" have the meanings given those terms in ORS 181.594.

34 given to the person paroled.

35 (2) The board shall determine, and may at any time modify, the conditions of parole, which may
36 include, among other conditions, that the parolee shall:

37 (a) Accept the parole granted subject to all terms and conditions specified by the board.

38 (b) Be under the supervision of the Department of Corrections and its representatives and abide

42 (e) Not own, possess or be in control of any weapon.

43 (f) Respect and obey all municipal, county, state and federal laws.

44 (g) Understand that the board may, in its discretion, suspend or revoke parole if it determines
45 that the parole is not in the best interest of the parolee, or in the best interest of society.

1 (3)(a) The board may establish such special conditions as it determines are necessary because
2 of the individual circumstances of the parolee.

3 (b) If the person is on parole following conviction of a sex crime, as defined in ORS 181.594, the
4 board shall include all of the following as special conditions of the person's parole:

5 (A) Agreement to comply with any curfew set by the board or the supervising officer.

6 (B) A prohibition against contacting a person under 18 years of age without the prior written
7 approval of the board or supervising officer.

8 (C) A prohibition against being present more than one time, without the prior written approval
9 of the board or supervising officer, at a place where persons under 18 years of age regularly con-
10 gregate.

11 (D) In addition to the prohibition under subparagraph (C) of this paragraph, a prohibition
12 against being present, without the prior written approval of the board or supervising officer, at, or

27 believe that evidence of a violation of a condition of parole will be found.

28 (J) Participation in random polygraph examinations to obtain information for risk management
29 and treatment. The person is responsible for paying the expenses of the examinations. The results
30 of a polygraph examination under this subparagraph may not be used in evidence in a hearing to
31 prove a violation of parole.

32 (K) Maintenance of a driving log and a prohibition against driving a motor vehicle alone unless
33 approved by the board or supervising officer.

34 (L) A prohibition against using a post-office box unless approved by the board or supervising
35 officer.

36 (M) A prohibition against residing in any dwelling in which another sex offender who is on
37 probation, parole or post-prison supervision resides unless approved by the board or supervising of-
38 ficer, or in which more than one other sex offender who is on probation, parole or post-prison
39 supervision resides unless approved by the board or a designee of the board. As soon as practicable,
40 the supervising officer of a person subject to the requirements of this subparagraph shall review the
41 person's living arrangement with the person's sex offender treatment provider to ensure that the
42 arrangement supports the goals of offender rehabilitation and community safety. As used in this
43 subparagraph:

44 (i) "Dwelling" has the meaning given that term in ORS 469.160.

45 (ii) "Dwelling" does not include a residential treatment facility or a halfway house.

1 (iii) "Halfway house" means a publicly or privately operated profit or nonprofit residential fa-

4 or an assault, as defined in ORS 163.175 or 163.185, and the victim was under 18 years of age, the
5 board, if requested by the victim, shall include as a special condition of the person's parole that the
6 person not reside within three miles of the victim unless:

7 (i) The victim resides in a county having a population of less than 130,000 and the person is
8 required to reside in that county under subsection (5) of this section;

9 (ii) The person demonstrates to the board by a preponderance of the evidence that no mental
10 intimidation or pressure was brought to bear during the commission of the crime;

11 (iii) The person demonstrates to the board by a preponderance of the evidence that imposition
12 of the condition will deprive the person of a residence that would be materially significant in aiding
13 in the rehabilitation of the person or in the success of the parole; or

14 (iv) The person resides in a halfway house. As used in this sub-subparagraph, "halfway house"
15 means a publicly or privately operated profit or nonprofit residential facility that provides
16 rehabilitative care and treatment for sex offenders.

17 (B) A victim may request imposition of the special condition of parole described in this para-
18 graph at the time of sentencing in person or through the prosecuting attorney. A victim's request
19 may be included in the judgment document.

20 (C) If the board imposes the special condition of parole described in this paragraph and if at any
21 time during the period of parole the victim moves to within three miles of the parolee's residence,
22 the board may not require the parolee to change the parolee's residence in order to comply with the
23 special condition of parole.

24 (4) It is not a cause for revocation of parole that the parolee failed to apply for or accept em-
25 ployment at any workplace where there is a labor dispute in progress. As used in this subsection,
26 "labor dispute" has the meaning given that term in ORS 662.010.

27 (5)(a) When the board grants an inmate parole from the custody of the Department of Cor-
28 rections, the board shall order, as a condition of parole, that the inmate reside for the first six
29 months in the county where the inmate resided at the time of the offense that resulted in the
30 imprisonment.

31 (b) Upon motion of the board, an inmate, a victim or a district attorney, the board may waive
32 the residency requirement only after making a finding that one of the following conditions has been
33 met:

34 (A) The inmate provides proof of a job with no set ending date in a county other than the es-
35 tablished county of residence;

36 (B) The inmate is found to pose a significant danger to the victim of the offender's crime, or the
37 victim or victim's family is found to pose a significant danger to the inmate residing in the county
38 of residence;

39 (C) The inmate has a spouse or biological or adoptive family residing in other than the county
40 of residence who will be materially significant in aiding in the rehabilitation of the offender and in
41 the success of the parole;

42 (D) As another condition of parole, the inmate is required to participate in a treatment program
43 that is not available or located in the county of residence;

44 (E) The inmate desires to be paroled to another state; or

45 (F) The board finds other good cause, of a nature similar to the other conditions listed in this

1 paragraph, for the waiver.

2 (c)(A) For purposes of this subsection, “residency” means the last address at the time of the
3 offense, as established by an examination of all of the following:

- 4 (i) An Oregon driver license, regardless of its validity;
- 5 (ii) Records maintained by the Department of Revenue;
- 6 (iii) Records maintained by the Department of State Police bureau of criminal identification;
- 7 (iv) Records maintained by the Department of Human Services; *[and]*
- 8 (v) Records maintained by the Department of Corrections[.]; **and**
- 9 **(vi) Records maintained by the Oregon Health Authority.**

10 (B) When an inmate did not have one identifiable address of record at the time of the offense,
11 the inmate shall be considered to have resided in the county where the offense occurred.

12 (C) If the inmate is serving multiple sentences, the county of residence shall be determined ac-
13 cording to the date of the last arrest resulting in a conviction.

14 (D) If the inmate is being rereleased after revocation of parole, the county of residence shall
15 be determined according to the date of the arrest resulting in a conviction of the underlying offense.

16 (E) In determining the inmate’s county of residence, a conviction for an offense that the inmate
17 committed while incarcerated in a state corrections institution may not be considered.

18 (6) When the board grants an inmate parole from the custody of the Department of Corrections
19 and if the inmate is required to report as a sex offender under ORS 181.595, the board, as a condi-
20 tion of parole, shall order the inmate to report with the Department of State Police, a chief of police,
21 a county sheriff or the supervising agency:

- 22 (a) When supervision begins;
- 23 (b) Within 10 days of a change in residence;
- 24 (c) Once each year within 10 days of the inmate’s date of birth;
- 25 (d) Within 10 days of the first day the person works at, carries on a vocation at or attends an
26 institution of higher education; and
- 27 (e) Within 10 days of a change in work, vocation or attendance status at an institution of higher
28 education.

29 (7) As used in this section, “attends,” “institution of higher education,” “works” and “carries
30 on a vocation” have the meanings given those terms in ORS 181.594.

31 **SECTION 101.** ORS 161.315 is amended to read:

32 161.315. Upon filing of notice or the introduction of evidence by the defendant as provided in
33 ORS 161.309 (3), the state shall have the right to have at least one psychiatrist or licensed psy-
34 chologist of its selection examine the defendant. The state shall file notice with the court of its in-
35 tention to have the defendant examined. Upon filing of the notice, the court, in its discretion, may
36 order the defendant committed to a state institution or any other suitable facility, if the defendant
37 is 18 years of age or older, for observation and examination as the court may designate for a period
38 not to exceed 30 days. If the defendant is under 18 years of age, upon filing of the notice, the court,
39 in its discretion, may order the defendant committed to a secure intensive community inpatient fa-
40 cility designated by the *[Department of Human Services]* **Oregon Health Authority** for observation
41 and examination as the court may designate for a period not to exceed 30 days. If the defendant
42 objects to the examiner chosen by the state, the court for good cause shown may direct the state
43 to select a different examiner.

44 **SECTION 102.** ORS 161.327 is amended to read:

45 161.327. (1)(a) Following the entry of a judgment pursuant to ORS 161.319 and the dispositional

1 determination under ORS 161.325, if the court finds that the person would have been guilty of a
2 felony, or of a misdemeanor during a criminal episode in the course of which the person caused
3 physical injury or risk of physical injury to another, the court shall order that a psychiatric or
4 psychological evaluation be performed and a report of the evaluation be provided to the court if an
5 evaluation was not performed or a report was not provided to the court prior to trial. Upon receipt
6 of the evaluation, the court shall order that the person be placed under the jurisdiction of the Psy-
7 chiatric Security Review Board for care and treatment if the court finds by a preponderance of the
8 evidence that the person is affected by mental disease or defect and presents a substantial danger
9 to others requiring commitment to:

10 (A) A state hospital designated by the [*Department of Human Services*] **Oregon Health Au-**
11 **thority** if the person is at least 18 years of age; or

12 (B) A secure intensive community inpatient facility designated by the [*Department of Human*
13 *Services*] **authority** if the person is under 18 years of age.

14 (b) The period of jurisdiction of the board is equal to the maximum sentence provided by statute
15 for the crime for which the person was found guilty except for insanity.

16 (c) When a court orders a psychiatric or psychological evaluation of a financially eligible person
17 under this subsection, the court shall order the public defense services executive director to pay a
18 reasonable fee for the evaluation from funds available for the purpose.

19 (2) The court shall determine whether the person should be committed to a state hospital, or to
20 a secure intensive community inpatient facility, designated by the [*Department of Human Services*]
21 **authority** or conditionally released pending any hearing before the board as follows:

22 (a) If the court finds that the person presents a substantial danger to others and is not a proper
23 subject for conditional release, the court shall order the person committed to a state hospital des-
24 ignated by the [*Department of Human Services*] **authority** if the person is at least 18 years of age,
25 or to a secure intensive community inpatient facility designated by the [*Department of Human Ser-*
26 *vices*] **authority** if the person is under 18 years of age, for custody, care and treatment pending
27 hearing before the board in accordance with ORS 161.341 to 161.351.

28 (b) If the court finds that the person presents a substantial danger to others but that the person
29 can be adequately controlled with supervision and treatment if conditionally released and that nec-
30 essary supervision and treatment are available, the court may order the person conditionally re-
31 leased, subject to those supervisory orders of the court as are in the best interests of justice, the
32 protection of society and the welfare of the person. The court shall designate a person or state,
33 county or local agency to supervise the person upon release, subject to those conditions as the court
34 directs in the order for conditional release. Prior to the designation, the court shall notify the per-
35 son or agency to whom conditional release is contemplated and provide the person or agency an
36 opportunity to be heard before the court. After receiving an order entered under this paragraph, the
37 person or agency designated shall assume supervision of the person pursuant to the direction of the
38 Psychiatric Security Review Board. The person or agency designated as supervisor shall be required
39 to report in writing no less than once per month to the board concerning the supervised person's
40 compliance with the conditions of release.

41 (3) For purposes of this section, a person affected by a mental disease or defect in a state of
42 remission is considered to have a mental disease or defect requiring supervision when the disease
43 may, with reasonable medical probability, occasionally become active and, when active, render the
44 person a danger to others.

45 (4) In determining whether a person should be conditionally released, the court may order

1 evaluations, examinations and compliance as provided in ORS 161.336 (4) and 161.346 (2).

2 (5) In determining whether a person should be committed to a state hospital or to a secure in-
3 tensive community inpatient facility or conditionally released, the court shall have as its primary
4 concern the protection of society.

5 (6) Upon placing a person on conditional release, the court shall notify the board in writing of
6 the court's conditional release order, the supervisor appointed, and all other conditions of release,
7 and the person shall be on conditional release pending hearing before the board in accordance with
8 ORS 161.336 to 161.351. Upon compliance with this subsection and subsections (1) and (2) of this
9 section, the court's jurisdiction over the person is terminated and the board assumes jurisdiction
10 over the person.

11 (7) An order of the court under this section is a final order appealable by the person found
12 guilty except for insanity in accordance with ORS 19.205 (5). Notwithstanding ORS 19.255, notice
13 of an appeal under this section shall be served and filed within 90 days after the order appealed from
14 is entered in the register. The person shall be entitled on appeal to suitable counsel possessing
15 skills and experience commensurate with the nature and complexity of the case. If the person is fi-
16 nancially eligible, suitable counsel shall be appointed in the manner provided in ORS 138.500 (1), and
17 the compensation for counsel and costs and expenses of the person necessary to the appeal shall be
18 determined and paid as provided in ORS 138.500.

19 (8) Upon placing a person under the jurisdiction of the board, the court shall notify the person
20 of the right to appeal and the right to a hearing before the board in accordance with ORS 161.336
21 (7) and 161.341 (4).

22 **SECTION 103.** ORS 161.336 is amended to read:

23 161.336. (1) If the Psychiatric Security Review Board determines that the person presents a
24 substantial danger to others but can be adequately controlled with supervision and treatment if
25 conditionally released and that necessary supervision and treatment are available, the board may
26 order the person conditionally released, subject to those supervisory orders of the board as are in
27 the best interests of justice, the protection of society and the welfare of the person. The board may
28 designate any person or state, county or local agency the board considers capable of supervising the
29 person upon release, subject to those conditions as the board directs in the order for conditional
30 release. Prior to the designation, the board shall notify the person or agency to whom conditional
31 release is contemplated and provide the person or agency an opportunity to be heard before the
32 board. After receiving an order entered under this section, the person or agency designated shall
33 assume supervision of the person pursuant to the direction of the board.

34 (2) Conditions of release contained in orders entered under this section may be modified from
35 time to time and conditional releases may be terminated by order of the board as provided in ORS
36 161.351.

37 (3) For purposes of this section, a person affected by a mental disease or defect in a state of
38 remission is considered to have a mental disease or defect requiring supervision when the disease
39 may, with reasonable medical probability, occasionally become active and, when active, render the
40 person a danger to others. The person may be continued on conditional release by the board as
41 provided in this section.

42 (4)(a) As a condition of release, the board may require the person to report to any state or local
43 mental health facility for evaluation. Whenever medical, psychiatric or psychological treatment is
44 recommended, the board may order the person, as a condition of release, to cooperate with and ac-
45 cept the treatment from the facility.

1 (b) The facility to which the person has been referred for evaluation shall perform the evalu-
2 ation and submit a written report of its findings to the board. If the facility finds that treatment of
3 the person is appropriate, it shall include its recommendations for treatment in the report to the
4 board.

5 (c) Whenever treatment is provided by the facility, it shall furnish reports to the board on a
6 regular basis concerning the progress of the person.

7 (d) Copies of all reports submitted to the board pursuant to this section shall be furnished to the
8 person and the person's counsel. The confidentiality of these reports is determined pursuant to ORS
9 192.501 to 192.505.

10 (e) The facility shall comply with any other conditions of release prescribed by order of the
11 board.

12 (5) If at any time while the person is under the jurisdiction of the board it appears to the board
13 or its chairperson that the person has violated the terms of the conditional release or that the
14 mental health of the individual has changed, the board or its chairperson may order the person re-
15 turned for evaluation or treatment to a state hospital designated by the [*Department of Human*
16 *Services*] **Oregon Health Authority** if the person is at least 18 years of age, or to a secure intensive
17 community inpatient facility designated by the [*Department of Human Services*] **authority** if the
18 person is under 18 years of age. A written order of the board, or its chairperson on behalf of the
19 board, is sufficient warrant for any law enforcement officer to take into custody such person and
20 transport the person accordingly. A sheriff, municipal police officer, constable, parole and probation
21 officer, prison official or other peace officer shall execute the order, and the person shall be re-
22 turned as soon as practicable to the custody of the [*Department of Human Services*] **authority**.
23 Within 20 days following the return of the person to the custody of the [*Department of Human Ser-*
24 *vices*] **authority**, the board shall conduct a hearing. Notice of the time and place of the hearing shall
25 be given to the person, the attorney representing the person and the Attorney General. The board
26 may continue the person on conditional release or, if it finds by a preponderance of the evidence
27 that the person is affected by mental disease or defect and presents a substantial danger to others
28 and cannot be adequately controlled if conditional release is continued, it may order the person
29 committed to a state hospital designated by the [*Department of Human Services*] **authority** if the
30 person is at least 18 years of age, or to a secure intensive community inpatient facility designated
31 by the [*Department of Human Services*] **authority** if the person is under 18 years of age. The state
32 must prove by a preponderance of the evidence the person's unfitness for conditional release. A
33 person in custody pursuant to this subsection has the same rights as any person appearing before
34 the board pursuant to ORS 161.346.

35 (6) The community mental health [*and developmental disabilities*] program director, the director
36 of the facility providing treatment to a person on conditional release, any peace officer or any per-
37 son responsible for the supervision of a person on conditional release may take a person on condi-
38 tional release into custody or request that the person be taken into custody if there is reasonable
39 cause to believe the person is a substantial danger to others because of mental disease or defect and
40 that the person is in need of immediate care, custody or treatment. Any person taken into custody
41 pursuant to this subsection shall be transported as soon as practicable to a state hospital designated
42 by the [*Department of Human Services*] **authority** if the person is at least 18 years of age, or to a
43 secure intensive community inpatient facility designated by the [*Department of Human Services*]
44 **authority** if the person is under 18 years of age. A person taken into custody under this subsection
45 has the same rights as any person appearing before the board pursuant to ORS 161.346.

1 (7)(a) Any person conditionally released under this section may apply to the board for discharge
2 from or modification of an order of conditional release on the ground that the person is no longer
3 affected by mental disease or defect or, if still so affected, no longer presents a substantial danger
4 to others and no longer requires supervision, medication, care or treatment. Notice of the hearing
5 on an application for discharge or modification of an order of conditional release shall be made to
6 the Attorney General. The applicant, at the hearing pursuant to this subsection, must prove by a
7 preponderance of the evidence the applicant's fitness for discharge or modification of the order of
8 conditional release. Applications by the person for discharge or modification of conditional release
9 shall not be filed more often than once every six months.

10 (b) Upon application by any person or agency responsible for supervision or treatment pursuant
11 to an order of conditional release, the board shall conduct a hearing to determine if the conditions
12 of release shall be continued, modified or terminated. The application shall be accompanied by a
13 report setting forth the facts supporting the application.

14 (8) The total period of commitment and conditional release ordered pursuant to this section may
15 not exceed the maximum sentence provided by statute for the crime for which the person was found
16 guilty except for insanity.

17 (9) The board shall maintain and keep current the medical, social and criminal history of all
18 persons committed to its jurisdiction. The confidentiality of records maintained by the board shall
19 be determined pursuant to ORS 192.501 to 192.505.

20 (10) In determining whether a person should be committed to a state hospital or to a secure
21 intensive community inpatient facility, conditionally released or discharged, the board shall have as
22 its primary concern the protection of society.

23 **SECTION 104.** ORS 161.341 is amended to read:

24 161.341. (1) If the Psychiatric Security Review Board finds, upon its initial hearing, that the
25 person presents a substantial danger to others and is not a proper subject for conditional release,
26 the board shall order the person committed to, or retained in, a state hospital designated by the
27 *[Department of Human Services]* **Oregon Health Authority** if the person is at least 18 years of age,
28 or to a secure intensive community inpatient facility designated by the *[Department of Human Ser-*
29 *vices]* **authority** if the person is under 18 years of age, for custody, care and treatment. The period
30 of commitment ordered by the board may not exceed the maximum sentence provided by statute for
31 the crime for which the person was found guilty except for insanity.

32 (2) If at any time after the commitment of a person to a state hospital, or to a secure intensive
33 community inpatient facility, designated by the *[Department of Human Services]* **authority** under this
34 section, the superintendent of the hospital or the director of the secure intensive community inpa-
35 tient facility is of the opinion that the person is no longer affected by mental disease or defect, or,
36 if so affected, no longer presents a substantial danger to others or that the person continues to be
37 affected by mental disease or defect and continues to be a danger to others, but that the person can
38 be controlled with proper care, medication, supervision and treatment if conditionally released, the
39 superintendent or director shall apply to the board for an order of discharge or conditional release.
40 The application shall be accompanied by a report setting forth the facts supporting the opinion of
41 the superintendent or director. If the application is for conditional release, the application must also
42 be accompanied by a verified conditional release plan. The board shall hold a hearing on the appli-
43 cation within 60 days of its receipt. Not less than 20 days prior to the hearing before the board,
44 copies of the report shall be sent to the Attorney General.

45 (3) The attorney representing the state may choose a psychiatrist or licensed psychologist to

1 examine the person prior to the initial or any later decision by the board on discharge or condi-
2 tional release. The results of the examination shall be in writing and filed with the board, and shall
3 include, but need not be limited to, an opinion as to the mental condition of the person, whether the
4 person presents a substantial danger to others and whether the person could be adequately controlled
5 with treatment as a condition of release.

6 (4) Any person who has been committed to a state hospital, or to a secure intensive community
7 inpatient facility, designated by the [*Department of Human Services*] **authority** for custody, care and
8 treatment or another person acting on the person's behalf may apply to the board for an order of
9 discharge or conditional release upon the grounds:

10 (a) That the person is no longer affected by mental disease or defect;

11 (b) If so affected, that the person no longer presents a substantial danger to others; or

12 (c) That the person continues to be affected by a mental disease or defect and would continue
13 to be a danger to others without treatment, but that the person can be adequately controlled and
14 given proper care and treatment if placed on conditional release.

15 (5) When application is made under subsection (4) of this section, the board shall require that
16 a report from the superintendent of the hospital or the director of the secure intensive community
17 inpatient facility be prepared and transmitted as provided in subsection (2) of this section. The ap-
18 plicant must prove by a preponderance of the evidence the applicant's fitness for discharge or condi-
19 tional release under the standards of subsection (4) of this section, unless more than two years
20 has passed since the state had the burden of proof on that issue, in which case the state shall have
21 the burden of proving by a preponderance of the evidence the applicant's lack of fitness for dis-
22 charge or conditional release. Applications for discharge or conditional release under subsection (4)
23 of this section shall not be filed more often than once every six months commencing with the date
24 of the initial board hearing.

25 (6) The board is not required to hold a hearing on a first application under subsection (4) of this
26 section any sooner than 90 days after the initial hearing. However, hearings resulting from any
27 subsequent requests shall be held within 60 days of the filing of the application.

28 (7)(a) In no case shall any person committed by the court under ORS 161.327 to a state hospital,
29 or to a secure intensive community inpatient facility, designated by the [*Department of Human Ser-*
30 *vices*] **authority** be held in the hospital or facility for more than 90 days from the date of the court's
31 commitment order without an initial hearing before the board to determine whether the person
32 should be conditionally released or discharged.

33 (b) In no case shall a person be held pursuant to this section for a period of time exceeding two
34 years without a hearing before the board to determine whether the person should be conditionally
35 released or discharged.

36 **SECTION 105.** ORS 161.346 is amended to read:

37 161.346. (1) The Psychiatric Security Review Board shall conduct hearings upon any application
38 for discharge, conditional release, commitment or modification filed pursuant to ORS 161.336, 161.341
39 or 161.351 and as otherwise required by ORS 161.336 to 161.351 and shall make findings on the is-
40 sues before it which may include:

41 (a) If the board finds that the person is no longer affected by mental disease or defect, or, if so
42 affected, no longer presents a substantial danger to others, the board shall order the person dis-
43 charged from commitment or from conditional release.

44 (b) If the board finds that the person is still affected by a mental disease or defect and is a
45 substantial danger to others, but can be controlled adequately if conditionally released with treat-

1 ment as a condition of release, the board shall order the person conditionally released as provided
2 in ORS 161.336.

3 (c) If the board finds that the person has not recovered from the mental disease or defect and
4 is a substantial danger to others and cannot adequately be controlled if conditionally released on
5 supervision, the board shall order the person committed to, or retained in, a state hospital desig-
6 nated by the [*Department of Human Services*] **Oregon Health Authority** if the person is at least 18
7 years of age, or a secure intensive community inpatient facility designated by the [*Department of*
8 *Human Services*] **authority** if the person is under 18 years of age, for care, custody and treatment.

9 (2) At any time, the board may appoint a psychiatrist or licensed psychologist to examine the
10 person and to submit a report to the board. Reports filed with the board pursuant to the examination
11 shall include, but need not be limited to, an opinion as to the mental condition of the person and
12 whether the person presents a substantial danger to others, and whether the person could be ade-
13 quately controlled with treatment as a condition of release. To facilitate the examination of the
14 person, the board may order the person placed in the temporary custody of any state hospital or
15 other suitable facility.

16 (3) The board may make the determination regarding discharge or conditional release based
17 upon the written reports submitted pursuant to this section. If any member of the board desires
18 further information from the examining psychiatrist or licensed psychologist who submitted the re-
19 port, these persons shall be summoned by the board to give testimony. The board shall consider all
20 evidence available to it which is material, relevant and reliable regarding the issues before the
21 board. Such evidence may include but is not limited to the record of trial, the information supplied
22 by the attorney representing the state or by any other interested party, including the person, and
23 information concerning the person's mental condition and the entire psychiatric and criminal history
24 of the person. All evidence of a type commonly relied upon by reasonably prudent persons in the
25 conduct of their serious affairs shall be admissible at hearings. Testimony shall be taken upon oath
26 or affirmation of the witness from whom received. The officer presiding at the hearing shall admin-
27 ister oaths or affirmations to witnesses.

28 (4) The board shall furnish to the person about whom the hearing is being conducted, the at-
29 torney representing the person, the Attorney General, the district attorney and the court or de-
30 partment of the county from which the person was committed written notice of any hearing pending
31 under this section within a reasonable time prior to the hearing. The notice shall include:

32 (a) The time, place and location of the hearing.

33 (b) The nature of the hearing and the specific action for which a hearing has been requested,
34 the issues to be considered at the hearing and a reference to the particular sections of the statutes
35 and rules involved.

36 (c) A statement of the authority and jurisdiction under which the hearing is to be held.

37 (d) A statement of all rights under subsection (6) of this section.

38 (5) Prior to the commencement of a hearing, the board or presiding officer shall serve personally
39 or by mail a written notice to each party as provided in ORS 183.413 (2).

40 (6) At the hearing, the person about whom the hearing is being held shall have the right:

41 (a) To appear at all proceedings held pursuant to this section, except board deliberations.

42 (b) To cross-examine all witnesses appearing to testify at the hearing.

43 (c) To subpoena witnesses and documents as provided in ORS 161.395.

44 (d) To be represented by suitable legal counsel possessing skills and experience commensurate
45 with the nature and complexity of the case, to consult with counsel prior to the hearing and, if fi-

1 nancially eligible, to have suitable counsel appointed at state expense.

2 (e) To examine all information, documents and reports which the board considers. If then avail-
3 able to the board, the information, documents and reports shall be disclosed to the person so as to
4 allow examination prior to the hearing.

5 (7) A record shall be kept of all hearings before the board, except board deliberations.

6 (8) Upon request of any party before the board, or on its own motion, the board may continue
7 a hearing for a reasonable period not to exceed 60 days to obtain additional information or testi-
8 mony or for other good cause shown.

9 (9) Within 15 days following the conclusion of the hearing, the board shall provide to the person,
10 the attorney representing the person, the Attorney General or other attorney representing the state,
11 if any, written notice of the board's decision.

12 (10) The burden of proof on all issues at hearings of the board shall be by a preponderance of
13 the evidence.

14 (11) If the board determines that the person about whom the hearing is being held is financially
15 eligible, the board shall appoint suitable counsel to represent the person. Counsel so appointed shall
16 be an attorney who satisfies the professional qualifications established by the Public Defense Ser-
17 vices Commission under ORS 151.216. The public defense services executive director shall determine
18 and allow fair compensation for counsel appointed under this subsection and the reasonable ex-
19 penses of the person in respect to the hearing. Compensation payable to appointed counsel shall not
20 be less than the applicable compensation level established under ORS 151.216. The compensation and
21 expenses so allowed shall be paid by the public defense services executive director from funds
22 available for the purpose.

23 (12) The Attorney General may represent the state at contested hearings before the board unless
24 the district attorney of the county from which the person was committed elects to represent the
25 state. The district attorney of the county from which the person was committed shall cooperate with
26 the Attorney General in securing the material necessary for presenting a contested hearing before
27 the board. If the district attorney elects to represent the state, the district attorney shall give timely
28 written notice of such election to the Attorney General, the board and the attorney representing the
29 person.

