(b) The Interstate Commission shall consist of commissioners selected and appointed by each state. In addition to the commissioners who are the voting representatives of each state, the Interstate Commission shall include individuals who are not commissioners but who are members of interested organizations. Such noncommissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general and crime victims. All noncommissioner members of the Interstate Commission shall be nonvoting members. The Interstate Commission may provide in its bylaws for such additional nonvoting members as it deems necessary.

The executive committee shall have the power to act on behalf of the Interstate Commission during periods when the Interstate Commission is not in session, with the exception of rulemaking or amendment to the compact. The executive committee oversees the day-to-day activities managed by the executive director and Interstate Commission staff, administers enforcement and compliance with the provisions of the compact, its bylaws and rules and as directed by the Interstate Commission and performs other duties as directed by the Interstate Commission or as set forth in the bylaws and rules.

ARTICLE IV THE COMPACT ADMINISTRATOR AND STATE COUNCIL

(a) The Director of the Department of Corrections, or the director's designee, shall serve as the Compact Administrator for the State of Oregon and as Oregon's commissioner to the Interstate Commission.

ARTICLE VI ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION

(a) The Interstate Commission shall, by a majority of the members, within 12 months of the first Interstate Commission meeting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact, including, but not limited to:

(1) Establishing the fiscal year of the Interstate Commission.

Notwithstanding any civil service laws or other similar laws of any compacting state, the bylaws shall exclusively govern the personnel policies and programs of the Interstate Commission.

(7) Providing a mechanism for winding up the operations of the Interstate Commission and the equitable return of any surplus funds that may exist upon the termination of the compact after the payment or reserving of all of the Interstate Commission's debts and obligations.

(8) Providing transition rules for start-up administration of the compact.

(9) Establishing standards and procedures for compliance and technical assistance in carrying out the compact.

(b)(1) The Interstate Commission shall, by a majority of the members, elect from among its members a chairperson and a vice chairperson, each of whom shall have such authorities and duties as may be specified in the bylaws. The chairperson, or in the chairperson's absence or disability, the vice chairperson, shall preside at all meetings of the Interstate Commission. The officers so elected shall serve without compensation or remuneration from the Interstate Commission, provided that, subject to the availability of budgeted funds, the officers shall be reimbursed for any actual and necessary costs and expenses incurred by them in the performance of their duties and responsibilities as officers of the Interstate Commission.

(2) The Interstate Commission shall, through its executive committee, appoint or retain an executive director for such period, upon such terms and conditions and for such compensation as the Interstate Commission may deem appropriate. The executive director shall serve as secretary to the Interstate Commission and shall hire and supervise other staff as may be authorized by the Interstate Commission, but shall not be a member of the Interstate Commission.

(c) The Interstate Commission shall maintain its corporate books and records in accordance with the bylaws.

(d)(1) The liability of any member, officer, executive director, employee or agent of the Interstate Commission acting within the scope of the person's employment or duties for acts, errors or omissions occurring within Oregon may not exceed the limits set forth in ORS [30.270] **30.260 to 30.300**. Nothing in this subsection shall be construed to protect any such person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of any such person.

(2) Subject to approval by the Attorney General under ORS chapter 180, the Interstate Commission shall defend the commissioner of a compacting state, the commissioner's representatives or employees or the Interstate Commission's representatives or employees in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of Interstate Commission employment, duties or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from intentional wrongdoing on the part of such person.

(3) The Interstate Commission shall indemnify and hold the commissioner of a compacting state, the appointed representatives or employees, or the Interstate Commission's representatives or employees, harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error or omission that occurred within the scope of Interstate Commission employment, duties or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from intentional wrongdoing on the part of such persons.

ARTICLE VII
ACTIVITIES OF
THE INTERSTATE COMMISSION

(a) The Interstate Commission shall meet and take such actions as are consistent with the provisions of this compact.

(b) Except as otherwise provided in this compact and unless a greater percentage is required under the bylaws, in order to constitute an act of the Interstate Commission, such act shall have been taken at a meeting of the Interstate Commission and shall have received an affirmative vote of a majority of the members present.

(c) Each member of the Interstate Commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the Interstate Commission. A member shall vote in person on behalf of the compacting state and shall not delegate a vote to another compacting state. However, the Director of the Department of Corrections may designate another individual, in the absence of the director, to cast a vote on behalf of the director at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone or other means of telecommunication or electronic communication shall be subject to the same quorum requirements of meetings where members are present in person.

