## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Designates Dungeness crab as official crustacean of Oregon.

## JOINT RESOLUTION

Whereas the Dungeness crab fishery is the most valuable single-species fishery in Oregon, making Dungeness crab an important part of Oregon's economy; and

Whereas the Dungeness crab is an iconic Oregon symbol; and

Whereas the Dungeness crab is the most delicious of the crab species; and

Whereas the Dungeness crab annual harvest begins each year on December 1, when Dungeness crabs are hard-shelled, full of meat and in their prime; and

Whereas the Dungeness crab harvest ends on August 14 to minimize handling, so that post-molt, soft-shelled crabs can fill out undisturbed; and

Whereas this management method has served the resource well for decades and ensures that the Dungeness crab fishery is truly sustainable; now, therefore,

**Be It Resolved by the Legislative Assembly of the State of Oregon:**

That the Dungeness crab is the official crustacean of the State of Oregon.
