19 (d) Other matters necessary to administer the agreement.

 23 of the plan.

24 (b) "Health benefit plan" has the meaning given that term in ORS 743.730.

25 (2) An insurer that offers a group health benefit plan in this state may not deliver or
 26 issue for delivery a group health benefit plan unless the Insurance Rate Review Board has
 27 approved the rates under section 6 of this 2009 Act and the insurer has filed with the board
 28 the following:

30 (b) If filing changes to a previously approved rate, an explanation of the changes;

31 (c) Financial information describing the basis for the proposed rates;

32 (d) The rate of return anticipated if the rates are approved;

36 (h) Any other information required by the board by rule.

37 **SECTION 6.** (1) The Insurance Rate Review Board shall review a filing made by an
 38 insurer under section 5 of this 2009 Act and approve or disapprove the rates.

39 (2) The board shall approve the rates if the board determines that the health benefit plan
 40 provides for appropriate accessibility and affordability of needed health care services and
 41 that the rates are reasonable and justified.

42 (3) The board shall disapprove the rates if the board finds that:

43 (a) The benefits provided are unreasonable in relation to the rates charged; or

44 (b) The rates are unfair or excessive.

45 (4) When determining the reasonableness of a rate and whether to approve or disapprove

1 **the rate, the board shall consider but is not limited to whether the insurer is:**

2 (a) **Eliminating or adding benefits covered under the health benefit plan;**

3 (b) **Increasing or decreasing benefits covered under the health benefit plan and whether**
 4 **the increase or decrease in benefits is due to a change in the formulas, methodologies or**
 5 **schedules that serve as the basis for making benefit determinations;**

6 (c) **Increasing or decreasing coinsurance, deductibles, copayments or other amounts to**
 7 **be paid by enrollees; or**

8 (d) **Establishing new conditions or requirements, such as preauthorization requirements**
 9 **to obtain benefits under the health benefit plan, or eliminating conditions or requirements.**

10 **SECTION 7.** ORS 83.580 is amended to read:

11 83.580. (1) The amount, if any, included for automobile insurance, shall not exceed the premiums
 12 chargeable in accordance with rate filings made by the insurer with the [*Director of the Department*
 13 *of Consumer and Business Services*] **Insurance Rate Review Board** for such insurance.

14 (2) The amount, if any, included for life, health and accident or other insurance, other than au-
 15 tomobile insurance, shall not exceed the premiums charged by the insurer.

16 (3) Except as provided in ORS 743.377, the motor vehicle dealer or financing agency, if an
 17 amount for automobile or other insurance on the motor vehicle is included in a retail installment
 18 contract, shall within 30 days after execution of the retail installment contract send or cause to be
 19 sent to the buyer a policy or policies or certificate of insurance, written by an insurance company
 20 authorized to do business in this state, clearly setting forth the amount of the premium, the kind
 21 or kinds of insurance and the scope of the coverage and all the terms, exceptions, limitations, re-
 22 strictions and conditions of the contract or contracts of insurance. The buyer of a motor vehicle
 23 under a retail installment contract shall have the privilege of purchasing such insurance from an
 24 insurance producer of the selection of the buyer and of selecting an insurance company acceptable
 25 to the motor vehicle dealer; provided, however, that the inclusion of the insurance premium in the
 26 retail installment contract when the buyer selects the insurance producer or company, shall be op-
 27 tional with the motor vehicle dealer and in such case the motor vehicle dealer or financing agency
 28 shall have no obligation to send, or cause to be sent, to the buyer the policy or certificate of in-
 29 surance.

30 (4) If an insurance policy or certificate that was obtained for an amount included in the retail
 31 installment contract is canceled, the unearned insurance premium refund received by the holder of
 32 the contract shall be credited to the last maturing installments of the retail installment contract
 33 except to the extent applied toward payment for similar insurance protecting the interests of the
 34 buyer or of the buyer and the holder of the contract.

35 **SECTION 8.** ORS 731.260 is amended to read:

36 731.260. No person shall file or cause to be filed with the Director of the Department of Con-
 37 sumer and Business Services **or the Insurance Rate Review Board** any article, certificate, report,
 38 statement, application or any other information required or permitted to be so filed under the In-
 39 surance Code and known to such person to be false or misleading in any material respect.

40 **SECTION 9.** ORS 731.754 is amended to read:

41 731.754. (1) The Director of the Department of Consumer and Business Services may use the
 42 following only for the purpose of monitoring the solvency of insurers and health care service con-
 43 tractors and the need for possible corrective action with respect to insurers and health care service
 44 contractors:

45 (a) Reports and financial plans of action that are made confidential under ORS 731.752; and

1 (b) Instructions adopted and amended by the National Association of Insurance Commissioners
 2 for use by insurers and health care service contractors in preparing reports and financial plans of
 3 action referred to in paragraph (a) of this subsection.

4 (2) The director **and the Insurance Rate Review Board** may not use reports, financial plans
 5 of action and instructions referred to in subsection (1) of this section for ratemaking, for reviewing
 6 rate filings or in a rate proceeding related thereto, or to calculate or derive any elements of an
 7 appropriate premium level or rate of return for any line of insurance that an insurer, a health care
 8 service contractor or an affiliate is authorized to transact. Such reports and financial plans of action
 9 also shall not be introduced as evidence in a rate proceeding.

10 (3) This section does not restrict the authority of the director to use information included in
 11 reports, financial plans or instructions referred to in subsection (1) of this section that is available
 12 from other sources.

13 **SECTION 10.** ORS 731.804 is amended to read:

14 731.804. (1) Except as otherwise provided in this section, each authorized insurer doing business
 15 in this state shall pay assessments that the Director of the Department of Consumer and Business
 16 Services determines are necessary to support the legislatively authorized budget of the Department
 17 of Consumer and Business Services with respect to functions of the department under the Insurance
 18 Code, **including the functions of the Insurance Rate Review Board**. The director shall determine
 19 the assessments according to one or more percentage rates established by the director by rule. The
 20 director shall specify in the rule when assessments shall be made and payments shall be due. The
 21 premium-weighted average of the percentage rates may not exceed nine-hundredths of one percent
 22 of the gross amount of premiums received by an insurer or the insurer's insurance producers from
 23 and under the insurer's policies covering direct domestic risks, after deducting the amount of return
 24 premiums paid and the amount of dividend payments made to policyholders with respect to such
 25 policies. In the case of reciprocal insurers, the amount of savings paid or credited to the accounts
 26 of subscribers shall be deducted from the gross amount of premiums. In establishing the percentage
 27 rate or rates, the director shall use the most recent premium data approved by the director. In es-
 28 tablishing the amounts to be collected under this subsection, the director shall take into consider-
 29 ation the expenses of the department for administering the Insurance Code and the fees collected
 30 under subsection (2) of this section. When the director establishes two or more percentage rates:

31 (a) Each rate shall be based on such expenses of the department ascribed by the director to the
 32 line of insurance for which the rate is established.

33 (b) Each rate shall be applied to the gross amount of premium received by an insurer or its in-
 34 surance producers for the applicable line of insurance as provided in this subsection.

35 (2) The director may collect fees for specific services provided by the department under the In-
 36 surance Code according to a schedule of fees established by the director by rule. The director may
 37 collect such fees in advance. In establishing the schedule for fees, the director shall take into con-
 38 sideration the cost of each service for which a fee is imposed.

39 (3) Establishment and amendment of the schedule of fees under subsection (2) of this section are
 40 subject to prior approval of the Oregon Department of Administrative Services and a report to the
 41 Emergency Board prior to adopting the fees and shall be within the budget authorized by the Leg-
 42 islative Assembly as that budget may be modified by the Emergency Board.

43 (4) The director may not collect an assessment under subsection (1) of this section from any of
 44 the following persons:

45 (a) A fraternal benefit society complying with ORS chapter 748.

1 (b) Any person or class of persons designated by the director by rule.

2 (5) The director may not collect an assessment under subsection (1) of this section with respect
 3 to premiums received from any of the following policies:

4 (a) Workers' compensation insurance policies.

5 (b) Wet marine and transportation insurance policies.

6 (c) Any category of policies designated by the director by rule.

