39 Commission:

40 “(1) May accept, from whatever source, appropriations, gifts or grants of money or other prop-
41 erty for the purposes of wildlife management, and use such money or property for wildlife manage-

13 supporting evidence that the access is significant and the habitat programs benefit wildlife. The
14 board may recommend that the commission grant the request. When a landowner is qualified under
15 landowner preference rules adopted by the commission and receives a controlled hunt tag for that
16 unit or a landowner preference tag for the landowner’s property and does not use the tag during the
17 regular season, the landowner may use that tag to take an antlerless animal, when approved by the
18 State Department of Fish and Wildlife, to alleviate damage that is presently occurring to the land-
19 owner’s property.

20 “(5) May by rule prescribe procedures requiring the holder of any license, tag or permit issued
21 pursuant to the wildlife laws to keep records and make reports concerning the time, manner and

23 mines necessary for proper enforcement of the wildlife laws or to obtain information for use in
24 wildlife management.

25 “(6) May establish special hunting and angling areas or seasons in which only persons less than
26 18 years of age or over 65 years of age are permitted to hunt or angle.

31 areas.

32 “(9) May establish and develop wildlife refuge and management areas and prescribe rules gov-
33 erning the use of such areas and the use of wildlife refuge and management areas established and
34 developed pursuant to any other provision of law.

35 “(10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
36 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
37 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
38 scribed by law. Except for licenses issued pursuant to subsection (14) of this section, no fee or user
39 charge prescribed by the commission pursuant to this subsection shall exceed \$100.

40 “(11) May enter into contracts with any person or governmental agency for the development and

3 section shall be based on actual or projected costs of administering falconry regulations and shall
4 not exceed \$250.

5 “(15) May establish special fishing and hunting seasons and bag limits applicable only to persons
6 with disabilities.

7 “(16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These pop-
8 ulation levels shall be reviewed at least once every five years.

9 “(17) Shall establish a preference system so that individuals who are unsuccessful in controlled
10 hunt permit drawings for deer and elk hunting have reasonable assurance of success in those
11 drawings in subsequent years. **In establishing the preference system, the commission shall**
12 **consider giving additional preference points to persons who have been issued a resident pio-**
13 **neer hunting license pursuant to ORS 497.102.**

14 “(18) May sell advertising in State Department of Fish and Wildlife publications, including an-
15 nual hunting and angling regulation publications.

16 “(19) May, notwithstanding the fees required by ORS 497.112, provide free hunting tags to an
17 organization that sponsors hunting trips for terminally ill children.

18 “(20) Shall, after consultation with the State Department of Agriculture, adopt rules prohibiting
19 the use of the World Wide Web, other Internet protocols or broadcast or closed circuit media to
