 16 or annuls the determination of the commission, the proceeding shall thereupon terminate and notice
 17 to that effect shall be filed with the Secretary of State. If the determination of the commission is
 18 affirmed, a decision to that effect shall be filed with the Secretary of State and the office of the

4 mailing without publication to a specified post office address of the defendant by first class mail and
5 any of the following: certified, registered, or express mail, return receipt requested; or posting at
6 specified locations. If service is ordered by any manner other than publication, the court may order
7 a time for response.

8 D(6)(b) Contents of published summons. In addition to the contents of a summons as described
9 in section C of this rule, a published summons shall also contain a summary statement of the object
10 of the complaint and the demand for relief, and the notice required in subsection C(3) shall state:
11 “The ‘motion’ or ‘answer’ (or ‘reply’) must be given to the court clerk or administrator within 30
12 days of the date of first publication specified herein along with the required filing fee.” The pub-
13 lished summons shall also contain the date of the first publication of the summons.

14 D(6)(c) Where published. An order for publication shall direct publication to be made in a
15 newspaper of general circulation in the county where the action is commenced or, if there is no such
16 newspaper, then in a newspaper to be designated as most likely to give notice to the person to be
17 served. Such publication shall be four times in successive calendar weeks. If the plaintiff knows of
18 a specific location other than the county where the action is commenced where publication might
19 reasonably result in actual notice to the defendant, the plaintiff shall so state in the affidavit or
20 declaration required by paragraph (a) of this subsection, and the court may order publication in a
21 comparable manner at such location in addition to, or in lieu of, publication in the county where the
22 action is commenced.

23 D(6)(d) Mailing summons and complaint. If the court orders service by publication and the
24 plaintiff knows or with reasonable diligence can ascertain the defendant’s current address, the
25 plaintiff shall mail true copies of the summons and the complaint to the defendant at such address
26 by first class mail and any of the following: certified, registered, or express mail, return receipt re-

29 specified above to the defendant at the defendant’s last known address. If the plaintiff does not
30 know, and cannot ascertain upon diligent inquiry, the defendant’s current and last known addresses,
31 a mailing of copies of the summons and the complaint is not required.

32 D(6)(e) Unknown heirs or persons. If service cannot be made by another method described in
33 this section because defendants are unknown heirs or persons as described in sections I and J of
34 Rule 20, the action shall proceed against the unknown heirs or persons in the same manner as
35 against named defendants served by publication and with like effect; and any such unknown heirs
36 or persons who have or claim any right, estate, lien, or interest in the property in controversy, at
37 the time of the commencement of the action, and served by publication, shall be bound and con-
38 cluded by the judgment in the action, if the same is in favor of the plaintiff, as effectively as if the
39 action was brought against such defendants by name.

40 D(6)(f) Defending before or after judgment. A defendant against whom publication is ordered or
41 such defendant’s representatives, on application and sufficient cause shown, at any time before
42 judgment, shall be allowed to defend the action. A defendant against whom publication is ordered
43 or such defendant’s representatives may, upon good cause shown and upon such terms as may be
44 proper, be allowed to defend after judgment and within one year after entry of judgment. If the de-
45 fense is successful, and the judgment or any part thereof has been collected or otherwise enforced,

1 restitution may be ordered by the court, but the title to property sold upon execution issued on such
 2 judgment, to a purchaser in good faith, shall not be affected thereby.

3 D(6)(g) Defendant who cannot be served. Within the meaning of this subsection, a defendant
 4 cannot be served with summons by any method authorized by subsection (3) of this section if: (i)
 5 service pursuant to subparagraph (4)(a)(i) of this section is not authorized, and the plaintiff at-
 6 tempted service of summons by all of the methods authorized by subsection (3) of this section and
 7 was unable to complete service, or (ii) if the plaintiff knew that service by such methods could not
 8 be accomplished.

 21 unlawful action under the conviction.

22 (3)(a) For purposes of this section, a public or private entity that provides counseling and shelter
 23 services to victims of domestic violence is not considered to have violated ORS 163.257 (1)(a) if the

25 (b) As used in this subsection, "victim of domestic violence" means an individual against whom
 26 domestic violence, as defined in ORS 135.230, 181.610[,] **or** 411.117 [*or 657.176*], has been committed.