7 **SECTION 11.** ORS 735.230 is amended to read:

8 735.230. The board of directors of the joint underwriting association shall engage the services
 9 of an independent actuarial firm to develop and recommend actuarially sound rates, rating plans,
 10 rating rules and classifications. The [*Director of the Department of Consumer and Business Services*]
 11 **Insurance Rate Review Board** shall approve rates filed by the joint underwriting association in
 12 accordance with ORS 737.310. All rates approved for the joint underwriting association shall be
 13 actuarially sound and calculated to be self-supporting.

14 **SECTION 12.** ORS 737.045 is amended to read:

15 737.045. (1) If the Director of the Department of Consumer and Business Services has reason to
 16 believe that a rate, rating plan or rating system filed or used by an insurer or filed by a rating or
 17 advisory organization on behalf of an insurer **and approved by the Insurance Rate Review Board**
 18 does not comply with the requirements and standards of this chapter, the director may issue an or-
 19 der directing the insurer or the rating or advisory organization to discontinue or desist from the
 20 noncompliance. An order issued under this subsection is subject to the provisions of ORS 731.252.

21 (2) If the director holds a hearing on an order issued pursuant to subsection (1) of this section,
 22 the insurer or rating or advisory organization filing or using the rate, rating plan or rating system
 23 shall pay to the director the just and legitimate costs of the hearing, including actual necessary
 24 expenses.

25 (3) If the [*director*] **board** finds after a hearing under ORS 737.340 that any rate, rating plan or
 26 rating system violates the provisions of this chapter, the director may issue an order specifying the
 27 violation and stating when, within a reasonable period of time, the further use of such rate, rating
 28 plan or rating system by an insurer or rating or advisory organization shall be prohibited.

29 (4) If the director **or board** finds after a hearing under ORS 737.215 or 737.340 that an insurer
 30 or rating or advisory organization is in violation of any provision of this chapter other than the
 31 provisions dealing with rates, rating plans or rating systems, the director may issue an order spec-
 32 ifying the violation and requiring compliance within a reasonable time.

33 (5) If the director finds after a hearing under ORS 737.215 that the violation of any of the pro-
 34 visions of this chapter applicable to it by any insurer or rating organization that has been the sub-
 35 ject of a hearing was willful, the director may suspend or revoke the certificate of authority of such
 36 insurer or the license of such rating organization.

37 (6) If the director finds after a hearing that any rating organization has willfully engaged in any
 38 fraudulent or dishonest act or practices, the director may suspend or revoke the license of such
 39 organization.

40 **SECTION 13.** ORS 737.205 is amended to read:

41 737.205. (1) Every insurer shall file with the [*Director of the Department of Consumer and Busi-*
 42 *ness Services*] **Insurance Rate Review Board** copies of the rates, rating plans and rating systems
 43 used by it. Except as provided in ORS 737.207, 737.209 and 737.320 (2), each filing shall become ef-
 44 fective [*immediately on the date specified therein but not earlier than the date such filing is received*
 45 *by the director*] **14 days after the board issues an order approving the filing.** This subsection does

1 not apply to inland marine risks which by general custom of the business are not written according
2 to manual rates or rating plans.

3 (2) An insurer may satisfy its obligation to make such filings by becoming a member of or a
4 subscriber to a licensed rating organization which makes such filings, and by authorizing the [*di-*
5 *rector*] **board** to accept such filings on its behalf. [*Such*] **The** insurer may [*so*] adopt the filings of a
6 rating organization on part of the classes of risks insured by it and may make its own filings as to
7 other classes which shall be uniform throughout the insurer's territorial classification. This sub-
8 section does not apply to workers' compensation insurance filings except to the extent that the
9 rating organization filings of rating plans or systems under ORS 737.320 are complete and usable
10 by an insurer without the addition of allowances for expenses, taxes or profit.

11 [*(3) A filing shall be open to public inspection immediately upon submission to the director.*]

12 **SECTION 14.** ORS 737.207 is amended to read:

13 737.207. (1) As used in this section, a market may be a line, subline or classification of com-
14 mercial liability insurance.

15 (2) Filings of commercial liability insurance rates for markets specified by the Director of the
16 Department of Consumer and Business Services shall be submitted by an insurer or rating organ-
17 ization to the [*director*] **Insurance Rate Review Board** for review prior to the effective date [*if the*
18 *average annual rate level increase or decrease for each market exceeds 15 percent*]. Factors to be
19 considered by the [*director*] **board** in [*specifying a market to be subject to this section*] **approving or**
20 **disapproving filings** may include:

- 21 (a) The nature and extent of competition;
- 22 (b) The size and significance of the coverage provided;
- 23 (c) Reinsurance availability;
- 24 (d) The volume of cancellations and nonrenewals; and
- 25 (e) Changing conditions in the economic, judicial and social environment.

26 (3) Except as otherwise provided in ORS 737.209, the effective date of a commercial liability
27 insurance filing required by subsection (2) of this section to be submitted to the [*director*] **board** for
28 review shall be the date specified therein but not earlier than the 30th day after the filing is re-
29 ceived by the [*director*] **board**. After review of the filing, the [*director*] **board** may authorize an
30 earlier effective date, if appropriate. The 30-day waiting period may be extended to 60 days if the
31 [*director*] **board** gives written notice within [*such*] **the** waiting period to the insurer or rating or-
32 ganization [*which*] **that** made the filing that the extended period is needed for consideration of the
33 filing. A filing subject to subsection (2) of this section that has not been approved or disapproved
34 within the waiting period, or any extension thereof, shall be deemed approved.

35 (4) Supporting actuarial data shall accompany every filing of commercial liability insurance
36 rates. The data shall be in sufficient detail to justify the rate level change and shall demonstrate
37 compliance with ORS 737.310 governing the making of rates.

38 **SECTION 15.** ORS 737.209 is amended to read:

39 737.209. (1) The [*Director of the Department of Consumer and Business Services*] **Insurance Rate**
40 **Review Board** may hold a hearing on a filing made pursuant to ORS 737.207 if the [*director*] **board**
41 determines that [*such*] **holding** a hearing would aid the [*director*] **board** in determining whether to
42 approve or disapprove the filing. A hearing under this section may be held at a place designated
43 by the [*director*] **board** and upon not less than 10 days' written notice to the insurer or rating or-
44 ganization that made the filing and to any other person [*the director decides should be notified*] **that**
45 **requests notification**. A filing that is the subject of a hearing under this section becomes effective,

1 if approved, as provided in subsection (4) of this section.

2 (2) A hearing held pursuant to subsection (1) of this section must be conducted by an adminis-
 3 trative law judge assigned from the Office of Administrative Hearings established under ORS
 4 183.605. The administrative law judge shall report findings, conclusions and recommendations to the
 5 [director] **board** within 30 days of the close of the hearing. The insurer or rating organization pro-
 6 posing the rate filing shall have the burden of proving that the rate proposal is justified and shall
 7 pay to the [director] **board** the fair and reasonable costs of the hearing, including actual necessary
 8 expenses.

9 (3) Within 10 days of receiving a report from the administrative law judge, the [director] **board**
 10 shall issue an order approving or disapproving the filing.

11 (4) An order issued under subsection (3) of this section may be reviewed as provided in ORS
 12 183.480 to 183.540 for review of contested cases. A filing approved by the [director] **board** under this
 13 section shall be effective [10] **14** days after the order issued under subsection (3) of this section and
 14 shall remain effective during any review of the order.

15 **SECTION 16.** ORS 737.310 is amended to read:

16 737.310. The following standards shall apply to the making and use of rates:

17 (1) Rates shall not be excessive, inadequate or unfairly discriminatory.

18 (2) As to all classes of insurance, other than workers' compensation and title insurance:

19 (a) No rate shall be held to be excessive unless:

20 (A) Such rate is unreasonably high for the insurance provided; and

21 (B) A reasonable degree of competition does not exist in the area with respect to the classi-
 22 fication to which such rate is applicable.

23 (b) No rate shall be held inadequate unless such rate is unreasonably low for the insurance
 24 provided and:

25 (A) Use or continued use of such rate endangers the solvency of the insurer; or

26 (B) The use of such rate by the insurer has, or if continued will have, the effect of destroying
 27 competition or creating a monopoly.

28 (3) Rates for each classification of coverage shall be based on the claims experience of insurers
 29 within Oregon on that classification of coverage unless that experience provides an insufficient base
 30 for actuarially sound rates.