(d) The Interstate Commission shall meet at least once during each calendar year. The chairperson of the Interstate Commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

(e) The Interstate Commission's bylaws shall establish conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure any information or official records to the extent the information or records would adversely affect personal privacy rights or proprietary interests. In promulgating such rules, the Interstate Commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(f) Public notice shall be given of all meetings, and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission shall promulgate rules consistent with the principles contained in the Government in the Sunshine Act, 5 U.S.C. 552, as amended. The Interstate Commission and any of its committees may close a meeting to the public when the Interstate Commission determines by two-thirds vote that an open meeting would be likely to:

- (1) Relate solely to the Interstate Commission's internal personnel practices and procedures;
- (2) Disclose matters specifically exempted from disclosure by statute;
- (3) Disclose trade secrets or commercial or financial information that is privileged or confidential;
- (4) Involve accusing any person of a crime or formally censuring any person;
- (5) Disclose information of a personal nature when such disclosure would constitute a clearly unwarranted invasion of personal privacy;
- (6) Disclose investigatory records compiled for law enforcement purposes;
- (7) Disclose information contained in or related to examination, operating or condition reports prepared by, or on behalf of or for the use of, the Interstate Commission with respect to a regulated entity for the purpose of regulation or supervision of such entity;
- (8) Disclose information when such premature disclosure would significantly endanger the life of a person or the stability of a regulated entity; or
- (9) Specifically relate to the Interstate Commission's issuance of a subpoena or its participation in a civil action or proceeding.

(g) For every meeting closed pursuant to subsection (f) of this Article, the Interstate Commission's chief legal officer shall publicly certify that, in the officer's opinion, the meeting may be closed to the public and shall make reference to each relevant provision authorizing closure of the meeting. The Interstate Commission shall keep minutes that fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any action taken, and

the reasons therefor, including a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(h) The Interstate Commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules that specify the data to be collected, the means of collection and data exchange and reporting requirements.

ARTICLE VIII
RULEMAKING FUNCTIONS
OF THE INTERSTATE COMMISSION

(a) The Interstate Commission shall promulgate rules in order to effectively and efficiently achieve the purposes of the compact, including transition rules governing administration of the compact during the period in which it is being considered and enacted by the states.

(b) Rulemaking shall occur pursuant to the criteria set forth in this Article and the bylaws and rules adopted pursuant thereto. Such rulemaking shall substantially conform to the principles of the federal Administrative Procedure Act, 5 U.S.C. 551 et seq., and the Federal Advisory Committee Act, 5 U.S.C. Appendix 2, section 1 et seq., as amended. All rules and amendments shall become binding as of the date specified in each rule or amendment.

(c) If a majority of the legislatures of the compacting states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

(d) When promulgating a rule, the Interstate Commission shall:

(1) Publish the proposed rule, stating with particularity the text of the rule that is proposed and the reason for the proposed rule;

(2) Allow persons to submit written data, facts, opinions and arguments, which information shall be publicly available;

(3) Provide an opportunity for an informal hearing; and

(4) Promulgate a final rule and its effective date, if appropriate, based on the rulemaking record. Not later than 60 days after a rule is promulgated, any interested person may file a petition in the United States District Court for the District of Columbia or in the federal district court where the Interstate Commission's principal office is located for judicial review of the rule. If the court finds that the Interstate Commission's action is not supported by substantial evidence in the rulemaking record, the court shall hold the rule unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the federal Administrative Procedure Act, 5 U.S.C. 551 et seq., and the Federal Advisory Committee Act, 5 U.S.C. Appendix 2, section 1 et seq., as amended.

(e) Rules related to the following subjects must be addressed within 12 months after the first meeting of the Interstate Commission:

(1) Notice to victims and opportunity to be heard;

(2) Offender registration and compliance;

(3) Violations and returns;

(4) Transfer procedures and forms;

(5) Eligibility for transfer;

(6) Collection of restitution and fees from offenders;

(7) Data collection and reporting;

(8) The level of supervision to be provided by the receiving state;

(9) Transition rules governing the operation of the compact and the Interstate Commission during all or part of the period between the effective date of the compact and the date on which the last eligible state adopts the compact; and

(10) Mediation, arbitration and dispute resolution.

(f) The existing rules governing the operation of the previous compact superseded by this compact shall be null and void 12 months after the first meeting of the Interstate Commission created under this compact.

(g) Upon determination by the Interstate Commission that an emergency exists, the Interstate Commission may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rulemaking procedures provided in this Article shall be retroactively applied to said rule as soon as reasonably possible, but no later than 90 days after the effective date of the rule.

ARTICLE IX
OVERSIGHT, ENFORCEMENT AND
DISPUTE RESOLUTION
BY THE INTERSTATE COMMISSION

(a)(1) The Interstate Commission shall oversee the Interstate movement of adult offenders in the compacting states and shall monitor such activities being administered in noncompacting states that may significantly affect compacting states.

(2) The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact that may affect the powers, responsibilities or actions of the Interstate Commission, the Interstate Commission shall be entitled to receive all service of process in any such proceeding and shall have standing to intervene in the proceeding for all purposes.

(b)(1) The compacting states shall report to the Interstate Commission on issues or activities of concern to them and cooperate with and support the Interstate Commission in the discharge of its duties and responsibilities.

(2) The Interstate Commission shall attempt to resolve any disputes or other issues that are subject to the compact and that may arise among compacting states and noncompacting states. The Interstate Commission shall enact a bylaw or promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

(c) The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact using any or all means set forth in Article XII (b) of this compact.

ARTICLE X
FINANCE

(a) The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization and ongoing activities.

(b) The Interstate Commission shall levy on and collect an annual assessment from each compacting state to cover the cost of the internal operations and activities of the Interstate Commission and its staff, which must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, taking into consideration the population of the state and the volume of interstate movement of offenders in each compacting state. The Interstate Commission shall promulgate a rule binding upon all compacting states that governs said assessment.

