(b) In addition to other information required by this paragraph, the employment driving record shall include all reports of drug test results that are made to the department under ORS 825.410. The department by rule may specify methods for converting entries from out-of-state records for use in Oregon.

(f) When a suspension of a driver permit, driver license or other driving privilege is placed on the driving record under ORS 809.280 for failure to appear in court on a traffic crime, the department shall note on the record that the suspension was for failure to appear in court and shall also note the offense charged against the person on which the person failed to appear.

(g) The Department of Transportation, in consultation with the Department of State Police, shall devise and implement a method of noting suspensions and revocations of driving privileges on the record in such a way that police agencies can determine directly from the record what class of offense, as provided by law, is committed by a person who drives in violation of the suspension or revocation. If the Department of Transportation and the Department of State Police devise a mutually agreeable alternative method of informing police agencies of the nature of a suspension or revocation and the consequences of its violation, the implementation of that method shall satisfy the duty of the Department of Transportation under this paragraph.