31 (4) Due consideration shall be given to past and prospective loss experience within this state,
 32 to the hazards of conflagration and catastrophe, to a reasonable margin for profit and to contin-
 33 gencies, to dividends, savings or unabsorbed premium deposits allowed or returned by insurers to
 34 their policyholders, members or subscribers, to past and prospective expenses specially applicable
 35 to this state, and to all other relevant factors, including judgment factors deemed relevant, within
 36 this state.

37 (5) In addition to subsection (4) of this section, rates for home protection insurance may include
 38 provision for unreimbursed costs of risk inspection and for loss costs under policies which are ter-
 39 minated without premium because the related home sale is not made.

40 (6) In the case of fire insurance rates, consideration may be given to the experience of the fire
 41 insurance business during the most recent five-year period for which such experience is available.

42 (7) The systems of expense provisions included in the rates for use by any insurer or group of
 43 insurers may differ from those of other insurers or groups of insurers to reflect the requirements
 44 of the operating methods of any such insurer or group of insurers with respect to any class of in-
 45 surance, or with respect to any subdivision or combination thereof for which subdivision or combi-

1 nation separate expenses are applicable.

2 (8) Risks may be grouped by classifications for the establishment of rates and minimum premi-
 3 ums. Classification rates for casualty, surety or inland marine risks may be modified to produce
 4 rates for individual risks in accordance with rating plans which establish standards for measuring
 5 variations in hazards or expense provisions or both. Such standards may measure any differences
 6 among risks that can be demonstrated to have a probable effect upon losses or expenses.

7 (9) Due consideration shall be given, in the making and use of rates for all insurance, to in-
 8 vestment income earned by the insurer, to insurer profits and to accumulated reserves for vocational
 9 rehabilitation services and for claim costs related to orders or awards made pursuant to ORS
 10 656.278.

11 (10) The Director of the Department of Consumer and Business Services, by rule, shall prescribe
 12 the conditions under which a division of payroll between different manual classifications is permit-
 13 ted for purposes of computing workers' compensation premiums.

14 (11)(a) The [*director shall*] **Insurance Rate Review Board** may not approve any workers' com-
 15 pensation rating system that does not include a plan for rewarding employers, however small, that
 16 have good loss experience or programs likely to improve accident prevention. However, this para-
 17 graph is not intended to require that all employers be experience rated.

18 (b) The [*director shall*] **board** may not approve any workers' compensation rating system that
 19 does not allow the insurer to include potential third party recovery as one of the variables in the
 20 claims reserving process.

21 (12) At the time an insurer issues a workers' compensation insurance policy to an insured for
 22 the first time, the insurer shall give written notice to the insured of the rating classifications to
 23 which the insured's employees are to be assigned and shall provide an adequate description of work
 24 activities in each classification. In the event an insurer recommences coverage following its termi-
 25 nation, the notice required under this subsection must be given only if the gap in coverage exceeds
 26 six months.

27 (13) If an insurer determines the workers' compensation insurance policy of an insured needs
 28 reclassification, the insurer:

29 (a) May bill an additional premium for the revised classification after the insurer has provided
 30 the insured at least 60 days' written notice of the reclassification.

31 (b) Shall bill retroactively to policy inception or date of change in insured's operations for any
 32 reclassification that results in a net reduction of premium.

33 (c) May, notwithstanding paragraph (a) of this subsection, retroactively bill an insured for re-
 34 classification during the policy year without prior notice of reclassification if the insurer shows by
 35 a preponderance of the evidence that:

36 (A) The insured knew that the employees were misclassified, or the insured was adequately in-
 37 formed by the insurer of the proper classification for the insured's employees;

38 (B) The insured provided improper or inaccurate information concerning its operations; or

39 (C) The insured's operations changed after the date information on the employees was obtained
 40 from the insured.

41 (14) In consultation with system participants, the director shall analyze the rating classification
 42 system to investigate changes that simplify the system and reduce costs for employers and insurers
 43 while preserving rate equity and minimizing the potential for abuse. The director shall give partic-
 44 ular emphasis to the method of allocating payroll to rating classifications and to alternatives to
 45 methods that require verifiable payroll records. Upon completion of this analysis, the director shall

1 implement appropriate changes to the system.

2 (15) The director shall adopt rules to carry out the provisions of this section and may by rule
3 specify procedures relating to rating and ratemaking by workers' compensation insurers.

4 (16) A rate increase based solely upon an insured's attaining or exceeding 65 years of age shall
5 be presumed to be unfairly discriminatory unless the increase is clearly based on sound actuarial
6 principles or is related to actual or reasonably anticipated experience.

7 **SECTION 17.** ORS 737.312 is amended to read:

8 737.312. Agreements may be made among insurers with respect to the equitable apportionment
9 among them of insurance which may be afforded applicants who are in good faith entitled to such
10 insurance but who are unable to procure such insurance through ordinary methods. Such insurers
11 may agree among themselves on the use of reasonable rate modifications for such insurance, such
12 agreements and rate modifications to be subject to the approval of the [*Director of the Department*
13 *of Consumer and Business Services*] **Insurance Rate Review Board**.

14 **SECTION 18.** ORS 737.320 is amended to read:

15 737.320. (1) The [*Director of the Department of Consumer and Business Services*] **Insurance Rate**
16 **Review Board** shall review title insurance filings[,] and each workers' compensation insurance
17 filing[, *as soon as reasonably possible after they have been made in order*] to determine whether they
18 meet the requirements of this chapter.

19 (2) The effective date of each title and workers' compensation insurance filing shall be [*the date*
20 *specified therein but not earlier than the 30th day after the date the filing is received by the director*
21 *or from the date of receipt of the information furnished in support of a filing or specific portions of such*
22 *filing if such supporting information is required by the director*] **14 days after the board issues an**
23 **order approving the filing**. The waiting period may be extended by the [*director*] **board** for not
24 more than 30 days if the [*director*] **board** gives written notice within [*such*] **the** waiting period to
25 the insurer or rating organization [*which*] **that** made the filing that the [*director*] **board** needs such
26 additional time for the consideration of such filing or specific portions of such filing. Upon written
27 application by such insurer or rating organization, the [*director*] **board** may authorize a filing or
28 specific portions of such filing, which the [*director*] **board** has reviewed, to become effective before
29 the expiration of the waiting period. A filing or portions of a filing shall be deemed to meet the re-
30 quirements of this chapter unless disapproved by the [*director*] **board** within the waiting period or
31 any extension thereof.

32 (3) Filings of workers' compensation rates, rating plans and rating systems by a workers' com-
33 pensation rating organization shall be limited to provisions for claim payment approved or estab-
34 lished by the [*director*] **board**, and shall not include allowances for or recognition of expenses, taxes
35 or profit. A workers' compensation rating organization shall make such filings with the [*director*]
36 **board**, which filings shall be subject to this section. The organization shall also file the workers'
37 compensation policy forms to be used by its members. The filing shall include a report of investment
38 income.

39 (4) Filings of workers' compensation rates by an insurer shall specify allowances for expenses,
40 taxes and profits.

41 (5) The [*director*] **board** shall investigate and evaluate all workers' compensation filings to de-
42 termine whether the filings meet the requirements of this chapter. The [*director*] **board** shall employ
43 such experts and other personnel as may be reasonably necessary to make such investigation and
44 evaluation, the cost of which shall be paid out of the fund created under ORS 705.145.

45 (6) Notwithstanding the provisions of ORS 737.205 (1), the [*director*] **board** may require any

1 person to comply with the requirements of subsection (2) of this section if the *[director]* **board** has
 2 good cause to believe that a reasonable degree of competition does not exist in the area with respect
 3 to the classification to which such rate is applicable.

4 (7) The *[director]* **board** may require insurers to use, as that portion of a rate filing that con-
 5 stitutes the amount for claim payment, rates prescribed by the *[director]* **board** based upon rating
 6 information determined pursuant to ORS 731.216 (3).

7 **SECTION 19.** ORS 737.322 is amended to read:

8 737.322. Notwithstanding any other provision of this chapter:

9 (1) The *[Director of the Department of Consumer and Business Services]* **Insurance Rate Review**
 10 **Board** shall adopt rules providing for approval of workers' compensation rating plans that include
 11 provisions allowing for reasonable retroactive application of experience rating modification factors.
 12 Nothing in this subsection affects retrospective rating plans.