(c) The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same, nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(d) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds

handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

(e)(1) The Interstate Compact for Adult Offender Supervision Fund is established, separate and distinct from the General Fund. All moneys in the fund are continuously appropriated to the Department of Corrections to be used for the purposes of meeting financial obligations imposed on the State of Oregon as a result of the state's participation in this compact.

(2) An assessment levied or any other financial obligation imposed under this compact is effective against the State of Oregon only to the extent that moneys to pay the assessment or meet the financial obligation have been appropriated and deposited in the fund established in paragraph (1) of this subsection.

ARTICLE XI COMPACTING STATES, EFFECTIVE DATE AND AMENDMENT

(a) Any state, as defined in Article II of this compact, is eligible to become a compacting state.

(b) The compact shall become effective and binding upon legislative enactment of the compact into law by no fewer than 35 of the states. The initial effective date shall be the later of July 1, 2001, or upon enactment into law by the 35th jurisdiction. Thereafter, the compact shall become effective and binding, as to any other compacting state, upon enactment of the compact into law by that state. The governors of noncompacting states or their designees may be invited to participate in Interstate Commission activities on a non-voting basis prior to adoption of the compact by all states.

(c) Amendments to the compact may be proposed by the Interstate Commission for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

ARTICLE XII WITHDRAWAL, DEFAULT, TERMINATION AND JUDICIAL ENFORCEMENT

(a)(1) Once effective, the compact shall continue in force and remain binding upon each and every compacting state, provided that a compacting state may withdraw from the compact by specifically repealing the statute that enacted the compact into law.

(2) The effective date of withdrawal is the effective date of the repeal of the statute that enacted the compact into law.

(3) The withdrawing state shall immediately notify the chairperson of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt thereof.

(4) The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

(5) Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the Interstate Commission.

(b)(1) If the Interstate Commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this compact or the bylaws or rules of the Interstate Commission, the Interstate Commission may impose any or all of the following penalties:

(i) Fines, fees and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;

(ii) Remedial training and technical assistance as directed by the Interstate Commission;

(iii) Suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the Interstate Commission to the governor, the chief justice or chief judicial officer of the defaulting state; the majority and minority leaders of the defaulting state's legislature, and the state council.

(2) The grounds for default include, but are not limited to, failure of a compacting state to perform obligations or responsibilities imposed upon it by this compact or the Interstate Commission bylaws or rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the Interstate Commission on the defaulting state pending a cure of the default. The Interstate Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Interstate Commission, in addition to any other penalties imposed, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of suspension. Within 60 days of the effective date of termination of a defaulting state, the Interstate Commission shall notify the governor, the chief justice or chief judicial officer of the defaulting state, the majority and minority leaders of the defaulting state's legislature and the State Council of such termination.

(3) The defaulting state is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including any obligations, the performance of which extend beyond the effective date of termination.

(4) The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the Interstate Commission and the defaulting state. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

(c) The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district court where the Interstate Commission has its principal office to enforce compliance with the provisions of the compact, its rules or bylaws against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

(d)(1) The compact dissolves effective upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one compacting state.

(2) Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be wound up and any surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XIII SEVERABILITY AND CONSTRUCTION

(a) The provisions of this compact shall be severable, and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

(b) The provisions of this compact shall be liberally construed to effectuate its purposes.

ARTICLE XIV BINDING EFFECT OF COMPACT AND OTHER LAWS

(a)(1) Nothing in this compact prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

(2) The laws of the State of Oregon, other than the Oregon Constitution, that conflict with this compact are superseded to the extent of the conflict.

(b)(1) All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the State of Oregon unless contrary to the Oregon Constitution.

(2) All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

(3) Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning or interpretation.

(4) In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective and such obligations, duties, powers or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers or jurisdiction are delegated by law in effect at the time this compact becomes effective.

(c) The State of Oregon is bound by the bylaws and rules promulgated under this compact only to the extent that the operation of the bylaws and rules does not impose an obligation exceeding any limitation on state power or authority contained in the Oregon Constitution as interpreted by the state courts of Oregon.

SECTION 14. ORS 742.502 is amended to read:

742.502. (1) Every motor vehicle liability policy insuring against loss suffered by any natural person resulting from liability imposed by law for bodily injury or death arising out of the ownership, maintenance or use of a motor vehicle shall provide in the policy or by indorsement on the policy uninsured motorist coverage when the policy is either:

(a) Issued for delivery in this state; or

(b) Issued or delivered by an insurer doing business in this state with respect to any motor vehicle then principally used or principally garaged in this state.

(2)(a) A motor vehicle bodily injury liability policy shall have the same limits for uninsured motorist coverage as for bodily injury liability coverage unless a named insured in writing elects lower limits. The insured may not elect limits lower than the amounts prescribed to meet the requirements of ORS 806.070 for bodily injury or death. Uninsured motorist coverage shall include underinsurance coverage for bodily injury or death caused by accident and arising out of the ownership, maintenance or use of a motor vehicle with motor vehicle liability insurance that provides recovery in an amount that is less than the insured's uninsured motorist coverage. Underinsurance coverage shall be equal to uninsured motorist coverage less the amount recovered from other motor vehicle liability insurance policies.

