2 request for preliminary certification under ORS 315.106.

3 “(5) Any tax credit otherwise allowable under this section which is not used by the taxpayer in
4 a particular year may be carried forward and offset against the taxpayer’s tax liability for the next
5 succeeding tax year. Any credit remaining unused in such next succeeding tax year may be carried
6 forward and used in the second succeeding tax year, and likewise, any credit not used in that second

22 within the time required by this subsection on account of the reasons specified in subsection (10)
23 of this section, any credit allowed under subsections (1)(a) and (5) of this section shall not be re-

25 allowed.

26 “(10) Subject to requalification under this section in the manner applicable for the original
27 claim, including obtaining a new preliminary certificate, a taxpayer may claim an additional credit
28 or credits for reestablishing a new planting in the event that the new forest is destroyed by a na-
29 tural disaster or is not established for reasons beyond the control of the taxpayer, if the measures
30 taken in completing the original or earlier project would normally have resulted in establishing the
31 minimum number of trees per acre anticipated by the project.

32 “(11) Any owner affected by a determination, regarding the reforestation tax credit made by:

33 “(a) The State Forester, except for a denial of a request for a preliminary certificate due to the

35 nation in the manner provided for in ORS 526.475 (1).

36 “(b) The Department of Revenue, may appeal that determination in the manner provided for in