13 (2) If the *[director]* **board** disapproves a workers' compensation rate or rating plan and the
 14 insurer or rating organization requests a hearing before the *[director]* **board**, the burden of proof is
 15 upon the insurer or rating organization to prove that the filing meets the requirements of this
 16 chapter.

17 (3) If the *[director]* **board** holds a hearing on an order disapproving a workers' compensation
 18 rate, rating plan or rating system, the insurer or rating or advisory organization filing or using the
 19 rate, rating plan or rating system shall pay to the *[director]* **board** the just and legitimate costs of
 20 the hearing, including actual necessary expenses.

21 **SECTION 20.** ORS 737.325 is amended to read:

22 737.325. (1) Under *[such]* rules *[and regulations as the Director of the Department of Consumer*
 23 *and Business Services adopts, the director,]* **adopted by the Insurance Rate Review Board, the**
 24 **board**, by written order, may suspend or modify the requirement of filing as to any class of insur-
 25 ance, or subdivision or combination thereof, or as to classes of risks, for which the rates cannot
 26 practicably be filed before they are used. Such orders[,] **and** rules *[and regulations]* shall be made
 27 known to insurers and rating organizations affected *[thereby]* **by the orders and rules**. The
 28 *[director]* **board** may make such examination as the *[director]* **board** deems advisable to ascertain
 29 whether any rates affected by *[such]* **the** order meet the standards set forth in ORS 737.310.

30 (2) Upon the written application of the insured, stating the reasons therefor, filed with the *[di-*
 31 *rector]* **board** and approved by the *[director]* **board**, a rate in excess of that provided by a filing
 32 otherwise applicable may be used on any specific risk.

33 **SECTION 21.** ORS 737.336 is amended to read:

34 737.336. (1) If within the waiting period or the extension thereof, if any, as provided in ORS
 35 737.320 (2), the *[Director of the Department of Consumer and Business Services]* **Insurance Rate**
 36 **Review Board** finds that a filing does not meet the requirements of this chapter, the *[director]* **board**
 37 shall send to the insurer or rating organization *[which]* **that** made *[such]* **the** filing written notice
 38 of disapproval of *[such]* **the** filing, specifying therein in what respects the *[director]* **board** finds
 39 *[such]* **the** filing fails to meet the requirements and stating that *[such]* **the** filing shall not become
 40 effective.

41 (2) If the Director **of the Department of Consumer and Business Services** has reason to
 42 believe that an insurer or rating or advisory organization is not complying with the requirements
 43 and standards of this chapter other than the requirements and standards dealing with rates, rating
 44 plans or rating systems, unless the director has reason to believe such noncompliance is willful, the
 45 director shall give notice in writing to such insurer or rating or advisory organization stating in

1 what manner such noncompliance is alleged to exist and specifying a reasonable time, not less than
 2 10 days after the date of mailing, in which such noncompliance may be corrected.

3 **SECTION 22.** ORS 737.340 is amended to read:

4 737.340. [(1)] Any person aggrieved with respect to any filing that is in effect, other than the
 5 insurer or rating organization that made the filing, may make written application to the [*Director*
 6 *of the Department of Consumer and Business Services*] **Insurance Rate Review Board** for a hearing
 7 on the filing. The application shall specify the grounds to be relied upon by the applicant.

8 [(2) *If the director finds that the application is made in good faith, that the applicant would be so*
 9 *aggrieved if the grounds are established, and that such grounds otherwise justify holding such a*
 10 *hearing, the director shall do one of the following:*]

11 [(a) *Issue an order under ORS 737.045 (1). The director shall not act under this paragraph if the*
 12 *filing concerns a rate, rating plan or rating system subject to ORS 737.320 (1).*]

13 [(b) *Hold a hearing, within 30 days after receipt of such application, at a place designated by the*
 14 *director and upon not less than 10 days' written notice to the applicant and to the insurer or rating*
 15 *organization that made the filing.*]

16 **SECTION 23.** ORS 737.505 is amended to read:

17 737.505. (1) Every rating organization and every insurer [*which*] **that** makes its own rates,
 18 within a reasonable time after receiving written request therefor and upon payment of such rea-
 19 sonable charge as it may make, shall furnish to any insured affected by a rate made by it, or to the
 20 authorized representative of such insured, all pertinent information as to such rate.

21 (2) Every rating organization and every insurer [*which*] **that** makes its own rates shall provide
 22 within this state reasonable means whereby any person aggrieved by the application of its rating
 23 system may be heard, in person or by the authorized representative, on written request by the per-
 24 son or authorized representative to review the manner in which such rating system has been applied
 25 in connection with the insurance afforded the person. If the rating organization or insurer fails to
 26 grant or reject such request within 30 days after it is made, the applicant may proceed in the same
 27 manner as if the application had been rejected.

28 (3) Any party affected by the action of such rating organization or such insurer on such request,
 29 within 30 days after written notice of such action, may appeal to the [*Director of the Department of*
 30 *Consumer and Business Services, who*] **Insurance Rate Review Board, which**, after a hearing held
 31 at a place designated by the [*director*] **board** upon not less than 10 days' written notice to the
 32 appellant and to such rating organization or insurer, shall affirm or reverse such action.

33 (4) Appeals to the Director **of the Department of Consumer and Business Services** pursuant
 34 to ORS 737.318 with regard to a final premium audit billing must be made within 60 days after re-
 35 ceipt of the billing.

36 (5) The director may, upon a showing of good cause, stay any workers' compensation insurer's
 37 collection effort on a final premium audit billing during the pendency of an appeal authorized by
 38 subsection (4) of this section.

39 **SECTION 24.** ORS 737.526 is amended to read:

40 737.526. (1) Reasonable rules and plans may be promulgated by the Director of the Department
 41 of Consumer and Business Services for the interchange of data necessary for the application of
 42 rating plans.

43 (2) In order to further uniform administration of rate regulatory laws, the director, **the Insur-**
 44 **ance Rate Review Board** and every insurer and rating organization may exchange information and
 45 experience data with insurance supervisory officials, insurers and rating organizations in other

1 states and may consult and cooperate with them with respect to rate making and the application
2 of rating systems.

3 **SECTION 25.** ORS 737.535 is amended to read:

4 737.535. No person shall willfully withhold information from or knowingly give false or mis-
5 leading information to the Director of the Department of Consumer and Business Services, to any
6 statistical agency designated by the director, **to the Insurance Rate Review Board**, to any rating
7 organization, or to any insurer, which will affect the rates or premiums chargeable under this
8 chapter.

9 **SECTION 26.** ORS 737.600 is amended to read:

11 ship, license, franchise, contract, agreement or any method other than common ownership, or use
12 and control.

13 (2) An insurer may not:

14 (a) Make available, through any rating plan or form, property, inland marine, casualty or surety
15 insurance, or any combination thereof, at a preferred rate or premium to any person based upon a
16 fictitious grouping of that person.

17 (b) Write or deliver a form, plan or policy of insurance covering a grouping or combination of
18 persons or risks, any of which are within this state, at a preferred rate or form other than that of-
19 ferred to the public generally and persons not in the group, unless the form, plan or policy and the
20 rates or premiums to be charged therefor have been approved by the Director of the Department
21 of Consumer and Business Services **or by the Insurance Rate Review Board**. The director *[shall]*
22 **or board may** not approve any form, plan or policy, or the rates therefor, that would constitute a
23 violation of paragraph (a) of this subsection.

24 (3) This section does not apply to:

25 (a) Policies of life or health insurance;

26 (b) Insurance for public bodies as defined in ORS 30.260;

29 members of the group;

30 (d) Property and casualty insurance policies for personal, family or household purposes, and not

38 (e) Liability and property insurance required under ORS 825.160 for persons who apply for or

44 (A) The policy requires active participation in a plan of risk management which has established
45 measures and procedures to minimize both the frequency and severity of losses;

1 (B) The policy passes on the benefits of reduced losses to plan participants; and

2 (C) Rates are actuarially measurable and credible and sufficiently related to actual and expected
 3 loss and expense experience of the group so as to assure that nonmembers of the group are not
 4 unfairly discriminated against;

5 (g) Insurance for child care facilities that are certified in accordance with ORS chapter 657A;
 6 or

 12 form where written application is required and is to be made a part of the policy, or rider, in-

 17 a particular risk or subject;

 19 icate holder and which relate to the manner of distribution of benefits or to the reservation of rights
 20 and benefits thereunder;

21 (c) Forms of group life *[or health]* insurance policies*[, or both,]* that have been agreed upon as
 22 a result of negotiations between the policyholder and the insurer; or

23 (d) Forms complying with specific requirements regarding delivery or issuance for delivery in
 24 this state established by the director by rule.