27 (4) Bringing an action under this section does not prevent the prosecution of any criminal action
 28 under ORS 163.257.

29 (5) A person bringing an action under this section must establish by a preponderance of the
 30 evidence that a violation of ORS 163.257 (1)(a) has occurred.

31 (6) It is an affirmative defense to civil liability for an action under this section that the de-
 32 fendant reasonably and in good faith believed that the defendant's violation of ORS 163.257 (1)(a)
 33 was necessary to preserve the physical safety of:

3 counseling services appointed under this subsection.

4 (8) If an action is brought under this section by a person described under subsection (1)(b) of this
5 section and a party shows good cause that it is appropriate to do so, the court may order the parties
6 to obtain counseling directed toward educating the parties on the impact that the parties' conflict
7 has on the person taken, enticed or kept in violation of ORS 163.257 (1)(a). The court may assess
8 against the parties all costs of obtaining counseling ordered under this subsection.

9 (9) Upon prevailing in an action under this section, the plaintiff may recover:

10 (a) Special and general damages, including damages for emotional distress; and

11 (b) Punitive damages.

12 (10) The court may award reasonable attorney fees to the prevailing party in an action under

16 accruing while the person who is entitled to bring the action is under 18 years of age must be
17 commenced not more than six years after that person attains 18 years of age.

37 to serve the patrons of the public facility.

38 (4) A public body as defined in ORS 174.109 may at any time publish notice that the public body
39 intends to consider condemnation of a lot or parcel. If the public body publishes notice under this
40 subsection, subsection (1) of this section does not apply for such time necessary to provide the public
41 body reasonable opportunity to condemn the property, if the lot or parcel is conveyed by the owner
42 of the lot or parcel to another private party after the notice is published, but prior to the time the
43 property is condemned.

44 (5) Subsection (1) of this section does not affect the ability of a public body as defined in ORS
45 174.109 to make a conveyance of a [non-possessory] **nonpossessory** interest in condemned property

1 for the purpose of financing acquisition of the property.

2 (6) A court shall independently determine whether a taking of property complies with the re-
 3 quirements of this section, without deference to any determination made by the public body. If a
 4 court determines that a taking of property does not comply with the requirements of this section,

1 469.421. (1) Subject to the provisions of ORS 469.441, any person submitting a notice of intent,
2 a request for exemption under ORS 469.320, a request for an expedited review under ORS 469.370,
3 a request for an expedited review under ORS 469.373, a request for the State Department of Energy
4 to approve a pipeline under ORS 469.405 (3), an application for a site certificate or a request to
5 amend a site certificate shall pay all expenses incurred by the Energy Facility Siting Council, the
6 State Department of Energy and the Oregon Department of Administrative Services related to the
7 review and decision of the council. These expenses may include legal expenses, expenses incurred
8 in processing and evaluating the application, issuing a final order or site certificate, commissioning
9 an independent study by a contractor, state agency or local government under ORS 469.360, and
10 changes to the rules of the council that are specifically required and related to the particular site
11 certificate.

12 (2) Every person submitting a notice of intent to file for a site certificate, a request for ex-
13 emption or a request for expedited review shall submit the fee required under the fee schedule es-
14 tablished under ORS 469.441 to the State Department of Energy when the notice or request is
15 submitted to the council. To the extent possible, the full cost of the evaluation shall be paid from
16 the fee paid under this subsection. However, if costs of the evaluation exceed the fee, the person
17 submitting the notice or request shall pay any excess costs shown in an itemized statement prepared
18 by the council. In no event shall the council incur evaluation expenses in excess of 110 percent of
19 the fee initially paid unless the council provides prior notification to the applicant and a detailed
20 projected budget the council believes necessary to complete the project. If costs are less than the
21 fee paid, the excess shall be refunded to the person submitting the notice or request.