30 **SECTION 106.** ORS 161.365 is amended to read:

31 161.365. (1) Whenever the court has reason to doubt the defendant's fitness to proceed by reason
32 of incapacity as defined in ORS 161.360, the court may call to its assistance in reaching its decision
33 any witness and may appoint a psychiatrist or psychologist to examine the defendant and advise the
34 court.

35 (2) If the court determines the assistance of a psychiatrist or psychologist would be helpful, the
36 court may order the defendant to be committed for the purpose of an examination for a period not
37 exceeding 30 days to a state mental hospital designated by the [*Department of Human Services*]
38 **Oregon Health Authority** if the defendant is at least 18 years of age, or to a secure intensive
39 community inpatient facility designated by the [*Department of Human Services*] **authority** if the de-
40 fendant is under 18 years of age. The report of each examination shall include, but is not necessarily
41 limited to, the following:

42 (a) A description of the nature of the examination;

43 (b) A statement of the mental condition of the defendant; and

44 (c) If the defendant suffers from a mental disease or defect, an opinion as to whether the de-
45 fendant is incapacitated within the definition set out in ORS 161.360.

1 (3) Except when the defendant and the court both request to the contrary, the report may not
2 contain any findings or conclusions as to whether the defendant as a result of mental disease or
3 defect was subject to the provisions of ORS 161.295 or 161.300 at the time of the criminal act
4 charged.

5 (4) If the examination by the psychiatrist or psychologist cannot be conducted by reason of the
6 unwillingness of the defendant to participate therein, the report shall so state and shall include, if
7 possible, an opinion as to whether such unwillingness of the defendant was the result of mental
8 disease or defect affecting capacity to proceed.

9 (5) The report of the examination shall be filed in triplicate with the clerk of the court, who
10 shall cause copies to be delivered to the district attorney and to counsel for defendant.

11 (6) When upon motion of the court or a financially eligible defendant, the court has ordered a
12 psychiatric or psychological examination of the defendant, a county or justice court shall order the
13 county to pay, and a circuit court shall order the public defense services executive director to pay
14 from funds available for the purpose:

15 (a) A reasonable fee if the examination of the defendant is conducted by a psychiatrist or psy-
16 chologist in private practice; and

17 (b) All costs including transportation of the defendant if the examination is conducted by a
18 psychiatrist or psychologist in the employ of the [*Department of Human Services*] **Oregon Health**
19 **Authority** or a community mental health [*and developmental disabilities*] program established under
20 ORS 430.610 to 430.670.

21 (7) When such an examination is ordered at the request or with the acquiescence of a defendant
22 who is determined not to be financially eligible, the examination shall be performed at the defend-
23 ant's expense. When such an examination is ordered at the request of the prosecution, the county
24 shall pay for the expense of the examination.

25 **SECTION 107.** ORS 161.370 is amended to read:

26 161.370. (1) When the defendant's fitness to proceed is drawn in question, the issue shall be de-
27 termined by the court. If neither the prosecuting attorney nor counsel for the defendant contests the
28 finding of the report filed by a psychiatrist or psychologist under ORS 161.365, the court may make
29 the determination on the basis of such report. If the finding is contested, the court shall hold a
30 hearing on the issue. If the report is received in evidence upon such hearing, the party who contests
31 the finding thereof shall have the right to summon and to cross-examine any psychiatrist or psy-
32 chologist who submitted the report and to offer evidence upon the issue. Other evidence regarding
33 the defendant's fitness to proceed may be introduced by either party.

34 (2) If the court determines that the defendant lacks fitness to proceed, the proceeding against
35 the defendant shall be suspended, except as provided in subsection (12) of this section, and the court
36 shall commit the defendant to the custody of the superintendent of a state mental hospital desig-
37 nated by the [*Department of Human Services*] **Oregon Health Authority** if the defendant is at least
38 18 years of age, or to the custody of the director of a secure intensive community inpatient facility
39 designated by the [*Department of Human Services*] **authority** if the defendant is under 18 years of
40 age, or shall release the defendant on supervision for as long as such unfitness shall endure. The
41 court may release the defendant on supervision if it determines that care other than commitment for
42 incapacity to stand trial would better serve the defendant and the community. It may place condi-
43 tions which it deems appropriate on the release, including the requirement that the defendant reg-
44 ularly report to the [*Department of Human Services*] **authority** or a community mental health [*and*
45 *developmental disabilities*] program for examination to determine if the defendant has regained ca-

1 capacity to stand trial. When the court, on its own motion or upon the application of the super-
2 intendent of the hospital or director of the secure intensive community inpatient facility in which
3 the defendant is committed, a person examining the defendant as a condition of release on super-
4 vision, or either party, determines, after a hearing, if a hearing is requested, that the defendant has
5 regained fitness to proceed, the proceeding shall be resumed. If, however, the court is of the view
6 that so much time has elapsed since the commitment or release of the defendant on supervision that
7 it would be unjust to resume the criminal proceeding, the court on motion of either party may dis-
8 miss the charge and may order the defendant to be discharged or cause a proceeding to be com-
9 menced forthwith under ORS 426.070 to 426.170 or 427.235 to 427.290.

10 (3) The superintendent of a state hospital or director of a secure intensive community inpatient
11 facility shall cause the defendant to be evaluated within 60 days from the defendant's delivery into
12 the superintendent's or director's custody, for the purpose of determining whether there is a sub-
13 stantial probability that, in the foreseeable future, the defendant will have the capacity to stand
14 trial.

15 (4) In addition, the superintendent or director shall:

16 (a) Immediately notify the committing court if the defendant, at any time, gains or regains the
17 capacity to stand trial or will never have the capacity to stand trial.

18 (b) Within 90 days of the defendant's delivery into the superintendent's or director's custody,
19 notify the committing court that:

20 (A) The defendant has the present capacity to stand trial;

21 (B) There is no substantial probability that, in the foreseeable future, the defendant will gain
22 or regain the capacity to stand trial; or

23 (C) There is a substantial probability that, in the foreseeable future, the defendant will gain or
24 regain the capacity to stand trial. If such a probability exists, the superintendent or director shall
25 give the court an estimate of the time in which the defendant, with appropriate treatment, is ex-
26 pected to gain or regain capacity.

27 (5) If the superintendent or director determines that there is a substantial probability that, in
28 the foreseeable future, the defendant will gain or regain the capacity to stand trial, unless the court
29 otherwise orders, the defendant shall remain in the superintendent's or director's custody where the
30 defendant shall receive treatment designed for the purpose of enabling the defendant to gain or re-
31 gain capacity. In keeping with the notice requirement under subsection (4)(b) of this section, the
32 superintendent or director shall, for the duration of the defendant's period of commitment, submit
33 a progress report to the committing court, concerning the defendant's capacity or incapacity, at
34 least once every 180 days as measured from the date of the defendant's delivery into the super-
35 intendent's or director's custody.

36 (6) A defendant who remains committed under subsection (5) of this section shall be discharged
37 within a period of time that is reasonable for making a determination concerning whether or not,
38 and when, the defendant may gain or regain capacity. However, regardless of the number of charges
39 with which the defendant is accused, in no event shall the defendant be committed for longer than
40 whichever of the following, measured from the defendant's initial custody date, is shorter:

41 (a) Three years; or

42 (b) A period of time equal to the maximum sentence the court could have imposed if the de-
43 fendant had been convicted.

44 (7) The superintendent or director shall notify the committing court of the defendant's impending
45 discharge 30 days before the date on which the superintendent or director is required to discharge

1 the defendant under subsection (6) of this section.

2 (8) When the committing court receives a notice from the superintendent or director under ei-
3 ther subsection (4) or (7) of this section concerning the defendant's progress or lack thereof, the
4 committing court shall determine after a hearing, if a hearing is requested, whether the defendant
5 presently has the capacity to stand trial.

6 (9) If under subsection (8) of this section the court determines that the defendant lacks the ca-
7 pacity to stand trial, the court shall further determine whether there is a substantial probability
8 that the defendant, in the foreseeable future, will gain or regain the capacity to stand trial and
9 whether the defendant is entitled to discharge under subsection (6) of this section. If the court de-
10 termines that there is no substantial probability that the defendant, in the foreseeable future, will
11 gain or regain the capacity to stand trial or that the defendant is entitled to discharge under sub-
12 section (6) of this section, the court shall dismiss, without prejudice, all charges against the de-
13 fendant and:

14 (a) Order that the defendant be discharged; or

15 (b) Initiate commitment proceedings under ORS 426.070 or 427.235 to 427.290.

16 (10) All notices required under this section shall be filed with the clerk of the court and deliv-
17 ered to both the district attorney and the counsel for the defendant.

18 (11) If the defendant regains fitness to proceed, the term of any sentence received by the de-
19 fendant for conviction of the crime charged shall be reduced by the amount of time the defendant
20 was committed under this section to the custody of a state mental hospital, or to the custody of a
21 secure intensive community inpatient facility, designated by the [*Department of Human Services*]
22 **Oregon Health Authority.**

23 (12) The fact that the defendant is unfit to proceed does not preclude any objection through
24 counsel and without the personal participation of the defendant on the grounds that the indictment
25 is insufficient, that the statute of limitations has run, that double jeopardy principles apply or upon
26 any other ground at the discretion of the court which the court deems susceptible of fair determi-
27 nation prior to trial.

28 **SECTION 108.** ORS 161.375 is amended to read:

29 161.375. (1) When a patient, who has been placed at the Oregon State Hospital for evaluation,
30 care, custody and treatment under the jurisdiction of the Psychiatric Security Review Board or by
31 court order under ORS 161.315, 161.365 or 161.370, has escaped or is absent without authorization
32 from the Oregon State Hospital or from the custody of any person in whose charge the superinten-
33 dent has placed the patient, the superintendent may order the arrest and detention of the patient.

34 (2) When a patient, who has been placed at a secure intensive community inpatient facility for
35 evaluation, care, custody and treatment under the jurisdiction of the Psychiatric Security Review
36 Board or by court order under ORS 161.315, 161.365, 161.370 or 419C.527, has escaped or is absent
37 without authorization from the facility or from the custody of any person in whose charge the di-
38 rector of the facility has placed the patient, the director of the facility shall notify the Director of
39 [*Human Services. The Director of Human Services*] **the Oregon Health Authority. The Director**
40 **of the Oregon Health Authority** may order the arrest and detention of the patient.

41 (3) The superintendent or the [*Director of Human Services*] **Director of the Oregon Health**
42 **Authority** may issue an order under this section based upon a reasonable belief that grounds exist
43 for issuing the order. When reasonable, the superintendent or the [*Director of Human Services*] **Di-**
44 **rector of the Oregon Health Authority** shall investigate to ascertain whether such grounds exist.

45 (4) Any order issued by the superintendent or the [*Director of Human Services*] **Director of the**

1 **Oregon Health Authority** as authorized by this section constitutes full authority for the arrest and
2 detention of the patient and all laws applicable to warrant or arrest apply to the order. An order
3 issued by the superintendent or the [*Director of Human Services*] **Director of the Oregon Health**
4 **Authority** under this section expires 72 hours after being signed by the superintendent or the [*Di-*
5 *rector of Human Services*] **Director of the Oregon Health Authority**.

6 (5) As used in this section, “superintendent” means the superintendent of the Oregon State
7 Hospital or the superintendent’s authorized representative.

8 **SECTION 109.** ORS 161.385 is amended to read:

9 161.385. (1) There is hereby created a Psychiatric Security Review Board consisting of 10 mem-
10 bers appointed by the Governor and subject to confirmation by the Senate under section 4, Article
11 III of the Oregon Constitution.

12 (2) The membership of the board may not include any district attorney, deputy district attorney
13 or public defender. The Governor shall appoint:

14 (a) A psychiatrist experienced in the criminal justice system and not otherwise employed on a
15 full-time basis by the [*Department of Human Services*] **Oregon Health Authority** or a community
16 mental health [*and developmental disabilities*] program;

17 (b) A licensed psychologist experienced in the criminal justice system and not otherwise em-
18 ployed on a full-time basis by the [*Department of Human Services*] **authority** or a community mental
19 health [*and developmental disabilities*] program;

20 (c) A member with substantial experience in the processes of parole and probation;

21 (d) A lawyer with substantial experience in criminal trial practice;

22 (e) A psychiatrist certified, or eligible to be certified, by the Oregon Medical Board in child
23 psychiatry who is experienced in the juvenile justice system and not employed on a full-time basis
24 by the [*Department of Human Services*] **authority** or a community mental health [*and developmental*
25 *disabilities*] program;

26 (f) A licensed psychologist who is experienced in child psychology and the juvenile justice sys-
27 tem and not employed on a full-time basis by the [*Department of Human Services*] **authority** or a
28 community mental health [*and developmental disabilities*] program;

29 (g) A member with substantial experience in the processes of juvenile parole and probation;

30 (h) A lawyer with substantial experience in juvenile law practice; and

31 (i) Two members of the general public.

32 (3) The term of office of each member is four years. The Governor at any time may remove any
33 member for inefficiency, neglect of duty or malfeasance in office. Before the expiration of the term
34 of a member, the Governor shall appoint a successor whose term begins on July 1 next following.
35 A member is eligible for reappointment. If there is a vacancy for any cause, the Governor shall make
36 an appointment to become immediately effective for the unexpired term.

37 (4) A member of the board not otherwise employed full-time by the state shall be paid on a per
38 diem basis an amount equal to \$289.22, adjusted according to the executive pay plan for the
39 biennium, for each day during which the member is engaged in the performance of official duties,
40 including necessary travel time. In addition, subject to ORS 292.220 to 292.250 regulating travel and
41 other expenses of state officers and employees, the member shall be reimbursed for actual and nec-
42 essary travel and other expenses incurred in the performance of official duties.

43 (5) Subject to any applicable provision of the State Personnel Relations Law, the board may hire
44 employees to aid it in performing its duties.

45 (6) The board consists of two five-member panels. The adult panel is responsible for persons

1 placed under the board's jurisdiction under ORS 161.327 and 419C.544 and consists of those members
2 appointed under subsection (2)(a) to (d) of this section and one of the public members. The juvenile
3 panel is responsible for young persons placed under the board's jurisdiction under ORS 419C.529 and
4 consists of those members appointed under subsection (2)(e) to (h) of this section and the other
5 public member.

6 (7)(a) Each panel shall select one of its members as chairperson to serve for a one-year term
7 with such duties and powers as the panel determines.

8 (b) A majority of the voting members of a panel constitutes a quorum for the transaction of
9 business of the panel.

10 (8) Each panel shall meet at least twice every month, unless the chairperson determines that
11 there is not sufficient business before the panel to warrant a meeting at the scheduled time. The
12 panel shall also meet at other times and places specified by the call of the chairperson or of a ma-
13 jority of the members of the panel.

14 (9)(a) When a person over whom a panel of the board exercises its jurisdiction is adversely af-
15 fected or aggrieved by a final order of the panel, the person is entitled to judicial review of the final
16 order. The person is entitled on judicial review to suitable counsel possessing skills and experience
17 commensurate with the nature and complexity of the case. If the person is financially eligible, suit-
18 able counsel shall be appointed by the reviewing court in the manner provided in ORS 138.500 (1).
19 If the person is financially eligible, the public defense services executive director shall determine
20 and pay, as provided in ORS 138.500, the cost of briefs, any other expenses of the person necessary
21 to the review and compensation for counsel appointed for the person. The costs, expenses and com-
22 pensation so allowed shall be paid as provided in ORS 138.500.

23 (b) The order and the proceedings underlying the order are subject to review by the Court of
24 Appeals upon petition to that court filed within 60 days of the order for which review is sought. The
25 panel shall submit to the court the record of the proceeding or, if the person agrees, a shortened
26 record. The record may include a certified true copy of a tape recording of the proceedings at a
27 hearing in accordance with ORS 161.346. A copy of the record transmitted shall be delivered to the
28 person by the panel.

29 (c) The court may affirm, reverse or remand the order on the same basis as provided in ORS
30 183.482 (8).

31 (d) The filing of the petition does not stay the panel's order, but the panel or the Court of Ap-
32 peals may order a stay upon application on such terms as are deemed proper.

33 **SECTION 110.** ORS 161.390 is amended to read:

34 161.390. (1) The [*Department of Human Services*] **Oregon Health Authority** shall promulgate
35 rules for the assignment of persons to state mental hospitals or secure intensive community inpa-
36 tient facilities under ORS 161.341, 161.365 and 161.370 and for establishing standards for evaluation
37 and treatment of persons committed to a state hospital or a secure intensive community inpatient
38 facility, designated by the [*department*] **authority**, or ordered to a community mental health [*and*
39 *developmental disabilities*] program under ORS 161.315 to 161.351 [*and 428.210*].

40 (2) Whenever the Psychiatric Security Review Board requires the preparation of a predischarge
41 or preconditional release plan before a hearing or as a condition of granting discharge or condi-
42 tional release for a person committed under ORS 161.327 or 161.341 to a state hospital or a secure
43 intensive community inpatient facility for custody, care and treatment, the [*Department of Human*
44 *Services*] **authority** is responsible for and shall prepare the plan.

45 (3) In carrying out a conditional release plan prepared under subsection (2) of this section, the

1 [Department of Human Services] **authority** may contract with a community mental health [and de-
2 velopmental disabilities] program, other public agency or private corporation or an individual to
3 provide supervision and treatment for the conditionally released person.

4 **SECTION 111.** ORS 165.698 is amended to read:

5 165.698. The prosecuting attorney shall notify the [Department of Human Services] **Oregon**
6 **Health Authority** and any appropriate licensing boards of the conviction of a person under ORS
7 165.692.

8 **SECTION 112.** ORS 166.250 is amended to read:

9 166.250. (1) Except as otherwise provided in this section or ORS 166.260, 166.270, 166.274,
10 166.291, 166.292 or 166.410 to 166.470, a person commits the crime of unlawful possession of a firearm
11 if the person knowingly:

12 (a) Carries any firearm concealed upon the person;

13 (b) Possesses a handgun that is concealed and readily accessible to the person within any vehi-
14 cle; or

15 (c) Possesses a firearm and:

6 (b) Disclosure of information in an action, suit, claim, nonlabor arbitration or proceeding is
7 limited by the relevancy restrictions of ORS 40.010 to 40.585, 183.710 to 183.725, 183.745 and 183.750

26 (d) However, a written statement of the denial under paragraph (c) of this subsection and the
27 reasons therefor must be entered in the written account.

28 (10) A health care services provider may require a person requesting disclosure of the contents
29 of a written account under this section to reimburse the provider for the reasonable costs incurred
30 in searching files, abstracting if requested and copying if requested. However, an individual or a
31 personal representative of the individual may not be denied access to written accounts concerning
32 the individual because of inability to pay.

33 (11) A written account referred to in subsection (2) of this section may not be used to initiate
34 or substantiate any criminal, civil, administrative, legislative or other proceedings conducted by
35 federal, state or local authorities against the individual or to conduct any investigations of the in-

38 section would be relevant, the contents of that written account may be disclosed for use in the
39 proceeding.

40 (12) Information obtained in the course of diagnosis, evaluation or treatment of an individual
41 that, in the professional judgment of the health care services provider, indicates a clear and imme-
42 diate danger to others or to society may be reported to the appropriate authority. A decision not
43 to disclose information under this subsection does not subject the provider to any civil liability.
44 Nothing in this subsection may be construed to alter the provisions of ORS 146.750, 146.760,
45 419B.010, 419B.015, 419B.020, 419B.025, 419B.030, 419B.035, 419B.040 and 419B.045.

1 (13) The prohibitions of this section apply to written accounts concerning any individual who
2 has been treated by any health care services provider irrespective of whether or when the individual
3 ceases to receive treatment.

4 (14) Persons other than the individual or the personal representative of the individual who are
5 granted access under this section to the contents of a written account referred to in subsection (2)
6 of this section may not disclose the contents of the written account to any other person except in
7 accordance with the provisions of this section.

8 (15) Nothing in this section prevents the Department of Human Services **or the Oregon Health**
9 **Authority** from disclosing the contents of written accounts in its possession to individuals or
10 agencies with whom children in its custody are placed.

11 (16) The system described in ORS 192.517 (1) shall have access to records, as defined in ORS
12 192.515, as provided in ORS 192.517.

13 (17)(a) Except as provided in paragraph (b) of this subsection, a health care services provider
14 must obtain an authorization from an individual or a personal representative of the individual to
15 disclose psychotherapy notes.

16 (b) A health care services provider may use or disclose psychotherapy notes without obtaining

24 proceeding brought by the individual or a personal representative of the individual.

25 (c) An authorization for the disclosure of psychotherapy notes may not be combined with an
26 authorization for a disclosure of any other individually identifiable health information, but may be
27 combined with another authorization for a disclosure of psychotherapy notes.

6 [(4)] (3) “Decedent’s estate” has the meaning given “estate” in ORS 111.005 (15).

7 [(5)] (4) “Person,” “person in a state institution” or “person at a state institution,” or any sim-

10 personal and real property of a living person, and includes assets held by the person’s authorized

15 the full cost of care. Full cost of care is established according to ORS 179.701.

16 (2) While the person is liable for the full cost of care, the maximum amount a person is required

18 Ability to pay is determined as provided in ORS 179.640.

19 (3) Upon the death of a person, the decedent’s estate shall be liable for any unpaid cost of care.
20 The liability of the decedent’s estate is limited to the cost of care incurred on or after July 24, 1979.
21 The decedent’s estate shall not include assets placed in trust for the person by other persons. Col-

26 *Services nor the Department of Corrections may*] **the Department of Corrections, the Department**
27 **of Human Services and the Oregon Health Authority may not** collect the cost of care from:

29 decedent’s estate, as compensation from the state for injury, death or, if the collection is being made
30 by the Department of Corrections, the false imprisonment of the person that occurred when the
31 person was in a state institution listed in ORS 179.321 and for which the state admits liability or is
32 found liable through adjudication; and

33 (b) Any real or personal property of the personal estate of the person, or the decedent’s estate,
34 that the person or an authorized representative of the person can demonstrate was purchased solely
35 with assets referred to in paragraph (a) of this subsection or partially with such assets, to the extent
36 such assets were used in the purchase.

37 **SECTION 149.** ORS 179.640 is amended to read:

38 179.640. (1)(a) [*Both the Department of Human Services and the Department of Corrections*] **The**
39 **Department of Corrections, the Department of Human Services and the Oregon Health Au-**
40 **thority** shall establish rules for determining ability to pay for persons in their respective insti-
41 tutions. The rules adopted by each agency shall require, in addition to other relevant factors,
42 consideration of the personal estate, the person’s need for funds for personal support after release,
43 and the availability of third-party benefits such as, but not limited to, Medicare or private insurance.
44 Each agency may also consider the probable length of stay at the state institution. Nothing in this
45 section requires the Department of Corrections to investigate a person’s ability to pay or to issue

1 an ability-to-pay order.

2 (b) When adopting rules under paragraph (a) of this subsection, the Department of Corrections
3 shall consider the person's needs for funds to pay for the support of the person's children and to pay
4 any monetary obligations imposed on the person as a result of the person's conviction.

5 (2) In determining a person's ability to pay, [*neither agency*] **none of the agencies** may consider
6 as part of the personal estate of the person or the decedent's estate:

7 (a) Any assets received by or owing to the person and the personal estate of the person, or the
8 decedent's estate, as compensation from the state for injury, death or, if the collection is being made
9 by the Department of Corrections, the false imprisonment of the person that occurred when the
10 person was in a state institution listed in ORS 179.321 and for which the state admits liability or is
11 found liable through adjudication; and

12 (b) Any real or personal property that the person or an authorized representative of the person
13 can demonstrate was purchased solely with assets referred to in paragraph (a) of this subsection or
14 partially with such assets, to the extent such assets were used in the purchase.

15 (3) A person and the authorized representative of the person, if any, shall provide all financial
16 information requested by the agency that is necessary to determine the person's ability to pay. To
17 determine ability to pay, the agency may use any information available to the agency, including in-
18 formation provided by the Department of Revenue from personal income tax returns pursuant to
19 ORS 314.840, and elderly rental assistance claims. Upon request, the Department of Revenue shall
20 release copies of tax returns to the agency. When the person or the person's authorized represen-
21 tative fails to provide evidence to demonstrate an inability to pay full cost of care, the agency may
22 determine the person has the ability to pay the full cost of care.

23 (4) The agency shall provide actual notice to the person and any authorized representative, if
24 known to the agency, of its determination by issuing an ability-to-pay order. The order shall state
25 the person's full liability and the person's determined ability to pay. Actual notice means receipt by
26 the person and the authorized representative of notice. The notice shall include a copy of the
27 ability-to-pay order, a description of the person's appeal rights and the date upon which appeal
28 rights terminate and state the address where a request for hearing may be mailed or delivered. At
29 any time, the agency may reissue an ability-to-pay order to notify an authorized representative as
30 provided by ORS 179.653 (4).

31 (5) At any time during the person's stay at the state institution or within 36 months from the
32 date the person is released, if the agency receives new financial information that shows a change
33 in the person's financial circumstances, the agency shall consider the changed circumstances and
34 issue a new ability-to-pay order.

35 (6) Orders issued after the person is released may not require the person to make payments to-
36 ward the cost of care for more than 36 consecutive months following release. However, the agency
37 may collect beyond the 36-month period any payments that became due but were not paid within the
38 36 months following release. Any remaining balance of full cost of care shall be collected as pro-
39 vided in ORS 179.740.

40 (7) Notwithstanding ORS 183.315 (5), if a person or authorized representative disagrees with any
41 ability-to-pay order issued pursuant to this section, the person or authorized representative may re-
42 quest a contested case hearing. To the extent practical, the hearing will be held at a location con-
43 venient to the person or the authorized representative. The request must be postmarked within 60
44 days from the date of the mailing of the ability-to-pay order. If the person or the authorized repre-
45 sentative makes a timely request for a contested case hearing, the hearing and any appeal of the

1 final hearing order shall be governed by ORS 183.413 to 183.497. If the person or the authorized
2 representative fails to make a timely request for a contested case hearing, the ability-to-pay order
3 shall be final and not subject to judicial review, except as subsequently modified by the agency as
4 provided in subsection (5) of this section.

5 (8) On appeal, regardless of other information presented, payment of the full cost of care may
6 be ordered if the person or the authorized representative refuses to produce financial information
7 that the Hearings Officer or administrative law judge determines is relevant and must be produced.

8 **SECTION 150.** ORS 179.653 is amended to read:

9 179.653. (1) If any person or authorized representative refuses to pay for the cost of care as or-
10 dered by the [*Department of Human Services or the Department of Corrections*] **Department of**
11 **Corrections, the Department of Human Services or the Oregon Health Authority** under ORS
12 179.640, the amount unpaid plus interest shall be a lien in favor of the State of Oregon. The lien
13 shall arise as each payment is due under the order and shall continue until the liability with interest
14 is satisfied. The lien shall be upon the title to and interest in the real and personal property of the
15 personal estate.

16 (2) Prior to the filing of a distraint warrant as provided in ORS 179.655 (2), the lien shall only
17 be valid against:

18 (a) Property of the person;

19 (b) Assets held by any authorized representative bound by the ability-to-pay order; and

20 (c) Assets subject to lien held by any person or entity having actual knowledge of the ability-
21 to-pay order or the lien.

22 (3) Regardless of any other provision of law or statute that provides a procedure for establishing
23 obligations, including the claim and payment provisions of ORS chapter 125, an authorized repre-
24 sentative who has received notice and had an opportunity to request a contested case hearing shall
25 comply with an ability-to-pay order upon demand by the agency. The agency may issue the demand
26 any time after the order becomes final.

27 (4) An authorized representative who has not had an opportunity to request a contested case
28 hearing, either because the authorized representative was not appointed at the time the ability-to-
29 pay order became final, or was not given notice of the ability-to-pay order as required by ORS
30 179.640 (4), shall not be bound by the order of the agency. To bind the authorized representative,
31 the ability-to-pay order must be reissued and notice provided to the authorized representative pur-
32 suant to ORS 179.640 (4). The authorized representative shall have the same appeal rights as if the
33 order had originally been issued to the authorized representative. After the order becomes final, the
34 authorized representative shall be bound as provided in subsection (3) of this section. The agency
35 may not issue an execution of a lien or foreclose against property held by or in the control of the
36 authorized representative until the authorized representative is bound by the order of the agency.