25 (2) The director shall within 30 days after the filing of any such form approve or disapprove the
 26 form. The director shall give written notice of *[such]* **the** action to the insurer proposing to deliver
 27 *[such]* **the** form and when a form is disapproved the notice shall show *[wherein such]* **how the** form
 28 does not comply with the law.

29 (3) The 30-day period referred to in subsection (2) of this section may be extended by the di-
 30 rector for an additional period not to exceed 30 days if the director gives written notice within the
 31 first 30-day period to the insurer proposing to deliver the form that the director needs *[such]* addi-

33 (4) The director may at any time request an insurer to furnish the director a copy of any form
 34 exempted under subsection (1) of this section.

35 **SECTION 28.** ORS 742.490 is amended to read:

36 742.490. (1) Any rate, rating plan or rating system filed with the *[Director of the Department of*
 37 *Consumer and Business Services]* **Insurance Rate Review Board** for a motor vehicle insurance

 43 the Department of Transportation. To meet the requirements of this subsection, a course must be
 44 completed no more than three years prior to the beginning of the policy period for which the dis-
 45 counted rate applies if the person is less than 70 years of age at the time of taking the course or

1 no more than two years prior to the beginning of the policy period for which the discounted rate
 2 applies if the person is 70 years of age or more at the time of taking the course.

3 (c) There are no persons under 25 years of age who regularly operate the vehicle.

4 (d) The vehicle is not classified for underwriting purposes as used for a business.

7 No more than one premium discount may be applied to one vehicle.

8 **SECTION 29.** ORS 742.706 is amended to read:

9 742.706. (1) If an insurer offers or purports to renew a commercial liability policy, but on terms
 10 less favorable to the insured or at higher rates, the new terms or rates may take effect on the re-
 11 newal date, if the insurer provides the insured, and the insurance producer if any, 45 days' written
 12 notice. If the insurer does not provide such notice, the insured may cancel the renewal policy within
 13 45 days after receipt of the notice or delivery of the renewal policy. Earned premium for the period
 14 of time the renewal policy was in force shall be calculated pro rata at the lower of the current or
 15 previous year's rate. If the insured accepts the renewal, any premium increase or changes in terms
 16 shall be effective immediately following the prior policy's expiration date.

17 (2) Nonrenewal of a commercial liability policy shall not be effective until at least 45 days after
 18 the insured receives a written notice of nonrenewal. If, after an insurer provides a notice of
 19 nonrenewal as described in this subsection, the insurer extends the policy 90 days or less, an addi-
 20 tional notice of nonrenewal is not required with respect to the extension.

21 (3) Subsection (1) of this section does not apply:

22 (a) If the change is a rate, form or plan filed with the Director of the Department of Consumer
 23 and Business Services **or the Insurance Rate Review Board** and applicable to the entire line of
 24 insurance or class of business to which the policy belongs; or

25 (b) To a premium increase based on the altered nature or extent of the risk insured against.

26 (4) If a commercial liability policy is issued for a term longer than one year, and for additional
 27 consideration a premium is guaranteed, the insurer may not refuse to renew the policy or increase
 28 the premium for the term of that policy.

29 **SECTION 30.** ORS 743.015 is amended to read:

30 743.015. (1) All credit life and credit health insurance policies subject to ORS 743.371 to 743.380,

 33 this state and the schedules of premium rates pertaining thereto shall be filed with the [*Director of*
 34 *the Department of Consumer and Business Services*] **Insurance Rate Review Board**. Such forms are
 35 subject to approval, disapproval or withdrawal of approval by the Director **of the Department of**
 36 **Consumer and Business Services or the board** as provided in ORS 742.003, 742.005 and 742.007.

37 (2) An insurer may revise the schedules of premium rates from time to time and shall file the
 38 revised schedules with the [*director*] **board**. An insurer may not issue any credit life or credit health
 39 insurance policy for which the premium rate exceeds that determined by the schedules of the insurer
 40 as then on file with the [*director*] **board**.

41 (3) If a group policy of credit life or credit health insurance has been or is delivered in another
 42 state, the insurer shall file only the group certificate, the individual application and the notice of
 43 proposed insurance delivered or issued for delivery in this state as specified in ORS 743.377 (2) and

44 (4). The [*director*] **board** shall approve the group certificate, the individual application and the no-
 45 tice of proposed insurance if the forms conform with the requirements specified in ORS 743.377 (2)

1 and (4) and the schedules of premium rates applicable to the insurance evidenced by the certificate
 2 or notice are not in excess of the insurer's schedules of premium rates filed with the [director]
 3 **board.**

4 **SECTION 31.** ORS 743.018 is amended to read:

5 743.018. (1) [Except for group life and health insurance, and except as provided in ORS 743.015,]
 6 Every insurer shall file with the [Director of the Department of Consumer and Business Services]
 7 **Insurance Rate Review Board** all schedules and tables of premium rates for life and health in-
 8 surance to be used on risks in this state, and shall file any amendments to or corrections of such
 9 schedules and tables.

10 (2) Except as provided in ORS 743.737 and 743.760 and subsection (3) of this section, a rate filing
 11 by a carrier for any of the following health benefit plans subject to ORS 743.730 to 743.773 shall be

16 (3) The [director] **board**, upon request by a carrier, may exempt from disclosure any part of the
 17 filing that the [director] **board** determines to contain trade secrets and that would, if disclosed, harm
 18 competition. The part that the [director] **board** determines to be exempt from disclosure shall be
 19 considered confidential for purposes of ORS 705.137. The [director] **board** may not disclose a part

23 743.405. An individual health insurance policy must meet the following requirements:

- 24 (1) The entire money and other considerations therefor shall be expressed therein.
- 25 (2) The time at which the insurance takes effect and terminates shall be expressed therein.

26 (3) It shall purport to insure only one person, except that a policy may insure, originally or by
 27 subsequent amendment, upon the application of an adult member of a family who shall be deemed
 28 the policyholder, any two or more eligible members of that family, including husband, wife, depend-
 29 ent children or any children under a specified age which shall not exceed 19 years and any other
 30 person dependent upon the policyholder.

31 (4) The policy may not be issued individually to an individual in a group of persons as described
 32 in ORS 743.522 for the purpose of separating the individual from health insurance benefits offered
 33 or provided in connection with a group health benefit plan.

34 (5) Except as provided in ORS 743.498, the style, arrangement and overall appearance of the
 35 policy may not give undue prominence to any portion of the text, and every printed portion of the
 36 text of the policy and of any indorsements or attached papers shall be plainly printed in lightfaced
 37 type of a style in general use, the size of which shall be uniform and not less than 10 point with a
 38 lower case unspaced alphabet length not less than 120 point. Captions shall be printed in not less
 39 than 12-point type. As used in this subsection, "text" includes all printed matter except the name
 40 and address of the insurer, name or title of the policy, the brief description if any, and captions and

 43 required by ORS 743.411 to 743.477, 743A.160 and 743A.164, exceptions and reductions shall be
 44 printed at the insurer's option either included with the applicable benefit provision or under an ap-
 45 propriate caption such as EXCEPTIONS, or EXCEPTIONS AND REDUCTIONS. However, if an ex-

1 ception or reduction specifically applies only to a particular benefit of the policy, a statement of the
 2 exception or reduction must be included with the applicable benefit provision.

3 (7) Each form constituting the policy, including riders and indorsements, must be identified by
 4 a form number in the lower left-hand corner of the first page of the policy.

5 (8) The policy may not contain provisions purporting to make any portion of the charter, rules,
 6 constitution or bylaws of the insurer a part of the policy unless such portion is set forth in full in
 7 the policy, except in the case of the incorporation of or reference to a statement of rates or classi-
 8 fication of risks, or short rate table filed with the [*Director of the Department of Consumer and*
 9 *Business Services*] **Insurance Rate Review Board**.

