CHAPTER

AN ACT

Relating to blackberries; creating new provisions; amending ORS 62.845, 646.535 and 646.740; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Section 2 of this 2009 Act is added to and made a part of ORS chapter 62.

SECTION 2. (1) As used in this section:

(a) "Blackberry" means a bramble of the genus *Rubus* identified by State Department of Agriculture rule as a blackberry.

(b) "Blackberry regulatory program" means the state regulatory program described in subsection (2) of this section that is actively supervised by the Director of Agriculture and that authorizes parties to engage in certain collective bargaining and negotiations to establish the price of blackberries to be produced and sold to dealers in the future.

(c) "Dealer" means:

(A) A dealer as defined in ORS 646.515; or

(B) A licensed food processor that is a cooperative.

(d) "Parties" or "party" means producers, cooperative bargaining associations, cooperatives or dealers that are participants in the blackberry regulatory program.

(2) It is the intent of this section and ORS 646.535 (2) and 646.740 (10) to displace competition with a regulatory program in the Oregon blackberry industry to a limited degree. The regulatory program is intended to grant immunity from federal and state antitrust laws to Oregon blackberry producers and dealers for the limited purpose of allowing the producers and the dealers to bargain collectively and to arrive at a negotiated price for the sale of Oregon blackberries by the producers to the dealers. The activities of any party that comply with this section may not be considered to be in restraint of trade, a conspiracy or combination or any other unlawful activity in violation of any provision of ORS 646.705 to 646.826 or federal antitrust laws.

(3) An Oregon blackberry cooperative or cooperative bargaining association may negotiate with one or more dealers to establish the price at which members of the cooperative or bargaining association will sell Oregon blackberries to be produced by or under the control of members of the cooperative or bargaining association. The dealers may negotiate the price of Oregon blackberries through a committee that sets forth the views of the dealers and votes on any issues being negotiated as authorized by this section, including the price of Oregon blackberries. However, a person that is both a member of an Oregon blackberry cooperative or cooperative bargaining association and a member of a dealer described in subsection (1)(c)(B) of this section may not participate in negotiations under this section.

(4) The director shall actively supervise the conduct of a party in establishing the price of Oregon blackberries to be produced and sold to dealers at a future date. The director shall supervise the negotiations between the parties, review the prices established by the negotiations and approve the prices proposed by the parties before the prices take effect. Proposed prices and any adjustments to previously approved prices must be approved by the director before the prices or adjustments may be implemented.

(5) The director may compel the parties to take whatever action the director considers necessary to:

(a) Ensure that the parties are engaging in conduct that is authorized under this section;

(b) Ensure that the policies of this state are being fulfilled under the blackberry regulatory program; and

(c) Enjoin conduct by any of the parties that is not authorized by the director or conduct that the director finds does not advance the interests of this state in carrying out the blackberry regulatory program.

(6) The director may designate employees of the State Department of Agriculture to carry out the responsibility of actively supervising the conduct of the parties, including serving as intermediaries between prospective parties.

(7) The director may adopt rules to carry out the director's authority under this section. The director by rule shall set and collect fees from the parties who are participants in the blackberry regulatory program. The fees shall be deposited in the Department of Agriculture Account established under ORS 561.150.

SECTION 3. ORS 62.845 is amended to read:

62.845. (1) It is the public policy of the State of Oregon to encourage the efficient production and distribution of agricultural, seafood and other products derived from natural resources or labor resources of this state. Accordingly, a cooperative that operates in compliance with the provisions of this chapter and that does not during its fiscal year market products for nonmember patrons in an amount greater in value than the products marketed for its members may not be deemed to be a conspiracy or combination in restraint of trade, or an illegal monopoly; nor shall the contracts of such cooperative authorized by this chapter, whether or not required by the cooperative as a condition of membership or of doing business with the cooperative, be construed as an unlawful restraint of trade, or as part of a conspiracy or combination to accomplish an improper or illegal purpose or act.

(2) A negotiating committee of dealers, as defined in ORS 646.515 (3), that operates in compliance with the provisions of **section 2 of this 2009 Act or** ORS 62.848 or 62.849 may not be deemed to be engaged in unlawful restraint of trade or to be participants in a conspiracy or combination to accomplish an improper or illegal purpose or act when the negotiating committee negotiates with a cooperative:

(a) The price for which the members of the cooperative will sell agricultural products to be produced by the members;

(b) The season starting price for which the members of the cooperative will sell seafood to be harvested by the members;

(c) The price to be paid for the services of producing agricultural products by the members or under the control of the members; or

(d) The season starting price for the services of harvesting seafood products by the members or under control of the members.

SECTION 4. ORS 646.535 is amended to read:

646.535. (1) A dealer may not knowingly engage in the following unfair trade practices:

(a) Interfere with, restrain, coerce or boycott a producer in the exercise of the rights guaranteed pursuant to ORS 646.525;

(b) Discriminate against a producer with respect to price or other terms of purchase of raw agricultural commodities or Oregon seafood commodities, by reason of the producer's membership in or contract with cooperative bargaining associations; or

(c) Pay or loan money, or give any other thing of value to a producer as an inducement or reward for refusing to or ceasing to belong to a cooperative bargaining association.

(2) A **blackberry dealer**, perennial ryegrass seed, annual ryegrass seed or tall fescue seed dealer or [an] Oregon seafood commodity dealer who participates in negotiating committee activities described in **section 2 of this 2009 Act or** ORS 62.848 or 62.849 does not violate subsection (1) of this section.