37 (5) An authorized representative who is a trustee shall only be bound to the extent that the final
38 order specifically finds that the trust assets of a trust fund are subject to claim by the agency.

39 (6) If the authorized representative does not comply with the demand, the agency may file with
40 the probate court a motion to require the authorized representative to comply. If the authorized
41 representative is a conservator or guardian appointed under ORS chapter 125, the motion shall be
42 filed in that proceeding. The motion shall be accompanied by an affidavit stating that the order is
43 final, that demand has been made on the authorized representative and that the order has not been
44 complied with.

45 (7) The authorized representative may object to the motion only on grounds that the order is

1 not final, that the order is not binding on the authorized representative as provided in this section
2 or that all required payments have been made. The objection must be by affidavit.

3 (8) If the authorized representative objects by affidavit, the court shall hear the motion. If the
4 court determines that the ability-to-pay order is final and binding on the authorized representative
5 and that all required payments have not been made, the court shall order the authorized represen-
6 tative to comply with the ability-to-pay order.

7 (9) If the authorized representative fails to object by affidavit within 15 days of the filing of the
8 motion, the court shall order the authorized representative to comply with the order. An authorized
9 representative who willfully fails or refuses to comply may be found in contempt of court and may
10 be held personally responsible.

11 (10) Nothing in this section shall affect the requirement that the agency issue a new order in
12 accordance with ORS 179.640 (5) if financial circumstances have changed.

13 **SECTION 151.** ORS 179.655 is amended to read:

14 179.655. (1) If any amount due the [*Department of Human Services or the Department of Cor-*
15 *rections*] **Department of Corrections, the Department of Human Services or the Oregon**
16 **Health Authority** for the cost of care of a person is not paid within 30 days after it becomes due,
17 and no provision is made to secure the payment by bond, deposit or otherwise, pursuant to rules
18 adopted by the appropriate agency, the agency may issue a distraint warrant directed to any county
19 of the state.

20 (2) After the receipt of the distraint warrant, the clerk of the county shall enter in the County
21 Clerk Lien Record the name of the person, the amount for which the distraint warrant is issued and
22 the date the distraint warrant is recorded. The amount of the distraint warrant shall become a lien
23 upon the title to and interest in any property owned or later acquired by the debtor against whom
24 it is issued, and it may be enforced by the agency in the same manner as a judgment of the circuit
25 court.

26 (3) In the event that an ability-to-pay order issued under ORS 179.640 (4) or (5) becomes final,
27 and supersedes a previous final ability-to-pay order on which a distraint warrant had been issued,
28 the agency shall issue a new distraint warrant superseding the previous distraint warrant, and the
29 lien shall conform to the new order.

30 (4) The agency may direct a copy of the distraint warrant to the sheriff of any county of the
31 state commanding the sheriff to levy upon and sell the real and personal property of the taxpayer
32 found within that county, for the payment of the amount due, with interest, collection charge and
33 the sheriff's fee. The sheriff shall return the distraint warrant to the agency and pay to it the money
34 collected not less than 60 days from the date the copy of the distraint warrant was directed to the
35 sheriff.

36 (5) The agency may issue the directive provided in subsection (4) of this section to any agent
37 of the agency. In executing the distraint warrant, the agent shall have the same powers conferred
38 by law upon sheriffs. However, the agent is not entitled to any fee or compensation in excess of
39 actual expenses incurred in the performance of this duty.

40 **SECTION 152.** ORS 179.660 is amended to read:

41 179.660. If the [*Department of Human Services or the Department of Corrections*] **Department**
42 **of Corrections, the Department of Human Services or the Oregon Health Authority** believes
43 a person at one of its state institutions needs a guardian or conservator, or both, and one has not
44 been appointed, the agency may request that the district attorney institute proper proceedings for
45 this appointment in the court having probate jurisdiction. The county of which the person is a res-

1 ident, or was a resident at the time of admittance, shall be the basis for determining the appropriate
2 district attorney to be contacted.

3 **SECTION 153.** ORS 179.701 is amended to read:

4 179.701. The cost-of-care rates for a person shall be determined by the [*Department of Human*
5 *Services or the Department of Corrections*] **Department of Corrections, the Department of Human**
6 **Services or the Oregon Health Authority**, as appropriate. The rates established shall be reason-
7 ably related to current costs of the institutions as described in ORS 179.321. Current costs shall
8 exclude costs of outpatient services as defined in ORS 430.010 [(4)] (5) and any other costs not di-
9 rectly related to the care for a person at a state institution.

10 **SECTION 154.** ORS 179.711 is amended to read:

11 179.711. (1) Remittance of amounts due for care of persons at state institutions as provided in
12 ORS 179.610 to 179.770 shall be made to the [*Department of Human Services or the Department of*
13 *Corrections*] **Department of Corrections, the Department of Human Services or the Oregon**
14 **Health Authority**, as appropriate.

15 (2) The agency shall refund any unearned payment for the care of a person at a state institution
16 where payment has been made in advance and the person dies or is discharged before the end of the
17 period for which payment was made. Any refund shall be paid to the person, to the authorized rep-
18 resentative of the person or to the decedent's estate if the person has died. All claims for refunds
19 approved by the agency shall be paid as provided in ORS 293.295 to 293.462. Any amounts necessary
20 for payment of refunds are appropriated from the money collected by that agency under the pro-
21 visions of ORS 179.610 to 179.770.

22 **SECTION 155.** ORS 179.731 is amended to read:

23 179.731. If the [*Department of Human Services or the Department of Corrections*] **Department**
24 **of Corrections, the Department of Human Services or the Oregon Health Authority** deter-
25 mines that collection of the amount payable under ORS 179.610 to 179.770 for the cost of care of a
26 person would be detrimental to the best interests of the person or the agency, the agency may waive
27 the collection of part or all of the amount otherwise payable.

28 **SECTION 156.** ORS 179.740 is amended to read:

29 179.740. (1) The [*Department of Human Services or the Department of Corrections*] **Department**
30 **of Corrections, the Department of Human Services or the Oregon Health Authority**, as ap-
31 propriate, may file a claim against the decedent's estate for any unpaid charges under ORS 179.620
32 (3). This shall be done in the same manner as claims of creditors and with the priorities provided
33 in ORS 115.125.

34 (2) If, within 90 days following the person's death, the person's estate is not otherwise being
35 probated, the agency may petition any court of competent jurisdiction for the issuance of letters of
36 administration or testamentary. This action would be for the purpose of collecting the full amount
37 of unpaid cost of care as determined by ORS 179.701 and limited by ORS 179.620 (3). However, the
38 agency may not file a petition under this subsection until at least 90 days after the death of the
39 person who was at the state institution and then only in the event that the person's estate is not
40 otherwise being probated.

41 (3) The agency may settle any claim against the decedent's estate during the pendency of the
42 probate proceeding by accepting other security or in any other equitable manner. The agency may
43 waive all or part of the claim if it finds collection of this amount due to be inequitable.

44 (4) The agency may not recover amounts that exceed the total cost of care of the deceased
45 person as computed under ORS 179.701 and limited by ORS 179.620 (3).

1 **SECTION 157.** ORS 179.745 is amended to read:

2 179.745. The State of Oregon, by and through the [*Department of Human Services or the Department of Corrections*] **Department of Corrections, the Department of Human Services or the Oregon Health Authority**, may take title to real and personal property to carry out the provisions of ORS 179.620, 179.653, 179.655 and 179.740. With the written consent of the owner of real property or an authorized representative of the owner, the agency may transfer real property under the provisions of ORS 270.100 to 270.190. The agency may transfer personal property under rules adopted by the agency. The proceeds, less costs, of any real or personal property transferred by the agency under this section shall be credited to and deposited in the [*Mental Health and Developmental Disability Services Account established by ORS 430.180 or the Department of Corrections Account established by ORS 423.097*] **Department of Corrections Account, the Department of Human Services Account or the Oregon Health Authority Fund**, as appropriate.

18 (2) Subject to any applicable provision of the State Personnel Relations Law, the agency may employ employees necessary to carry out ORS 179.610 to 179.770.

29 (2) The Department of Human Services, **the Oregon Health Authority** and the Employment Department may require the fingerprints of a person for the purpose of requesting a state or nationwide criminal records check of the person under ORS 181.534:

32 (a) For agency employment purposes;

33 (b) For the purposes of licensing, certifying, registering or otherwise regulating or administering programs, persons or qualified entities that provide care;

35 (c) For the purposes of employment decisions by or for qualified entities that are regulated or otherwise subject to oversight by the Department of Human Services **or the Oregon Health Authority** and that provide care; or

38 (d) For the purposes of employment decisions made by a mass transit district or transportation district for qualified entities that, under contracts with the district or the [*Department of Human Services*] **Oregon Health Authority**, employ persons to operate motor vehicles for the transportation of medical assistance program clients.

42 (3) The Department of Human Services **and the Oregon Health Authority** may conduct criminal records checks on a person through the Law Enforcement Data System maintained by the Department of State Police, if deemed necessary by the Department of Human Services **or the Oregon Health Authority** to protect children, elderly persons, persons with disabilities or other vulnerable

1 persons.

2 (4) The Department of Human Services **and the Oregon Health Authority** may furnish to
3 qualified entities, in accordance with the [*Department of Human Services'*] rules **of the Department**
4 **of Human Services or the Oregon Health Authority** and the rules of the Department of State
5 Police, information received from the Law Enforcement Data System. However, any criminal
6 offender records and information furnished to the Department of Human Services **or the Oregon**
7 **Health Authority** by the Federal Bureau of Investigation through the Department of State Police
8 may not be disseminated to qualified entities.

9 (5) A qualified entity, using rules adopted by the Department of Human Services **or the Oregon**
10 **Health Authority**, shall determine under this section whether a person is fit to hold a position,
11 provide services, be employed or, if the qualified entity has authority to make such a determination,
12 be licensed, certified or registered, based on the criminal records check obtained pursuant to ORS
13 181.534, any false statements made by the person regarding the criminal history of the person and
14 any refusal to submit or consent to a criminal records check including fingerprint identification. If
15 a person is determined to be unfit, then that person may not hold the position, provide services or
16 be employed, licensed, certified or registered.

17 (6) In making the fitness determination under subsection (5) of this section, the qualified entity
18 shall consider:

19 (a) The nature of the crime;

20 (b) The facts that support the conviction or pending indictment or indicate the making of the
21 false statement;

22 (c) The relevancy, if any, of the crime or the false statement to the specific requirements of the
23 person's present or proposed position, services, employment, license, certification or registration;
24 and

25 (d) Intervening circumstances relevant to the responsibilities and circumstances of the position,

30 (7) The Department of Human Services, **the Oregon Health Authority** and the Employment
31 Department may make fitness determinations based on criminal offender records and information
32 furnished by the Federal Bureau of Investigation through the Department of State Police only as
33 provided in ORS 181.534.

34 (8) A qualified entity and an employee of a qualified entity acting within the course and scope
35 of employment are immune from any civil liability that might otherwise be incurred or imposed for
36 determining pursuant to subsection (5) of this section that a person is fit or not fit to hold a position,
37 provide services or be employed, licensed, certified or registered. A qualified entity, employee of a
38 qualified entity acting within the course and scope of employment and an employer or employer's
39 agent who in good faith comply with this section and the decision of the qualified entity or employee
40 of the qualified entity acting within the course and scope of employment are not liable for the fail-
41 ure to hire a prospective employee or the decision to discharge an employee on the basis of the
42 qualified entity's decision. An employee of the state acting within the course and scope of employ-
43 ment is not liable for defamation or invasion of privacy in connection with the lawful dissemination
44 of information lawfully obtained under this section.

45 (9) The Department of Human Services **and the Oregon Health Authority** shall develop [a

1 *system that maintains*] **systems that maintain** information regarding criminal records checks in
2 order to minimize the administrative burden imposed by this section and ORS 181.534. Records
3 maintained under this subsection are confidential and may not be disseminated except for the pur-
4 poses of this section and in accordance with the rules of the Department of Human Services, **the**
5 **Oregon Health Authority** and the Department of State Police. Nothing in this subsection permits
6 the Department of Human Services to retain fingerprint cards obtained pursuant to this section.

7 (10) In addition to the rules required by ORS 181.534, the Department of Human Services **and**
8 **the Oregon Health Authority**, in consultation with the Department of State Police, shall adopt
9 rules:

10 (a) Specifying which qualified entities are subject to this section;

11 (b) Specifying which qualified entities may request criminal offender information;

12 (c) Specifying which qualified entities are responsible for deciding whether a subject individual
13 is not fit for a position, service, license, certification, registration or employment; and

14 (d) Specifying when a qualified entity, in lieu of conducting a completely new criminal records
15 check, may proceed to make a fitness determination under subsection (5) of this section using the
16 information maintained by the Department of Human Services **and the Oregon Health Authority**
17 pursuant to subsection (9) of this section.

18 (11) If a person refuses to consent to the criminal records check or refuses to be fingerprinted,
19 the qualified entity shall deny or terminate the employment of the person, or revoke or deny any
20 applicable position, authority to provide services, employment, license, certification or registration.

21 (12) If the qualified entity requires a criminal records check of employees or other persons, the
22 application forms of the qualified entity must contain a notice that employment is subject to fin-

2 of the institutional review board.

3 (c) Persons proposing to conduct anonymous research, coded research or genetic research that
4 is otherwise thought to be exempt from review must obtain from an institutional review board prior
5 to conducting such research a determination that the proposed research is exempt from review.

6 (2) A person proposing to conduct research under subsection (1) of this section, including
7 anonymous research or coded research, must disclose to the institutional review board the proposed
8 use of DNA samples, genetic testing or genetic information.

9 (3) The [*Department of Human Services*] **Oregon Health Authority** shall adopt rules requiring
10 that all institutional review boards operating under subsection (1)(b) of this section register with the
11 department. The Advisory Committee on Genetic Privacy and Research shall use the registry to
12 educate institutional review boards about the purposes and requirements of the genetic privacy
13 statutes and administrative rules relating to genetic research.

14 (4) The [*Department of Human Services*] **Oregon Health Authority** shall consult with the Ad-
15 visory Committee on Genetic Privacy and Research before adopting the rules required under sub-
16 sections (1) and (3) of this section, including rules identifying those parts of the Federal Policy for
17 the Protection of Human Subjects that are applicable to this section.

18 (5) Genetic research in which the DNA sample or genetic information is coded shall satisfy the
19 following requirements:

20 (a)(A) The subject has granted informed consent for the specific research project;

21 (B) The subject has consented to genetic research generally; or

22 (C) The DNA sample or genetic information is derived from a biological specimen or from clin-
23 ical individually identifiable health information that was obtained or retained in compliance with
24 ORS 192.537 (2).

25 (b) The research has been approved by an institutional review board after disclosure by the in-
26 vestigator to the board of risks associated with the coding.

27 (c) The code is:

28 (A) Not derived from individual identifiers;

29 (B) Kept securely and separately from the DNA samples and genetic information; and

30 (C) Not accessible to the investigator unless specifically approved by the institutional review
31 board.

32 (d) Data is stored securely in password protected electronic files or by other means with access
33 limited to necessary personnel.

34 (e) The data is limited to elements required for analysis and meets the criteria in 45 C.F.R.
35 164.514(e) for a limited data set.

36 (f) The investigator is a party to the data use agreement as provided by 45 C.F.R. 164.514(e) for
37 limited data set recipients.

38 (6) Research conducted in accordance with this section is rebuttably presumed to comply with
39 ORS 192.535 and 192.539.

40 (7)(a) Notwithstanding ORS 192.535, a person may use a DNA sample or genetic information
41 obtained, with blanket informed consent, before June 25, 2001, for genetic research.

42 (b) Notwithstanding ORS 192.535, a person may use a DNA sample or genetic information ob-
43 tained without specific informed consent and derived from a biological specimen or clinical individ-
44 ually identifiable health information for anonymous research or coded research if an institutional
45 review board operating under subsection (1)(b) of this section:

1 (A) Waives or alters the consent requirements pursuant to the Federal Policy for the Protection
2 of Human Subjects; and

3 (B) Waives authorization pursuant to the federal Health Insurance Portability and Accountabil-
4 ity Act privacy regulations, 45 C.F.R. parts 160 and 164.

5 (c) Except as provided in subsection (5)(a) of this section or paragraph (b) of this subsection, a
6 person must have specific informed consent from an individual to use a DNA sample or genetic in-
7 formation of the individual obtained on or after June 25, 2001, for genetic research.

8 (8) Except as otherwise allowed by rule of the [*Department of Human Services*] **Oregon Health**
9 **Authority**, if DNA samples or genetic information obtained for either clinical or research purposes
10 is used in research, a person may not recontact the individual or the individual's physician by using
11 research information that is identifiable or coded. The [*Department of Human Services*] **Oregon**
12 **Health Authority** shall adopt by rule criteria for recontacting an individual or an individual's
13 physician. In adopting the criteria, the department shall consider the recommendations of national
14 organizations such as those created by executive order by the President of the United States and
15 the recommendations of the Advisory Committee on Genetic Privacy and Research.

16 (9) The requirements for consent to, or notification of, obtaining a DNA sample or genetic in-
17 formation for genetic research are governed by the provisions of ORS 192.531 to 192.549 and the
18 administrative rules that were in effect on the effective date of the institutional review board's most
19 recent approval of the study.

20 **SECTION 172.** ORS 192.549 is amended to read:

44 (3) Members and alternate members of the advisory committee serve two-year terms and may
45 be reappointed.

1 (4) Members and alternate members of the advisory committee serve at the pleasure of the ap-

3 (5) The [Department of Human Services] **Oregon Health Authority** shall provide staff for the
4 advisory committee.

5 (6) The advisory committee shall report biennially to the Legislative Assembly in the manner
6 provided by ORS 192.245. The report shall include the activities and the results of any studies con-
7 ducted by the advisory committee. The advisory committee may make any recommendations for
8 legislative changes deemed necessary by the advisory committee.

9 (7) The advisory committee shall study the use and disclosure of genetic information and shall
10 develop and refine a legal framework that defines the rights of individuals whose DNA samples and
11 genetic information are collected, stored, analyzed and disclosed.

12 (8) The advisory committee shall create opportunities for public education on the scientific, legal
13 and ethical development within the fields of genetic privacy and research. The advisory committee
14 shall also elicit public input on these matters. The advisory committee shall make reasonable efforts
15 to obtain public input that is representative of the diversity of opinion on this subject. The advisory
16 committee's recommendations to the Legislative Assembly shall take into consideration public con-
17 cerns and values related to these matters.

18 **SECTION 173.** ORS 192.630, as amended by section 21, chapter 100, Oregon Laws 2007, is
19 amended to read:

20 192.630. (1) All meetings of the governing body of a public body shall be open to the public and
21 all persons shall be permitted to attend any meeting except as otherwise provided by ORS 192.610
22 to 192.690.

23 (2) A quorum of a governing body may not meet in private for the purpose of deciding on or
24 deliberating toward a decision on any matter except as otherwise provided by ORS 192.610 to
25 192.690.

26 (3) A governing body may not hold a meeting at any place where discrimination on the basis
27 of race, color, creed, sex, sexual orientation, national origin, age or disability is practiced. However,
28 the fact that organizations with restricted membership hold meetings at the place does not restrict
29 its use by a public body if use of the place by a restricted membership organization is not the pri-
30 mary purpose of the place or its predominate use.

31 (4) Meetings of the governing body of a public body shall be held within the geographic bound-
32 aries over which the public body has jurisdiction, or at the administrative headquarters of the public
33 body or at the other nearest practical location. Training sessions may be held outside the jurisdic-
34 tion as long as no deliberations toward a decision are involved. A joint meeting of two or more
35 governing bodies or of one or more governing bodies and the elected officials of one or more feder-
36 ally recognized Oregon Indian tribes shall be held within the geographic boundaries over which one
37 of the participating public bodies or one of the Oregon Indian tribes has jurisdiction or at the
38 nearest practical location. Meetings may be held in locations other than those described in this
39 subsection in the event of an actual emergency necessitating immediate action.

40 (5)(a) It is discrimination on the basis of disability for a governing body of a public body to meet
41 in a place inaccessible to persons with disabilities, or, upon request of a person who is deaf or hard
42 of hearing, to fail to make a good faith effort to have an interpreter for persons who are deaf or
43 hard of hearing provided at a regularly scheduled meeting. The sole remedy for discrimination on
44 the basis of disability shall be as provided in ORS 192.680.

45 (b) The person requesting the interpreter shall give the governing body at least 48 hours' notice

1 of the request for an interpreter, shall provide the name of the requester, sign language preference
2 and any other relevant information the governing body may request.

3 (c) If a meeting is held upon less than 48 hours' notice, reasonable effort shall be made to have
4 an interpreter present, but the requirement for an interpreter does not apply to emergency meetings.

5 (d) If certification of interpreters occurs under state or federal law, the [*Department of Human*
6 *Services*] **Oregon Health Authority** or other state or local agency shall try to refer only certified
7 interpreters to governing bodies for purposes of this subsection.

8 (e) As used in this subsection, "good faith effort" includes, but is not limited to, contacting the
9 department or other state or local agency that maintains a list of qualified interpreters and ar-
10 ranging for the referral of one or more qualified interpreters to provide interpreter services.

11 **SECTION 174.** ORS 197.660 is amended to read:

12 197.660. As used in ORS 197.660 to 197.670, 215.213, 215.263, 215.283, 215.284 and 443.422:

13 (1) "Residential facility" means a residential care, residential training or residential treatment
14 facility, as those terms are defined in ORS 443.400, [*licensed under ORS 443.400 to 443.460 or licensed*
15 *under ORS 418.205 to 418.327 by the Department of Human Services*] that provides residential care
16 alone or in conjunction with treatment or training or a combination thereof for six to fifteen indi-
17 viduals who need not be related. Staff persons required to meet licensing requirements shall not be
18 counted in the number of facility residents, and need not be related to each other or to any resident
19 of the residential facility.

20 (2) "Residential home" means a residential treatment or training [*or adult foster home licensed*
21 *by or under the authority of the department, as defined in ORS 443.400, under ORS 443.400 to*
22 *443.825,*] **home, as defined in ORS 443.400**, a residential facility registered under ORS 443.480 to
23 443.500 or an adult foster home licensed under ORS 443.705 to 443.825 that provides residential care
24 alone or in conjunction with treatment or training or a combination thereof for five or fewer indi-
25 viduals who need not be related. Staff persons required to meet licensing requirements shall not be
26 counted in the number of facility residents, and need not be related to each other or to any resident
27 of the residential home.

28 (3) "Zoning requirement" means any standard, criteria, condition, review procedure, permit re-
29 quirement or other requirement adopted by a city or county under the authority of ORS chapter 215
30 or 227 that applies to the approval or siting of a residential facility or residential home. A zoning
31 requirement does not include a state or local health, safety, building, occupancy or fire code re-
32 quirement.

33 **SECTION 175.** ORS 198.792 is amended to read:

34 198.792. (1) Proceedings may be initiated by the county board or any other public agency in
35 accordance with ORS 431.705 to 431.760:

36 (a) To annex the affected territory to a district, as defined by ORS 431.705; or

37 (b) To form a metropolitan service district as authorized by ORS chapter 268, or a county ser-
38 vice district as authorized by ORS chapter 451, to include the affected territory.

39 (2) The findings of the Director of [*Human Services*] **the Oregon Health Authority** when filed
40 with the county board in accordance with ORS 431.735 or 431.750 shall be considered a petition for
41 the purposes of ORS 198.705 to 198.955. The county board of the principal county shall conduct
42 proceedings in accordance with the findings and order of the director and with ORS 198.705 to
43 198.955.

44 (3) In proceedings described by subsection (1) of this section, the county board shall determine
45 whether the affected territory shall be included in a new district or annexed to an existing district.

1 The county board shall not inquire into the need for the proposed service facilities or adjust the
2 boundaries of the affected territory. ORS 198.805 (2), and the provisions of ORS 198.810 and 198.815
3 providing for an election on the formation of or annexation to a district, do not apply to proceedings
4 under this section.

5 **SECTION 176.** ORS 199.461 is amended to read:

6 199.461. (1) When the boundary commission receives a petition in a boundary change proceeding
7 or an application for any proceeding allowed under ORS 199.464, it shall:

- 8 (a) Cause a study to be made of the proposal.
9 (b) Conduct one or more public hearings on the proposal.

10 (2) After the study and hearings, the boundary commission may alter the boundaries set out in
11 a petition for formation or a minor boundary change of a city or district or in a petition for con-
12 solidation of cities so as either to include or exclude territory. If the commission determines that
13 any land has been improperly omitted from the proposal and that the owner of the land has not
14 appeared at the hearing, in person or by a representative designated in writing, the commission shall
15 continue the hearing on the petition and shall order notice given to the nonappearing owner re-
16 quiring appearance of the owner before the commission to show cause, if any, why the land should
17 not be included in the proposal. For minor boundary change modifications, notice to nonappearing
18 owners may be given by personal service or by letter sent by first-class mail, at least 10 days prior
19 to the date to which the hearing has been continued. For major boundary change modifications,
20 notice to nonappearing owners may be given by personal service, by letter sent by first-class mail
21 or by a legal advertisement in a newspaper of general circulation in the area at least 15 days prior
22 to the date to which the hearing has been continued. The required notice may be waived by the
23 nonappearing owner.

24 (3) After the study and hearings the boundary commission may alter the application for
25 extraterritorial sewer or water line extensions to include or exclude line and connections thereto,
26 and may alter the application for formation of a privately owned sewer or water system or allo-
27 cation of territory to a community water supply system to include or exclude territory. If the com-
28 mission determines that any land has been improperly omitted from a proposal to form a private
29 water or sewer system or allocate territory to a community water system, or that any line or con-
30 nections have been improperly omitted from a proposal to extend extraterritorially a water or sewer
31 line, and that the owner of the property to be included or to which the line is being extended has
32 not appeared at the hearing, in person or by a representative designated in writing, the commission
33 shall continue the hearing on the proposal and shall order notice given to the nonappearing owner
34 requiring appearance of the owner before the commission to show cause, if any, why the land or line
35 or connection should not be included in the proposal. Notice to nonappearing owners may be given
36 by personal service or by letter sent by first-class mail, at least 10 days prior to the date to which
37 the hearing has been continued. The required notice may be waived by the nonappearing owner.

38 (4) On the basis of the study and on the basis of the facts presented at the hearing, the boundary
39 commission shall approve the proposed boundary change or application under ORS 199.464 as pre-
40 sented or as modified by the commission or disapprove the proposed change, by an order stating the
41 reasons for the decision of the commission. Jurisdiction for judicial review of such an order is con-
42 ferred upon the Court of Appeals. Except as provided in ORS 183.315 (1), any person interested in
43 a boundary change may petition for judicial review of the order under ORS 183.482.

44 (5) Immediately after the effective date of a final order entered under subsection (4) of this
45 section and a proclamation declaring a minor boundary change approved if any is entered under

1 ORS 199.505 (3), the commission shall file a copy of the order and proclamation, if any, with the
2 Secretary of State, the Department of Revenue, the assessor and the county clerk of each county in
3 which the affected territory, city or district is located, and the clerk of the affected city or district.
4 If the commission disapproves a minor boundary change, it shall send a copy of the final order to
5 the person who actually filed the petition and to the affected city or district.

6 (6) Immediately after the effective date of a final order on an application under ORS 199.464, the
7 commission shall file a copy of the order with the applicant, the *[Department of Human Services]*
8 **Oregon Health Authority**, the Department of Environmental Quality and the county planning de-
9 partment.

10 **SECTION 177.** ORS 199.490 is amended to read:

11 199.490. (1) A proceeding for a minor boundary change other than a transfer of territory may
12 be initiated:

13 (a) By resolution of the governing body of the affected city or district;

14 (b) By petition signed by 10 percent of the electors registered in the affected territory;

15 (c) By petition signed by the owners of at least one-half the land area in the affected territory;

16 (d) By resolution of a boundary commission having jurisdiction of the affected territory; or

17 (e) When the minor boundary change is a withdrawal of a city from a district, by resolution of
18 the governing body of the city, which shall be an affected city for the purposes of ORS 199.410 to
19 199.534.

20 (2)(a)(A) An annexation proceeding may also be initiated by a resolution adopted by the gov-
21 erning body of the affected city or district upon receiving consent to annex their land in writing
22 from more than half of the owners of land in the territory proposed to be annexed, who also own
23 more than half of the land in the territory proposed to be annexed and of real property therein
24 representing more than half of the assessed value of all real property in the territory proposed to
25 be annexed.