(b) If a named insured elects lower limits, the named insured shall sign a statement electing lower limits within 60 days of the time the named insured makes the election. The statement shall acknowledge that a named insured was offered uninsured motorist coverage with the limits equal to those for bodily injury liability. The statement shall contain a brief summary, which may not be construed as part of the insurance contract, of what uninsured and underinsured motorist coverages provide and shall state the price for coverage with limits equal to the named insured's bodily injury liability limits and the price for coverage with the lower limits requested by the named insured. The statement shall remain in force until rescinded in writing by a named insured or until the motor vehicle bodily injury liability limits are changed. The form of statement used to comply with this paragraph shall be approved by the Department of Consumer and Business Services.

(c) A statement electing lower limits need not be signed when vehicles are either added to or subtracted from a policy or when the policy is amended, renewed, modified or replaced by the same company or group of companies under common ownership or control unless the liability limits of the policy are changed.

(3) The insurer issuing the policy may offer one or more options of uninsured motorist coverage larger than the amounts prescribed to meet the requirements of ORS 806.070 and in excess of the limits provided under the policy for motor vehicle bodily injury liability insurance. Offers of uninsured motorist coverage shall include underinsurance coverage for bodily injury or death caused by accident and arising out of the ownership, maintenance or use of a motor vehicle with motor vehicle liability insurance that provides recovery in an amount that is less than the insured's uninsured motorist coverage. Underinsurance coverage shall be equal to uninsured motorist coverage less the amount recovered from other motor vehicle liability insurance policies.

(4) Underinsurance coverage is subject to ORS 742.504 and 742.542.

(5) Uninsured motorist coverage and underinsurance coverage shall provide coverage for bodily injury or death when:

(a) The limits for uninsured motorist coverage of the insured equal the limits of the liability policy of the person whose fault caused the bodily injury or death; and

(b) The amount of liability insurance recovered is less than the limits for uninsured motorist coverage of the insured.

(6) Uninsured motorist coverage and underinsurance coverage shall provide coverage for bodily injury or death if the amount recovered from a self-insurer is less than the limits for uninsured motorist coverage of the insured.

(7) As used in this section and except as otherwise provided in this subsection, "amount recovered from other motor vehicle liability insurance policies" means the proceeds of liability insurance or the proceeds received from a public body under ORS [30.270] **30.260 to 30.300** recovered by or on behalf of the injured party. Proceeds recovered on behalf of the injured party include proceeds received by the injured party's insurer as reimbursement for personal injury protection benefits provided to the injured person, proceeds received by the medical providers of the injured person and proceeds received as attorney fees on the claim of the injured person. Where applicable liability insurance policy limits are exhausted upon payment, settlement or judgment by division among two or more injured persons, "amount recovered from other motor vehicle liability insurance policies" means the proceeds that are recovered by or on behalf of the injured person but does not include any proceeds of that liability policy received by other injured persons.

SECTION 15. ORS 742.504 is amended to read:

742.504. Every policy required to provide the coverage specified in ORS 742.502 shall provide uninsured motorist coverage that in each instance is no less favorable in any respect to the insured or the beneficiary than if the following provisions were set forth in the policy. However, nothing contained in this section requires the insurer to reproduce in the policy the particular language of any of the following provisions:

(1)(a) Notwithstanding ORS [30.270] **30.260 to 30.300**, the insurer will pay all sums that the insured, the heirs or the legal representative of the insured is legally entitled to recover as general and special damages from the owner or operator of an uninsured vehicle because of bodily injury sustained by the insured caused by accident and arising out of the ownership, maintenance or use of the uninsured vehicle. Determination as to whether the insured, the insured's heirs or the insured's legal representative is legally entitled to recover such damages, and if so, the amount thereof, shall be made by agreement between the insured and the insurer, or, in the event of disagreement, may be determined by arbitration as provided in subsection (10) of this section.

(b) No judgment against any person or organization alleged to be legally responsible for bodily injury, except for proceedings instituted against the insurer as provided in this policy, shall be conclusive, as between the insured and the insurer, on the issues of liability of the person or organization or of the amount of damages to which the insured is legally entitled.

(2) As used in this policy:

(a) "Bodily injury" means bodily injury, sickness or disease, including death resulting therefrom.

(b) "Hit-and-run vehicle" means a vehicle that causes bodily injury to an insured arising out of physical contact of the vehicle with the insured or with a vehicle the insured is occupying at the time of the accident, provided:

(A) The identity of either the operator or the owner of the hit-and-run vehicle cannot be ascertained;

(B) The insured or someone on behalf of the insured reported the accident within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent department in the state where the accident occurred, and filed with the insurer within 30 days thereafter a statement under oath that the insured or the legal representative of the insured has a cause or causes of action arising out of the accident for damages against a person or persons whose identities are unascertainable, and setting forth the facts in support thereof; and

It shall be a disputable presumption that a vehicle is uninsured in the event the insured and the insurer, after reasonable efforts, fail to discover within 90 days from the date of the accident, the existence of a valid and collectible motor vehicle bodily injury liability insurance applicable at the time of the accident.

