

## SENATE AMENDMENTS TO SENATE BILL 171

By COMMITTEE ON BUSINESS AND TRANSPORTATION

April 24

1 On page 1 of the printed bill, line 2, after “ORS” insert “469.350 and”.

2 Delete lines 5 through 30 and delete page 2 and insert:

3 “**SECTION 2. (1) A person may not construct an object or structure that constitutes a**  
4 **physical hazard to air navigation, as determined by the Oregon Department of Aviation in**  
5 **coordination with the governing body with land use jurisdiction over the property.**

6 “(2) Subsection (1) of this section does not apply:

7 “(a) To construction of an object or structure that is utilized by a commercial mobile  
8 radio service provider; or

9 “(b) If a person received approval or submitted an application for approval, on or before  
10 the effective date of this 2009 Act, from the Federal Aviation Administration to construct  
11 an object or structure that constitutes a physical hazard to air navigation.

12 “**SECTION 3.** ORS 836.530 is amended to read:

13 “836.530. (1) In addition to any other rulemaking authority, the Director of the Oregon Depart-  
14 ment of Aviation may adopt rules:

15 “(a) To define physical hazards to air navigation and determine whether specific types or classes  
16 of objects or structures constitute hazards. Rules defining physical hazards and determining whether  
17 specific types or classes of objects or structures constitute hazards may be adopted only after a  
18 fact-finding process and must be supported by substantial evidence.

19 “(b) Establishing standards for lighting or marking objects and structures that constitute haz-  
20 ards to air navigation.

21 “(c) Establishing standards for mitigating physical hazards to air navigation by altering  
22 the height or location of objects and structures.

23 “(d) Establishing standards for mitigating hazards to air navigation by altering approach  
24 surface standards or installing navigational aids.

25 “(2) In accordance with the rules adopted under this section, the director shall do the following:

26 “(a) Determine whether specific objects or structures constitute a hazard to air navigation.

27 “(b) Determine responsibility for installation and maintenance of lighting or marking **and for**  
28 **alteration of the height or location of** specific objects or structures that constitute hazards to air  
29 navigation.

30 “(c) Issue orders to require that specific objects or structures determined to be hazards to air  
31 navigation be marked or lighted in accordance with rules adopted under this section.

32 “(d) Make recommendations to the Federal Aviation Administration to require that air-  
33 ports alter approach surface standards or install navigational aids for the purpose of miti-  
34 gating hazards to air navigation.

35 “(3) Rules and standards adopted under this section are limited to and [*shall*] **may** not be more

1 restrictive than current federal norms, including but not limited to, regulations and circulars, per-  
2 taining to objects affecting navigable airspace.

3 “(4) Any person or entity required to comply with an order issued under this section may con-  
4 test the order as provided under ORS chapter 183.

5 “**SECTION 4.** ORS 469.350 is amended to read:

6 “469.350. (1) Applications for site certificates shall be made to the Energy Facility Siting Council  
7 in a form prescribed by the council and accompanied by the fee required by ORS 469.421.

8 “(2) Copies of the notice of intent and of the application shall be sent for comment and recom-  
9 mendation within specified deadlines established by the council to the Department of Environmental  
10 Quality, the Water Resources Commission, the State Fish and Wildlife Commission, the Water Re-  
11 sources Director, the State Geologist, the State Forestry Department, the Public Utility Commission  
12 of Oregon, the State Department of Agriculture, the Department of Land Conservation and Devel-  
13 opment, **the Oregon Department of Aviation**, any other state agency that has regulatory or ad-  
14 visory responsibility with respect to the facility and any city or county affected by the application.

15 “(3) Any state agency, city or county that is requested by the council to comment and make  
16 recommendations under this section shall respond to the council by the specified deadline. If a state  
17 agency, city or county determines that it cannot respond to the council by the specified deadline  
18 because the state agency, city or county lacks sufficient resources to review and comment on the  
19 application, the state agency, city or county shall contract with another entity to assist in preparing  
20 a response. A state agency, city or county that enters into a contract to assist in preparing a re-  
21 sponse may request funding to pay for that contract from the council pursuant to ORS 469.360.

22 “(4) The State Department of Energy shall notify the applicant whether the application is com-  
23 plete. When the department determines an application is complete, the department shall notify the  
24 applicant and provide notice to the public.”.