10 **SECTION 33.** ORS 743.527 is amended to read:

11 743.527. (1) Every group health insurance policy delivered or issued for delivery in this state
 12 shall contain in substance the following provisions, applicable to the coverage for hospital or med-
 13 ical services or expenses provided under the policy:

14 (a) A provision that, when the premium for the policy or any part thereof is paid by an employer
 15 under the terms of a collective bargaining agreement, if there is a cessation of work by employees
 16 insured under the policy due to a strike or lockout, the policy, upon timely payment of the premium,
 17 will continue in effect with respect to those employees insured by the policy on the date of the
 18 cessation of work who continue to pay their individual contribution and who assume and pay the
 19 contribution due from the employer.

20 (b) A provision that, when an employee insured under the policy pays a contribution pursuant
 21 to paragraph (a) of this subsection, if the policyholder is not a trustee of a fund established or
 22 maintained in whole or in part by an employer, the employee's individual contribution shall be:

23 (A) The rate in the policy, on the date cessation of work occurs, applicable to an individual in
 24 the class to which the employee belongs as set forth in the policy; or

25 (B) If the policy does not provide for a rate applicable to individuals, an amount equal to the
 26 amount determined by dividing the total monthly premium in effect under the policy at the date of
 27 cessation of work by the total number of persons insured under the policy on such date.

28 (c) A provision that, when an employee insured under the policy pays a contribution pursuant
 29 to paragraph (a) of this subsection, if the policyholder is a trustee of a fund established or main-
 30 tained in whole or in part by an employer, the employee's individual contribution shall be the
 31 amount which the employee and employer would have been required to contribute if the cessation
 32 of work had not occurred.

33 (2) Every group health insurance policy delivered or issued for delivery in this state may contain
 34 in substance the following provisions applicable to the coverage for hospital or medical services or
 35 expenses provided under the policy:

36 (a) A provision that, when employees insured under the policy pay contributions pursuant to
 37 subsection (1)(a) of this section, the continuation of insurance under the policy is contingent upon
 38 the collection of individual contributions by the union representing the employees when the
 39 policyholder is not a trustee and by the policyholder or the policyholder's agent when the
 40 policyholder is a trustee.

41 (b) A provision that, when employees insured under the policy pay contributions pursuant to
 42 subsection (1)(a) of this section, the continuation of insurance under the policy on each employee is
 43 contingent upon timely payment of contributions by the employees and timely payment of the pre-
 44 mium by the entity responsible for collecting the individual contributions.

45 (c) A provision that, when employees insured under the policy pay contributions pursuant to

1 subsection (1)(a) of this section, each individual premium rate under the policy may be increased by
 2 not more than 20 percent, or by any higher percentage approved by the [*Director of the Department*
 3 *of Consumer and Business Services*] **Insurance Rate Review Board**, during the period of cessation
 4 of work in order to provide sufficient compensation to the insurer for increased administrative costs
 5 and increased mortality and morbidity. If the policy contains the provision allowed under this par-
 6 agraph, an employee's contribution paid under subsection (1)(a) of this section shall be increased by
 7 the same percentage.

8 (d) A provision that, when the policy is a policy insuring employees and which may continue in
 9 effect as provided in subsection (1)(a) of this section, if the premium is unpaid at the date of cessa-
 10 tion of work and the premium became due prior to such cessation of work, the continuation of in-
 11 surance is contingent upon payment of the premium prior to the date the next premium becomes due
 12 under the terms of the policy.

13 (e) Any provision with respect to the continuation of the policy as provided in subsection (1)(a)
 14 of this section that the Director **of the Department of Consumer and Business Services** may
 15 approve.

16 (3) Nothing in this section shall be deemed to limit any right which the insurer may have in
 17 accordance with the terms of a policy to increase or decrease the premium rates before, during or
 18 after a cessation of work by employees insured under the policy when the insurer had the right to
 19 increase the premium rates even if the cessation of work did not occur. If such a premium rate
 20 change is made, it shall be effective on such date as the insurer shall determine in accordance with
 21 the terms of the policy.

22 (4) Nothing in this section shall be deemed to require continuation of any coverage in a group
 23 health insurance policy insuring employees and which may continue in effect as provided in sub-
 24 section (1)(a) of this section for longer than:

25 (a) The time that 75 percent of insured employees continue such coverage;

26 (b) For an individual employee, the time at which the employee takes full-time employment with
 27 another employer; or

28 (c) Six months after cessation of work by the insured employees.

29 **SECTION 34.** ORS 743.737 is amended to read:

30 743.737. Health benefit plans covering small employers shall be subject to the following pro-
 31 visions:

32 (1) A preexisting conditions provision in a small employer health benefit plan shall apply only
 33 to a condition for which medical advice, diagnosis, care or treatment was recommended or received
 34 during the six-month period immediately preceding the enrollment date of an enrollee or late
 35 enrollee. As used in this section, the enrollment date of an enrollee shall be the earlier of the ef-
 36 fective date of coverage or the first day of any required group eligibility waiting period and the
 37 enrollment date of a late enrollee shall be the effective date of coverage.

38 (2) A preexisting conditions provision in a small employer health benefit plan shall terminate its
 39 effect as follows:

40 (a) For an enrollee, not later than the first of the following dates:

41 (A) Six months following the enrollee's effective date of coverage; or

42 (B) Ten months following the start of any required group eligibility waiting period.

43 (b) For a late enrollee, not later than 12 months following the late enrollee's effective date of
 44 coverage.

45 (3) In applying a preexisting conditions provision to an enrollee or late enrollee, except as pro-

1 vided in this subsection, all small employer health benefit plans shall reduce the duration of the
2 provision by an amount equal to the enrollee's or late enrollee's aggregate periods of creditable
3 coverage if the most recent period of creditable coverage is ongoing or ended within 63 days of the
4 enrollment date in the new small employer health benefit plan. The crediting of prior coverage in
5 accordance with this subsection shall be applied without regard to the specific benefits covered
6 during the prior period. This subsection does not preclude, within a small employer health benefit
7 plan, application of:

8 (a) An affiliation period that does not exceed two months for an enrollee or three months for a
9 late enrollee; or

10 (b) An exclusion period for specified covered services, as established by the Health Insurance
11 Reform Advisory Committee, applicable to all individuals enrolling for the first time in the small
12 employer health benefit plan.

13 (4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to
14 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period
15 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall
16 not exceed 12 months.

17 (5) Each small employer health benefit plan shall be renewable with respect to all eligible
18 enrollees at the option of the policyholder, small employer or contract holder except:

19 (a) For nonpayment of the required premiums by the policyholder, small employer or contract
20 holder.

21 (b) For fraud or misrepresentation of the policyholder, small employer or contract holder or,
22 with respect to coverage of individual enrollees, the enrollees or their representatives.

23 (c) When the number of enrollees covered under the plan is less than the number or percentage
24 of enrollees required by participation requirements under the plan.

25 (d) For noncompliance with the small employer carrier's employer contribution requirements
26 under the health benefit plan.

27 (e) When the carrier discontinues offering or renewing, or offering and renewing, all of its small
28 employer health benefit plans in this state or in a specified service area within this state. In order
29 to discontinue plans under this paragraph, the carrier:

30 (A) Must give notice of the decision to the Director of the Department of Consumer and Busi-
31 ness Services and to all policyholders covered by the plans;

32 (B) May not cancel coverage under the plans for 180 days after the date of the notice required
33 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except
34 as provided in subparagraph (C) of this paragraph, in a specified service area;

35 (C) May not cancel coverage under the plans for 90 days after the date of the notice required
36 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area
37 because of an inability to reach an agreement with the health care providers or organization of
38 health care providers to provide services under the plans within the service area; and

39 (D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans
40 issued by the carrier in the small employer market in this state or in the specified service area.

41 (f) When the carrier discontinues offering and renewing a small employer health benefit plan in
42 a specified service area within this state because of an inability to reach an agreement with the
43 health care providers or organization of health care providers to provide services under the plan
44 within the service area. In order to discontinue a plan under this paragraph, the carrier:

45 (A) Must give notice to the director and to all policyholders covered by the plan;

1 (B) May not cancel coverage under the plan for 90 days after the date of the notice required
2 under subparagraph (A) of this paragraph; and

3 (C) Must offer in writing to each small employer covered by the plan, all other small employer
4 health benefit plans that the carrier offers in the specified service area. The carrier shall issue any
5 such plans pursuant to the provisions of ORS 743.733 to 743.737. The carrier shall offer the plans
6 at least 90 days prior to discontinuation.

