43 ment for other medical conditions. The following apply to coverage for chemical dependency and for
44 mental or nervous conditions:

45 (1) As used in this section:

1 (a) "Chemical dependency" means the addictive relationship with any drug or alcohol charac-

22 Deductibles and coinsurance for treatment in health care facilities or residential programs or facil-

24 of other medical conditions. Deductibles and coinsurance for outpatient treatment may not be
25 greater than those under the policy for expenses of outpatient treatment of other medical conditions.

26 (3) The coverage may not be made subject to treatment limitations, limits on total payments for
27 treatment, limits on duration of treatment or financial requirements unless similar limitations or
28 requirements are imposed on coverage of other medical conditions. The coverage of eligible expenses
29 may be limited to treatment that is medically necessary as determined under the policy for other
30 medical conditions.

5 (6) Payments may not be made under this section for support groups.

6 (7) If specified in the policy, outpatient coverage may include follow-up in-home service or out-
7 patient services. The policy may limit coverage for in-home service to persons who are homebound
8 under the care of a physician.

9 (8) Nothing in this section prohibits a group health insurer from managing the provision of
10 benefits through common methods, including but not limited to selectively contracted panels, health
11 plan benefit differential designs, preadmission screening, prior authorization of services, utilization
12 review or other mechanisms designed to limit eligible expenses to those described in subsection (3)
13 of this section.

14 (9) The Legislative Assembly has found that health care cost containment is necessary and in-
15 tends to encourage insurance policies designed to achieve cost containment by ensuring that re-
16 imbursement is limited to appropriate utilization under criteria incorporated into such policies,
17 either directly or by reference.

18 (10)(a) Subject to the patient or client confidentiality provisions of ORS 40.235 relating to phy-

31 **Board of Licensed Social Workers**, in accordance with standards of the National Committee for
32 Quality Assurance or Medicare review standards of the Centers for Medicare and Medicaid Ser-
33 vices.

34 (d) Review may involve prior approval, concurrent review of the continuation of treatment,
35 post-treatment review or any combination of these. However, if prior approval is required, provision
36 shall be made to allow for payment of urgent or emergency admissions, subject to subsequent re-
37 view. If prior approval is not required, group health insurers shall permit providers, policyholders
38 or persons acting on their behalf to make advance inquiries regarding the appropriateness of a
39 particular admission to a treatment program. Group health insurers shall provide a timely response
40 to such inquiries. Noncontracting providers must cooperate with these procedures to the same ex-
41 tent as contracting providers to be eligible for reimbursement.

42 (11) Health maintenance organizations may limit the receipt of covered services by enrollees to
43 services provided by or upon referral by providers contracting with the health maintenance organ-
44 ization. Health maintenance organizations and health care service contractors may create substan-
45 tive plan benefit and reimbursement differentials at the same level as, and subject to limitations no

1 more restrictive than, those imposed on coverage or reimbursement of expenses arising out of other
2 medical conditions and apply them to contracting and noncontracting providers.

3 (12) Nothing in this section prevents a group health insurer from contracting with providers of

5 743.531 or 750.005, subject to the following conditions:

6 (a) A group health insurer is not required to contract with all eligible providers.

7 (b) An insurer or health care service contractor shall, subject to subsections (2) and (3) of this
8 section, pay benefits toward the covered charges of noncontracting providers of services for the
9 treatment of chemical dependency or mental or nervous conditions. The insured shall, subject to
10 subsections (2) and (3) of this section, have the right to use the services of a noncontracting provider
11 of services for the treatment of chemical dependency or mental or nervous conditions, whether or
12 not the services for chemical dependency or mental or nervous conditions are provided by con-
13 tracting or noncontracting providers.

14 (13) The intent of the Legislative Assembly in adopting this section is to reserve benefits for
15 different types of care to encourage cost effective care and to ensure continuing access to levels
16 of care most appropriate for the insured's condition and progress.

17 (14) The Director of the Department of Consumer and Business Services, after notice and hear-
18 ing, may adopt reasonable rules not inconsistent with this section that are considered necessary for
19 the proper administration of these provisions.