22 (3) Before submitting a site certificate application, the applicant shall request from the State
23 Department of Energy an estimate of the costs expected to be incurred in processing the application.
24 The department shall inform the applicant of that amount and require the applicant to make periodic
25 payments of *[such]* **the** costs pursuant to a cost reimbursement agreement. The cost reimbursement
26 agreement shall provide for payment of 25 percent of the estimated costs when the applicant submits
27 the application. If costs of the evaluation exceed the estimate, the applicant shall pay any excess
28 costs shown in an itemized statement prepared by the council. In no event shall the council incur
29 evaluation expenses in excess of 110 percent of the fee initially estimated unless the council pro-
30 vided prior notification to the applicant and a detailed projected budget the council believes is
31 necessary to complete the project. If costs are less than the fee paid, the council shall refund the
32 excess to the applicant.

33 (4) Any person who is delinquent in the payment of fees under subsections (1) to (3) of this
34 section shall be subject to the provisions of subsection (11) of this section.

35 (5) Subject to the provisions of ORS 469.441, each holder of a certificate shall pay an annual fee,
36 due every July 1 following issuance of a site certificate. For each fiscal year, upon approval of the
37 State Department of Energy's budget authorization by a regular session of the Legislative Assembly
38 or as revised by the Emergency Board, the Director of the State Department of Energy promptly
39 shall enter an order establishing an annual fee based on the amount of revenues that the director
40 estimates is needed to fund the cost of ensuring that the facility is being operated consistently with
41 the terms and conditions of the site certificate, any order issued by the department under ORS
42 469.405 (3) and any applicable health or safety standards. In determining this cost, the director shall
43 include both the actual direct cost to be incurred by the council, the State Department of Energy
44 and the Oregon Department of Administrative Services to ensure that the facility is being operated
45 consistently with the terms and conditions of the site certificate, any order issued by the State De-

1 partment of Energy under ORS 469.405 (3) and any applicable health or safety standards, and the
2 general costs to be incurred by the council, the State Department of Energy and the Oregon De-
3 partment of Administrative Services to ensure that all certificated facilities are being operated
4 consistently with the terms and conditions of the site certificates, any orders issued by the State
5 Department of Energy under ORS 469.405 (3) and any applicable health or safety standards that
6 cannot be allocated to an individual, licensed facility. Not more than 35 percent of the annual fee
7 charged each facility shall be for the recovery of these general costs. The fees for direct costs shall
8 reflect the size and complexity of the facility and its certificate conditions.

9 (6) Each holder of a site certificate executed after July 1 of any fiscal year shall pay a fee for
10 the remaining portion of the year. The amount of the fee shall be set at the cost of regulating the
11 facility during the remaining portion of the year determined in the same manner as the annual fee.

12 (7) When the actual costs of regulation incurred by the council, the State Department of Energy
13 and the Oregon Department of Administrative Services for the year, including that portion of the
14 general regulation costs that have been allocated to a particular facility, are less than the annual
15 fees for that facility, the unexpended balance shall be refunded to the site certificate holder. When
16 the actual regulation costs incurred by the council, the State Department of Energy and the Oregon
17 Department of Administrative Services for the year, including that portion of the general regulation
18 costs that have been allocated to a particular facility, are projected to exceed the annual fee for
19 that facility, the Director of the State Department of Energy may issue an order revising the annual
20 fee.

21 (8) In addition to any other fees required by law, each energy resource supplier shall pay to the
22 State Department of Energy annually its share of an assessment to fund the activities of the Energy
23 Facility Siting Council, the Oregon Department of Administrative Services and the State Department
24 of Energy, determined by the Director of the State Department of Energy in the following manner:

25 (a) Upon approval of the budget authorization of the Energy Facility Siting Council, the Oregon
26 Department of Administrative Services and the State Department of Energy by a regular session of
27 the Legislative Assembly, the Director of the State Department of Energy shall promptly enter an
28 order establishing the amount of revenues required to be derived from an assessment pursuant to
29 this subsection in order to fund the activities of the Energy Facility Siting Council, the Oregon
30 Department of Administrative Services and the State Department of Energy, including those enu-
31 merated in ORS 469.030 and others authorized by law, for the first fiscal year of the forthcoming
32 biennium. On or before June 1 of each even-numbered year, the Director of the State Department
33 of Energy shall enter an order establishing the amount of revenues required to be derived from an
34 assessment pursuant to this subsection in order to fund the activities of the Energy Facility Siting
35 Council, the Oregon Department of Administrative Services and the State Department of Energy,
36 including those enumerated in ORS 469.030 and others authorized by law, for the second fiscal year
37 of the biennium [*which*]. **The** order shall take into account any revisions to the biennial budget of
38 the Energy Facility Siting Council, the State Department of Energy and the Oregon Department of
39 Administrative Services made by the Emergency Board or by a special session of the Legislative
40 Assembly subsequent to the most recently concluded regular session of the Legislative Assembly.