(3) This coverage applies only to accidents that occur on and after the effective date of the policy, during the policy period and within the United States of America, its territories or possessions, or Canada.

(4)(a) This coverage does not apply to bodily injury of an insured with respect to which the insured or the legal representative of the insured shall, without the written consent of the insurer, make any settlement with or prosecute to judgment any action against any person or organization who may be legally liable therefor.

(b) This coverage does not apply to bodily injury to an insured while occupying a vehicle, other than an insured vehicle, owned by, or furnished for the regular use of, the named insured or any relative resident in the same household, or through being struck by the vehicle.

(B) The described limits have been offered in settlement, the insurer has refused consent under paragraph (a) of this subsection and the insured protects the insurer's right of subrogation to the claim against the tortfeasor;

(C) The insured gives credit to the insurer for the unrealized portion of the described liability limits as if the full limits had been received if less than the described limits have been offered in settlement, and the insurer has consented under paragraph (a) of this subsection; or

(D) The insured gives credit to the insurer for the unrealized portion of the described liability limits as if the full limits had been received if less than the described limits have been offered in settlement and, if the insurer has refused consent under paragraph (a) of this subsection, the insured protects the insurer's right of subrogation to the claim against the tortfeasor.

(e) When seeking consent under paragraph (a) or (d) of this subsection, the insured shall allow the insurer a reasonable time in which to collect and evaluate information related to consent to the proposed offer of settlement. The insured shall provide promptly to the insurer any information that is reasonably requested by the insurer and that is within the custody and control of the insured. Consent will be presumed to be given if the insurer does not respond within a reasonable time. For purposes of this paragraph, a "reasonable time" is no more than 30 days from the insurer's receipt of a written request for consent, unless the insured and the insurer agree otherwise.

(5)(a) As soon as practicable, the insured or other person making claim shall give to the insurer written proof of claim, under oath if required, including full particulars of the nature and extent of the injuries, treatment and other details entering into the determination of the amount payable hereunder. The insured and every other person making claim hereunder shall submit to examinations under oath by any person named by the insurer and subscribe the same, as often as may reasonably be required. Proof of claim shall be made upon forms furnished by the insurer unless the insurer fails to furnish the forms within 15 days after receiving notice of claim.

(b) Upon reasonable request of and at the expense of the insurer, the injured person shall submit to physical examinations by physicians selected by the insurer and shall, upon each request from the insurer, execute authorization to enable the insurer to obtain medical reports and copies of records.

(6) If, before the insurer makes payment of loss hereunder, the insured or the legal representative of the insured institutes any legal action for bodily injury against any person or organization

legally responsible for the use of a vehicle involved in the accident, a copy of the summons and complaint or other process served in connection with the legal action shall be forwarded immediately to the insurer by the insured or the legal representative of the insured.

(7)(a) The limit of liability stated in the declarations as applicable to "each person" is the limit of the insurer's liability for all damages because of bodily injury sustained by one person as the result of any one accident and, subject to the above provision respecting each person, the limit of liability stated in the declarations as applicable to "each accident" is the total limit of the company's liability for all damages because of bodily injury sustained by two or more persons as the result of any one accident.

(b) Any payment made under this coverage to or for an insured shall be applied in reduction of any amount that the insured may be entitled to recover from any person who is an insured under the bodily injury liability coverage of this policy.

(c) Any amount payable under the terms of this coverage because of bodily injury sustained in an accident by a person who is an insured under this coverage shall be reduced by:

If liability proceeds have been offered and not paid, the amount payable under the terms of the coverage shall include the amount of liability limits offered but not accepted due to the insurer's refusal to consent. The insured shall cooperate so as to permit the insurer to proceed by subrogation or assignment to prosecute the claim against the uninsured motorist.

(8) No action shall lie against the insurer unless, as a condition precedent thereto, the insured or the legal representative of the insured has fully complied with all the terms of this policy.

(9)(a) With respect to bodily injury to an insured:

(A) While occupying a vehicle owned by a named insured under this coverage, the insurance under this coverage is primary.

(B) While occupying a vehicle not owned by a named insured under this coverage, the insurance under this coverage shall apply only as excess insurance over any primary insurance available to the occupant that is similar to this coverage, and this excess insurance shall then apply only in the amount by which the applicable limit of liability of this excess coverage exceeds the sum of the applicable limits of liability of all primary insurance available to the occupant.

(b) If an insured is an insured under other primary or excess insurance available to the insured that is similar to this coverage, then the insured's damages are deemed not to exceed the higher of the applicable limits of liability of this insurance or the additional primary or excess insurance available to the insured, and the insurer is not liable under this coverage for a greater proportion of the insured's damages than the applicable limit of liability of this coverage bears to the sum of the applicable limits of liability of this insurance and other primary or excess insurance available to the insured.

(c) With respect to bodily injury to an insured while occupying any motor vehicle used as a public or livery conveyance, the insurance under this coverage shall apply only as excess insurance over any other insurance available to the insured that is similar to this coverage, and this insurance shall then apply only in the amount by which the applicable limit of liability of this coverage exceeds the sum of the applicable limits of liability of all other insurance.

