

# Senate Bill 292

Printed pursuant to Senate Interim Rule 213.28 by order of the President of the Senate in conformance with pre-session filing rules, indicating neither advocacy nor opposition on the part of the President (at the request of Senate Interim Committee on Judiciary for Bicycle Transportation Alliance)

## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Increases allocation of State Highway Fund moneys for footpaths and bicycle trails.

## A BILL FOR AN ACT

1  
2 Relating to use of State Highway Fund moneys; amending ORS 366.514.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 366.514 is amended to read:

5 366.514. (1) Out of the funds received by the Department of Transportation or by any county or  
6 city from the State Highway Fund reasonable amounts shall be expended as necessary to provide  
7 footpaths and bicycle trails, including curb cuts or ramps as part of the project. Footpaths and bi-  
8 cycle trails, including curb cuts or ramps as part of the project, shall be provided wherever a  
9 highway, road or street is being constructed, reconstructed or relocated. Funds received from the  
10 State Highway Fund may also be expended to maintain footpaths and trails and to provide footpaths  
11 and trails along other highways, roads and streets.

12 (2) Footpaths and trails are not required to be established under subsection (1) of this section:

13 (a) Where the establishment of such paths and trails would be contrary to public safety;

14 (b) If the cost of establishing such paths and trails would be excessively disproportionate to the  
15 need or probable use; or

16 (c) Where sparsity of population, other available ways or other factors indicate an absence of  
17 any need for such paths and trails.

18 (3) The amount expended by the department or by a city or county as required or permitted by  
19 this section shall never in any one fiscal year be less than *[one]* **two** percent of the total amount  
20 of the funds received from the highway fund. However:

21 (a) This subsection does not apply to a city in any year in which the *[one]* **two** percent equals  
22 \$250 or less, or to a county in any year in which the *[one]* **two** percent equals \$1,500 or less.

23 (b) A city or county in lieu of expending the funds each year may credit the funds to a financial  
24 reserve fund in accordance with ORS 294.525, to be held for not more than 10 years, and to be ex-  
25 pended for the purposes required or permitted by this section.

26 (c) For purposes of computing amounts expended during a fiscal year under this subsection, the  
27 department, a city or county may record the money as expended:

28 (A) On the date actual construction of the facility is commenced if the facility is constructed  
29 by the city, county or department itself; or

30 (B) On the date a contract for the construction of the facilities is entered with a private con-  
31 tractor or with any other governmental body.

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 (4) For the purposes of this chapter, the establishment of paths, trails and curb cuts or ramps  
2 and the expenditure of funds as authorized by this section are for highway, road and street purposes.  
3 The department shall, when requested, provide technical assistance and advice to cities and counties  
4 in carrying out the purpose of this section. The department shall recommend construction standards  
5 for footpaths and bicycle trails. Curb cuts or ramps shall comply with the requirements of ORS  
6 447.310 and rules adopted under ORS 447.231. The department shall, in the manner prescribed for  
7 marking highways under ORS 810.200, provide a uniform system of signing footpaths and bicycle  
8 trails which shall apply to paths and trails under the jurisdiction of the department and cities and  
9 counties. The department and cities and counties may restrict the use of footpaths and bicycle trails  
10 under their respective jurisdictions to pedestrians and nonmotorized vehicles, except that motorized  
11 wheelchairs shall be allowed to use footpaths and bicycle trails.

12 (5) As used in this section, "bicycle trail" means a publicly owned and maintained lane or way  
13 designated and signed for use as a bicycle route.