41 (b) Each order issued by the director pursuant to paragraph (a) of this subsection shall allocate
42 the aggregate assessment set forth therein to energy resource suppliers in accordance with para-
43 graph (c) of this subsection.

44 (c) The amount assessed to an energy resource supplier shall be based on the ratio which that
45 supplier's annual gross operating revenue derived within this state in the preceding calendar year

1 bears to the total gross operating revenue derived within this state during that year by all energy
2 resource suppliers. The assessment against an energy resource supplier shall not exceed five-tenths
3 of one percent of the supplier's gross operating revenue derived within this state in the preceding
4 calendar year. The director shall exempt from payment of an assessment any individual energy re-
5 source supplier whose calculated share of the annual assessment is less than \$250.

6 (d) The director shall send each energy resource supplier subject to assessment pursuant to this
7 subsection a copy of each order issued, by registered or certified mail. The amount assessed to the
8 energy resource supplier pursuant to the order shall be considered to the extent otherwise permitted
9 by law a government-imposed cost and recoverable by the energy resource supplier as a cost in-
10 cluded within the price of the service or product supplied.

11 (e) The amounts assessed to individual energy resource suppliers pursuant to paragraph (c) of
12 this subsection shall be paid to the State Department of Energy as follows:

13 (A) Amounts assessed for the first fiscal year of a biennium shall be paid not later than 90 days
14 following the close of the regular session of the Legislative Assembly; and

15 (B) Amounts assessed for the second fiscal year of a biennium shall be paid not later than July
16 1 of each even-numbered year.

17 (f) An energy resource supplier shall provide the director, on or before May 1 of each year, a
18 verified statement showing its gross operating revenues derived within the state for the preceding
19 calendar year. The statement shall be in the form prescribed by the director and is subject to audit
20 by the director. The statement shall include an entry showing the total operating revenue derived
21 by petroleum suppliers from fuels sold that are subject to the requirements of section [3] **3a**, Article
22 IX of the Oregon Constitution, **and** ORS 319.020 with reference to aircraft fuel and motor vehicle
23 fuel, and ORS 319.530. The director may grant an extension of not more than 15 days for the re-
24 quirements of this subsection if:

25 (A) The energy supplier makes a showing of hardship caused by the deadline;

26 (B) The energy supplier provides reasonable assurance that the energy supplier can comply with
27 the revised deadline; and

28 (C) The extension of time does not prevent the Energy Facility Siting Council, the Oregon De-
29 partment of Administrative Services or the State Department of Energy from fulfilling their statu-
30 tory responsibilities.

31 (g) As used in this section:

32 (A) "Energy resource supplier" means an electric utility, natural gas utility or petroleum sup-
33 plier supplying electricity, natural gas or petroleum products in Oregon.

34 (B) "Gross operating revenue" means gross receipts from sales or service made or provided
35 within this state during the regular course of the energy supplier's business, but does not include
36 either revenue derived from interutility sales within the state or revenue received by a petroleum
37 supplier from the sale of fuels that are subject to the requirements of section [3] **3a**, Article IX of
38 the Oregon Constitution, **or** ORS 319.020 or 319.530.

39 (C) "Petroleum supplier" has the meaning given that term in ORS 469.020.

40 (h) In determining the amount of revenues that must be derived from any class of energy re-
41 source suppliers by assessment pursuant to this subsection, the director shall take into account all
42 other known or readily ascertainable sources of revenue to the Energy Facility Siting Council, the
43 Oregon Department of Administrative Services and the State Department of Energy, including, but
44 not limited to, fees imposed under this section and federal funds, and may take into account any
45 funds previously assessed pursuant to ORS 469.420 (1979 Replacement Part) or section 7, chapter

1 792, Oregon Laws 1981.