(10) If any person making claim hereunder and the insurer do not agree that the person is legally entitled to recover damages from the owner or operator of an uninsured vehicle because of bodily injury to the insured, or do not agree as to the amount of payment that may be owing under this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time of the dispute to settle the matter by arbitration, the arbitration shall take place as described in section 2, chapter 328, Oregon Laws 2007. Any judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration proceeding do not exceed \$100 and that all other costs of arbitration are borne by the insurer. "Costs" as used in this provision does not include attorney fees or expenses incurred in the production of evidence or witnesses or the making of transcripts of the arbitration proceedings. The person and the insurer each agree to consider themselves bound and to be bound by any award made by the arbitrators pursuant to this coverage in the event of such election. At the election of the insured, the arbitration shall be held:

(a) In the county and state of residence of the insured;

(b) In the county and state where the insured's cause of action against the uninsured motorist arose; or

(c) At any other place mutually agreed upon by the insured and the insurer.

(11) In the event of payment to any person under this coverage:

(a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of the person against any uninsured motorist legally responsible for the bodily injury because of which payment is made;

(b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the person shall have against such other uninsured person or organization because of the damages that are the subject of claim made under this coverage, but only to the extent that the claim is made or paid herein;

(c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one or more of whom is uninsured, the insured shall have the election to receive from the insurer any payment to which the insured would be entitled under this coverage by reason of the act or acts of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with legal action against any or all persons claimed to be liable to the insured for the injuries. If the insured elects to receive payment from the insurer under this coverage, then the insured shall hold in trust for the benefit of the insurer all rights of recovery the insured shall have against any other person, firm or organization because of the damages that are the subject of claim made under this coverage, but only to the extent of the actual payment made by the insurer;

(d) The person shall do whatever is proper to secure and shall do nothing after loss to prejudice such rights;

(e) If requested in writing by the insurer, the person shall take, through any representative not in conflict in interest with the person, designated by the insurer, such action as may be necessary or appropriate to recover payment as damages from such other uninsured person or organization, such action to be taken in the name of the person, but only to the extent of the payment made hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for expenses, costs and attorney fees incurred by the insurer in connection therewith; and

(f) The person shall execute and deliver to the insurer any instruments and papers as may be appropriate to secure the rights and obligations of the person and the insurer established by this provision.

(12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured under this coverage unless within two years from the date of the accident:

(A) Agreement as to the amount due under the policy has been concluded;

(B) The insured or the insurer has formally instituted arbitration proceedings;

(C) The insured has filed an action against the insurer; or

(D) Suit for bodily injury has been filed against the uninsured motorist and, within two years from the date of settlement or final judgment against the uninsured motorist, the insured has formally instituted arbitration proceedings or filed an action against the insurer.

(b) For purposes of this subsection:

(A) "Date of settlement" means the date on which a written settlement agreement or release is signed by an insured or, in the absence of these documents, the date on which the insured or the attorney for the insured receives payment of any sum required by the settlement agreement. An advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for purposes of the time limitation in this subsection.

(B) "Final judgment" means a judgment that has become final by lapse of time for appeal or by entry in an appellate court of an appellate judgment.

Determination as to whether the insured, the insured's heirs or the insured's legal representative is legally entitled to recover such damages, and if so, the amount thereof, shall be made by agreement between the insured and the insurer, or, in the event of disagreement, may be determined by arbitration as provided in subsection (10) of this section.

(b) No judgment against any person or organization alleged to be legally responsible for bodily injury, except for proceedings instituted against the insurer as provided in this policy, shall be conclusive, as between the insured and the insurer, on the issues of liability of the person or organization or of the amount of damages to which the insured is legally entitled.

(9)(a) With respect to bodily injury to an insured:

(A) While occupying a vehicle owned by a named insured under this coverage, the insurance under this coverage is primary.

(B) While occupying a vehicle not owned by a named insured under this coverage, the insurance under this coverage shall apply only as excess insurance over any primary insurance available to the occupant that is similar to this coverage, and this excess insurance shall then apply only in the amount by which the applicable limit of liability of this excess coverage exceeds the sum of the applicable limits of liability of all primary insurance available to the occupant.

(b) If an insured is an insured under other primary or excess insurance available to the insured that is similar to this coverage, then the insured's damages are deemed not to exceed the higher of the applicable limits of liability of this insurance or the additional primary or excess insurance available to the insured, and the insurer is not liable under this coverage for a greater proportion of the insured's damages than the applicable limit of liability of this coverage bears to the sum of the applicable limits of liability of this insurance and other primary or excess insurance available to the insured.

(c) With respect to bodily injury to an insured while occupying any motor vehicle used as a public or livery conveyance, the insurance under this coverage shall apply only as excess insurance over any other insurance available to the insured that is similar to this coverage, and this insurance shall then apply only in the amount by which the applicable limit of liability of this coverage exceeds the sum of the applicable limits of liability of all other insurance.