26 (B) A resolution adopted by the governing body of the affected city or district upon receiving
27 written consent to annexation from a majority of the electors registered in the territory proposed
28 to be annexed and written consent to the annexation of their land from the owners of more than
29 half the land in the territory proposed to be annexed.

30 (b) However, before soliciting statements of consent for the purpose of authorizing an
31 annexation under a proceeding initiated as provided by this subsection, the governing body of the
32 affected city or district shall file a notice of intent to annex with the boundary commission having
33 jurisdiction of the affected territory. The notice of intent to annex shall name the affected city or
34 district and generally describe the boundaries of the territory sought to be annexed, which territory
35 must be contiguous to the city or district or separated from it only by a public right of way or a
36 stream, bay, lake or other body of water. The notice of intent to annex shall have attached to it a
37 county assessor's cadastral map showing the location of the affected territory that the city or dis-
38 trict proposes to annex.

39 (c) For the purpose of this subsection, consent need not be obtained for any land in a public
40 way included within or contiguous to the territory proposed to be annexed. However, land in such
41 a public way shall, as determined by the commission, be considered annexed to the affected city or
42 district if the minor boundary change is approved, regardless of the land's ownership, size or as-
43 sessed valuation.

44 (d) For the purpose of this subsection, consent need not be obtained for any real property that
45 is publicly owned, is the right of way for a public utility, telecommunications utility or railroad or

1 is exempt from ad valorem taxation unless the owner of such property files a statement consenting
2 to or opposing annexation with the legislative body of the annexing city or district on or before the
3 date the city or district adopts the resolution required by paragraph (a) of this subsection.

4 (e) As used in this subsection, "owner" has the additional meaning given that term in ORS
5 222.120 (7).

6 (3) A transfer of territory proceeding may be initiated:

7 (a) By joint resolution of the governing bodies of the affected districts or cities;

8 (b) By petition signed by 10 percent of the electors registered in the affected territory;

9 (c) By petition signed by the owners of at least one-half the land area in the affected territory;

10 or

11 (d) By resolution of a boundary commission having jurisdiction of the affected territory.

12 (4) The petition or resolution shall:

13 (a) Name the affected city or district and state whether it is proposed to annex, withdraw or
14 transfer territory;

15 (b) Describe the boundaries of the affected territory;

16 (c) If the proposal concerns a district, designate the applicable principal Act;

17 (d) Have attached a county assessor's cadastral map showing the location of the affected terri-
18 tory; and

19 (e) Be filed with the boundary commission having jurisdiction of the affected territory.

20 (5) When a city annexation is initiated:

21 (a) As provided by ORS 222.750 the petition proposing the annexation shall be filed with the
22 boundary commission having jurisdiction of the annexation.

23 (b) As provided by ORS 222.840 to 222.915, the findings adopted by the Director of [*Human*
24 *Services*] **the Oregon Health Authority** under ORS 222.880 shall be considered the initiatory action
25 and a certified copy of the findings shall be filed with the boundary commission having jurisdiction
26 of the annexation, at the same time a copy of the finding is filed with the affected city.

27 (6) Except when a boundary change is initiated by an affected city or district under subsection
28 (1), (2), (3) or (5) of this section or by the [*Director of Human Services*] **director** as provided by
29 subsection (5)(b) of this section, the boundary commission shall notify the affected city or district
30 that a petition has been filed or that the commission has adopted a resolution. If the petition com-
31 plies with the requirements of the applicable statutes, the commission shall proceed as provided by
32 ORS 199.460 to 199.463 and 199.490 to 199.519.

33 (7) Unless the parties appearing at a hearing for a minor boundary change or application under
34 ORS 199.464 agree to a postponement of the adoption of a final order, a final order approving or
35 disapproving a minor boundary change must be adopted within 90 days after the date the petition,
36 resolution or application is filed with the commission. If a final order approving or disapproving a
37 minor boundary change is not adopted within 90 days after the petition, resolution or application is
38 filed or within the period of postponement, the petition, resolution or application shall be considered
39 approved by the commission. A postponement shall not be for a period exceeding one year from the
40 date the petition, resolution or application initiating the proposal is filed with the commission.

41 **SECTION 178.** ORS 199.495 is amended to read:

42 199.495. In a proceeding initiated as provided by ORS 199.490 (2) and (5):

43 (1) If the proposed annexation is approved by the commission, the final order shall be effective
44 at the time specified in the final order except that the effective date for an annexation initiated as
45 provided by ORS 199.490 (5) shall not be more than one year after the date the final order is adopted

1 and for an annexation initiated as provided by ORS 199.490 (2) shall not be more than 10 years after
2 the date the final order is adopted. If no effective date is specified in the final order, the order shall
3 take effect on the date the order is adopted. The order shall not be subject to ORS 199.505.

4 (2) ORS 222.883 to 222.896, 222.900 (1) and (3) and 222.915 do not apply to proceedings initiated
5 by the findings of the Director of [*Human Services*] **the Oregon Health Authority**.

6 **SECTION 179.** ORS 199.512 is amended to read:

7 199.512. (1) The findings of the Director of [*Human Services*] **the Oregon Health Authority** filed
8 with a boundary commission in accordance with ORS 431.740 or 431.750 shall be considered a peti-
9 tion for the purposes of ORS 199.410 to 199.534. When the findings of the director are filed with a
10 commission, it shall proceed in accordance with the findings and with ORS 199.410 to 199.534, but
11 the commission shall not inquire into the need for the proposed facilities or adjust the boundaries
12 of the affected territory.

13 (2) In proceedings described by subsection (1) of this section, the boundary commission shall
14 determine whether the affected territory shall be included in a new city, new metropolitan service
15 district or new county service district or annexed to an existing district. The final order of the
16 commission shall conclude the proceedings for all purposes; and the formation or annexation ap-
17 proved and ordered by the commission shall take effect 45 days after the date the commission adopts
18 the final order in the proceeding.

19 **SECTION 180.** ORS 222.120 is amended to read:

20 222.120. (1) Except when expressly required to do so by the city charter, the legislative body
21 of a city is not required to submit a proposal for annexation of territory to the electors of the city
22 for their approval or rejection.

23 (2) When the legislative body of the city elects to dispense with submitting the question of the
24 proposed annexation to the electors of the city, the legislative body of the city shall fix a day for
25 a public hearing before the legislative body at which time the electors of the city may appear and
26 be heard on the question of annexation.

27 (3) The city legislative body shall cause notice of the hearing to be published once each week
28 for two successive weeks prior to the day of hearing, in a newspaper of general circulation in the
29 city, and shall cause notices of the hearing to be posted in four public places in the city for a like
30 period.

31 (4) After the hearing, the city legislative body may, by an ordinance containing a legal de-
32 scription of the territory in question:

33 (a) Declare that the territory is annexed to the city upon the condition that the majority of the
34 votes cast in the territory is in favor of annexation;

35 (b) Declare that the territory is annexed to the city where electors or landowners in the con-
36 tiguous territory consented in writing to such annexation, as provided in ORS 222.125 or 222.170,
37 prior to the public hearing held under subsection (2) of this section; or

38 (c) Declare that the territory is annexed to the city where the [*Department of Human Services*]
39 **Oregon Health Authority**, prior to the public hearing held under subsection (1) of this section, has
40 issued a finding that a danger to public health exists because of conditions within the territory as

2 the condition causing the danger to public health is impure or inadequate domestic water, with the
3 Environmental Quality Commission.

4 (3) If the director determines that a danger to public health exists because of conditions within
5 only part of the affected territory, the director may, upon petition and hearing, reduce the bounda-

7 excluded would not be surrounded by the affected territory remaining to be annexed and would not

9 danger to public health existing within the affected territory remaining to be annexed. The findings
10 shall describe the boundaries of the affected territory as reduced by the director. The director shall

16 boundary for the extension of services normally provided by an incorporated city.

17 (5) The city shall, when requested, aid in the determinations made under subsections (3) and (4)
18 of this section and, if necessary, cause a study to be made.

38 tension of a city's or district's sewer or water lines. The petition shall be accompanied by a proposed
39 plan which shall state the type of facilities to be constructed, a proposed means of financing the
40 facilities, and an estimate of the time required to construct such facilities and place them in oper-
41 ation.

42 (2) Within 30 days after the director under ORS 222.880 finds that conditions dangerous to public

45 shall suggest an alternative plan to annexation to the city for removal or alleviation of the condi-

16 viewing the alternative plan contained in the petition, the **authority or commission** shall consider
17 whether, in its judgment, the plan contains a preferable alternative for the alleviation or removal
18 of the conditions dangerous to public health. If it determines that annexation to the city provides
19 the best and most expeditious method of removing or alleviating the dangerous conditions, the al-
20 ternative plan shall be rejected and further proceedings on the finding filed under ORS 222.880 shall
21 resume.

22 (2) If the [*reviewing*] **authority or commission** finds that the alternative plan provides a pref-

25 **sion** information showing:

26 (a) That the territory in which the conditions dangerous to public health exist has received ap-

29 dangerous conditions, and that financing of the facilities for extension of such facilities to the ter-

32 (c) A time schedule for the construction of such facilities.

33 (d) That such facilities, if constructed, will remove or alleviate the conditions dangerous to

35 annexation to the city.

36 (3) The **authority or commission** shall review the final plan presented to it by the petitioners,
37 city or district and shall promptly certify whether the requirements of subsection (2) of this section
38 have been met. If the requirements have been met, the [*department*] **authority** shall certify the al-

40 **SECTION 345.** ORS 416.430 is amended to read:

41 416.430. (1) The administrator may establish paternity of a child in the course of a support
42 proceeding under ORS 416.400 to 416.465 when both parents sign statements that paternity has not
43 been legally established and that the male parent is the father of the child. The administrator may
44 enter an order which establishes paternity.

45 (2) If the parent fails to file a response denying paternity and requesting a hearing within the

1 time period allowed in ORS 416.415 (2), then the administrator, without further notice to the parent,
2 may enter an order, in accordance with ORS 416.415 (7), which declares and establishes the parent
3 as the legal father of the child.

4 (3) Any order entered pursuant to subsection (1) or (2) of this section establishes legal paternity
5 for all purposes. The Center for Health Statistics of the [*Department of Human Services*] **Oregon**
6 **Health Authority** shall prepare a new birth certificate in the new name, if any, of the child. The
7 original birth certificate shall be sealed and filed and may be opened only upon order of a court of
8 competent jurisdiction.

9 (4)(a) If paternity is alleged under ORS 416.415 (3) and a written response denying paternity and
10 requesting a hearing is received within the time period allowed in ORS 416.415 (2), or if the ad-
11 ministrator determines that there is a valid issue with respect to paternity of the child, the admin-
12 istrator, subject to the provisions of subsections (5) and (6) of this section, shall certify the matter
13 to the circuit court for a determination based upon the contents of the file and any evidence which
14 may be produced at trial. The proceedings in court shall for all purposes be deemed suits in equity.
15 The provisions of ORS 109.145 to 109.230 apply to proceedings certified to court by the administrator
16 pursuant to this section.

17 (b) Any response denying paternity and requesting a hearing shall be sent by the enforcement
18 office to the obligee by regular mail.

19 (5) An action to establish paternity initiated under ORS 416.400 to 416.465 shall not be certified
20 to court for trial unless all of the following have occurred:

21 (a) Blood tests have been conducted;

22 (b) The results of the blood tests have been served upon the parties and notice has been given
23 that an order establishing paternity will be entered unless a written objection is received within 30
24 days; and

25 (c) A written objection to the entry of an order has been timely received from a party.

26 (6) Notwithstanding the provisions of subsection (5) of this section, the administrator:

27 (a) Shall certify the matter to court:

28 (A) Within 30 days of receipt by the administrator of a timely written objection to the entry of
29 an order by a party under subsection (5)(c) of this section;

30 (B) When a party requests certification in writing after the administrator has received a party's
31 written denial of paternity if at least 120 days have elapsed from receipt of the denial; or

32 (C) Upon receipt of blood test results with a cumulative paternity index of less than 99; and

33 (b) May certify the matter to court at any time under any other circumstances.

34 (7) If the blood tests conducted under ORS 109.250 to 109.262 result in a cumulative paternity
35 index of 99 or greater, evidence of the tests, together with the testimony of the parent, shall be a
36 sufficient basis upon which to establish paternity and the administrator may enter an order declar-
37 ing the alleged father as the legal father of the child unless a party objects in writing to the entry
38 of the order. The testimony of the parent may be presented by affidavit.

39 (8) Prior to certification to court, the administrator may attempt to resolve the issue of
40 paternity by discovery conducted under the Oregon Rules of Civil Procedure. Unless otherwise
41 specifically provided by statute, the proceedings shall be conducted under the Oregon Rules of Civil
42 Procedure.

43 (9) When, in accordance with subsection (6)(a)(A) of this section, a party objects to the entry
44 of an order and the blood tests conducted under ORS 109.250 to 109.262 result in a cumulative
45 paternity index of 99 or greater, notwithstanding the party's objection, evidence of the tests, to-

1 gether with the testimony of a parent, is a sufficient basis upon which to presume paternity for
2 purposes of establishing temporary support under this section. The court shall, upon motion of any
3 party, enter a temporary order requiring the alleged father to provide support pending the determi-
4 nation of parentage by the court. In determining the amount of support, the court shall use the
5 formula established under ORS 25.275.

 38 treatment provider or agency an opportunity to be heard before the court. After receiving an order
 39 entered under this paragraph, the qualified mental health or developmental disabilities treatment
 40 provider or agency designated shall assume supervision of the young person subject to the direction
 41 of the juvenile panel. The qualified mental health or developmental disabilities treatment provider
 42 or agency designated as supervisor shall report in writing no less than once per month to the ju-

44 (c) For purposes of determining whether to order commitment to a hospital or facility or con-

9 (a) Determine whether the parent or guardian of the young person is able and willing to assist
10 the young person in obtaining necessary mental health or developmental disabilities services and is
11 willing to acquiesce in the decisions of the juvenile panel. If the court finds that the parent or
12 guardian:

13 (A) Is able and willing to do so, the court shall order the parent or guardian to sign an irrev-
14 ocable consent form in which the parent agrees to any placement decision made by the juvenile
15 panel.

16 (B) Is unable or unwilling to do so, the court shall order that the young person be placed in the

31 commitment of a **mentally ill** young person under this section, the department **and the authority**
32 shall take into account the care and treatment needs of the young person, the resources [*of the de-*
33 *partment*] **available to the department or the authority** and the safety of the public.

36 risdiction over a young person committed to, or retained in, a hospital or facility designated by the
37 Department of Human Services **or the Oregon Health Authority** under ORS 419C.529. If the board
38 determines after review that the placement of a young person in the particular hospital or facility
39 is so inappropriate as to create a substantial danger to others, the board may direct the department
40 **or the authority** to place the young person in a specific type of facility or direct specific care or
41 supervision, but the actual placement of the young person is the responsibility of the department
42 **or the authority.**

43 **SECTION 371.** ORS 419C.532 is amended to read:

44 419C.532. (1) The juvenile panel of the Psychiatric Security Review Board shall conduct hearings

9 release if the juvenile panel finds that the young person:

10 (a) No longer has a mental disease or defect; or

11 (b) Has a mental disease or defect other than a serious mental condition but no longer presents

27 (B) Has a mental disease or defect other than a serious mental condition and presents a sub-
28 stantial danger to others; and

29 (b) Cannot be adequately controlled if conditionally released.

30 (6) In determining whether a young person should be committed to or retained in a hospital or

43 stantial danger to others; and

44 (b) Could be adequately controlled with treatment services as a condition of release.

45 (9) The juvenile panel may make a determination regarding discharge or conditional release

1 based upon the written report submitted under subsection (8) of this section or ORS 419C.540 (3).
2 If a member of the juvenile panel desires further information from the examining psychiatrist or li-

11 419C.533. (1) The juvenile panel of the Psychiatric Security Review Board, by rule pursuant to
12 ORS 183.325 to 183.410 and not inconsistent with law, may implement its policies and set out its
13 procedure and practice requirements and may promulgate such interpretive rules as the panel deems
14 necessary or appropriate to carry out its statutory responsibilities.

15 (2) The juvenile panel of the Psychiatric Security Review Board shall adopt rules defining the
16 type of dangerous behavior that requires the temporary placement of a young person with mental

20 **Oregon Health Authority about proposed rules relating to mental illness** before issuing pro-
21 posed rules for public comment and before adopting rules under this section.

22 **SECTION 373.** ORS 419C.538 is amended to read:

23 419C.538. (1) When the juvenile panel of the Psychiatric Security Review Board orders a young
24 person conditionally released under ORS 419C.532 (4), the juvenile panel may designate a qualified
25 mental health or developmental disabilities treatment provider or state, county or local agency to
26 supervise the young person on release subject to those conditions as the juvenile panel directs in
27 the order for conditional release. Prior to the designation, the juvenile panel shall notify the quali-
28 fied mental health or developmental disabilities treatment provider or agency to whom conditional
29 release is contemplated and provide the qualified mental health or developmental disabilities treat-
30 ment provider or agency an opportunity to be heard before the juvenile panel. After receiving an
31 order entered under ORS 419C.532 (4), the qualified mental health or developmental disabilities
32 treatment provider or agency designated shall assume supervision of the young person pursuant to
33 the direction of the juvenile panel.

34 (2) Conditions of release contained in orders entered under ORS 419C.532 (4) may be modified
35 from time to time and conditional release may be terminated by order of the juvenile panel as pro-
36 vided in ORS 419C.532 and 419C.542.

37 (3)(a) As a condition of release, the juvenile panel may require the young person to report to
38 any state, county or local mental health or developmental disabilities facility for evaluation. When-
39 ever medical, psychiatric or psychological treatment is recommended, the juvenile panel may order
40 the young person, as a condition of release, to cooperate with and accept the treatment of the fa-
41 cility.

42 (b) The facility to which the young person has been referred for evaluation shall perform the
43 evaluation and submit a written report of its findings to the juvenile panel. If the facility finds that
44 treatment of the young person is appropriate, the facility shall include its recommendations for
45 treatment in the report to the juvenile panel.

1 (c) Whenever treatment is provided by the facility, the facility shall furnish reports to the ju-
2 venile panel on a regular basis concerning the progress of the young person.

3 (d) The facility shall comply with any other conditions of release prescribed by order of the ju-

5 (4) If at any time it appears to the juvenile panel or the chairperson of the juvenile panel that
6 a young person has violated the terms of conditional release or that the mental health of the young
7 person has changed, the juvenile panel or the chairperson of the juvenile panel may order the young
8 person returned to a hospital or facility designated by the Department of Human Services **or the**
9 **Oregon Health Authority** for evaluation and treatment. A written order of the juvenile panel, or
10 the chairperson of the juvenile panel on behalf of the juvenile panel, is sufficient warrant for any
11 peace officer to take the young person into custody and transport the young person accordingly. A
12 peace officer shall execute the order, and the young person shall be returned as soon as practicable
13 to a facility designated by the department **or the authority**. Within 20 days following the return
14 of the young person to the facility designated by the department **or the authority**, the juvenile
15 panel shall conduct a hearing. At a hearing required by this subsection, the state has the burden
16 of proving the young person's lack of fitness for conditional release.

17 (5) The community mental health [*and*] **program director, the community** developmental dis-
18 abilities program director, the director of the facility providing treatment for the young person on
19 conditional release, a peace officer or a person responsible for the supervision of a young person
20 on conditional release may take a young person into custody or request that the young person be
21 taken into custody if there is reasonable cause to believe the young person presents a substantial
22 danger to others and that the young person is in need of immediate custody, supervision and treat-
23 ment. A young person taken into custody under this subsection must immediately be transported to
24 a hospital or facility designated by the department **or the authority**. Within 20 days following the
25 return of the young person to the facility designated by the department **or the authority**, the ju-
26 venile panel shall conduct a hearing. At a hearing required by this subsection, the state has the
27 burden of proving the young person's lack of fitness for conditional release.

28 (6)(a) A young person conditionally released under ORS 419C.532 (4) may apply to the juvenile
29 panel for discharge from or modification of an order of conditional release on the ground that the
30 young person no longer has a mental disease or defect or, if affected by a mental disease or defect
31 other than a serious mental condition, no longer presents a substantial danger to others and no
32 longer requires supervision or treatment services. Within 60 days after receiving an application
33 under this paragraph, the juvenile panel shall conduct a hearing. At a hearing required by this
34 paragraph, the young person has the burden of proving the young person's fitness for discharge or
35 modification of the order of conditional release. A young person may not apply for discharge or
36 modification of conditional release more often than once every six months.

37 (b) Upon application by any qualified mental health or developmental disabilities treatment
38 provider or state, county or local agency responsible for supervision or treatment services pursuant
39 to an order of conditional release, the juvenile panel shall conduct a hearing to determine if the
40 conditions of release should be continued, modified or terminated. The application must be accom-
41 panied by a report setting forth the facts supporting the application. At a hearing required by this
42 paragraph, the state has the burden of proving the young person's lack of fitness for discharge or
43 modification of the order of conditional release.

44 **SECTION 374.** ORS 419C.542 is amended to read:

45 419C.542. (1) A young person committed by the court under ORS 419C.529 to a hospital or fa-

1 cility designated by the Department of Human Services **or the Oregon Health Authority** may not
2 be held in the hospital or facility for more than 90 days from the date of the court's commitment
3 order without an initial hearing before the juvenile panel of the Psychiatric Security Review Board
4 to determine whether the young person should be discharged or conditionally released.

5 (2) A young person may not be held pursuant to an order under ORS 419C.532 (5) for a period
6 of time exceeding one year without a hearing before the juvenile panel to determine whether the
7 young person should be discharged or conditionally released.

8 (3) When a young person has spent three years on conditional release, the juvenile panel shall
9 bring the young person before the juvenile panel no later than 30 days after the expiration of the
10 three-year period. The juvenile panel shall review the young person's status and determine whether
11 the young person should be discharged from the jurisdiction of the board.

12 (4) Notwithstanding the fact that a young person who is brought before the juvenile panel under
13 subsection (3) of this section continues to have a serious mental condition, the juvenile panel may
14 discharge the young person if the young person did not exhibit behaviors that presented a substan-

16 the juvenile panel.

20 application may be made on behalf of the youth offender by the parents or legal guardian of the
21 youth offender. However, the superintendent shall not be required to cause the examination of a
22 youth offender who applies under this section more often than once in six months.

23 (2) Within five working days after receipt of the application, the superintendent of the youth
24 correction facility shall cause the youth offender to be examined by one or more qualified persons
25 at the facility and shall request the examination of the youth offender by one or more qualified
26 persons employed or designated by the department **or the Oregon Health Authority**. The exam-
27 ination conducted or authorized by the department **or the Oregon Health Authority** shall take
28 place within five working days after receipt of the request from the superintendent. The examiners
29 shall prepare separate reports and shall submit such reports to the superintendent. A copy of the
30 reports shall be given to the applicant.

31 (3) If the superintendent finds that there is a probable cause to believe that the youth offender
32 has a mental illness and that it would be in the best interests of the youth offender to be admitted
33 to a hospital or facility designated by the department **or the Oregon Health Authority**, the su-
34 perintendent shall notify the department **or the Oregon Health Authority** and shall order the
35 youth offender transferred pursuant to ORS 179.473.

36 (4) No youth offender at a youth correction facility voluntarily admitted to a hospital or facility
37 designated by the department **or the Oregon Health Authority** shall be detained therein more than
38 72 hours after the youth offender is of the age specified in ORS 420A.010 (5) setting the age limits
39 for which the Oregon Youth Authority may retain legal and physical custody of the youth offender
40 and has given notice in writing of the desire of the youth offender to be released. If the youth
41 offender is under the age specified in ORS 420A.010 (5) setting the age limits for which the Oregon
42 Youth Authority may retain legal and physical custody of the youth offender, the youth offender
43 may be returned to the youth correction facility after notice in writing has been given by the parent
44 or legal guardian of the youth offender, that such parent or guardian desires that the youth offender
45 be discharged from the hospital or facility designated by the department **or the Oregon Health**

25 **Authority** pursuant to ORS 179.325, the Oregon State Hospital in Salem, Marion County, and the

35 point a physician to serve as chief medical officer who shall be in the unclassified service.

36 **SECTION 384.** ORS 426.060 is amended to read:

37 426.060. (1) Commitments to the [Department of Human Services] **Oregon Health Authority**
38 shall be made only by the judge of a circuit court in a county of this state.

39 (2) The following is a nonexclusive list of powers the [department] **authority** may exercise con-
40 cerning the placement of persons committed or persons receiving emergency care and treatment
41 under ORS 426.070, 426.228 to 426.235 or 426.237:

42 (a) In its discretion and for reasons which are satisfactory to the [department] **authority**, the
43 [department] **authority** may direct any court-committed person to the facility best able to treat the

45 (b) At any time, for good cause and in the best interest of the mentally ill person, the [depart-

1 *ment*] **authority** may transfer a committed person from one facility to another. When transferring
2 a person under this paragraph, the [*department*] **authority** shall make the transfer:

3 (A) If the transfer is from a facility in one class to a facility of the same class, as provided by

9 (c) At any time, for good cause and in the best interest of the mentally ill person, the [*depart-*
10 *ment*] **authority** may transfer a person receiving emergency care and treatment under ORS 426.070
11 or 426.228 to 426.235, or intensive treatment under ORS 426.237, between hospitals and nonhospital

13 by rule of the [*department*] **authority**.

14 (d) Pursuant to its rules, the [*department*] **authority** may delegate to a community mental health
15 [*and developmental disabilities*] program director the responsibility for assignment of mentally ill
16 persons to suitable facilities or transfer between such facilities under conditions which the [*depart-*
17 *ment*] **authority** may define.

18 **SECTION 385.** ORS 426.070 is amended to read:

19 426.070. (1) Any of the following may initiate commitment procedures under this section by giv-
20 ing the notice described under subsection (2) of this section:

- 21 (a) Two persons;
- 22 (b) The county health officer; or
- 23 (c) Any magistrate.

24 (2) For purposes of subsection (1) of this section, the notice must comply with the following:

- 25 (a) It must be in writing under oath;
- 26 (b) It must be given to the community mental health [*and developmental disabilities*] program
27 director or a designee of the director in the county where the allegedly mentally ill person resides;
- 28 (c) It must state that a person within the county other than the person giving the notice is a
29 mentally ill person and is in need of treatment, care or custody;

30 (d) If the commitment proceeding is initiated by two persons under subsection (1)(a) of this sec-
31 tion, it may include a request that the court notify the two persons:

- 32 (A) Of the issuance or nonissuance of a warrant under this section; or
- 33 (B) Of the court's determination under ORS 426.130 (1); and

34 (e) If the notice contains a request under paragraph (d) of this subsection, it must also include
35 the addresses of the two persons making the request.

36 (3) Upon receipt of a notice under subsections (1) and (2) of this section or when notified by a
37 circuit court that the court received notice under ORS 426.234, the community mental health [*and*
38 *developmental disabilities*] program director, or designee of the director, shall:

39 (a) Immediately notify the judge of the court having jurisdiction for that county under ORS
40 426.060 of the notification described in subsections (1) and (2) of this section.

41 (b) Immediately notify the [*Department of Human Services*] **Oregon Health Authority** if com-
42 mitment is proposed because the person appears to be a mentally ill person, as defined in ORS
43 426.005 (1)(d)(C). When such notice is received, the [*department*] **authority** may verify, to the extent
44 known by the [*department*] **authority**, whether or not the person meets the criteria described in ORS
45 426.005 (1)(d)(C)(i) and (ii) and so inform the community mental health [*and developmental*

1 *disabilities*] program director or designee of the director.

2 (c) Initiate an investigation under ORS 426.074 to determine whether there is probable cause to
3 believe that the person is in fact a mentally ill person.

4 (4) Upon completion, a recommendation based upon the investigation report under ORS 426.074
5 shall be promptly submitted to the court. If the community mental health [*and developmental disa-*
6 *bilities*] program director determines that probable cause does not exist to believe that a person
7 released from detention under ORS 426.234 (2)(c) or (3)(b) is a mentally ill person, the community
8 mental health [*and developmental disabilities*] program director shall not submit a recommendation
9 to the court.

