1 (6) The notice required in subsection (5) of this section shall specify that persons have 15 days  
 2 following the date of postmark of the notice to file a written objection on the grounds only that the  
 3 dwelling or activities associated with it would force a significant change in or significantly increase  
 4 the cost of accepted farming practices on nearby lands devoted to farm use. If no objection is re-  
 5 ceived, the governing body or its designee shall approve or disapprove the application. If an ob-  
 6 jection is received, the governing body shall set the matter for hearing in the manner prescribed in  
 7 ORS 215.402 to 215.438. The governing body may charge the reasonable costs of the notice required

 21 retain a life estate in a dwelling on that property and in a tract of land under and around the  
 22 dwelling.

23 (9) No final approval of a nonfarm use under this section shall be given unless any additional  
 24 taxes imposed upon the change in use have been paid.

25 (10) Roads, highways and other transportation facilities and improvements not allowed under  
 26 subsections (1) and (2) of this section may be established, subject to the approval of the governing  
 27 body or its designee, in areas zoned for exclusive farm use subject to:
