However, the Attorney General may approve title to lands proposed to be acquired from counties under the provisions of ORS 530.030 or proposed to be acquired by donation or devise when, in the opinion of the Attorney General, existing defects of title are of formal nature and may be cured by suit to quiet title. In case of acquisition of lands with defective title, the Attorney General may institute suit to quiet title to such lands, and all costs in connection therewith shall be a proper charge against the funds of the board.