10 (5) When the court receives notice under subsection (3) of this section:

11 (a) If the court, following the investigation, concludes that there is probable cause to believe
12 that the person investigated is a mentally ill person, it shall, through the issuance of a citation as
13 provided in ORS 426.090, cause the person to be brought before it at a time and place as it may
14 direct, for a hearing under ORS 426.095 to determine whether the person is mentally ill. The person
15 shall be given the opportunity to appear voluntarily at the hearing unless the person fails to appear
16 or unless the person is detained pursuant to paragraph (b) of this subsection.

17 (b)(A) The judge may cause the allegedly mentally ill person to be taken into custody pending
18 the investigation or hearing by issuing a warrant of detention under this subsection. A judge may
19 only issue a warrant under this subsection if the court finds that there is probable cause to believe
20 that failure to take the person into custody would pose serious harm or danger to the person or to
21 others.

22 (B) To cause the custody of a person under this paragraph, the judge must issue a warrant of
23 detention to the community mental health [*and developmental disabilities*] program director or
24 designee, the sheriff of the county or designee, directing that person to take the allegedly mentally
25 ill person into custody and produce the person at the time and place stated in the warrant.

26 (C) At the time the person is taken into custody, the person shall be informed by the community
27 mental health [*and developmental disabilities*] program director, the sheriff or a designee of the fol-
28 lowing:

29 (i) The person's rights with regard to representation by or appointment of counsel as described
30 in ORS 426.100;

31 (ii) The warning under ORS 426.123; and

32 (iii) The person's right, if the community mental health [*and developmental disabilities*] program
33 director, sheriff or designee reasonably suspects that the person is a foreign national, to communi-
34 cate with an official from the consulate of the person's country. A community mental health [*and*
35 *developmental disabilities*] program director, sheriff or designee is not civilly or criminally liable for
36 failure to provide the information required by this sub-subparagraph. Failure to provide the infor-
37 mation required by this sub-subparagraph does not in itself constitute grounds for the exclusion of
38 evidence that would otherwise be admissible in a proceeding.

39 (D) The court may make any orders for the care and custody of the person prior to the hearing
40 as it considers necessary.

41 (c) If the notice includes a request under subsection (2)(d)(A) of this section, the court shall
42 notify the two persons of the issuance or nonissuance of a warrant under this subsection.

43 **SECTION 386.** ORS 426.072 is amended to read:

44 426.072. (1) A hospital or nonhospital facility and a treating physician must comply with the
45 following when an allegedly mentally ill person is placed in custody at the hospital or nonhospital

1 facility:

2 (a) By a warrant of detention under ORS 426.070;

3 (b) By a peace officer under ORS 426.228 or other person authorized under ORS 426.233; or

4 (c) By a physician under ORS 426.232.

5 (2) In circumstances described under subsection (1) of this section, the hospital or nonhospital
6 facility and treating physician must comply with the following:

7 (a) The person shall receive the care, custody and treatment required for mental and physical
8 health and safety;

9 (b) The treating physician shall report any care, custody and treatment to the court as required
10 in ORS 426.075;

11 (c) All methods of treatment, including the prescription and administration of drugs, shall be the
12 sole responsibility of the treating physician. However, the person shall not be subject to
13 electroshock therapy or unduly hazardous treatment and shall receive usual and customary treat-
14 ment in accordance with medical standards in the community;

15 (d) The treating physician shall be notified immediately of any use of mechanical restraints on
16 the person. Every use of a mechanical restraint and the reasons therefor shall be made a part of the
17 clinical record of the person over the signature of the treating physician; and

18 (e) The treating physician shall give the person the warning under ORS 426.123 at times the
19 treating physician determines the person will reasonably understand the notice. This paragraph only
20 requires the notice to be given as often as the physician determines is necessary to assure that the
21 person is given an opportunity to be aware of the notice.

22 (3) The [Department of Human Services] **Oregon Health Authority** shall adopt rules necessary
23 to carry out this section, including rules regarding the content of the medical record compiled dur-
24 ing the current period of custody.

25 **SECTION 387.** ORS 426.074 is amended to read:

26 426.074. The following is applicable to an investigation initiated by a community mental health
27 [and developmental disabilities] program director, or a designee of the director, as part of commit-
28 ment procedures under ORS 426.070 and 426.228 to 426.235:

29 (1) If the allegedly mentally ill person is held in custody before the hearing the investigation
30 shall be completed at least 24 hours before the hearing under ORS 426.095, otherwise the investi-
31 gation shall comply with the following time schedule:

32 (a) If the allegedly mentally ill person can be located, the investigator shall contact the person
33 within three judicial days from the date the community mental health [and developmental
34 disabilities] program director or a designee receives a notice under ORS 426.070 alleging that the
35 person is mentally ill.

36 (b) Within 15 days from the date the community mental health [and developmental disabilities]
37 program director or a designee receives a notice under ORS 426.070 alleging that a person is men-
38 tally ill, one of the following shall occur:

39 (A) The investigation shall be completed and submitted to the court.

40 (B) An application for extension shall be made to the court under paragraph (c) of this sub-
41 section.

42 (c) The community mental health [and developmental disabilities] program director, a designee
43 or the investigator may file for an extension of the time under paragraph (b) of this subsection only
44 if one of the following occurs:

45 (A) A treatment option less restrictive than involuntary in-patient commitment is actively being

1 pursued.

2 (B) The allegedly mentally ill person cannot be located.

3 (d) A court may grant an extension under paragraph (c) of this subsection for a time and upon
4 the terms and conditions the court considers appropriate.

5 (2) This subsection establishes a nonexclusive list of provisions applicable to the content of the
6 investigation, as follows:

7 (a) The investigation conducted should, where appropriate, include an interview or examination
8 of the allegedly mentally ill person in the home of the person or other place familiar to the person.

9 (b) Whether or not the allegedly mentally ill person consents, the investigation should include
10 interviews with any persons that the investigator has probable cause to believe have pertinent in-
11 formation regarding the investigation. If the allegedly mentally ill person objects to the contact with
12 any person, the objection shall be noted in the investigator's report.

13 (c) The investigator shall be allowed access to physicians, nurses or social workers and to
14 medical records compiled during the current involuntary prehearing period of detention to determine
15 probable cause and to develop alternatives to commitment. If commitment is proposed because the
16 person appears to be a mentally ill person as defined in ORS 426.005 (1)(d)(C), the investigator shall
17 be allowed access to medical records necessary to verify the existence of criteria described in ORS
18 426.005 (1)(d)(C). The investigator shall include pertinent parts of the medical record in the investi-
19 gation report. Records and communications described in this paragraph and communications related
20 thereto are not privileged under ORS 40.230, 40.235, 40.240 or 40.250.

21 (3) A copy of the investigation report shall be provided as soon as possible, but in no event later
22 than 24 hours prior to the hearing, to the allegedly mentally ill person and to that person's counsel.

27 if a court, under ORS 426.070, orders a hearing under ORS 426.095. The following apply as described:

28 (1) The court shall be fully advised of all drugs and other treatment known to have been ad-
29 ministered to the allegedly mentally ill person that may substantially affect the ability of the person
30 to prepare for or function effectively at the hearing. The following shall advise the court as re-
31 quired by this subsection:

32 (a) When not otherwise provided by paragraph (b) of this subsection, the community mental
33 health [*and developmental disabilities*] program director or designee.

34 (b) When the person has been detained by a warrant of detention under ORS 426.070, 426.180,
35 426.228, 426.232 or 426.233, the treating physician.

36 (2) The court shall appoint examiners under ORS 426.110 sufficiently long before the hearing so

39 available to the examiners at least 24 hours before the hearing in order that the examiners may
40 review the medical record and have an opportunity to inquire of the medical personnel concerning

42 hearing.

43 (3) The medical record described in subsection (2) of this section shall be made available to
44 counsel for the allegedly mentally ill person at least 24 hours prior to the hearing.

7 (2) The court shall hold the hearing at the time established according to the following:

8 (a) Except as provided by paragraph (b) or (c) of this subsection, a hearing shall be held five

10 (b) Except as provided by paragraph (c) of this subsection, if a person is detained by a warrant
11 of detention under ORS 426.070, a hearing shall be held within five judicial days of the commence-
12 ment of detention.

13 (c) If requested under this paragraph, the court, for good cause, may postpone the hearing for
14 not more than five judicial days in order to allow preparation for the hearing. The court may make
15 orders for the care and custody of the person during a postponement as it deems necessary. If a
16 person is detained before a hearing under ORS 426.070, 426.180, 426.228, 426.232 or 426.233 and the

39 (ii) The [*department*] **authority** may place the committed person in outpatient commitment under

44 demonstrated by past behavior or participation in incidents involving unlawful violence or threats
45 of unlawful violence, or by reason of a single incident of extreme, violent, unlawful conduct. When

18 (2) No allegedly mentally ill person who has been taken into custody shall be confined, either

38 (2) The committing judge, upon approval of the examining physicians or other qualified persons
39 as recommended by the [*department*] **authority** and upon request of a guardian, friend or relative

42 not be detrimental to the welfare of the mentally ill person or to the public.

43 **SECTION 396.** ORS 426.170 is amended to read:

44 426.170. If any person is adjudged mentally ill and ordered committed to the [*Department of*

2 given by the parent, adult next of kin or legal guardian of the person that such parent, adult next

4 (2) Any person voluntarily admitted to a state hospital pursuant to this section may upon ap-

8 (3) Upon admission or discharge of a minor to or from a state hospital the superintendent shall
9 immediately notify the parent or guardian.

10 **SECTION 400.** ORS 426.223 is amended to read:

22 of commitment, voluntary admission to a state hospital, the superintendent shall cause the person
23 to be examined immediately by a physician. If the physician finds the person to be in need of im-

29 be examined immediately by a physician. If the physician finds the person to be in need of immediate
30 care or treatment for mental illness, and the [*department*] **authority** grants approval, the person
31 shall be voluntarily admitted upon request of the person.

32 **SECTION 402.** ORS 426.228 is amended to read:

33 426.228. (1) A peace officer may take into custody a person who the officer has probable cause
34 to believe is dangerous to self or to any other person and is in need of immediate care, custody or
35 treatment for mental illness. As directed by the community mental health [*and developmental disa-*

42 (c) The name of the community mental health [*and developmental disabilities*] program director
43 and a telephone number where the director may be reached at all times.

45 *developmental disabilities*] program director, pursuant to ORS 426.233, notifies the peace officer that

1 the director has probable cause to believe that the person is imminently dangerous to self or to any
2 other person. As directed by the community mental health [*and developmental disabilities*] program
3 director, the peace officer shall remove the person to a hospital or nonhospital facility approved by
4 the [*department*] **authority**. The community mental health [*and developmental disabilities*] program
5 director shall prepare a written report that the peace officer shall deliver to the treating physician.
6 The report shall state:

10 and a telephone number where the director may be reached at all times.

11 (3) If more than one hour will be required to transport the person to the hospital or nonhospital
12 facility from the location where the person was taken into custody, the peace officer shall obtain,
13 if possible, a certificate from a physician licensed by the Oregon Medical Board stating that the
14 travel will not be detrimental to the person's physical health and that the person is dangerous to
15 self or to any other person and is in need of immediate care or treatment for mental illness. The
16 physician shall have personally examined the allegedly mentally ill person within 24 hours prior to
17 signing the certificate.

18 (4) When a peace officer or other authorized person, acting under this section, delivers a person
19 to a hospital or nonhospital facility, a physician licensed by the Oregon Medical Board shall exam-

21 treatment for mental illness, the physician shall proceed under ORS 426.232, otherwise the person
22 shall not be retained in custody. If the person is to be released from custody, the peace officer or
23 the community mental health [*and developmental disabilities*] program director shall return the per-

27 authorized person at any location that is in accordance with ORS 426.140 to effect the transfer.
28 When transferring a person in custody to an authorized person, the peace officer shall deliver the
29 report required under subsections (1) and (2) of this section to the authorized person.

30 (6) A person authorized under ORS 426.233 (3) shall take a person into custody when directed
31 to do so by a peace officer or by a community mental health [*and developmental disabilities*] program
32 director under ORS 426.233.

33 (7) A person authorized under ORS 426.233 (3) shall perform the duties of the peace officer or
34 the community mental health [*and developmental disabilities*] program director required by this sec-

36 (8) A person authorized under ORS 426.233 (3) may transfer a person in custody under this

40 (9)(a) When a peace officer takes a person into custody under this section, and the peace officer
41 reasonably suspects that the person is a foreign national, the peace officer shall inform the person
42 of the person's right to communicate with an official from the consulate of the person's country.

43 (b) A peace officer is not civilly or criminally liable for failure to provide the information re-

10 (2) Before transporting the person, the physician shall prepare a written statement that:

11 (a) The physician has examined the person within the preceding 12 hours;

12 (b) An admitting physician at the receiving facility has consented to the transporting of the

27 of the [*Department of Human Services*] **Oregon Health Authority**, detain the person and cause the
28 person to be admitted or, if the person is already admitted, cause the person to be retained in a

30 qualified mental health professional may be related by blood or marriage to the person.

31 (b) Approve the person for emergency care or treatment at a nonhospital facility approved by
32 the [*department*] **authority**.

33 (2) When approving a person for emergency care or treatment at a nonhospital facility under
34 this section, the physician shall notify immediately the community mental health [*and developmental*
35 *disabilities*] program director in the county where the person was taken into custody and maintain
36 the person, if the person is being held at a hospital, for as long as is feasible given the needs of the
37 person for mental or physical health or safety. However, under no circumstances may the person
38 be held for longer than five judicial days.

39 **SECTION 405.** ORS 426.233 is amended to read:

43 community mental health [*and developmental disabilities*] program director or designee has probable

10 person to a hospital or nonhospital facility approved by the [*Department of Human Services*] **Oregon**
11 **Health Authority**;

12 (B) Authorize involuntary admission of, or, if already admitted, cause to be involuntarily re-

15 (C) Notify a person authorized under subsection (3) of this section to take the person into cus-

21 426.235; or

22 (E) Direct a person authorized under subsection (3) of this section to transport a person in

24 [*department*] **authority** as provided under ORS 426.060.

25 (2) A designee under subsection (1) of this section must be recommended by the community
26 mental health [*and developmental disabilities*] program director, meet the standards established by
27 rule of the [*department*] **authority** and be approved by the county governing body before assuming
28 the authority permitted under subsection (1) of this section.

29 (3) The county governing body may, upon recommendation by the community mental health [*and*
30 *developmental disabilities*] program director, authorize any person to provide custody and secure
31 transportation services for a person in custody under ORS 426.228. In authorizing a person under

40 (e) Transfer a person in custody from a hospital or nonhospital facility to another hospital fa-

45 (4) A person authorized under subsection (3) of this section must be recommended by the com-

3 the authority granted under this section.

4 (5) The costs of transporting a person as authorized under ORS 426.060, 426.228 or 426.235 by
5 a person authorized under subsection (3) of this section shall be the responsibility of the county
6 whose peace officer or community mental health [*and developmental disabilities*] program director
7 directs the authorized person to take custody of a person and to transport the person to a facility
8 approved by the [*department*] **authority**, but the county shall not be responsible for costs that ex-

10 subsection (3) of this section shall charge the cost of emergency medical transportation to, and
11 collect that cost from, the person, third party payers or otherwise legally responsible persons or

14 **SECTION 406.** ORS 426.234 is amended to read:

15 426.234. (1) At the time a person is admitted to or retained in a hospital or nonhospital facility
16 under ORS 426.232 or 426.233, a physician, nurse or qualified mental health professional at the
17 hospital or nonhospital facility shall:

24 (e) If the physician, nurse or qualified mental health professional reasonably suspects that the
25 person is a foreign national, inform the person of the person's right to communicate with an official
26 from the consulate of the person's country. A physician, nurse or qualified mental health profes-
27 sional is not civilly or criminally liable for failure to provide the information required by this par-
28 agraph. Failure to provide the information required by this paragraph does not in itself constitute
29 grounds for the exclusion of evidence that would otherwise be admissible in a proceeding.

30 (2)(a) At the time the person is admitted to or retained in a hospital under ORS 426.232, the
31 physician shall contact the community mental health [*and developmental disabilities*] program direc-
32 tor of the county in which the person resides, if the county of residence is different from the county
33 in which the hospital is located. The community mental health [*and developmental disabilities*] pro-
34 gram director may request that the physician notify the circuit court in the county in which the
35 person resides. If the community mental health [*and developmental disabilities*] program director does
36 not make the request authorized by this paragraph, the physician shall notify, immediately and in
37 writing, the circuit court in the county in which the person is hospitalized.

38 (b) At the time the person is admitted to a hospital under ORS 426.232 after being brought to
39 the hospital by a peace officer under ORS 426.228, the physician shall contact the community mental
40 health [*and developmental disabilities*] program director of the county in which the person is hospi-
41 talized. The community mental health [*and developmental disabilities*] program director of the county
42 in which the person is hospitalized may request that the physician notify the circuit court in the
43 county in which the person is hospitalized. If the community mental health [*and developmental dis-*
44 *abilities*] program director does not make the request authorized by this paragraph, the physician
45 shall notify, immediately and in writing, the circuit court in the county in which the person was

1 taken into custody.

2 (c) If, at any time prior to the hearing under ORS 426.070 to 426.130, the physician responsible
3 for a person admitted or retained under ORS 426.232 determines that the person is not dangerous
4 to self or others and is not in need of emergency care or treatment for mental illness, the physician
5 may release the person from the detention authorized by ORS 426.232. The physician shall imme-
6 diately notify the circuit court notified under this subsection and the community mental health [*and*
7 *developmental disabilities*] program director of the person's release from detention.

8 (3)(a) At the time the person is admitted to or retained in a nonhospital facility under ORS
9 426.233, the community mental health [*and developmental disabilities*] program director in the county
10 where the person was taken into custody shall contact the community mental health [*and develop-*
11 *mental disabilities*] program director of the county in which the person resides, if the county of
12 residence is different from the county in which the person was taken into custody. The community
13 mental health [*and developmental disabilities*] program director of the county in which the person
14 resides may request that the community mental health [*and developmental disabilities*] program di-
15 rector of the county in which the person was taken into custody notify the circuit court in the
16 county where the person resides. Otherwise, the community mental health [*and developmental disa-*
17 *bilities*] program director of the county in which the person was taken into custody shall notify,
18 immediately and in writing, the circuit court in the county in which the person was taken into
19 custody.

20 (b) If, at any time prior to the hearing under ORS 426.070 to 426.130, a community mental health
21 [*and developmental disabilities*] program director, after consultation with a physician, determines
22 that a person admitted or retained under ORS 426.233 is not dangerous to self or others and is not
23 in need of immediate care, custody or treatment for mental illness, the community mental health
24 [*and developmental disabilities*] program director may release the person from detention. The com-
25 munity mental health [*and developmental disabilities*] program director shall immediately notify the
26 circuit court originally notified under paragraph (a) of this subsection of the person's release from
27 detention.

28 (4) When the judge of the circuit court receives notice under subsection (2) or (3) of this section,
29 the judge immediately shall commence proceedings under ORS 426.070 to 426.130. In a county having
30 a population of 100,000 or more, and when feasible in a county with a lesser population, the com-

32 peace officer or other authorized person to take a person into custody under ORS 426.233 shall not
33 also conduct the investigation as provided for under ORS 426.074. Except when a person is being
34 held under ORS 426.237 (1)(b), a person shall not be held under ORS 426.232 or 426.233 for more than
35 five judicial days without a hearing being held under ORS 426.070 to 426.130.

36 (5) When the judge of the circuit court receives notice under subsection (2)(c) or (3)(b) of this
37 section that a person has been released, and unless the court receives the recommendation required
38 by ORS 426.070 (4), the judge shall dismiss the case no later than 14 days after the date the person
39 was initially detained.

40 **SECTION 407.** ORS 426.235 is amended to read:

41 426.235. (1) The community mental health [*and developmental disabilities*] program director may

43 facility approved by the [*Department of Human Services*] **Oregon Health Authority** at any time
44 during the period of detention.

45 (2) A person in custody at a hospital may be transferred from the hospital only with the consent

1 of the treating physician and when the director of a nonhospital facility approved by the
2 [department] **authority** agrees to admit the person.

3 (3) A person in custody at a nonhospital facility approved by the [department] **authority** may
4 be transferred to a hospital approved by the [department] **authority** only when a physician with
5 admitting privileges agrees to admit the person.

6 (4) In transporting a person between a hospital and nonhospital facility under this section, the
7 community mental health [and developmental disabilities] program director has all the powers pro-
8 vided in ORS 133.225 and 161.255 and may compel the assistance of any peace officer or other per-
9 son.

10 (5) When a person is transferred under this section, the community mental health [and develop-
11 mental disabilities] program director shall notify immediately the court notified under ORS 426.234
12 (2) or (3) of the fact of the transfer and of the location of the person.

13 **SECTION 408.** ORS 426.236 is amended to read:

16 **SECTION 409.** ORS 426.237 is amended to read:

17 426.237. (1) During a prehearing period of detention as provided in ORS 426.070, 426.140, 426.232
18 or 426.233, the community mental health [and developmental disabilities] program director shall do
19 one of the following:

20 (a) Recommend, in an investigation report as provided in ORS 426.074, that the circuit court not
21 proceed further in the matter if the community mental health [and developmental disabilities] pro-
22 gram director does not believe the person is a mentally ill person.

23 (b) No later than three judicial days after initiation of a prehearing period of detention as pro-
24 vided in ORS 426.070, 426.140, 426.232 or 426.233, certify the detained person for a 14-day period of
25 intensive treatment if:

26 (A) The community mental health [and developmental disabilities] program director and a psy-
27 chiatrist, as defined by rule by the [Department of Human Services] **Oregon Health Authority**, have
28 probable cause to believe the person is a mentally ill person;

29 (B) The community mental health [and developmental disabilities] program director in the county
30 where the person resides verbally approves the arrangements for payment for the services at the
31 hospital or nonhospital facility; and

32 (C) The community mental health [and developmental disabilities] program director locates a
33 hospital or nonhospital facility that:

34 (i) Is approved by the [department] **authority** and the community mental health [and develop-
35 mental disabilities] program director in the county where the person resides; and

36 (ii) Can, in the opinion of the community mental health [and developmental disabilities] program
37 director and the psychiatrist, provide intensive care or treatment for mental illness necessary and
38 sufficient to meet the emergency psychiatric needs of the person.

39 (c) Recommend, in an investigation report as provided in ORS 426.074, that the circuit court
40 hold a hearing under ORS 426.070 to 426.130 if the community mental health [and developmental
41 disabilities] program director has probable cause to believe the person is a mentally ill person.

42 (2)(a) If the circuit court adopts the recommendation of the community mental health [and de-
43 velopmental disabilities] program director under subsection (1)(a) of this section, the circuit court
44 shall enter an order releasing the person and dismissing the case. Unless the person agrees to vol-
45 untary treatment, if the person is being detained in a:

1 (A) Nonhospital facility, the community mental health [*and developmental disabilities*] program
2 director shall make discharge plans and insure the discharge of the person.

3 (B) Hospital, the treating physician shall make discharge plans and discharge the person.

4 (b) Upon release of the person, the community mental health [*and developmental disabilities*]
5 program director shall attempt to notify the person's next of kin if the person consents to the no-
6 tification.

7 (3)(a) If the detained person is certified for treatment under subsection (1)(b) of this section, the
8 community mental health [*and developmental disabilities*] program director shall:

9 (A) Deliver immediately a certificate to the court having jurisdiction under ORS 426.060; and

10 (B) Orally inform the person of the certification and deliver a copy of the certificate to the
11 person.

12 (b) The certificate required by paragraph (a) of this subsection shall include:

13 (A) A written statement under oath by the community mental health [*and developmental disa-*
14 *bilities*] program director and the psychiatrist that they have probable cause to believe the person
15 is a mentally ill person in need of care or treatment for mental illness;

16 (B) A treatment plan that describes, in general terms, the types of treatment and medication to
17 be provided to the person during the 14-day period of intensive treatment;

18 (C) A notice of the person's right to an attorney and that an attorney will be appointed by the
19 court or as otherwise obtained under ORS 426.100 (3);

20 (D) A notice that the person has a right to request and be provided a hearing under ORS 426.070
21 to 426.130 at any time during the 14-day period; and

22 (E) The date and time the copy of the certificate was delivered to the person.

23 (c) Immediately upon receipt of a certificate under paragraph (a) of this subsection, the court
24 shall notify the person's attorney or appoint an attorney for the person if the person cannot afford
25 one. Within 24 hours of the time the certificate is delivered to the court, the person's attorney shall
26 review the certificate with the person. If the person and the person's attorney consent to the cer-
27 tification within one judicial day of the time the certificate is delivered to the circuit court and,
28 except as provided in subsection (4) of this section, the court shall postpone the hearing required
29 by ORS 426.070 to 426.130 for 14 days.

30 (d) When a person is certified for treatment under subsection (1)(b) of this section and accepts
31 the certification:

32 (A) Except as otherwise provided in this paragraph, all methods of treatment, including the
33 prescription and administration of drugs, shall be the sole responsibility of the treating physician.
34 However, the person shall not be subject to electroshock therapy or unduly hazardous treatment and
35 shall receive usual and customary treatment in accordance with medical standards in the commu-
36 nity.

37 (B) Except when the person expressly refuses treatment, the treating physician shall treat the
38 person within the scope of the treatment plan provided the person under paragraph (b) of this sub-
39 section. The person's refusal of treatment constitutes sufficient grounds for the community mental
40 health [*and developmental disabilities*] program director to request a hearing as provided in sub-
41 section (4)(a) of this section.

42 (C) If the person is in a hospital and the community mental health [*and developmental*
43 *disabilities*] program director locates a nonhospital facility, approved by the [*department*]
44 **authority**, that, in the opinion of the community mental health [*and developmental disabilities*] pro-
45 gram director and the treating physician, can provide care or treatment for mental illness necessary

1 and sufficient to meet the emergency psychiatric needs of the person, the treating physician shall
2 discharge the person from the hospital and the community mental health [*and developmental disa-*
3 *bilities*] program director shall remove the person to the nonhospital facility for the remainder of the
4 14-day intensive treatment period. If, however, in the opinion of the treating physician, the person's
5 condition requires the person to receive medical care or treatment, the physician shall retain the
6 person in the hospital.

7 (D) If the person is in a nonhospital facility, the community mental health [*and developmental*
8 *disabilities*] program director shall transfer the person to a hospital approved by the [*department*]
9 **authority** under the following conditions:

10 (i) If, in the opinion of a physician, the person's condition requires the person to receive medical
11 care or treatment in a hospital; and

12 (ii) The physician agrees to admit the person to a hospital, approved by the [*department*] **au-**
13 **thority**, where the physician has admitting privileges.

14 (E) If the person is transferred as provided in subparagraph (C) or (D) of this paragraph, the
15 community mental health [*and developmental disabilities*] program director shall notify the circuit
16 court, in the county where the certificate was filed, of the location of the person. The person may
17 appeal the transfer as provided by rules of the [*department*] **authority**.

18 (e) If the person is in a hospital, the treating physician may discharge the person at any time
19 during the 14-day period. The treating physician shall confer with the community mental health [*and*
20 *developmental disabilities*] program director and the person's next of kin, if the person consents to
21 the consultation, prior to discharging the person. Immediately upon discharge of the person, the
22 treating physician shall notify the court in the county in which the certificate was filed initially.

23 (f) If the person is in a nonhospital facility, the community mental health [*and developmental*
24 *disabilities*] program director may discharge the person at any time during the 14-day period. The
25 community mental health [*and developmental disabilities*] program director shall consult with the
26 treating physician and the person's next of kin, if the person consents to the consultation, prior to
27 discharging the person. Immediately upon discharge of the person, the community mental health [*and*
28 *developmental disabilities*] program director shall notify the court in the county in which the certifi-
29 cate was filed initially.

30 (g) The person may agree to voluntary treatment at any time during the 14-day period. When a
31 person agrees to voluntary treatment under this paragraph, the community mental health [*and de-*
32 *velopmental disabilities*] program director immediately shall notify the court in the county in which
33 the certificate was filed initially.

34 (h) A person consenting to 14 days of treatment under subsection (3)(c) of this section shall not
35 be held longer than 14 days from the time of consenting without a hearing as provided in ORS
36 426.070 to 426.130.

37 (i) When the court receives notification under paragraph (e), (f) or (g) of this subsection, the
38 court shall dismiss the case.