(10) If any person making claim hereunder and the insurer do not agree that the person is legally entitled to recover damages from the owner or operator of an uninsured vehicle because of bodily injury to the insured, or do not agree as to the amount of payment that may be owing under this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time of the dispute to settle the matter by arbitration, the arbitration shall take place under the arbitration laws of the State of Oregon or, if the parties agree, according to any other procedure. Any judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration proceeding do not exceed \$100 and that all other costs of arbitration are borne by the insurer. "Costs" as used in this provision does not include attorney fees or expenses incurred in the production of evidence or witnesses or the making of transcripts of the arbitration proceedings. The person and the insurer each agree to consider themselves bound and to be bound by any award made by the arbitrators pursuant to this coverage in the event of such election. At the election of the insured, the arbitration shall be held:

(a) In the county and state of residence of the insured;

(b) In the county and state where the insured's cause of action against the uninsured motorist arose; or

(c) At any other place mutually agreed upon by the insured and the insurer.

(11) In the event of payment to any person under this coverage:

(a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of the person against any uninsured motorist legally responsible for the bodily injury because of which payment is made;

(b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the person shall have against such other uninsured person or organization because of the damages that

are the subject of claim made under this coverage, but only to the extent that the claim is made or paid herein;

(c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one or more of whom is uninsured, the insured shall have the election to receive from the insurer any payment to which the insured would be entitled under this coverage by reason of the act or acts of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with legal action against any or all persons claimed to be liable to the insured for the injuries. If the insured elects to receive payment from the insurer under this coverage, then the insured shall hold in trust for the benefit of the insurer all rights of recovery the insured shall have against any other person, firm or organization because of the damages that are the subject of claim made under this coverage, but only to the extent of the actual payment made by the insurer;

(d) The person shall do whatever is proper to secure and shall do nothing after loss to prejudice such rights;

(e) If requested in writing by the insurer, the person shall take, through any representative not in conflict in interest with the person, designated by the insurer, such action as may be necessary or appropriate to recover payment as damages from such other uninsured person or organization, such action to be taken in the name of the person, but only to the extent of the payment made hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for expenses, costs and attorney fees incurred by the insurer in connection therewith; and

(f) The person shall execute and deliver to the insurer any instruments and papers as may be appropriate to secure the rights and obligations of the person and the insurer established by this provision.

(12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured under this coverage unless within two years from the date of the accident:

(A) Agreement as to the amount due under the policy has been concluded;

(B) The insured or the insurer has formally instituted arbitration proceedings;

(C) The insured has filed an action against the insurer; or

(D) Suit for bodily injury has been filed against the uninsured motorist and, within two years from the date of settlement or final judgment against the uninsured motorist, the insured has formally instituted arbitration proceedings or filed an action against the insurer.

(b) For purposes of this subsection:

(A) "Date of settlement" means the date on which a written settlement agreement or release is signed by an insured or, in the absence of these documents, the date on which the insured or the attorney for the insured receives payment of any sum required by the settlement agreement. An advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for purposes of the time limitation in this subsection.

(B) "Final judgment" means a judgment that has become final by lapse of time for appeal or by entry in an appellate court of an appellate judgment.

SECTION 17. ORS 30.261 is amended to read:

30.261. A private, nonprofit organization described under ORS 30.260 [(4)(f)] **(4)(d)** is subject to ORS 30.260 to 30.300 only for the purposes of providing public transportation services.

SECTION 18. ORS 30.275 is amended to read:

30.275. (1) No action arising from any act or omission of a public body or an officer, employee or agent of a public body within the scope of ORS 30.260 to 30.300 shall be maintained unless notice of claim is given as required by this section.

(2) Notice of claim shall be given within the following applicable period of time, not including the period, not exceeding 90 days, during which the person injured is unable to give the notice because of the injury or because of minority, incompetency or other incapacity:

(a) For wrongful death, within one year after the alleged loss or injury.

(b) For all other claims, within 180 days after the alleged loss or injury.

(3) Notice of claim required by this section is satisfied by:

(a) Formal notice of claim as provided in subsections (4) and (5) of this section;

(b) Actual notice of claim as provided in subsection (6) of this section;
(c) Commencement of an action on the claim by or on behalf of the claimant within the applicable period of time provided in subsection (2) of this section; or

(d) Payment of all or any part of the claim by or on behalf of the public body at any time.

(4) Formal notice of claim is a written communication from a claimant or representative of a claimant containing:

(a) A statement that a claim for damages is or will be asserted against the public body or an officer, employee or agent of the public body;

(b) A description of the time, place and circumstances giving rise to the claim, so far as known to the claimant; and

(c) The name of the claimant and the mailing address to which correspondence concerning the claim may be sent.

(5) Formal notice of claim shall be given by mail or personal delivery:

(a) If the claim is against the state or an officer, employee or agent thereof, to the office of the Director of the Oregon Department of Administrative Services.

(b) If the claim is against a local public body or an officer, employee or agent thereof, to the public body at its principal administrative office, to any member of the governing body of the public body, or to an attorney designated by the governing body as its general counsel.