2 (i) Orders issued by the director pursuant to this section shall be subject to judicial review un-
3 der ORS 183.484. The taking of judicial review shall not operate to stay the obligation of an energy
4 resource supplier to pay amounts assessed to it on or before the statutory deadline.

5 (9)(a) In addition to any other fees required by law, each operator of a nuclear fueled thermal
6 power plant or nuclear installation within this state shall pay to the State Department of Energy
7 annually on July 1, an assessment in an amount determined by the director to be necessary to fund
8 the activities of the state and the counties associated with emergency preparedness for a nuclear
9 fueled thermal power plant or nuclear installation. The assessment shall not exceed \$461,250 per
10 year. Moneys collected as assessments under this subsection are continuously appropriated to the
11 State Department of Energy for this purpose.

12 (b) The State Department of Energy shall maintain and shall cause other state agencies and
13 counties to maintain time and billing records for the expenditure of any fees collected from an op-
14 erator of a nuclear fueled thermal power plant under paragraph (a) of this subsection.

15 (10) Reactors operated by a college, university or graduate center for research purposes and
16 electric utilities not connected to the Northwest Power Grid are exempt from the fee requirements
17 of subsections (5), (8) and (9) of this section.

18 (11)(a) All fees assessed by the director against holders of site certificates for facilities that have
19 an installed capacity of 500 megawatts or greater may be paid in several installments, the schedule
20 for which shall be negotiated between the director and the site certificate holder.

21 (b) Energy resource suppliers or applicants or holders of a site certificate who fail to pay a fee
22 provided under subsections (1) to (9) of this section or the fees required under ORS 469.360 after it
23 is due and payable shall pay, in addition to that fee, a penalty of two percent of the fee a month for
24 the period that the fee is past due. Any payment made according to the terms of a schedule nego-
25 tiated under paragraph (a) of this subsection shall not be considered past due. The director may
26 bring an action to collect an unpaid fee or penalty in the name of the State of Oregon in a court
27 of competent jurisdiction. The court may award reasonable attorney fees to the director if the di-
28 rector prevails in an action under this subsection. The court may award reasonable attorney fees
29 to a defendant who prevails in an action under this subsection if the court determines that the di-
30 rector had no objectively reasonable basis for asserting the claim or no reasonable basis for ap-
31 pealing an adverse decision of the trial court.

32 **NOTE:** Updates word choice in (3); truncates run-on sentence in (8)(a); corrects citation and
33 citation style in (8)(f) and (g)(B).

34 **SECTION 68.** ORS 469.681 is amended to read:

35 469.681. (1) Each petroleum supplier shall pay to the State Department of Energy annually its
36 share of an assessment to fund:

37 (a) Information, assistance and technical advice required of fuel oil dealers under ORS 469.675
38 for which the Director of the State Department of Energy contracts under ORS 469.677; and

39 (b) Cash payments to a dwelling owner or contractor for energy conservation measures.

40 (2) The amount of the assessment required by subsection (1) of this section shall be determined
41 by the director in a manner consistent with the method prescribed in ORS 469.421. The aggregate
42 amount of the assessment shall not exceed \$400,000. In making this assessment, the director shall
43 exclude all gallons of distillate fuel oil sold by petroleum suppliers that are subject to the require-
44 ments of section [3] **3a**, Article IX of the Oregon Constitution, or ORS 319.020 or 319.530.

45 (3) If any petroleum supplier fails to pay any amount assessed to it under this section within

1 30 days after the payment is due, the Attorney General, on behalf of the State Department of En-
 2 ergy, may institute a proceeding in the circuit court to collect the amount due.

3 (4) Interest on delinquent assessments shall be added to and paid at the rate of one and one-half
 4 percent of the payment due per month or fraction of a month from the date the payment was due
 5 to the date of payment.

6 (5) The assessment required by subsection (1) of this section is in addition to any assessment
 7 required by ORS 469.421 (8), and any other fee or assessment required by law.

8 (6) As used in this section, “petroleum supplier” means a petroleum refiner in this state or any
 9 person engaged in the wholesale distribution of distillate fuel oil in the State of Oregon.

