

House Bill 2733

Sponsored by Representative SCHAUFLER

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Requires Department of Transportation to include asphaltic concrete pavement mix composed of up to five percent recycled asphaltic shingles in materials selected for construction, maintenance and operation of state highways.

A BILL FOR AN ACT

1
2 Relating to asphaltic concrete pavement mix; amending ORS 366.305.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 366.305 is amended to read:

5 366.305. (1) The Department of Transportation may select the materials to be used in the con-
6 struction, maintenance and operation of state highways. It may purchase or contract for, independ-
7 ent of any particular job, improvement or highway project, whether done by contract, force account
8 or otherwise, any material, supplies or equipment deemed necessary for carrying out the provisions
9 and purposes of this Act in such amounts and manner and pursuant to such method as in the judg-
10 ment of the department will be for the best interests of the state.

11 **(2)(a) Materials selected under subsection (1) of this section must include asphaltic con-**
12 **crete pavement mix composed of up to five percent recycled asphaltic shingles.**

13 **(b) The department shall establish by rule specifications related to the selection of**
14 **asphaltic concrete pavement mix under this section.**

15

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.