39 (4) The judge of the circuit court shall immediately commence proceedings under ORS 426.070
40 to 426.130 when:

41 (a) The person consenting to 14 days of treatment or the community mental health [*and devel-*
42 *opmental disabilities*] program director requests a hearing. The hearing shall be held without un-
43 reasonable delay. In no case shall the person be held in a hospital or nonhospital facility longer than
44 five judicial days after the request for a hearing is made without a hearing being held under ORS
45 426.070 to 426.130.

1 (b) The community mental health [*and developmental disabilities*] program director acts under
2 subsection (1)(c) of this section. In no case shall the person be held longer than five judicial days
3 without a hearing under this subsection.

15 *developmental disabilities*] program director of the county in which the facility is located, except a
16 state mental hospital, for an allegedly mentally ill person admitted or detained under ORS 426.070,
17 426.140, 426.228, 426.232 or 426.233, or for a mentally ill person admitted or detained under ORS

19 resident from state funds provided it for this purpose. The county is responsible for the cost when
20 state funds available therefor are exhausted. The hospital or other facility shall charge to and col-

22 therefor, the costs of the emergency care, custody and treatment, as it would for any other patient,

24 section.

26 426.140, 426.180 to 426.210, 426.228, 426.232 or 426.233 for emergency care, custody or treatment, the

29 of the state mental hospitals under the provisions of ORS 179.610 to 179.770.

30 (3) If any person is adjudged mentally ill under the provisions of ORS 426.130, and the person

33 hospitalization at the state hospital, as provided by ORS 179.610 to 179.770, if financially able to do
34 so.

35 (4) For purposes of this section and ORS 426.310 “resident” means resident of the county in
36 which the person maintains a current mailing address or, if the person does not maintain a current
37 mailing address within the state, the county in which the person is found, or the county in which
38 a court-committed mentally ill person has been conditionally released.

39 (5)(a) The [*department*] **authority** may deny payment for part or all of the emergency psychiatric
40 services provided by a hospital or nonhospital facility under ORS 426.232, 426.233 or 426.237 when
41 the [*department*] **authority** finds, upon review, that the allegedly mentally ill person’s condition did
42 not meet the admission criteria in ORS 426.232 (1), 426.233 (1) or 426.237 (1)(b)(A). The payer re-

14 **Oregon Health Authority** who is employed under ORS 426.110 to make an examination as to the
15 mental condition of a person alleged to be mentally ill shall be allowed a fee as the court in its
16 discretion determines reasonable for the examination.

17 (2) Witnesses subpoenaed to give testimony shall receive the same fees as are paid in criminal
18 cases, and are subject to compulsory attendance in the same manner as provided in ORS 136.567 to
19 136.603. The attendance of out-of-state witnesses may be secured in the same manner as provided in

24 be paid pursuant to ORS 135.055. If the costs of witnesses subpoenaed by the allegedly mentally ill
25 person are paid as provided under this subsection, the procedure for subpoenaing witnesses shall

2 time and under any conditions the [*department*] **authority** shall establish. The [*department*] **au-**
3 **thority** shall only grant a trial visit under this section if the trial visit is agreed to by the commu-

40 United States, the District of Columbia and the Commonwealth of Puerto Rico joining therein, in the
41 form substantially as follows:

42 _____
43
44 The contracting states solemnly agree that:

45 ARTICLE I

1 The party states find that the proper and expeditious treatment of the mentally ill and mentally
2 deficient can be facilitated by cooperative action, to the benefit of the patients, their families, and
3 society as a whole. Further, the party states find that the necessity of and desirability for furnishing
4 such care and treatment bears no primary relation to the residence or citizenship of the patient but
5 that, on the contrary, the controlling factors of community safety and humanitarianism require that
6 facilities and services be made available for all who are in need of them. Consequently, it is the
7 purpose of this compact and of the party states to provide the necessary legal basis for the
8 institutionalization or other appropriate care and treatment of the mentally ill and mentally defi-
9 cient under a system that recognizes the paramount importance of patient welfare and to establish
10 the responsibilities of the party states in terms of such welfare.

11 ARTICLE II

12 As used in this compact:

13 (a) "Sending state" shall mean a party state from which a patient is transported pursuant to the
14 provisions of the compact or from which it is contemplated that a patient may be so sent.

15 (b) "Receiving state" shall mean a party state to which a patient is transported pursuant to the
16 provisions of the compact or to which it is contemplated that a patient may be so sent.

17 (c) "Institution" shall mean any hospital or other facility maintained by a party state or political
18 subdivision thereof for the care and treatment of mental illness or mental deficiency.

19 (d) "Patient" shall mean any person subject to or eligible as determined by the laws of the
20 sending state, for institutionalization or other care, treatment or supervision pursuant to the pro-
21 visions of this compact.

22 (e) "After-care" shall mean care, treatment and services provided a patient, as defined herein,
23 on convalescent status or conditional release.

24 (f) "Mental illness" shall mean mental disease to such extent that a person so afflicted requires
25 care and treatment for his own welfare, or the welfare of others, or of the community.

26 (g) "Mental deficiency" shall mean mental deficiency as defined by appropriate clinical author-
27 ities to such extent that a person so afflicted is incapable of managing himself and his affairs, but
28 shall not include mental illness as defined herein.

29 (h) "State" shall mean any state, territory or possession of the United States, the District of
30 Columbia and the Commonwealth of Puerto Rico.

31 ARTICLE III

32 (a) Whenever a person physically present in any party state shall be in need of
33 institutionalization by reason of mental illness or mental deficiency, the person shall be eligible for
34 care and treatment in an institution in that state irrespective of the residence, settlement or citi-
35 zenship qualifications of the person.

36 (b) The provisions of paragraph (a) of this article to the contrary notwithstanding, any patient
37 may be transferred to an institution in another state whenever there are factors based upon clinical
38 determinations indicating that the care and treatment of said patient would be facilitated or im-
39 proved thereby. Any such institutionalization may be for the entire period of care and treatment or
40 for any portion or portions thereof. The factors referred to in this paragraph shall include the pa-
41 tient's full record with due regard for the location of the patient's family, character of the illness
42 and probable duration thereof, and such other factors as shall be considered appropriate.

43 (c) No state shall be obliged to receive any patient pursuant to the provisions of paragraph (b)
44 of this article unless the sending state has given advance notice of its intention to send the patient;
45 furnished all available medical and other pertinent records concerning the patient; given the quali-

1 pursuant to this compact, but any two or more party states may, by making a specific agreement for
2 that purpose, arrange for a different allocation of costs as among themselves.

3 (c) No provision of this compact shall be construed to alter or affect any internal relationships
4 among the departments, agencies and officers of and in the government of a party state, or between
5 a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

6 (d) Nothing in this compact shall be construed to prevent any party state or subdivision thereof
7 from asserting any right against any person, agency or other entity in regard to costs for which
8 such party state or subdivision thereof may be responsible pursuant to any provision of this com-
9 pact.

10 (e) Nothing in this compact shall be construed to invalidate any reciprocal agreement between
11 a party state and a nonparty state relating to institutionalization, care or treatment of the mentally
12 ill or mentally deficient, or any statutory authority pursuant to which such agreements may be
13 made.

14 ARTICLE VIII

15 (a) Nothing in this compact shall be construed to abridge, diminish, or in any way impair the
16 rights, duties and responsibilities of any patient's guardian on the guardian's own behalf or in re-
17 spect of any patient for whom the guardian may serve, except that where the transfer of any patient
18 to another jurisdiction makes advisable the appointment of a supplemental or substitute guardian,
19 any court of competent jurisdiction in the receiving state may make such supplemental or substitute
20 appointment and the court which appointed the previous guardian shall upon being duly advised of
21 the new appointment, and upon the satisfactory completion of such accounting and other acts as
22 such court may by law require, relieve the previous guardian of power and responsibility to what-
23 ever extent shall be appropriate in the circumstances; provided, however, that in the case of any
24 patient having settlement in the sending state, the court of competent jurisdiction in the sending
25 state shall have the sole discretion to relieve a guardian appointed by it or continue the power and
26 responsibility of the guardian, whichever it shall deem advisable. The court in the receiving state
27 may, in its discretion, confirm or reappoint the person or persons previously serving as guardian in
28 the sending state in lieu of making a supplemental or substitute appointment.

29 (b) The term "guardian" as used in paragraph (a) of this article shall include any guardian,
30 trustee, legal committee, conservator or other person or agency however denominated who is
31 charged by law with responsibility for the property of a patient.

32 ARTICLE IX

33 (a) No provision of this compact except Article V shall apply to any person institutionalized
34 while under sentence in a penal or correctional institution or while subject to trial on a criminal
35 charge, or whose institutionalization is due to the commission of an offense for which, in the absence
36 of mental illness or mental deficiency, said person would be subject to incarceration in a penal or
37 correctional institution.

38 (b) To every extent possible, it shall be the policy of states party to this compact that no patient
39 shall be placed or detained in any prison, jail or lockup, but such patient shall, with all expedition,
40 be taken to a suitable institutional facility for mental illness or mental deficiency.

41 ARTICLE X

42 (a) Each party state shall appoint a "compact administrator" who, on behalf of the state of the
43 compact administrator, shall act as general coordinator of activities under the compact in the state
44 of the compact administrator and who shall receive copies of all reports, correspondence, and other
45 documents relating to any patient processed under the compact by the state of the compact admin-

28 affected territory, or at a place near the territory if there is no suitable place within the territory
29 at which to hold the hearing, not less than 30 or more than 50 days after the date of the order.

30 (2) Upon issuance of an order for a hearing, the [*department*] **authority** shall immediately give
31 notice of the time and place of the hearing on the resolution by publishing the order and resolution
32 in a newspaper of general circulation within the territory once each week for two successive weeks
33 and by posting copies of the order in four public places within the territory prior to the hearing.

34 **SECTION 581.** ORS 431.730 is amended to read:

35 431.730. (1) At the hearing on the resolution, any interested person shall be given a reasonable
36 opportunity to be heard or to present written statements. The hearing shall be for the sole purpose
37 of determining whether a danger to public health exists due to conditions in the affected territory
38 and whether such conditions could be removed or alleviated by the provision of service facilities.
39 Hearings under this section shall be conducted by an administrative law judge assigned from the
40 Office of Administrative Hearings established under ORS 183.605. It shall be conducted in accord-
41 ance with the provisions of ORS chapter 183. The [*Department of Human Services*] **Oregon Health**
42 **Authority** shall publish a notice of the issuance of said findings and recommendations in the
43 newspaper utilized for the notice of hearing under ORS 431.725 (2) advising of the opportunity for
44 presentation of a petition under subsection (2) of this section.

45 (2) Within 15 days after the publication of notice of issuance of findings in accordance with

1 subsection (1) of this section, any person who may be affected by the findings, or the affected dis-
2 trict, may petition the Director of [*Human Services*] **the Oregon Health Authority** according to
3 rules of the [*department*] **authority** to present written or oral arguments relative to the proposal.
4 If a petition is received, the director may set a time and place for receipt of argument.

5 **SECTION 582.** ORS 431.735 is amended to read:

6 431.735. (1) If the Director of [*Human Services*] **the Oregon Health Authority** after investi-
7 gation finds that no danger to public health exists because of conditions within the affected terri-
8 tory, or that such a danger does exist but the conditions causing it could not be removed or
9 alleviated by the provision of service facilities, the director shall issue an order terminating the
10 proceedings under ORS 431.705 to 431.760 with reference to the affected territory.

11 (2) If the director finds, after investigation and the hearing required by ORS 431.725, that a
12 danger to public health exists because of conditions within the territory, and that such conditions
13 could be removed or alleviated by the provisions of service facilities in accordance with the plans
14 and specifications and the time schedule proposed, the director shall enter findings in an order, di-
15 rected to the officers described by ORS 431.740, setting out the service facilities to be provided.

16 (3) If the director determines that a danger to public health exists because of conditions within
17 only part of the affected territory, or that such conditions could be removed or alleviated in only
18 part of the affected territory by the provision of service facilities, the director may, subject to con-
19 ditions stated in ORS 431.705 to 431.760, reduce the boundaries of the affected territory to that part
20 which presents a danger or in which the conditions could be removed or alleviated if the area to
21 be excluded would not be surrounded by the territory remaining to be annexed and would not be
22 directly served by the sanitary, water or other facilities necessary to remove or alleviate the danger
23 to public health existing within the territory remaining to be annexed. The findings shall describe
24 the boundaries of the area as reduced by the director.

25 (4) In determining whether to exclude any area the director may consider whether or not such
26 exclusion would unduly interfere with the removal or alleviation of the danger to public health in
27 the area remaining to be annexed and whether the exclusion would result in an illogical boundary
28 for the provision of services.

29 (5) The requesting body or the boundary commission shall, when requested, aid in the determi-
30 nations made under subsections (3) and (4) of this section and, if necessary, cause a study to be
31 made.

32 **SECTION 583.** ORS 431.740 is amended to read:

33 431.740. (1) If a boundary commission has jurisdiction of the affected territory, the Director of
34 [*Human Services*] **the Oregon Health Authority** shall file the findings and order with such bound-
35 ary commission. If the affected territory is not within the jurisdiction of a boundary commission, the
36 director shall file the findings and order with the county court of the county having jurisdiction of
37 the territory.

38 (2) The [*Department of Human Services*] **Oregon Health Authority** and the Environmental
39 Quality Commission shall use their applicable powers of enforcement to insure that the service fa-
40 cilities are constructed or installed in conformance with the approved plans and schedules.

41 **SECTION 584.** ORS 431.745 is amended to read:

42 431.745. (1) At any time after the adoption of a resolution under ORS 431.715, a petition, signed
43 by not less than 51 percent of the electors registered in the affected territory, may be filed with the
44 [*Department of Human Services*] **Oregon Health Authority**. The petition shall suggest an alterna-
45 tive plan to the proposed formation or annexation for removal or alleviation of the conditions dan-

1 gerous to public health. The petition shall state the intent of the residents to seek annexation to
2 an existing city or special district authorized by law to provide service facilities necessary to re-
3 move or alleviate the dangerous conditions. The petition shall be accompanied by a proposed plan
4 which shall state the type of facilities to be constructed, a proposed means of financing the facilities
5 and an estimate of the time required to construct such facilities and place them in operation.

6 (2) Upon receipt of the petition, the *[department]* **authority** shall immediately forward a copy
7 of the petition to the Environmental Quality Commission, if the plan accompanying the petition in-
8 volves facilities that are subject to the jurisdiction of the commission. The *[department]* **authority**
9 also shall forward a copy of the petition to the requesting body and to the county court or boundary
10 commission where the *[department]* **authority** filed its findings under ORS 431.740 and direct the
11 county court or boundary commission to stay the proceedings pending the review permitted under
12 this section and ORS 431.750.

13 **SECTION 585.** ORS 431.750 is amended to read:

14 431.750. (1) If the alternative plan submitted under ORS 431.745 (1) involves service facilities
15 that are subject to the jurisdiction of the commission, the alternative plan shall be submitted to and
16 reviewed by the Environmental Quality Commission and shall be approved or rejected by the com-
17 mission within 30 days from the date of filing with the *[Department of Human Services]* **Oregon**
18 **Health Authority**. In reviewing the alternative plan, the commission shall consider whether, in its
19 judgment, the plan contains a preferable alternative for the alleviation or removal of the conditions
20 dangerous to public health. If the commission determines that the original plan provides the better
21 and most expeditious method of removing or alleviating the dangerous conditions, it shall disapprove
22 the alternative plan and inform the *[department]* **authority** of its decision. The *[department]* **au-**
23 **thority** shall order the proceedings on the finding filed under ORS 431.740 to resume.

24 (2) If the commission finds that the alternative plan provides a preferable method of alleviating
25 or removing the dangerous conditions, the petitioners shall be granted six months within which to
26 present to the commission information showing:

27 (a) That the affected territory has annexed to a city or special district authorized by law to
28 provide the service facilities necessary to remove or alleviate the dangerous conditions, and that the
29 financing of the extension of such facilities to the territory has been assured.

30 (b) Detailed plans and specifications for the construction of such facilities.

31 (c) A time schedule for the construction of such facilities.

32 (d) That such facilities, if constructed, will remove or alleviate the conditions dangerous to
33 public health in a manner as satisfactory and expeditious as would be accomplished by the formation
34 or annexation proposed by the original plans.

35 (3) The commission shall review the plan presented to it by the petitioners under subsection (2)
36 of this section and shall promptly certify to the *[department]* **authority** whether the requirements
37 of subsection (2) of this section have been met. If the requirements have been met, the *[department]*
38 **authority** shall certify the alternative plan to the county court or boundary commission having ju-
39 risdiction and direct it to proceed in accordance with the alternative plan and in lieu of the plans
40 filed under ORS 431.740. If the requirements of subsection (2) of this section are not met by the
41 petitioners, the *[department]* **authority** shall certify that fact to the county court or boundary com-
42 mission having jurisdiction and direct it to continue the proceedings on the plans filed under ORS
43 431.740.

44 **SECTION 586.** ORS 431.760 is amended to read:

10 of Oregon and to reduce the burden of cancer and benign tumors in Oregon. Such efforts may in-
11 clude but are not limited to:

39 communicable disease identified by rule of the [*Department of Human Services*] **Oregon Health**
40 **Authority** to be a reportable disease, a new or uncommon disease of potential public health signif-
41 icance, or a condition that is the basis of a state of public health emergency declared by the Gov-

3 whether such confirmation would enable control measures to be taken to minimize infection of oth-
4 ers with the disease.

5 (C) Include a statement that the person may refuse to submit to the testing or medical exam-
6 ination and that if the testing or examination is refused, the Public Health Director or the local
7 public health administrator may seek the imposition of a public health measure, including isolation
8 or quarantine pursuant to ORS 433.121 or 433.123.

9 (2) When a person is directed to submit to a test or examination under this section and the
10 person agrees to do so, the person shall submit to any testing or examination as may be necessary
11 to establish the presence or absence of the communicable disease for which the testing or exam-
12 ination was directed. The examination shall be carried out by the local health officer or a physician
13 licensed by the Oregon Medical Board or the Board of Naturopathic Examiners. A written report
14 of the results of the test or examination shall be provided to the person ordering the test or exam-
15 ination, and upon request, to the person tested or examined. Laboratory examinations, if any, shall
16 be carried out by the laboratory of the [department] **authority** whenever the examinations are

21 to the local public health administrator, if any, or from county funds available for general govern-
22 mental expenses in the county that the local public health administrator serves or in the county

27 health significance, or a condition that is the basis of a state of public health emergency, the Public
28 Health Director or the local public health administrator may issue an order requiring the person to
29 complete an appropriate prescribed course of medication or other treatment for the communicable
30 disease, including directly observed therapy if appropriate, and to follow infection control provisions
31 for the disease. The order shall also include statements that the person may refuse the medication
32 or other treatment and that the person's failure to comply with the order issued under this sub-
33 section may result in the Public Health Director or the local public health administrator seeking the
34 imposition of a public health measure, including isolation or quarantine as authorized by ORS
35 433.121 and 433.123.

36 (4) The Public Health Director or the local public health administrator must make every effort
37 to obtain voluntary compliance from a person for any testing, medical examination and treatment
38 required under this section.

39 (5) Any action taken by the Public Health Director or the local public health administrator un-
40 der this section to compel testing, medical examination or treatment of a person who has a
41 communicable disease, a new or uncommon disease of potential public health significance, or a
42 condition that is the basis of a state of public health emergency must be the least restrictive alter-
43 native available to accomplish the results necessary to minimize the transmission of the disease to
44 others.

5 preventable and acute communicable disease are expected to affect identifiable categories of high-
6 risk individuals throughout Oregon and that assistance with the administration of vaccine is war-
7 ranted due to a vaccine shortage to protect or treat such individuals, the health officer shall
8 implement the Oregon Vaccine Education and Prioritization Plan as provided in subsection (3) of
9 this section.

10 (3) The [*Department of Human Services*] **authority** shall develop and adopt by rule the Oregon
11 Vaccine Education and Prioritization Plan to protect the public health during a vaccine shortage.
12 The plan shall consist of:

13 (a) Guidelines for physicians, nurses, hospitals, health systems, pharmacies and others that hold
14 vaccines for the distribution and administration of vaccines. The guidelines shall include, but are

16 vaccine shortage is imminent;

17 (b) Rules for imposing a civil penalty of \$500 against persons who knowingly violate the guide-
18 lines for each repeat violation of the guidelines; and

19 (c) Procedures for:

20 (A) Mobilizing public and private health resources to assist in vaccine distribution and admin-
21 istration; and

22 (B) Notifying health professional regulatory boards and licensing authorities of repeated vio-
23 lations of the guidelines by health professionals regulated by the board or licensed by the **licensing**
24 authority.

25 (4) If the [*department*] **Oregon Health Authority** adopts temporary rules to implement sub-
26 section (2) of this section, the rules adopted are not subject to the requirements of ORS 183.335
27 (6)(a). The [*department*] **authority** may amend the temporary rules adopted pursuant to subsection
28 (3) of this section as often as is necessary to respond to a vaccine shortage.

39 (3) Regardless of the manner of receipt or the source of the information, including information
40 received from the tested individual, no person shall disclose or be compelled to disclose the identity
41 of any individual upon whom an HIV-related test is performed, or the results of such a test in a
42 manner which permits identification of the subject of the test, except as required or permitted by

15 **SECTION 638.** ORS 433.080 is amended to read:

16 433.080. When the [*Department of Human Services*] **Oregon Health Authority** declares by rule
17 that mandatory testing of source persons could help a defined class of workers from being infected
18 or infecting others with the human immunodeficiency virus, the following apply:

19 (1) When a source person, after having been first requested to consent to testing by rules
20 adopted under ORS 433.065, has refused or within a time period prescribed by rule of the
21 [*department*] **authority** has failed to submit to the requested test, except when the exposed person
22 has knowledge that the exposed person has a history of a positive HIV test, the exposed person may
23 seek mandatory testing of the source person by filing a petition with the circuit court for the county
24 in which the exposure occurred. The form for the petition shall be as prescribed by the
25 [*department*] **authority** and shall be obtained from the local public health department.

26 (2) The petition shall name the source person as the respondent and shall include a short and
27 plain statement of facts alleging:

28 (a) The petitioner is a worker subjected to an occupational exposure or a person who has been
29 subjected to a substantial exposure by a worker administering health care and the respondent is the
30 source person;

31 (b) The petitioner is in the class of workers defined by rule of the [*Department of Human Ser-*
32 *vices*] **authority** under this section;

33 (c) All procedures for obtaining the respondent's consent to an HIV test by rules adopted under
34 ORS 433.065 have been exhausted by the petitioner and the respondent has refused to consent to the
35 test, or within the time period prescribed by rule of the [*department*] **authority** has failed to submit
36 to the test;

37 (d) The petitioner has no knowledge that the petitioner has a history of a positive HIV test and
38 has since the exposure, within a time period prescribed by rule of the [*department*] **authority**, sub-
39 mitted a specimen from the petitioner for an HIV test; and

40 (e) The injury that petitioner is suffering or will suffer if the source person is not ordered to
41 submit to an HIV test.

42 (3) The petition shall be accompanied by the certificate of the local public health administrator
43 declaring that, based upon information in the possession of the administrator, the facts stated in the
44 allegations under subsection (2)(a), (b) and (c) of this section are true.

45 (4) Upon the filing of the petition, the court shall issue a citation to the respondent stating the

1 nature of the proceedings, the statutes involved and the relief requested and, that if the respondent
2 does not appear at the time and place for hearing stated in the citation, that the court will order
3 the relief requested in the petition.

4 (5) The citation shall be served on the respondent together with a copy of the petition by the
5 county sheriff or deputy. The person serving the citation and petition shall, immediately after ser-
6 vice thereof, make a return showing the time, place and manner of such service and file it with the
7 clerk of the court.

8 (6) The hearing shall be held within three days of the service of the citation upon the respond-
9 ent. The court may for good cause allow an additional period of 48 hours if additional time is re-
10 quested by the respondent.

11 (7) Both the petitioner and the local public health administrator certifying to the matter alleged
12 in the petition shall appear at the hearing. The hearing of the case shall be informal with the object
13 of resolving the issue before the court promptly and economically between the parties. The parties
14 shall be entitled to subpoena witnesses, to offer evidence and to cross-examine. The judge may ex-
15 amine witnesses to insure a full inquiry into the facts necessary for a determination of the matter
16 before the court.

17 (8) After hearing all of the evidence, the court shall determine the truth of the allegations con-
18 tained in the petition. The court shall order the respondent to submit to the requested test by a
19 licensed health care provider without delay if, based upon clear and convincing evidence, the court
20 finds that:

21 (a) The allegations in the petition are true;

22 (b) The injury the petitioner is suffering or will suffer is an injury that only the relief requested
23 will adequately remedy; and

24 (c) The interest of the petitioner in obtaining the relief clearly outweighs the privacy interest
25 of the respondent in withholding consent.

26 (9) If the court does not make the finding described in subsection (8) of this section, the court
27 shall dismiss the petition.

28 (10) Failure to obey the order of the court shall be subject to contempt proceedings pursuant
29 to law.

34 paramedic who in the performance of the individual's official duties comes into contact with the
35 bodily fluids of another person may seek to have the source person tested for HIV and hepatitis B
36 or C by petitioning the circuit court for an order compelling the testing.

37 (2) The petition submitted to the court must set forth the facts and circumstances of the contact
38 and the reasons the petitioner and a medically trained person representing the petitioner, if avail-
39 able, believe the exposure was substantial and the testing would be appropriate. The petition must
40 also include information sufficient to identify the alleged source person and the location of the al-
41 leged source person, if known. The court shall hold an ex parte hearing in person or by telephone
42 on the day of receipt of the petition, if possible, or within a reasonable period not to exceed three

31 Laws 2003, is to waive the requirement of authorization to disclose information from, or provide
32 information to, the record of a newborn child in the newborn hearing screening test registry and to
33 waive confidentiality in regard to this information. The waiver allows providers, the *[Department of*
34 *Human Services]* **Oregon Health Authority** and local health departments and their agents, parents
35 or guardians and diagnostic facilities to share information from the newborn hearing screening test
36 registry without violating confidentiality. The newborn hearing screening test registry and the as-

4 **SECTION 664.** ORS 433.350 is amended to read:

5 433.350. When confinement and observation of an animal for purposes of determining infection
6 with rabies will not avoid the necessity of the application of painful or possibly dangerous preven-

24 the hearing to show cause shall be made with due regard for the circumstances of the person or
25 persons who have been subjected to the bite or scratch of the animal and whose health or life may
26 be in jeopardy.

27 (3) If the owner or person in possession fails to appear or the court either with or without such
28 appearance finds the allegations of the petition are true and the order of the [*Director of Human*
29 *Services*] **director** is necessary under ORS 433.350, the court shall enter its order requiring the
30 owner or person in possession of such animal to comply with the order of the [*Director of Human*
31 *Services*] **director**.

32 (4) The sheriff of the county in which the animal is located shall execute such order by serving

 45 of qualified inpatient revenue in any subsequent fiscal year of the hospital.

1 (b) If the [department] **authority** finds that the failure was without just cause and that the
2 hospital has undertaken projects that, except for the provisions of this section would have been
3 subject to ORS 442.325 or section 9, chapter 1034, Oregon Laws 1989, the [department] **authority**

10 **SECTION 756.** ORS 442.705 is amended to read:

11 442.705. (1) The Legislative Assembly finds that direct competition among health care providers
12 in the field of heart and kidney transplant services may not result in the most cost efficient and
13 least expensive transplant services for the citizens of this state and that it is in the public interest
14 to allow cooperative programs among health care providers providing heart and kidney transplant
15 services.

16 (2) The Legislative Assembly declares that, to the extent provided in ORS 442.700 to 442.760, it
17 is the policy and intent of this state to displace competition among health care providers providing
18 heart and kidney transplant services by allowing health care providers to enter into cooperative
19 programs governing the provision of heart and kidney transplant services in order to achieve in
20 each instance the following goals:

21 (a) Reduction of, or protection against, rising costs of heart and kidney transplant services;

22 (b) Reduction of, or protection against, rising prices for heart and kidney transplant services;

23 (c) Improvement or maintenance of the quality of heart and kidney transplant services provided
24 in this state;

25 (d) Reduction of, or protection against, duplication of resources including, without limitation,
26 expensive medical specialists, medical equipment and sites of service;

27 (e) Improvement or maintenance of efficiency in the delivery of heart and kidney transplant
28 services;

29 (f) Improvement or maintenance of public access to heart and kidney transplant services;

30 (g) Increase in donations of organs for transplantation; and

31 (h) Improvement in the continuity of patient care.