45 (a) To the surviving spouse on demand of the surviving spouse at any time after the death of

2 (b) If there is no surviving spouse, to the Department of Human Services, on demand of the de-

 10 type of a style in general use, the size of which shall be uniform and not less than 10 point with a

 17 be printed at the insurer's option either included with the applicable benefit provision or under an
 18 appropriate caption such as EXCEPTIONS, or EXCEPTIONS AND REDUCTIONS. However, if an
 19 exception or reduction specifically applies only to a particular benefit of the policy, a statement of
 20 the exception or reduction must be included with the applicable benefit provision.

21 (7) Each form constituting the policy, including riders and indorsements, must be identified by
 22 a form number in the lower left-hand corner of the first page of the policy.

23 (8) The policy may not contain provisions purporting to make any portion of the charter, rules,
 24 constitution or bylaws of the insurer a part of the policy unless such portion is set forth in full in
 25 the policy, except in the case of the incorporation of or reference to a statement of rates or classi-

10 **SECTION 97.** ORS 759.385 is amended to read:

11 759.385. (1) When any telecommunications utility doing business in this state, except a telecom-
 12 munications carrier that has elected to be subject to ORS 759.405 and 759.410, enters into a contract
 13 with another corporation with relation to the construction, operation, maintenance or use of the
 14 property of the telecommunications utility in Oregon, or the use of the property of the other con-
 15 tracting party, or any part of the property, or for service, advice, engineering, financing, rentals,
 16 leasing or for any construction or management charges with respect to any of the property, or for
 17 the purchase of property, materials or supplies, the proposed contract shall be filed with the Public
 18 Utility Commission for *[the]* investigation and approval when the telecommunications utility owns
 19 a majority of or controls directly or indirectly the voting stock of the other contracting corpo-
 20 rations.

21 (2) Any proposed contract described in subsection (1) of this section shall be filed with the
 22 commission within 90 days of execution of the contract. The contract shall be deemed to be executed
 23 on the date the parties sign a written contract or on the date the parties begin to transact business
 24 under the contract, whichever date is earlier. The commission shall promptly investigate and act
 25 upon the contract in accordance with ORS 759.390 (4) and (7).

26 (3) In making an investigation of the contract, the commission and accountants, examiners and
 27 agents, appointed by the commission for the purpose, shall be given free access to all books, books
 28 of account, documents, data and records of the telecommunications utility, as well as of the corpo-
 29 ration with which it is proposing to contract, that the commission may deem material to the inves-
 30 tigation. The failure or refusal of either of the parties to the proposed contract to comply with this
 31 subsection is prima facie evidence that the contract is unfair, unreasonable and contrary to public
 32 interest, and is sufficient to justify a determination and finding of the commission to that effect. A
 33 determination and finding by the commission under this subsection has the same force and effect
 34 as any other determination or order of the commission.

35 (4) This section applies only to transactions in which the telecommunications utility's Oregon
 36 intrastate expenditure to the affiliate is more than \$100,000.

37 **NOTE:** Deletes superfluous article in (1).

12 (2) A lien established under this section shall be on the vehicle and its contents for the just and

 14 person who tows the vehicle fails to comply with the notice requirements of subsection (3) of this
 15 section, the amount of any lien claimed under this *[paragraph shall be]* **section is** limited to an
 16 amount equal to the just and reasonable charges for the towing service performed and storage pro-

21 (a) To the contents of any vehicle taken from public property until 15 days after taking the ve-
 22 hicle into custody.

23 (b) To the contents of any vehicle that is taken into custody for violation of ORS 811.555 or
 24 811.570.

25 (3) A person who tows any vehicle at the request of an authority under ORS 819.110 or 819.120
 26 shall transmit by first class mail with a certificate of mailing, within 20 days after the vehicle and
 27 its contents are placed in storage, written notice, approved by the authority, containing information
 28 on the procedures necessary to obtain a hearing under ORS 819.190. The notice shall be provided
 29 to the owner, a person entitled to possession or any person with an interest recorded on the title
 30 to the vehicle. This subsection does not apply to a person who tows an abandoned vehicle that is