(6) Actual notice of claim is any communication by which any individual to whom notice may be given as provided in subsection (5) of this section or any person responsible for administering tort claims on behalf of the public body acquires actual knowledge of the time, place and circumstances giving rise to the claim, where the communication is such that a reasonable person would conclude that a particular person intends to assert a claim against the public body or an officer, employee or agent of the public body. A person responsible for administering tort claims on behalf of a public body is a person who, acting within the scope of the person's responsibility, as an officer, employee or agent of a public body or as an employee or agent of an insurance carrier insuring the public body for risks within the scope of ORS 30.260 to 30.300, engages in investigation, negotiation, adjustment or defense of claims within the scope of ORS 30.260 to 30.300, or in furnishing or accepting forms for claimants to provide claim information, or in supervising any of those activities.

(7) In an action arising from any act or omission of a public body or an officer, employee or agent of a public body within the scope of ORS 30.260 to 30.300, the plaintiff has the burden of proving that notice of claim was given as required by this section.

(8) The requirement that a notice of claim be given under subsections (1) to (7) of this section does not apply if:

(a)(A) The claimant was under the age of 18 years when the acts or omissions giving rise to a claim occurred;

(B) The claim is against the Department of Human Services or the Oregon Youth Authority; and

(C) The claimant was in the custody of the Department of Human Services pursuant to an order of a juvenile court under ORS 419B.150, 419B.185, 419B.337 or 419B.527, or was in the custody of the Oregon Youth Authority under the provisions of ORS 419C.478, 420.011 or 420A.040, when the acts or omissions giving rise to a claim occurred.

(b) The claim is against a private, nonprofit organization that provides public transportation services described under ORS 30.260 [(4)(f)] (4)(d).

(9) Except as provided in ORS 12.120, 12.135 and 659A.875, but notwithstanding any other provision of ORS chapter 12 or other statute providing a limitation on the commencement of an action, an action arising from any act or omission of a public body or an officer, employee or agent of a public body within the scope of ORS 30.260 to 30.300 shall be commenced within two years after the alleged loss or injury.

SECTION 19. ORS 30.282 is amended to read:

30.282. (1) The governing body of any local public body may procure insurance against:

(a) Tort liability of the public body and its officers, employees and agents acting within the scope of their employment or duties; or

(b) Property damage.

(2) In addition to, or in lieu of procuring insurance, the governing body may establish a self-insurance program against the tort liability of the public body and its officers, employees and agents or against property damage. If the public body has authority to levy taxes, it may include in its levy an amount sufficient to establish and maintain a self-insurance program on an actuarially sound basis.

(3) Notwithstanding any other provision of law, two or more local public bodies may jointly provide by intergovernmental agreement for anything that subsections (1) and (2) of this section authorize individually.

(4) As an alternative or in addition to establishment of a self-insurance program or purchase of insurance or both, the governing body of any local public body and the Oregon Department of Administrative Services may contract for payment by the public body to the department of assessments determined by the department to be sufficient, on an actuarially sound basis, to cover the potential liability of the public body and its officers, employees or agents acting within the scope of their employment or duties under ORS 30.260 to 30.300, and costs of administration, or to cover any portion of potential liability, and for payment by the department of valid claims against the public body and its officers, employees and agents acting within the scope of their employment or duties. The department may provide the public body evidence of insurance by issuance of a certificate or policy.

(5) Assessments paid to the department under subsection (4) of this section shall be paid into the Insurance Fund created under ORS 278.425, and claims paid and administrative costs incurred under subsection (4) of this section shall be paid out of the Insurance Fund, and moneys in the Insurance Fund are continuously appropriated for those purposes. When notice of any claim is furnished as provided in the agreement, the claim shall be handled and paid, if appropriate, in the same manner as a claim against a state agency, officer, employee or agent, without regard to the amount the local public body has been assessed.

(6) A self-insurance program established by three or more public bodies under subsections (2) and (3) of this section is subject to the following requirements:

(a) The annual contributions to the program must amount in the aggregate to at least \$1 million.

(b) The program must provide documentation that defines program benefits and administration.

(c) Program contributions and reserves must be held in separate accounts and used for the exclusive benefit of the program.

(d) The program must maintain adequate reserves. Reserve adequacy shall be calculated annually with proper actuarial calculations including the following:

(A) Known claims, paid and outstanding;

(B) Estimate of incurred but not reported claims;

(C) Claims handling expenses;

(D) Unearned contributions; and

(E) A claims trend factor.

(e) The program must maintain an unallocated reserve account equal to 25 percent of annual contributions, or \$250,000, whichever is greater. As used in this paragraph, "unallocated reserves" means the amount of funds determined by a licensed independent actuary to be greater than what is required to fund outstanding claim liabilities, including an estimate of claims incurred but not reported.

(f) The program must make an annual independently audited financial statement available to the participants of the program.

(g) The program must maintain adequate excess or reinsurance against the risk of economic loss.

(h) The program, a third party administrator or an owner of a third party administrator may not collect commissions or fees from an insurer.

(7) A program operated under subsection (6) of this section that fails to meet any of the listed requirements for a period longer than 30 consecutive days shall be dissolved and any unallocated

reserves returned in proportional amounts based on the contributions of the public body to the public bodies that established the program within 90 days of the failure.

(8) A **local** public body [as defined in ORS 30.260 (4)(b), (c) or (d)] may bring an action against a program operated under subsection (6) of this section if the program fails to comply with the requirements listed in subsection (6) of this section.