32 (3) The Legislative Assembly further declares that the goals identified in subsection (2) of this
33 section represent the policies of this state.

34 (4) The Legislative Assembly further declares that once a cooperative program is approved un-
35 der ORS 442.700 to 442.760, there is an interest in insuring stability in the provision of health care
36 services by a cooperative program, to the extent stability is consistent with achieving the goals
37 identified in subsection (2) of this section.

38 (5) The Director of [*Human Services*] **the Oregon Health Authority** shall actively supervise the
39 cooperative program in accordance with authority under ORS 442.700 to 442.760 and 646.740.

40 **SECTION 757.** ORS 442.710 is amended to read:

41 442.710. (1) The Oregon Health and Science University and one or more entities, each of which
42 operates at least three hospitals in a single urban area in this state, may apply to the Director of
43 [*Human Services*] **the Oregon Health Authority** for approval of a cooperative program. The appli-
44 cation shall include an executed written copy of all agreements for the cooperative program.

45 (2) An application for approval of a cooperative program shall be made in the form and manner

1 and shall set forth any information regarding the proposed cooperative program that the director
2 may prescribe. The information shall include, but not be limited to:

3 (a) A list of the names of all health care providers who propose to provide heart and kidney
4 transplant services under the cooperative program, together with appropriate evidence of compli-
5 ance with any licensing or certification requirements for those health care providers to practice in
6 this state. In the case of employed physicians, the list and the information to be submitted may be
7 limited to the employer or organizational unit of the employer;

8 (b) A description of the activities to be conducted by the cooperative program;

9 (c) A description of proposed anticompetitive practices listed in ORS 442.715, any practices that
10 the parties anticipate will have significant anticompetitive effects and a description of practices of
11 the cooperative program affecting costs, prices, personnel positions, capital expenditures and allo-
12 cation of resources;

13 (d) A list of the goals identified in ORS 442.705 (2) that the cooperative program expects to
14 achieve;

15 (e) A description of the proposed places and manner of providing heart and kidney transplant
16 services and services related to heart and kidney transplants under the cooperative program;

17 (f) A proposed budget for operating the cooperative program;

18 (g) Satisfactory evidence of financial ability to deliver heart and kidney transplant services in
19 accordance with the cooperative program;

20 (h) The agreement that establishes the cooperative program and policies that shall govern it;
21 and

22 (i) Other information the director believes will assist in determining whether the cooperative
23 program will likely achieve the goals listed in ORS 442.705 (2).

24 (3) The director shall review the application in accordance with the provisions of this section
25 and shall grant, deny or request modification of the application within 90 days of the date the ap-
26 plication is filed. The director shall hold one or more public hearings on the application, which shall
27 conclude no later than 80 days after the date the application is filed. The decision of the director
28 on an application shall be considered an order in a contested case for the purposes of ORS chapter
29 183.

30 (4) The director shall approve an application made under subsection (2) of this section after:

31 (a) The applicants have demonstrated they will achieve at least six of the goals of ORS 442.700
32 to 442.760 and 646.740, including at least the goals identified in ORS 442.705 (2)(a) to (d); and

33 (b) The director has reviewed and approved the specifics of the anticompetitive activity expected
34 to be conducted by the cooperative program.

35 (5) In evaluating the application, the director shall consider whether a cooperative program will
36 contribute to or detract from achieving the goals listed in ORS 442.705 (2). The director may weigh
37 goals relating to circumstances that are likely to occur without the cooperative program, and re-
38 lating to existing circumstances. The director may also consider whether any alternative arrange-
39 ments would be less restrictive of competition while achieving the same goals.

40 (6) An order approving a cooperative program shall identify and define the limits of the per-
41 mitted activities for purposes of granting antitrust immunity under ORS 442.700 to 442.760.

42 (7) An order approving a cooperative program shall include:

43 (a) Approval of specific activities listed in ORS 442.715;

44 (b) Approval of activities the director anticipates will have substantial anticompetitive effects;

45 (c) Approval of the proposed budget of the cooperative program;

1 (d) The goals listed in ORS 442.705 (2) that the cooperative program is expected to achieve; and

2 (e) Approval of the cooperative program as described in the application and a finding that the
3 cooperative program is in the public interest.

4 (8) An order denying the application for a cooperative program shall identify the findings of fact
5 and reasons supporting denial.

6 (9) Either the director or all the parties to the cooperative program may request a modification
7 of an application made under this section. A request for a modification shall result in one extension
8 of 30 days after submission of the modified application. The director shall issue an order under this
9 section within 30 days after submission of the modified application.

10 **SECTION 758.** ORS 442.720 is amended to read:

11 442.720. (1) If the Director of [*Human Services*] **the Oregon Health Authority** issues an order
12 approving an application for a cooperative program under ORS 442.710, the director shall establish

14 tute, for any purpose, a governmental agency.

15 (2) The board of governors shall consist of the president or other chief executive officer of each
16 health care provider that is a party to the cooperative program agreement and the director or a
17 designee of the director. The designee shall serve at the pleasure of the director. The designee shall
18 not have any economic or other interest in any of the health care providers associated with the
19 cooperative program.

20 (3) In governing the cooperative program, the board of governors shall develop policy and ap-
21 prove budgets for the implementation of the cooperative program.

22 (4) The director or designee of the director may reject any operating or capital budget of the
23 cooperative program upon a finding by the director that the budget is not consistent with the goals
24 listed in ORS 442.705 (2) that the cooperative program is expected to achieve.

25 **SECTION 759.** ORS 442.725 is amended to read:

26 442.725. Not later than 60 days following each anniversary date of the approval of a cooperative
27 program by the Director of [*Human Services*] **the Oregon Health Authority**, the board of governors
28 of the cooperative program shall deliver an annual report to the director. The report shall specif-
29 ically describe:

30 (1) How heart and kidney transplant services and related services of the cooperative program
31 are being provided in accordance with the order;

32 (2) Which of the goals identified in the order are being achieved and to what extent; and

33 (3) Any substantial changes in the cooperative program.

34 **SECTION 760.** ORS 442.730 is amended to read:

35 442.730. (1) The Director of [*Human Services*] **the Oregon Health Authority** shall review and
36 evaluate the annual report delivered under ORS 442.725. The director shall:

37 (a) Determine the extent to which the cooperative program is achieving the goals identified in
38 the order;

39 (b) Review the activities being conducted to achieve the goals; and

40 (c) Determine whether each of the activities is still necessary and appropriate to achieve the
41 goals.

42 (2) If the director determines that additional information is needed for the review described in
43 subsection (1) of this section, the director may order the board of governors to provide the infor-
44 mation within a specified time.

45 (3) Within 60 days after receiving the annual report or any additional information ordered under

1 subsection (2) of this section, the director shall:

2 (a) Approve the report if the director determines that the cooperative program is operating in
3 accordance with the order and that the goals identified in the order are being adequately achieved
4 by the cooperative program;

5 (b) Modify the order as appropriate to adjust to changes in the cooperative program approved
6 by the director and approve the report as provided in paragraph (a) of this subsection;

7 (c) Order the board of governors to make remedial changes in anticompetitive activities not in
8 compliance with the order and request the board of governors to report on progress not later than
9 a deadline specified by the director;

10 (d) Revoke approval of the cooperative program; or

11 (e) Take any of the actions set forth in ORS 442.740.

12 **SECTION 761.** ORS 442.735 is amended to read:

13 442.735. (1) Any person may file a complaint with the Director of [*Human Services*] **the Oregon**
14 **Health Authority** requesting that a specific decision or action of a cooperative program supervised
15 by the director be reversed or modified, or that approval for all or part of the activities permitted
16 by the order be suspended or terminated. The complaint shall allege the reasons for the requested
17 action and shall include any evidence relating to the complaint.

18 (2) The director on the director's own initiative may at any time request information from the
19 board of governors concerning the activities of the cooperative program to determine whether the
20 cooperative program is in compliance with the order.

21 **SECTION 762.** ORS 442.740 is amended to read:

22 442.740. (1) During the review of the annual report described in ORS 442.730, after receiving a
23 complaint under ORS 442.735, or on the director's own initiative, the Director of [*Human Services*]
24 **the Oregon Health Authority** may take one or more of the following actions:

25 (a) If the director determines that a particular decision or action is not in accordance with the
26 order, or that the parties are engaging in anticompetitive activity not permitted by the order, the
27 director may direct the board of governors to identify and implement corrective action to insure
28 compliance with the order or may modify the order.

29 (b) If the director determines that the cooperative program is engaging in unlawful activity not
30 permitted by the order or is not complying with the directive given under paragraph (a) of this
31 subsection, the director may serve on the cooperative program a proposed order directing the co-
32 operative program to:

33 (A) Conform with the directive under paragraph (a) of this subsection; or

34 (B) Cease and desist from engaging in the activity.

35 (2) The cooperative program shall have up to 30 days to comply with a proposed order under
36 subsection (1)(b) of this section unless the board of governors demonstrates additional time is needed
37 for compliance.

38 (3) If the director determines that the participants in the cooperative program are in substantial
39 noncompliance with the cease and desist directive, the director may seek an appropriate injunction
40 in the circuit courts of Marion or Multnomah Counties.

41 (4) If the director determines that a sufficient number of the goals set forth in ORS 442.705 (2)
42 are not being achieved or that the cooperative program is engaging in activity not permitted by the
43 order, the director may suspend or terminate approval for all or part of the activities approved and
44 permitted by the order.

45 (5) A proposed order to be entered under subsection (1)(b) or (4) of this section may be served

1 upon the cooperative program without prior notice. The cooperative program may contest the pro-
2 posed order by filing a written request for a contested case hearing with the director not later than
3 20 days following the date of the proposed order. The proposed order shall become final if no request
4 for a hearing is received. Unless inconsistent with this subsection, the provisions of ORS chapter
5 183, as applicable, shall govern the hearing procedure and any judicial review.

6 (6) The only effect of an order suspending or terminating approval under ORS 442.700 to 442.760

8 permitted by the order and taken after the effective date of the order.

12 otherwise protected from disclosure under Oregon law, the disclosures shall not be considered a
13 waiver of any right to protect the information from disclosure in other proceedings.

14 **SECTION 764.** ORS 442.750 is amended to read:

15 442.750. (1) Notwithstanding the provisions of ORS 646.705 to 646.836:

16 (a) A cooperative program for which approval has been granted under ORS 442.700 to 442.760
17 and 646.740 is a lawful program to the extent it engages in activities permitted by the order and
18 supervised by the Director of [*Human Services*] **the Oregon Health Authority** and is in compliance
19 with the order; and

20 (b) If the parties to a cooperative program apply to the director as provided in ORS 442.710, the
21 conduct of the parties and all other participants in negotiating or entering into a cooperative pro-
22 gram is lawful conduct.

23 (2) Subsection (1)(b) of this section does not apply to persons negotiating a cooperative program
24 if it can be demonstrated, by a preponderance of the evidence, that the persons do not or did not
25 intend to enter into a cooperative agreement.

26 (3) Nothing in ORS 442.700 to 442.760 and 646.740 shall be construed to immunize any person
27 from liability or impose liability where none would otherwise exist under federal or state antitrust
28 laws for conduct in negotiating and entering into a cooperative program for which no application
29 was filed with the director.

30 **SECTION 765.** ORS 442.755 is amended to read:

31 442.755. (1) The Director of [*Human Services*] **the Oregon Health Authority** shall adopt rules
32 as may be necessary to carry out the provisions of ORS 442.700 to 442.760.

33 (2) The costs of program approval and supervision shall be paid by the parties to a cooperative
34 program agreement and the director shall set fees for application, annual review and supervision
35 as necessary to fund the director's supervision of the program.

30 (3) All fees received pursuant to subsection (1) of this section shall be paid over to the State
31 Treasurer and credited to the Public Health Account. Such moneys are appropriated continuously
32 to the [*Department of Human Services*] **Oregon Health Authority** for the administration of ORS

35 443.045. (1) The [*Department of Human Services*] **Oregon Health Authority** may deny, suspend

45 **Health Authority** may approve the designation of an appropriate part of the organization as the

1 governing body.

2 **SECTION 774.** ORS 443.085 is amended to read:

7 (2) Standards for the organization and quality of patient care;

8 (3) Procedures for maintaining records; and

9 (4) Provision for contractual arrangements for professional and ancillary health services.

15 **SECTION 776.** ORS 443.225 is amended to read:

16 443.225. (1) Except as otherwise provided by subsections (3) and (4) of this section, the capacity
17 of all domiciliary care facilities must be located throughout the state based on the relationship of
18 the population of the county in which the additional capacity is proposed to be located to the
19 number of persons originating from the county **who are** determined to be in need of domiciliary care
20 [*by the Department of Human Services*]. However, nothing in this subsection is intended to prevent
21 the placement of a person who is or was not a resident of the county in a domiciliary care facility
22 in the county.

23 **(2) The Department of Human Services shall determine the number of persons originat-**
24 **ing from a county who are in need of domiciliary care if the domiciliary care facility is an**

27 **(3) The Oregon Health Authority shall determine the number of persons originating from**
28 **a county who are in need of domiciliary care if the domiciliary care facility is a residential**
29 **treatment facility as defined in ORS 443.400.**

30 [(2)] (4) When a county is too sparsely populated to produce a meaningful ratio of county pop-
31 ulation to population in need, or a county is lacking necessary support services, the population of
32 two or more counties may be combined. The area of the combined counties may be considered a
33 county for purposes of subsection (1) of this section.

34 [(3)] (5) The computation required by subsection (1) of this section does not require reduction
35 in any domiciliary care facility capacity existing on October 4, 1977.

36 [(4)] (6) Subject to the appropriate licensing requirements, the governing body of a county may
37 authorize a domiciliary care facility located in the county to exceed the capacity limit imposed by
38 subsection (1) of this section upon:

39 (a) Request of an individual or organization operating or proposing to operate a domiciliary care
40 facility;

41 (b) Consultation with an advisory committee appointed by the governing body and consisting of
42 persons who are particularly interested in the type of domiciliary care facility contemplated; and

43 (c) Finding of good cause following notice and public hearing.

45 county wherein the system is located to institute an action. The action may be commenced without

1 the necessity of prior administrative procedures or hearing and entry of an order or at any time
2 during such administrative proceedings, if such proceedings have been commenced. The action may
3 petition for a mandatory injunction compelling the water supplier to cease and desist operation or
4 to make such improvements and corrections as are necessary to remove the public health hazard
5 or threat thereof.

6 (2)(a) If the water supplier refuses to comply with the order of the court, in addition to other
7 remedies, the court may appoint a special master to operate the water system. Costs of operation
8 and improvement during operation by the special master are to be charged to the water supplier and

30 in the order, will effect compliance with the rule allegedly violated. The order shall become final
31 unless request for hearing is made by the party receiving the notice within 10 days from the date
32 of personal service or the date of mailing of the notice.

33 (4) The form of petition for hearing and the procedures employed in the hearing shall be con-

34 and the cancellation is approved by the legislative review agency as defined in ORS 291.371 (1).

35 (8) The federal government can impose financial sanctions against this state if the state fails to
36 meet the objectives of the annual negotiated work plan without reasonable explanation by tying the

39 in this state.

40 (9) The federal government may seek to enforce the safe drinking water standards if this state
41 fails to take timely compliance action against a public water system that violates such standards.

42 (10) Enforcement under subsection (9) of this section may be by injunctive relief or, in the case

22 (d) Subject to the prior approval of the Oregon Department of Administrative Services and a
23 report to the Emergency Board prior to adopting the fee, establish a schedule of fees for certif-

25 sufficient to pay the costs incurred by the Department of Environmental Quality in carrying out the
26 provisions of ORS 448.410 to 448.430 and 448.992 and shall be within the budget authorized by the
27 Legislative Assembly as that budget may be modified by the Emergency Board.

17 or any portion of the cost of construction is to be specially assessed against individual property, the
18 engineer shall include in the plans and specifications, a description of the location and assessed

3 no common or usual name, of the hazardous substance or of each component which the director finds
4 contributes substantially to its hazard.

5 (2) The director shall require:

6 (a) The word "Danger" on substances which are extremely flammable, corrosive or highly toxic;

7 (b) The word "Warning" or "Caution" on other hazardous substances;

26 hazard presented by the substance contained therein, or for other good and sufficient reasons, full
27 compliance with the labeling requirements otherwise applicable under ORS 453.005 to 453.135 and
28 453.990 (2) is impracticable or is not necessary for the adequate protection of the public health and
29 safety, the director may authorize the exemption of such substance from the requirements, to an
30 extent consistent with adequate protection of the public health and safety.

40 and safety, the director may declare the article to be a banned hazardous substance and require its
41 removal from commerce.

42 (3) If the director finds that a toy or other article intended for use by children is a hazardous
43 substance, bears or contains a hazardous substance in a manner as to be susceptible of access by
44 a child to whom the toy or other article is entrusted or presents an electrical, mechanical or ther-
45 mal hazard, the director shall declare a toy or other article to be a banned hazardous substance and

1 require its removal from commerce.

2 (4) If the director finds that any hazardous substance intended, or packaged in a form suitable,
3 for use in a household, notwithstanding cautionary labeling as required under ORS 453.005 to
4 453.135 and 453.990 (2), involves a degree or nature of the hazard by its presence or use in house-
5 holds that the protection of the public health and safety can be adequately served only by keeping
6 the substance out of the channels of commerce, the director shall declare the hazardous substance
7 to be a banned hazardous substance and require its removal from commerce.

8 (5) Any hazardous substance intended, or packaged in a form suitable for use in the household
9 or by children, which fails to bear a label in accordance with ORS 453.035 and the standards of the

18 is suspected of being misbranded or is a banned hazardous substance, and has been detained or
19 embargoed, and warning all persons not to remove or dispose of such article by sale or otherwise
20 until permission for removal or disposal is given by such agent or the court.

21 (2) When an article detained or embargoed under subsection (1) of this section has been found
22 to be misbranded or a banned hazardous substance, the director shall petition the circuit court of
23 the county within which the article is detained or embargoed for a label of condemnation of such
24 article. However, if the director or a designated representative finds that an article so detained or
25 embargoed is not misbranded or a banned hazardous substance, the director or designated repre-

17 may establish, enforce or enact a local community right to know regulatory program provided that
18 the local program complies with the requirements of this section.

19 (2) To the extent that a local program is supported in whole or in part by fees, those fees may
20 be set, imposed or assessed only by the local government that is implementing the local program.
21 Such fees are allowed only to the extent not otherwise prohibited or limited by law. Such fees:

22 (a) Shall be adopted by ordinance as a fee schedule, after notice and public hearing; and

23 (b) May not exceed \$2,000 for any single facility in any calendar year.

24 (3)(a) All local community right to know regulatory program enforcement, including but not
25 limited to penalties, may be imposed only by a local fire official or a board established by the local

27 (b) Penalties for violations of a community right to know regulatory program may not exceed
28 \$1,000 per day and shall be assessed according to a schedule adopted by the local government after
29 notice and public hearing. Except when a local government has reasonable grounds to find that an
30 employer willfully and knowingly avoided compliance with the local program, and as long as the
31 employer submits the required information within 30 days following a written notification of non-
32 compliance, penalties shall be suspended if the employer has no history of violating the local pro-
33 gram.

34 (4) After notice and public hearing, the local government must determine that:

35 (a) Existing reporting to local, state or federal agencies is inadequate to meet the needs and

37 (b) The state or federal government does not collect data that will provide substantially the
38 same information desired by the local government;

18 ment must provide the public with an opportunity to comment on the appropriateness of reporting
19 on the proposed hazardous substance or toxic substance, including but not limited to commenting
20 on health and environmental considerations, economic concerns and feasibility of compliance. The
21 local government shall consider the comments before adopting a list or making additions to a list
22 of hazardous substances and toxic substances to be reported.

23 (8) In administering a local community right to know regulatory program, a local government
24 shall establish procedures to exempt, when reasonable, an entity from all or part of the local pro-

26 operations of the entity pose little or no risk to the public health or the environment.

27 (9) Except as prohibited by federal or state law, a local program may not differentiate between
28 public and private employers.

29 (10) Nothing in this section shall be construed to limit the authority of a local government to:

30 (a) Distribute information collected under the state Community Right to Know and Protection
31 Act; or

32 (b) Adopt or enforce a local ordinance, rule or regulation strictly necessary to comply with:

33 (A) The Uniform Building Code as adopted and amended by the Director of the Department of

25 **Oregon Health Authority** to make and enforce rules:

26 (a) Regarding the quality of water for human or animal consumption pursuant to ORS 448.115
27 to 448.325, 624.010 to 624.121 and 624.310 to 624.430; and

28 (b) Regarding the quality of water for public swimming places pursuant to ORS 431.110.

29 (3) Nothing in this section shall prevent the State Department of Agriculture or the State
30 Forestry Department from independently receiving moneys from a public or private agency for the
31 purposes of preventing or controlling air or water pollution resulting from agricultural or
32 silvicultural activities or soil erosion, or for research related to such purposes.

33 (4)(a) In awarding a public contract under ORS 279.835 to 279.855 or ORS chapter 279A, 279B
34 or 279C for a removal or remedial action pursuant to ORS 465.200 to 465.545, a corrective action
35 or cleanup action pursuant to ORS 466.005 to 466.385, 466.605 to 466.680 or 466.706 to 466.882 or a
36 removal pursuant to ORS 468B.005 to 468B.030, 468B.035, 468B.048 to 468B.085, 468B.090, 468B.093,
37 468B.095 and 468B.300 to 468B.500, the department, and the Oregon Department of Administrative
38 Services, when administering the establishment of such a contract on behalf of the Department of
39 Environmental Quality under ORS 279A.050 and 279A.140, shall subtract from the amount of any bid
40 or proposal the hazardous waste management fees and solid waste fees that would be required by
41 law to be paid to the department for waste that would be disposed of at a solid waste disposal site
42 or a hazardous waste or PCB disposal facility, based on the bid or proposal. The amount to be
43 subtracted shall be established on the basis of reasonable preprocurement estimates of the amount
44 of waste that would be disposed of under the contract and that would be subject to those fees.

45 (b) The subtraction for fees under paragraph (a) of this subsection shall apply only to a contract

1 reasonably anticipated to involve the disposal of no less than 50 tons of hazardous waste or no less
 2 than 500 tons of solid waste. The Legislative Assembly finds that making accurate advance estimates
 3 of amounts of waste that would be disposed of in projects of this character is technically challenging
 4 and requires the application of professional discretion. Therefore, no award of a contract under this
 5 subsection shall be subject to challenge, under ORS 279B.410, 279B.415 or 279C.460 or otherwise,
 6 on the ground of the inaccuracy or claimed inaccuracy of any such estimate.

7 (c) The subtraction for fees under paragraph (a) of this subsection shall not apply to the estab-
 8 lishment, by or on behalf of the department, of master contracts by which the department engages
 9 the services of a contractor over a period of time for the purpose of issuing work orders for the
 10 performance of environmental activities on a project or projects for which the amounts of waste to
 11 be disposed of were not reasonably identified at the inception of the master contracts. However, the
 12 department shall require any contractor under a master contract to apply the subtraction for fees
 13 under paragraph (a) of this subsection in the selection of any subcontractor to perform the removal
 14 of waste in amounts equaling or exceeding the amounts set forth in paragraph (b) of this subsection.
 15 Nothing in this subsection shall be construed to prohibit the department or the Oregon Department
 16 of Administrative Services from establishing contracts pursuant to this section through contracting
 17 procedures authorized by ORS 279.835 to 279.855 and ORS chapters 279A, 279B and 279C that do
 18 not require the solicitation of bids or proposals.

19 **SECTION 949.** ORS 468.055 is amended to read:

20 468.055. In addition to the authority granted under ORS 190.003 to 190.130, when authorized by
 21 the Environmental Quality Commission and the [*Department of Human Services*] **Oregon Health**
 22 **Authority**, the Director of the Department of Environmental Quality and the Director of [*Human*
 23 *Services*] **the Oregon Health Authority** may contract on behalf of their respective agencies for the
 24 purposes of carrying out the functions of either agency, defining areas of responsibility, furnishing
 25 services or employees by one to the other and generally providing cooperative action in the inter-
 26 ests of public health and the quality of the environment in Oregon. Each contracting agency is di-
 27 rected to maintain liaison with the other and to cooperate with the other in all matters of joint
 28 concern or interest.

29 **SECTION 950.** ORS 468.060 is amended to read:

30 468.060. On its own motion after public hearing, the Environmental Quality Commission may
 31 grant specific authorization to the [*Department of Human Services*] **Oregon Health Authority** or to
 32 any county, district or city board of health to enforce any rule of the commission relating to air or
 33 water pollution or solid wastes.

34 **SECTION 951.** ORS 468A.707 is amended to read:

35 468A.707. (1) The Environmental Quality Commission by rule shall:

36 (a) Establish an asbestos abatement program that assures the proper and safe abatement of
 37 asbestos hazards through contractor licensing and worker training.

38 (b) Establish the date after which a contractor must be licensed under ORS 468A.720 and a
 39 worker must hold a certificate under ORS 468A.730.

40 (c) Establish criteria and provisions for granting an extension of time for contractor licensing
 41 and worker certification, which may consider the number of workers and the availability of ac-
 42 credited training courses.

43 (2) The program established under subsection (1) of this section shall include at least:

44 (a) Criteria for contractor licensing and training;

45 (b) Criteria for worker certification and training;

2 (d) A procedure for inspecting asbestos abatement projects.

3 (3) In establishing the training requirements under subsections (1) and (2) of this section, the
4 commission shall adopt different training requirements that reflect the different levels of responsi-
5 bility of the contractor or worker, so that within the category of contractor, sublevels shall be
6 separately licensed or exempted and within the category of worker, sublevels shall be separately
7 certified or exempted. The commission shall specifically address as a separate class, those contrac-
8 tors and workers who perform small scale, short duration renovating and maintenance activity. As
9 used in this subsection, “small scale, short duration renovating and maintenance activity” means a

11 limited to:

12 (a) Removal of asbestos-containing insulation on pipes;

13 (b) Removal of small quantities of asbestos-containing insulation on beams or above ceilings;

14 (c) Replacement of an asbestos-containing gasket on a valve;

15 (d) Installation or removal of a small section of drywall; or

16 (e) Installation of electrical conduits through or proximate to asbestos-containing materials.

17 (4) The Department of Environmental Quality, on behalf of the commission, shall consult with
18 the Department of Consumer and Business Services and the [*Department of Human Services*] **Oregon**
19 **Health Authority** about proposed rules for the asbestos abatement program to assure that the rules
20 are compatible with all other state and federal statutes and regulations related to asbestos abate-
21 ment.

22 (5) The Department of Environmental Quality shall cooperate with the Department of Consumer
23 and Business Services and the [*Department of Human Services*] **Oregon Health Authority** to pro-
24 mote proper and safe asbestos abatement work practices and compliance with the provisions of ORS
25 279B.055 (2)(g), 279B.060 (2)(g), 279C.365 (1)(j), 468.126, 468A.135 and 468A.700 to 468A.760.

33 curs naturally but at a lower concentration.

34 (3) “Ground water management area” means an area in which contaminants in the ground water
35 have exceeded the levels established under ORS 468B.165, and the affected area is subject to a

36 for protection from fire at the institution are no longer adequate to protect the residents or patients
37 or that the requirements imposed under subsection (2) of this section are not being maintained, the
38 State Fire Marshal or the approved authority shall cancel the temporary permit and shall notify the
39 [Department of Human Services] **licensing agency** of such cancellation.

40 (4) Extensions and renewals may be granted on the temporary permit.

41 **SECTION 980.** ORS 479.220 is amended to read:

42 479.220. When application is made for the initial issuance or reinstatement of a license or cer-
43 tificate of approval to operate and maintain an institution, or for an enlargement or addition to a
44 licensed or approved institution, the [Department of Human Services] **licensing agency** shall notify
45 in writing the State Fire Marshal, and the State Fire Marshal or deputy, or the approved authority

1 in the case of an institution located in an area exempted under ORS 476.030, shall within 30 days
2 inspect the institution as authorized by ORS 476.150 and within that time shall notify the [*depart-*
3 *ment*] **licensing agency** in writing when the institution is not substantially in compliance with all
4 applicable laws and rules.