7 (g) When the carrier discontinues offering or renewing, or offering and renewing, a health ben-
8 efit plan for all small employers in this state or in a specified service area within this state, other
9 than a plan discontinued under paragraph (f) of this subsection. With respect to plans that are being
10 discontinued, the carrier must:

11 (A) Offer in writing to each small employer covered by the plan, all health benefit plans that
12 the carrier offers in the specified service area.

13 (B) Issue any such plans pursuant to the provisions of ORS 743.733 to 743.737.

14 (C) Offer the plans at least 90 days prior to discontinuation.

15 (D) Act uniformly without regard to the claims experience of the affected policyholders or the
16 health status of any current or prospective enrollee.

17 (h) When the director orders the carrier to discontinue coverage in accordance with procedures
18 specified or approved by the director upon finding that the continuation of the coverage would:

19 (A) Not be in the best interests of the enrollees; or

20 (B) Impair the carrier's ability to meet contractual obligations.

21 (i) When, in the case of a small employer health benefit plan that delivers covered services
22 through a specified network of health care providers, there is no longer any enrollee who lives, re-
23 sides or works in the service area of the provider network.

24 (j) When, in the case of a health benefit plan that is offered in the small employer market only
25 through one or more bona fide associations, the membership of an employer in the association ceases
26 and the termination of coverage is not related to the health status of any enrollee.

27 (k) For misuse of a provider network provision. As used in this paragraph, "misuse of a provider
28 network provision" means a disruptive, unruly or abusive action taken by an enrollee that threatens
29 the physical health or well-being of health care staff and seriously impairs the ability of the carrier
30 or its participating providers to provide services to an enrollee. An enrollee under this paragraph
31 retains the rights of an enrollee under ORS 743.804.

32 (L) A small employer carrier may modify a small employer health benefit plan at the time of
33 coverage renewal. The modification is not a discontinuation of the plan under paragraphs (e) and (g)
34 of this subsection.

35 (6) Notwithstanding any provision of subsection (5) of this section to the contrary, any small
36 employer carrier health benefit plan subject to the provisions of ORS 743.733 to 743.737 may be
37 rescinded by a small employer carrier for fraud, material misrepresentation or concealment by a
38 small employer and the coverage of an enrollee may be rescinded for fraud, material misrepresen-
39 tation or concealment by the enrollee.

40 (7) A small employer carrier may continue to enforce reasonable employer participation and
41 contribution requirements on small employers applying for coverage. However, participation and
42 contribution requirements shall be applied uniformly among all small employer groups with the same
43 number of eligible employees applying for coverage or receiving coverage from the small employer
44 carrier. In determining minimum participation requirements, a carrier shall count only those em-
45 ployees who are not covered by an existing group health benefit plan, Medicaid, Medicare,

1 CHAMPUS, Indian Health Service or a publicly sponsored or subsidized health plan, including but
2 not limited to the Oregon Health Plan.

3 (8) Premium rates for small employer health benefit plans shall be subject to the following pro-
4 visions:

5 (a) Each small employer carrier issuing health benefit plans to small employers must file its
6 geographic average rate for a rating period with the [*director*] **Insurance Rate Review Board** at
7 least once every 12 months.

8 (b)(A) The premium rates charged during a rating period for health benefit plans issued to small
9 employers may not vary from the geographic average rate by more than 50 percent on or after
10 January 1, 2008, except as provided in subparagraph (D) of this paragraph.

11 (B) The variations in premium rates described in subparagraph (A) of this paragraph shall be
12 based solely on the factors specified in subparagraph (C) of this paragraph. A small employer carrier
13 may elect which of the factors specified in subparagraph (C) of this paragraph apply to premium
14 rates for small employers. The factors that are based on contributions or participation may vary
15 with the size of the employer. All other factors must be applied in the same actuarially sound way
16 to all small employers.

17 (C) The variations in premium rates described in subparagraph (A) of this paragraph may be
18 based on one or more of the following factors:

19 (i) The ages of enrolled employees and their dependents;

20 (ii) The level at which the small employer contributes to the premiums payable for enrolled
21 employees and their dependents;

22 (iii) The level at which eligible employees participate in the health benefit plan;

23 (iv) The level at which enrolled employees and their dependents engage in tobacco use;

24 (v) The level at which enrolled employees and their dependents engage in health promotion,
25 disease prevention or wellness programs;

26 (vi) The period of time during which a small employer retains uninterrupted coverage in force
27 with the same small employer carrier; and

28 (vii) Adjustments to reflect the provision of benefits not required to be covered by the basic
29 health benefit plan and differences in family composition.

30 (D)(i) The premium rates determined in accordance with this paragraph may be further adjusted
31 by a small employer carrier to reflect the expected claims experience of a small employer, but the
32 extent of this adjustment may not exceed five percent of the annual premium rate otherwise payable
33 by the small employer. The adjustment under this subparagraph may not be cumulative from year
34 to year.

35 (ii) Except for small employers with 25 or fewer employees, the premium rates adjusted under
36 this subparagraph are not subject to the provisions of subparagraph (A) of this paragraph.

37 (E) A small employer carrier shall apply the carrier's schedule of premium rate variations as
38 approved by the [*Director of the Department of Consumer and Business Services*] **Insurance Rate**
39 **Review Board** and in accordance with this paragraph. Except as otherwise provided in this section,
40 the premium rate established for a health benefit plan by a small employer carrier shall apply uni-
41 formly to all employees of the small employer enrolled in that plan.

42 (c) Except as provided in paragraph (b) of this subsection, the variation in premium rates be-
43 tween different small employer health benefit plans offered by a small employer carrier must be
44 based solely on objective differences in plan design or coverage and must not include differences
45 based on the risk characteristics of groups assumed to select a particular health benefit plan.

1 (d) A small employer carrier may not increase the rates of a health benefit plan issued to a
2 small employer more than once in a 12-month period **without the approval of the board**. Annual
3 rate increases shall be effective on the plan anniversary date of the health benefit plan issued to a
4 small employer. The percentage increase in the premium rate charged to a small employer for a new
5 rating period may not exceed the sum of the following:

6 (A) The percentage change in the geographic average rate measured from the first day of the
7 prior rating period to the first day of the new period; and

8 (B) Any adjustment attributable to changes in age, except an additional adjustment may be made
9 to reflect the provision of benefits not required to be covered by the basic health benefit plan and
10 differences in family composition.

11 (e) Premium rates for health benefit plans shall comply with the requirements of this section.

12 (9) In connection with the offering for sale of any health benefit plan to a small employer, each
13 small employer carrier shall make a reasonable disclosure as part of its solicitation and sales ma-
14 terials of:

15 (a) The full array of health benefit plans that are offered to small employers by the carrier;

16 (b) The authority of the carrier to adjust rates, and the extent to which the carrier will consider
17 age, family composition and geographic factors in establishing and adjusting rates;

18 (c) Provisions relating to renewability of policies and contracts; and

19 (d) Provisions affecting any preexisting conditions provision.

20 (10)(a) Each small employer carrier shall maintain at its principal place of business a complete
21 and detailed description of its rating practices and renewal underwriting practices, including infor-
22 mation and documentation that demonstrate that its rating methods and practices are based upon
23 commonly accepted actuarial practices and are in accordance with sound actuarial principles.

24 (b) Each small employer carrier shall file with the director at least once every 12 months an
25 actuarial certification that the carrier is in compliance with ORS 743.733 to 743.737 and that the
26 rating methods of the small employer carrier are actuarially sound. Each such certification shall be
27 in a uniform form and manner and shall contain such information as specified by the director. A
28 copy of such certification shall be retained by the small employer carrier at its principal place of
29 business.

30 (c) A small employer carrier shall make the information and documentation described in para-
31 graph (a) of this subsection available to the director upon request. Except as provided in ORS
32 743.018 and except in cases of violations of ORS 743.733 to 743.737, the information shall be con-
33 sidered proprietary and trade secret information and shall not be subject to disclosure by the di-
34 rector to persons outside the Department of Consumer and Business Services except as agreed to
35 by the small employer carrier or as ordered by a court of competent jurisdiction.

36 (11) A small employer carrier shall not provide any financial or other incentive to any insurance
37 producer that would encourage the insurance producer to market and sell health benefit plans of the
38 carrier to small employer groups based on a small employer group's anticipated claims experience.

39 (12) For purposes of this section, the date a small employer health benefit plan is continued shall
40 be the anniversary date of the first issuance of the health benefit plan.

41 (13) A small employer carrier must include a provision that offers coverage to all eligible em-
42 ployees and to all dependents to the extent the employer chooses to offer coverage to dependents.

43 (14) All small employer health benefit plans shall contain special enrollment periods during
44 which eligible employees and dependents may enroll for coverage, as provided in 42 U.S.C. 300gg
45 as amended and in effect on July 1, 1997.

1 **SECTION 35.** ORS 743.760 is amended to read:

2 743.760. (1) As used in this section:

3 (a) "Carrier" means an insurer authorized to issue a policy of health insurance in this state.
4 "Carrier" does not include a multiple employer welfare arrangement.

5 (b)(A) "Eligible individual" means an individual who:

6 (i) Has left coverage that was continuously in effect for a period of 180 days or more under one
7 or more Oregon group health benefit plans, has applied for portability coverage not later than the
8 63rd day after termination of group coverage issued by an Oregon carrier and is an Oregon resident
9 at the time of such application; or

10 (ii) On or after January 1, 1998, meets the eligibility requirements of 42 U.S.C. 300gg-41, as
11 amended and in effect on January 1, 1998, has applied for portability coverage not later than the
12 63rd day after termination of group coverage issued by an Oregon carrier and is an Oregon resident
13 at the time of such application.

14 (B) Except as provided in subsection (12) of this section, "eligible individual" does not include
15 an individual who remains eligible for the individual's prior group coverage or would remain eligible
16 for prior group coverage in a plan under the federal Employee Retirement Income Security Act of
17 1974, as amended, were it not for action by the plan sponsor relating to the actual or expected
18 health condition of the individual, or who is covered under another health benefit plan at the time
19 that portability coverage would commence or is eligible for the federal Medicare program.

20 (c) "Portability health benefit plans" and "portability plans" mean health benefit plans for eli-
21 gible individuals that are required to be offered by all carriers offering group health benefit plans
22 and that have been approved by the Director of the Department of Consumer and Business Services
23 in accordance with this section.

24 (2)(a) In order to improve the availability and affordability of health benefit plans for individuals
25 leaving coverage under group health benefit plans, the Health Insurance Reform Advisory Commit-
26 tee created under ORS 743.745 shall submit to the director two portability health benefit plans
27 pursuant to ORS 743.745. One plan shall be in the form of insurance and the second plan shall be
28 consistent with the type of coverage provided by health maintenance organizations. For each type
29 of portability plan, the committee shall design and submit to the director:

30 (A) A prevailing benefit plan, which shall reflect the benefit coverages that are prevalent in the
31 group health insurance market; and

32 (B) A low cost benefit plan, which shall emphasize affordability for eligible individuals.

33 (b) Except as provided in ORS 743.730 to 743.773, no law requiring the coverage or the offer of
34 coverage of a health care service or benefit shall apply to portability health benefit plans.

35 (3) The director shall approve the portability health benefit plans if the director determines that
36 the plans provide for appropriate accessibility and affordability of needed health care services and
37 comply with all other provisions of this section.

38 (4) After the director's approval of the portability plans submitted by the committee under this
39 section, each carrier offering group health benefit plans shall submit to the director the policy form
40 or forms containing at least one low cost benefit and one prevailing benefit portability plan offered
41 by the carrier that meets the required standards. Each policy form must be submitted as prescribed
42 by the director and is subject to review and approval pursuant to ORS 742.003.

43 (5) Within 180 days after approval by the director of the portability plans submitted by the
44 committee, as a condition of transacting group health insurance in this state, each carrier offering
45 group health benefit plans shall make available to eligible individuals the prevailing benefit and low

1 cost benefit portability plans that have been submitted by the carrier and approved by the director
2 under subsection (4) of this section.

3 (6) A carrier offering group health benefit plans shall issue to an eligible individual who is
4 leaving or has left group coverage provided by that carrier any portability plan offered by the car-
5 rier if the eligible individual applies for the plan within 63 days of termination of prior coverage and
6 agrees to make the required premium payments and to satisfy the other provisions of the portability
7 plan.

8 (7) Premium rates for portability plans shall be subject to the following provisions:

9 (a) Each carrier must file the geographic average rate for each of its portability health benefit
10 plans for a rating period with the [*director*] **Insurance Rate Review Board** on or before March 15
11 of each year.

12 (b) The premium rates charged during the rating period for each portability health benefit plan
13 shall not vary from the geographic average rate, except that the premium rate may be adjusted to
14 reflect differences in benefit design, family composition and age. Adjustments for age shall comply
15 with the following:

16 (A) For each plan, the variation between the lowest premium rate and the highest premium rate
17 shall not exceed 100 percent of the lowest premium rate.

18 (B) Premium variations shall be determined by applying uniformly the carrier's schedule of age
19 adjustments for portability plans as approved by the [*director*] **board**.

20 (c) Premium variations between the portability plans and the rest of the carrier's group plans
21 must be based solely on objective differences in plan design or coverage and must not include dif-
22 ferences based on the actual or expected health status of individuals who select portability health
23 benefit plans. For purposes of determining the premium variations under this paragraph, a carrier
24 may:

25 (A) Pool all portability plans with all group health benefit plans; or

26 (B) Pool all portability plans for eligible individuals leaving small employer group health benefit
27 plan coverage with all plans offered to small employers and pool all portability plans for eligible
28 individuals leaving other group health benefit plan coverage with all health benefit plans offered to
29 such other groups.

30 (d) A carrier may not increase the rates of a portability plan issued to an enrollee [*more than*
31 *once in any 12-month period*] **without the approval of the board**. Annual rate increases shall be
32 effective on the anniversary date of the plan issued to the enrollee. The percentage increase in the
33 premium rate charged to an enrollee for a new rating period may not exceed the average increase
34 in the rest of the carrier's applicable group health benefit plans plus an adjustment for age.

35 (8) No portability plans under this section may contain preexisting conditions provisions, ex-
36 clusion periods, waiting periods or other similar limitations on coverage.

37 (9) Portability health benefit plans shall be renewable with respect to all enrollees at the option
38 of the enrollee, except:

39 (a) For nonpayment of the required premiums by the policyholder;

40 (b) For fraud or misrepresentation by the policyholder;

41 (c) When the carrier elects to discontinue offering all of its group health benefit plans in ac-
42 cordance with ORS 743.737 and 743.754; or

43 (d) When the director orders the carrier to discontinue coverage in accordance with procedures
44 specified or approved by the director upon finding that the continuation of the coverage would:

45 (A) Not be in the best interests of the enrollees; or

1 (B) Impair the carrier’s ability to meet its contractual obligations.

2 (10)(a) Each carrier offering group health benefit plans shall maintain at its principal place of
 3 business a complete and detailed description of its rating practices and renewal underwriting prac-
 4 tices relating to its portability plans, including information and documentation that demonstrate that
 5 its rating methods and practices are based upon commonly accepted actuarial practices and are in
 6 accordance with sound actuarial principles.

7 (b) Each such carrier shall file with the director annually on or before March 15 an actuarial
 8 certification that the carrier is in compliance with this section and that its rating methods are
 9 actuarially sound. Each such certification shall be in a form and manner and shall contain such in-
 10 formation as specified by the director. A copy of such certification shall be retained by the carrier
 11 at its principal place of business.

12 (c) Each such carrier shall make the information and documentation described in paragraph (a)
 13 of this subsection available to the director upon request. Except as provided in ORS 743.018 and
 14 except in cases of violations of the Insurance Code, the information is proprietary and trade secret
 15 information and shall not be subject to disclosure by the director to persons outside the Department
 16 of Consumer and Business Services except as agreed to by the carrier or as ordered by a court of
 17 competent jurisdiction.

18 (11) A carrier offering group health benefit plans shall not provide any financial or other in-
 19 centive to any insurance producer that would encourage the insurance producer to market and sell
 20 portability plans of the carrier on the basis of an eligible individual’s anticipated claims experience.