5 **SECTION 981.** ORS 480.225 is amended to read:

6 480.225. (1) A person is eligible for a certificate of possession under ORS 480.235 if:

7 (a) The person has not been convicted, or found guilty except for insanity under ORS 161.295,
8 of a misdemeanor involving violence, as defined in ORS 166.470, within the previous four years. A
9 person who has been so convicted is eligible under this subsection following the expiration of seven
10 years after the date of final and unconditional discharge from all imprisonment, probation and parole
11 resulting from the conviction.

12 (b) The person has not been convicted, or found guilty except for insanity under ORS 161.295,
13 of, and is not under indictment for, any felony.

14 (c) The person is not a fugitive from justice, has no outstanding warrants for arrest and is not

19 is eligible under this subsection if, at the time of application for such a certificate, the person
20 produces a certified copy of a full discharge from the proper state hospital. The [*Department of Hu-*
21 *man Services*] **Oregon Health Authority** shall provide the State Fire Marshal with direct electronic
22 access to the [*department's*] **authority's** database of information identifying persons meeting the
23 criteria of this section who were committed or subject to an order under ORS 426.130. The State
24 Fire Marshal and the [*Department of Human Services*] **authority** shall enter into an agreement de-
25 scribing the access to information under this subsection.

26 (e) The person is at least 21 years of age.

27 (f) The person does not use a fictitious name or make a material misrepresentation in applica-
28 tion for such a certificate.

31 the influence of intoxicants.

32 (B) Notwithstanding subparagraph (A) of this paragraph, a person who has had a certificate
33 denied or revoked due to conviction of a criminal offense involving a controlled substance is eligible
34 under this section following the expiration of seven years after the date of final and unconditional
35 discharge from all imprisonment, probation and parole resulting from the conviction.

36 (h) The person has been discharged from the jurisdiction of the juvenile court for more than four
37 years for an act that, if committed by an adult, would constitute a felony or a misdemeanor involv-

41 (j) The person has passed an examination administered by the State Fire Marshal that assesses
42 the person's knowledge of safety in the transportation and storage of explosives as required under
43 federal and state laws and regulations pertaining to explosives. The State Fire Marshal shall ex-
44 amine each applicant prior to issuance of a certificate of possession to the applicant. The State Fire
45 Marshal may by rule establish and collect an examination fee in an amount necessary to cover the

1 cost of administering the examination.

2 (k) The person certifies on the application for a certificate of possession that all explosives in
3 the person's possession will be used, stored and transported in accordance with federal, state and
4 local requirements.

5 (L) The person certifies that all explosives will be possessed, used, stored and transported in
6 accordance with federal, state and local requirements.

7 (2) Subsection (1)(a) and (b) of this section does not apply to a conviction or indictment that has
8 been expunged from a person's record under the laws of this state or equivalent laws of another
9 jurisdiction.

10 **SECTION 982.** ORS 497.162 is amended to read:

11 497.162. (1) Upon application of the Oregon Youth Authority, **the Oregon Health Authority**
12 or the Department of Human Services, the State Fish and Wildlife Commission shall issue, without
13 fee, a license to angle for the temporary use of any person in a state institution as *[defined]* **de-**
14 **scribed** in ORS 179.610, any student in a youth correction facility or related camps or programs
15 operated by the Oregon Youth Authority, any child placed by the department and under the care
16 of a foster home or a private nonprofit child-caring agency certified by the department, or any per-
17 son in *[a department alternatives]* **an alternative** to state hospitalization program as *[defined]* **de-**
18 **scribed** in ORS 430.630 (2)(b) or (c). The licenses issued under this subsection shall be in bearer form
19 and, subject to applicable laws and regulations relating to angling, shall be used as the *[authority*
20 *or department]* **agency applying for the license** directs.

21 (2) Upon application of the Department of Human Services, the commission shall issue, without
22 fee, a license to take shellfish for the temporary use of any child placed by the department and un-
23 der the care of a foster home or a private nonprofit child-caring agency certified by the department.
24 The licenses issued under this subsection shall be in bearer form and, subject to applicable laws and
25 regulations relating to taking shellfish, shall be used as the department directs.

26 (3) Upon application of the director of any veteran's administration hospital or domiciliary
27 within this state, the commission shall issue, without fee, to each hospital or domiciliary 30 licenses
28 to angle or to take shellfish for the temporary use of any person who is a patient or resident in the
29 hospital or domiciliary. The licenses issued under this subsection shall be in bearer form and, sub-
30 ject to applicable laws and regulations relating to angling and to taking shellfish, shall be used as
31 the director of the hospital or domiciliary provides.

32 **SECTION 983.** ORS 527.710 is amended to read:

33 527.710. (1) In carrying out the purposes of ORS 527.610 to 527.770, 527.990 (1) and 527.992, the
34 State Board of Forestry shall adopt, in accordance with applicable provisions of ORS chapter 183,
35 rules to be administered by the State Forester establishing standards for forest practices in each
36 region or subregion.

37 (2) The rules shall ensure the continuous growing and harvesting of forest tree species. Con-
38 sistent with ORS 527.630, the rules shall provide for the overall maintenance of the following re-
39 sources:

- 40 (a) Air quality;
- 41 (b) Water resources, including but not limited to sources of domestic drinking water;
- 42 (c) Soil productivity; and
- 43 (d) Fish and wildlife.

44 (3)(a) In addition to its rulemaking responsibilities under subsection (2) of this section, the board
45 shall collect and analyze the best available information and establish inventories of the following

1 resource sites needing protection:

2 (A) Threatened and endangered fish and wildlife species identified on lists that are adopted, by
3 rule, by the State Fish and Wildlife Commission or are federally listed under the Endangered Species
4 Act of 1973 as amended;

5 (B) Sensitive bird nesting, roosting and watering sites;

6 (C) Biological sites that are ecologically and scientifically significant; and

7 (D) Significant wetlands.

8 (b) The board shall determine whether forest practices would conflict with resource sites in the
9 inventories required by paragraph (a) of this subsection. If the board determines that one or more
10 forest practices would conflict with resource sites in the inventory, the board shall consider the
11 consequences of the conflicting uses and determine appropriate levels of protection.

12 (c) Based upon the analysis required by paragraph (b) of this subsection, and consistent with the
13 policies of ORS 527.630, the board shall adopt rules appropriate to protect resource sites in the in-
14 ventories required by paragraph (a) of this subsection.

15 (4) Before adopting rules under subsection (1) of this section, the board shall consult with other
16 agencies of this state or any of its political subdivisions that have functions with respect to the
17 purposes specified in ORS 527.630 or programs affected by forest operations. Agencies and programs
18 subject to consultation under this subsection include, but are not limited to:

19 (a) Air and water pollution programs administered by the Department of Environmental Quality
20 under ORS chapters 468A and 468B and ORS 477.013 and 477.515 to 477.532;

21 (b) Mining operation programs administered by the Department of Geology and Mineral Indus-
22 tries under ORS 516.010 to 516.130 and ORS chapter 517;

23 (c) Game fish and wildlife, commercial fishing, licensing, wildlife and bird refuge and fish habitat
24 improvement tax incentive programs administered by the State Department of Fish and Wildlife un-
25 der ORS 272.060, 315.134 and ORS chapters 496, 498, 501, 506 and 509;

26 (d) Park land, Willamette River Greenway, scenic waterway and recreation trail programs ad-
27 ministered by the State Parks and Recreation Department under ORS 358.480 to 358.545, 390.310 to
28 390.368, 390.805 to 390.925, 390.950 to 390.989 and 390.121;

29 (e) The programs administered by the Columbia River Gorge Commission under Public Law
30 99-663 and ORS 196.110 and 196.150;

31 (f) Removal and fill, natural heritage conservation and natural heritage conservation tax incen-
32 tive programs administered by the State Land Board and the Department of State Lands under ORS
33 196.800 to 196.900 and 273.553 to 273.591;

34 (g) Federal Safe Drinking Water Act programs administered by the [*Department of Human Ser-*
35 *vices*] **Oregon Health Authority** under ORS 448.273 to 448.990;

36 (h) Natural heritage conservation programs administered by the Natural Heritage Advisory
37 Council under ORS 273.553 to 273.591;

38 (i) Open space land tax incentive programs administered by cities and counties under ORS
39 308A.300 to 308A.330;

40 (j) Water resources programs administered by the Water Resources Department under ORS
41 536.220 to 536.540; and

42 (k) Pesticide control programs administered by the State Department of Agriculture under ORS
43 chapter 634.

44 (5) In carrying out the provisions of subsection (4) of this section, the board shall consider and
45 accommodate the rules and programs of other agencies to the extent deemed by the board to be

1 appropriate and consistent with the purposes of ORS 527.630.

2 (6) The board shall adopt rules to meet the purposes of another agency's regulatory program
3 where it is the intent of the board to administer the other agency's program on forestland and where
4 the other agency concurs by rule. An operation performed in compliance with the board's rules shall
5 be deemed to comply with the other agency's program.

6 (7)(a) The board may enter into cooperative agreements or contracts necessary in carrying out
7 the purposes specified in ORS 527.630.

8 (b) The State Forestry Department shall enter into agreements with appropriate state agencies
9 for joint monitoring of the effectiveness of forest practice rules in protecting forest resources and
10 water quality.

11 (8) If, based upon the study completed pursuant to section 15 (2)(f), chapter 919, Oregon Laws
12 1991, the board determines that additional rules are necessary to protect forest resources pursuant
13 to ORS 527.630, the board shall adopt forest practice rules that reduce to the degree practicable the
14 adverse impacts of cumulative effects of forest practices on air and water quality, soil productivity,
15 fish and wildlife resources and watersheds. Such rules shall include a process for determining areas
16 where adverse impacts from cumulative effects have occurred or are likely to occur, and may re-
17 quire that a written plan be submitted for harvests in such areas.

18 (9)(a) The State Forester, in cooperation with the State Department of Fish and Wildlife, shall
19 identify streams for which restoration of habitat would be environmentally beneficial. The State
20 Forester shall select as a priority those streams where restoration efforts will provide the greatest
21 benefits to fish and wildlife, and to streambank and streambed stability.

22 (b) For those streams identified in paragraph (a) of this subsection, the State Forester shall en-
23 courage landowners to enter into cooperative agreements with appropriate state agencies for con-
24 duct of restoration activities.

25 (c) The board, in consultation with appropriate state agencies, shall study and identify methods
26 for restoring or enhancing fish and wildlife populations through restoration and rehabilitation of
27 sites beneficial to fish and wildlife.

28 (d) The board shall adopt rules to implement the findings of this subsection.

29 (10) In addition to its responsibilities under subsections (1) to (3) of this section, the board shall
30 adopt rules to reduce the risk of serious bodily injury or death caused by a rapidly moving landslide
31 directly related to forest practices. The rules shall consider the exposure of the public to these
32 safety risks and shall include appropriate practices designed to reduce the occurrence, timing or
33 effects of rapidly moving landslides. As used in this subsection, "rapidly moving landslide" has the
34 meaning given that term in ORS 195.250.

35 **SECTION 984.** ORS 537.532 is amended to read:

36 537.532. (1) Notwithstanding any other provision of law, the injection into aquifers of water that
37 complies with drinking water standards established by the [*Department of Human Services*] **Oregon**
38 **Health Authority** under ORS 448.273 under an aquifer storage and recovery limited license or
39 permit:

40 (a) Shall not be considered a waste, contaminant or pollutant;

41 (b) Shall be exempt from the requirement to obtain a discharge permit under ORS 468B.050 or
42 468B.053 or a concentration limit variance from the Department of Environmental Quality;

43 (c) Shall comply with all other applicable local, state or federal laws; and

44 (d) May be located within or outside an urban growth boundary in conformance with land use
45 laws.

1 (2) In order to continue to protect the high quality of Oregon's aquifers for present and future
2 uses, the Legislative Assembly recognizes the need to minimize concentrations of constituents in the
3 injection source water that are not naturally present in the aquifer. Each aquifer storage and re-
4 covery limited license or permit shall include conditions to minimize, to the extent technically fea-
5 sible, practical and cost-effective, the concentration of constituents in the injection source water
6 that are not naturally present in the aquifer. In no case may an aquifer storage and recovery limited
7 license or permit establish concentration limits for water to be injected in excess of the standards
8 established by the [*Department of Human Services*] **authority** under ORS 448.273 or the maximum
9 measurable levels established by the Environmental Quality Commission under ORS 468B.165,
10 whichever are more stringent.

11 (3) Except as otherwise provided, if the injection source water contains constituents regulated
12 under ORS 448.273 or 468B.165 that are detected at greater than 50 percent of the established levels,
13 the aquifer storage and recovery limited license or permit may require the permittee to employ, or
14 continue the employment of, technically feasible, practical and cost-effective methods to minimize
15 concentrations of such constituents in the injection source water. Constituents that have a second-
16 ary maximum contaminant level or constituents that are associated with disinfection of the water
17 may be injected into the aquifer up to the standards established under ORS 448.273.

18 (4) The Water Resources Department may, based upon valid scientific data, further limit certain
19 constituents in the injection source water if the department finds the constituents will interfere with
20 or pose a threat to the maintenance of the water resources of the state for present or future bene-
21 ficial uses.

22 **SECTION 985.** ORS 537.534 is amended to read:

23 537.534. (1) In accordance with this section, the Water Resources Commission shall establish
24 rules for the permitting and administration of aquifer storage and recovery projects. The rules shall
25 establish the Water Resources Department as the sole permitting agency for the projects, but the
26 Department of Environmental Quality and the [*Department of Human Services*] **Oregon Health Au-**
27 **thority** may comment on permits for a project and recommend conditions to be included on the
28 permit. When necessary, the applicant also shall obtain land use and development approval from a
29 local government.

30 (2) Notwithstanding the provisions of ORS 537.130, the Water Resources Commission shall es-
31 tablish by rule a procedure to allow a person to obtain a limited license to store and use water in-
32 jected into an underground aquifer for aquifer storage and recovery testing purposes for a short
33 term or fixed duration after the person complies with the notice provision set forth in ORS 537.144.
34 The rules shall provide a 30-day public comment period before issuance of a limited license. The
35 Water Resources Department may attach conditions to the limited license regarding monitoring,
36 sampling and rates of recovery up to 100 percent of the injection quantity. Aquifer storage and re-
37 covery under a limited license may be conditioned by the Water Resources Department to protect
38 existing ground water rights that rely upon the receiving aquifer and the injection source water.
39 The Water Resources Department may revoke or modify the limited license to use the stored water
40 acquired under a limited license if that use causes injury to any other water right or to a minimum
41 perennial streamflow. The Water Resources Director may issue a limited license for aquifer storage
42 and recovery purposes for a term of not more than five years. The license may be renewed if the
43 applicant demonstrates further testing is necessary.

44 (3) To obtain a limited license for aquifer storage and recovery, the applicant shall provide to
45 the Water Resources Department:

- 1 (a) Well construction information;
 - 2 (b) Test results of the quality of the injection source water;
 - 3 (c) Test results of the quality of the receiving aquifer water;
 - 4 (d) The proposed injected water storage time, recovery rates and recovery schedule;
 - 5 (e) Preliminary hydrogeologic information including a description of the aquifer, estimated flow
6 direction and rate of movement, allocation of surface water, springs or wells within the area affected
7 by aquifer storage and recovery wells;
 - 8 (f) The fee established by rule by the commission pursuant to ORS 536.050 (1)(L); and
 - 9 (g) Any other information required by rule of the commission.
- 10 (4) Only after completion of a test program under a limited license issued under subsection (3)
11 of this section may the applicant apply for a permanent aquifer storage and recovery permit. Each
12 application for an aquifer storage and recovery permit shall be accompanied by the fee set forth in
13 ORS 536.050 for examination of an application for a permit to store water. The Water Resources
14 Department shall be the sole permitting agency for the project and may place conditions on the
15 permit consistent with rules adopted by the commission, but the Department of Environmental
16 Quality and the [*Department of Human Services*] **Oregon Health Authority** may review, comment
17 on and recommend conditions to be included on the permit. When necessary, the applicant shall
18 obtain land use and development approval from a local government. Where existing water rights for
19 the injection source water have been issued, the Water Resources Department shall receive com-
20 ments from interested parties or agencies, but the public interest review standards shall apply only
21 to the matters raised by the aquifer storage and recovery permit application in the same manner
22 as any new water right application, not to the underlying water rights. If new water rights for in-
23 jection source water and aquifer storage and recovery are necessary, then the public interest review
24 standards shall apply to the new permit application in the same manner as any new water right
25 application. The Water Resources Director may refer policy matters to the commission for decision.
- 26 (5) The commission shall adopt rules consistent with this section to implement an aquifer stor-
27 age and recovery program. The rules shall include:
- 28 (a) Requirements for reporting and monitoring the aquifer storage and recovery project aquifer
29 impacts and for constituents reasonably expected to be found in the injection source water.
 - 30 (b) Provisions that allow any person operating an aquifer storage and recovery project under a
31 permit, upon approval by the Water Resources Department, to recover up to 100 percent of the
32 water stored in the aquifer storage facility if valid scientific data gathered during operations under
33 the limited license or permit demonstrate that the injected source water is not lost through mi-
34 gration or other means and that ground water otherwise present in the aquifer has not been irre-
35 trievably lost as a result of aquifer storage or retrieval. The Water Resources Department may place
36 such other conditions on withdrawal of stored water necessary to protect the public health and en-
37 vironment, including conditions allowing reconsideration of the permit to comply with ORS 537.532.
 - 38 (c) The procedure for allowing the Department of Environmental Quality and the [*Department*
39 *of Human Services*] **Oregon Health Authority** to comment on and recommend permit conditions.
- 40 (6) The use of water under a permit as injection source water for an aquifer storage and re-
41 covery project up to the limits allowed in subsection (5)(b) of this section shall not affect the priority
42 date of the water right permit or otherwise affect the right evidenced by the permit.
- 43 (7) The holder of a permit for aquifer storage and recovery shall apply for a transfer or change
44 of use if the use of recovered water is different from that which is allowed in the source water
45 permit or certificate.

1 **SECTION 986.** ORS 541.845 is amended to read:

2 541.845. (1) In accordance with the applicable provisions of ORS chapter 183, the Water Re-
3 sources Commission may adopt rules necessary to carry out ORS 541.700 to 541.855.

4 (2) In adopting rules establishing guidelines or criteria for awarding loans or grants for drinking
5 water projects, the commission shall coordinate the Water Resources Department's rulemaking pro-
6 cess with the Economic and Community Development Department and the [*Department of Human*
7 *Services*] **Oregon Health Authority** in order to ensure that rules adopted under this subsection are
8 consistent with rules adopted under ORS 285B.563 and 431.120. The rules adopted under this sub-
9 section shall:

10 (a) Require the installation of meters on all new active service connections from any municipal
11 drinking water distribution lines funded under ORS 285B.560 to 285B.599, 431.120, 541.700, 541.705,
12 541.755, 541.765, 541.830 and 541.845; and

13 (b) Require a plan, to be adopted by the municipality, for installation of meters on all service
14 connections throughout the drinking water system.

15 (3) As used in this section, "service connection" does not include fire hydrants, fire sprinkler
16 system connections, line blow-offs and drains, standby emergency interties, valve controlled drinking
17 fountains and other similar intermittently used connections.

18 **SECTION 987.** ORS 545.101 is amended to read:

19 545.101. (1) When a subdivision is platted after September 13, 1975, under ORS 92.010 to 92.190,
20 if the subdivision has three or more tracts on each acre of land within the subdivision, the subdivi-
21 sion shall be excluded and taken from the district pursuant to ORS 545.097 to 545.126 at the time
22 that the plat is approved by the appropriate governing body.

23 (2) The exclusion provided in subsection (1) of this section shall not apply to a district which:

24 (a) Also supplies domestic water approved by the [*Department of Human Services*] **Oregon**
25 **Health Authority** to the subdivision; or

26 (b) Agrees to supply water to the subdivision. A district may require as a condition of any
27 agreement that:

28 (A) The subdivider install underground pipe from the district's designated point of delivery to
29 each lot or parcel in the subdivision as shown on the plat approved by the appropriate governing
30 body;

31 (B) The subdivider install a meter or other adequate measuring device at the delivery point to
32 the subdivision and for each lot or parcel;

33 (C) The subdivider provide adequate easements for the delivery system and make provision for
34 the maintenance and repair of the delivery system; and

35 (D) The subdivider provide any other measures that the district considers necessary for the
36 proper and efficient delivery of water to the subdivision and for the efficient administration of such
37 delivery.

38 (3) Nothing in subsection (2)(b) of this section requires a district to agree to deliver water to a
39 subdivision.

40 **SECTION 988.** ORS 547.045 is amended to read:

41 547.045. (1) Whenever any diking or drainage district is sought to be created and organized or
42 is created and organized in the manner provided by law, within the boundaries of which are located
43 any lands belonging to the state that have been acquired or used by or for any state institution
44 described in ORS 179.321, the Director of Human Services **or the Director of the Oregon Health**
45 **Authority** may sign any petition or objections thereto for the organization of such district and ex-

1 exercise on behalf of the state with respect to the district and the land therein belonging to the state,
2 all the rights and privileges of a landowner within the district.

3 (2) Whenever any such district or proposed district includes any lands belonging to any public
4 body as defined in ORS 174.109, the presiding officer of such public body, or other member of the
5 governing body of such public body, when thereto authorized by a resolution of the governing body
6 thereof, may sign such petition or objection thereto on behalf of the public body, and exercise with
7 respect to the district and the land therein belonging to the public body, all the rights and privileges
8 of a landowner in the district, including the right to be a supervisor of the district.

9 (3) Lands belonging to a public body as defined in ORS 174.109 shall be subject to the same
10 burdens and liabilities and entitled to the same benefits as lands in the district belonging to private
11 individuals. The Department of Human Services **or the Oregon Health Authority** may pay from
12 any appropriations made for the operation and maintenance of any institution, the lands of which
13 have been included in any diking or drainage district, any charges billed to the department or any
14 assessments levied against such lands by the diking or drainage district.

15 **SECTION 989.** ORS 561.740 is amended to read:

16 561.740. (1) The Director of Agriculture and an appointee of the [*Director of Human Services*]
17 **Director of the Oregon Health Authority** who has experience in health program administration
18 may enter into memoranda of understanding or other intergovernmental agreements on behalf of this
19 state for the purpose of furthering collaboration between this state and federal agencies that regu-
20 late the growing of biopharmaceutical crops. A memorandum or other agreement entered into under
21 this section shall be designed to increase state input to the federal biopharm permitting system on
22 biopharmaceutical crop issues and requirements of specific interest to this state.

23 (2) To the extent authorized under federal and state law, or under any memorandum of under-
24 standing or other agreement entered into under subsection (1) of this section, the Director of Agri-
25 culture and the appointee of the Director of [*Human Services*] **the Oregon Health Authority**, or
26 their designees:

27 (a) Notwithstanding ORS 192.410 to 192.505, shall refuse to disclose any biopharm permit appli-

17 not be operated until the restaurant or bed and breakfast facility operator submits a plan for cor-
18 rection of the violations that receives the approval of the director and a subsequent inspection of
19 the restaurant or bed and breakfast facility produces a sanitation score that meets minimum ac-
20 ceptable food service standards.

21 (7) The *[department]* **authority** may establish a more frequent inspection schedule for a restau-

7 (2) The Legislative Assembly further finds that the qualifications, practices, techniques and

45 of an investigation into emergency medical technician or applicant conduct or as part of a contested

28 or federal association for the amount so paid.

29 (5) A probate proceeding is not necessary to establish the right of the surviving spouse, **au-**
30 **thority**, department, surviving children, surviving parent or surviving brothers and sisters to with-

19 Department of State Lands appointed under ORS 113.235 shall be the affiant and shall receive the
20 moneys as escheat property.

21 (4) The credit union shall determine the relationship of the affiant to the deceased member.
22 However, payment of the moneys in good faith to the affiant discharges and releases the transferor
23 from any liability or responsibility for the transfer in the same manner and with the same effect as
24 if the property had been transferred, delivered or paid to a personal representative of the estate of
25 the deceased member.

26 (5) A probate proceeding is not necessary to establish the right of the surviving spouse, **au-**

9 *Services Fund created by ORS 705.145*] **Oregon Health Authority Fund established in section 18**
10 **of this 2009 Act** an amount equal to the operating budget authorized by the Legislative Assembly
11 or as that budget may be modified by the Emergency Board or the Oregon Department of Adminis-
12 trative Services, for operation of the Oregon Medical Insurance Pool Board.

13 **SECTION 1120.** ORS 735.614 is amended to read:

14 735.614. (1) If the Oregon Medical Insurance Pool Board determines at any time that funds in
15 the Oregon Medical Insurance Pool Account are or will become insufficient for payment of expenses
16 of the pool in a timely manner, the board shall determine the amount of funds needed and shall
17 impose and collect assessments against insurers, as provided in this section, in the amount of the
18 funds determined to be needed.

19 (2) Each insurer's assessment shall be determined by multiplying the total amount to be assessed
20 by a fraction, the numerator of which equals the number of Oregon insureds and certificate holders
21 insured or reinsured by each insurer, and the denominator of which equals the total of all Oregon
22 insureds and certificate holders insured or reinsured by all insurers, all determined as of March 31
23 each year.

24 (3) The board shall ensure that each insured and certificate holder is counted only once with
25 respect to any assessment. For that purpose, the board shall require each insurer that obtains re-
26 insurance for its insureds and certificate holders to include in its count of insureds and certificate
27 holders all insureds and certificate holders whose coverage is reinsured in whole or part. The board
28 shall allow an insurer who is a reinsurer to exclude from its number of insureds those that have
29 been counted by the primary insurer or the primary reinsurer for the purpose of determining its
30 assessment under this subsection.

31 (4) Each insurer shall pay its assessment as required by the board.

32 (5) If assessments exceed the amounts actually needed, the excess shall be held and invested
33 and, with the earnings and interest, used by the board to offset future net losses or to reduce pool
34 premiums. For purposes of this subsection, "future net losses" includes reserves for claims incurred
35 but not reported.

36 (6) Each insurer's proportion of participation in the pool shall be determined by the board based
37 on annual statements and other reports deemed necessary by the board and filed by the insurer with
38 the board. The board may use any reasonable method of estimating the number of insureds and
39 certificate holders of an insurer if the specific number is unknown. With respect to insurers that
40 are reinsurers, the board may use any reasonable method of estimating the number of persons in-
41 sured by each reinsurer.

42 (7) The board may abate or defer, in whole or in part, the assessment of an insurer if, in the
43 opinion of the board, payment of the assessment would endanger the ability of the insurer to fulfill
44 the insurer's contractual obligations. In the event an assessment against an insurer is abated or
45 deferred in whole or in part, the amount by which the assessment is abated or deferred may be as-

1 sessed against the other insurers in a manner consistent with the basis for assessments set forth in
2 this section. The insurer receiving the abatement or deferment shall remain liable to the board for
3 the deficiency for four years.

4 (8) The board shall abate or defer assessments authorized by this section if a court orders that
5 assessments cannot be made applicable to reinsurers. However, if a court orders that assessments
6 cannot be made applicable to reinsurers, the board may continue to assess insurers to the end of the
7 biennium in which the determination is made.

8 (9) Subject to the approval of the Director of the [*Department of Consumer and Business*
9 *Services*] **Oregon Health Authority**, the board may develop a program for adjusting the assessment
10 of an insurer in the individual health benefits market based on that insurer's contribution to re-
11 ducing the enrollment in the Oregon Medical Insurance Pool. When developing the program, the
12 board may consider, but is not limited to, the following factors:

- 13 (a) The insurer's level of participation;
14 (b) Level of health benefit plan coverage offered; and
15 (c) Assumption of risk in the individual health benefits market.

16 **SECTION 1121.** ORS 735.630 is amended to read:

17 735.630. Neither participation in the pool as members, the establishment of rates, forms or pro-
18 cedures, nor any other action taken in the performance of the powers and duties under ORS 735.600
19 to 735.650 shall be the basis of any legal action, criminal or civil liability or penalty against the
20 Oregon Medical Insurance Pool Board, any members, the Director of the [*Department of Consumer*
21 *and Business Services*] **Oregon Health Authority** or any of their agents or employees.

22 **NOTE:** Section 1122 was deleted by amendment. Subsequent sections were not renumbered.

30 Policy and Research under section 1163 (1)(c) of this 2009 Act.

31 (4) The standards established under subsection (3) of this section may direct health ben-

33 to partner with health-focused community-based organizations to provide culturally specific
34 health promotion and disease management services.

35 **SECTION 1166.** (1) There is created in the Oregon Health Authority the Statewide Health
