24 (5) Subject to subsection (6) of this section, the State School Fund grant for an education service
25 district = general services grant – local revenues of the education service district.

26 (6)(a) After completing the calculations under subsections (2) to (5) of this section, the Super-
27 intendent of Public Instruction shall apportion from the State School Fund to each education service
28 district an amount = (funding percentage \times general services grant) – local revenues of the educa-
29 tion service district.

30 (b) The funding percentage used in paragraph (a) of this subsection shall be calculated by the
31 superintendent to distribute as nearly as practicable the total amount available for distribution to
32 education service districts from the State School Fund for each fiscal year.

33 (7) Notwithstanding subsections (5) and (6) of this section:

34 (a) The State School Fund grant of an education service district may not be less than zero; and

35 (b) The State School Fund grant of an education service district shall be in an amount that,
36 when combined with the local revenues of the education service district, equals \$1 million or more.

37 (8) An education service district shall distribute to its component school districts any amount
38 of local revenues of the education service district that is greater than the general services grant.
39 The amount that each component school district receives under this subsection shall be prorated
40 based on the district extended ADMw of each school district.

41 **SECTION 8.** ORS 327.026 is amended to read:

42 327.026. (1) In order to accomplish the purpose described in ORS 326.700, the State Board of
43 Education shall adopt by rule definitions and procedures to be applied to the computation of the
44 State School Fund allocations where necessary to make students enrolled in the Youth Corrections
45 Education Program, as defined in ORS 326.695, and the Juvenile Detention Education Program, as

1 defined in ORS 326.695, equivalent to students enrolled in common and union high school districts
2 for purposes of distribution of the fund.

3 (2)(a) The Youth Corrections Education Program shall be entitled to receive from the State
4 School Fund for each school year a special State School Fund grant, consisting of a general purpose
5 grant that is equal to the Youth Corrections Education Program ADM multiplied by 2.0 multiplied
6 by the additional per student weight, as [defined] **calculated** in ORS 327.013 [(7)(a)(A)] **(1)(c)(A)(i)**,
7 multiplied by Funding Percentage and further multiplied by Statewide Target per ADMw Grant.

8 (b) Notwithstanding paragraph (a) of this subsection, the Youth Corrections Education Program
9 may not receive moneys under this section from the State School Fund for any youth in the program
10 who:

11 (A) Has received a high school diploma; or

13 (3) The Juvenile Detention Education Program shall be entitled to receive from the State School
14 Fund for each school year a special State School Fund grant, consisting of a general purpose grant
15 that is equal to the Juvenile Detention Education Program ADM multiplied by 1.5 multiplied by
16 Funding Percentage and further multiplied by Statewide Target per ADMw Grant.

17 (4) Funds allocated to the Youth Corrections Education Program and the Juvenile Detention
18 Education Program from the State School Fund shall remain with the Department of Education and
19 shall be adjusted in the year following the distribution to reflect the actual ADMw of students in
20 the Youth Corrections Education Program and the Juvenile Detention Education Program in the
21 same manner as for the school districts under ORS 327.101.

22 **SECTION 9.** ORS 327.061 is amended to read:

23 327.061. (1) Numbers of students in average daily membership used in the distribution formula
24 as specified in ORS 327.013 [(7)] **(1)(c)**, shall be projections of the average daily membership in the
25 district for the school year ending on June 30 of the distribution year. The Department of Education
26 shall verify all projections used for purposes of the distribution formula.

27 (2) The department shall use information from the Department of Revenue under ORS 311.175
28 as the basis for determining projected district property taxes. The department shall request relevant
29 information from the school districts to enable the department to estimate the amount each school
30 district shall receive from the State School Fund. The department shall provide this estimate no
31 later than the first Monday in March of each year for the distribution for the following fiscal year.

32 (3) A school district may appeal to the department any projection verified by the department
33 under subsection (1) of this section. The department shall rule on the appeal in a timely manner and
34 if necessary issue a revised estimate of the amount each school district shall receive from the State
35 School Fund no later than the last Friday in March.

36 (4) Notwithstanding subsection (3) of this section, no school district may appeal any projection
37 verified under subsection (1) of this section if the district failed to provide information requested
38 by the department under subsection (2) of this section.

39 **SECTION 10.** ORS 327.095 is amended to read:

40 327.095. (1) Funds due school districts under ORS 327.008 and 327.013 shall be paid approxi-
41 mately 16-2/3 percent on July 15, approximately eight and one-third percent on the 15th day of each
42 of the months of August, September, October, November, December, January, February, March and
43 April and the balance on May 15. An equitable apportionment based on the most recent data avail-
44 able shall be made on the installment dates prior to May 15. If such payments are too high or too
45 low, appropriate adjustments shall be made in the May 15 payments. However, if the reports re-

1 quired by ORS 327.133 have not been received from any district when due, no further apportion-
2 ments shall be made to such district until such reports are filed.

3 (2) If the combined estimated level of ADMw under ORS 327.013 [(7)] (1)(c) of all school districts
4 is less than the statewide projected level of ADMw, the Department of Education may:

5 (a) Adjust the distributions to school districts on the installment dates to reflect the difference;
6 and

7 (b) Set aside an amount of the funds appropriated to the State School Fund for the fiscal year
8 until the May 15 distribution.

9 **SECTION 11.** ORS 327.099 is amended to read:

10 327.099. (1) The Department of Education shall adjust the distribution to a school district to
11 reflect the difference between the estimated level of local revenues to the district under [ORS
12 327.013] **section 2 of this 2009 Act** and the projected level of those same local revenues used to
13 calculate the State School Fund apportionment to the district. The adjustment shall be incorporated
14 in the May 15 apportionment to the district in the distribution year.

15 (2) The department shall adjust the May 15 apportionment to a school district in the distribution
16 year to reflect an ADMw of the district equal to the higher of the ADMw of the prior year or the
17 adjusted ADMw for the December quarter. Adjusted ADMw for the December quarter shall equal:

18 (a) ADMw as determined by the department from information provided in the December quar-
19 terly report for the current distribution year filed with the department under ORS 327.133;

20 (b) Multiplied by the lesser of 1.0 or the average of the ratios for the preceding two years of the
21 ADM for the year ending June 30 to the ADM for the quarter ending December 31 for the same
22 school year as filed under ORS 327.133.

23 (3) The sum equal to the sum of all negative adjustments made to the May 15 apportionment
24 under subsection (1) of this section shall be used by the department for purposes of funding positive
25 adjustments required under subsection (1) of this section and adjustments required under subsection
26 (2) of this section.

27 (4) The department shall also set aside an amount of the funds appropriated to the State School
28 Fund for the fiscal year to fund any positive adjustments required under subsection (1) of this sec-
29 tion and adjustments required under subsection (2) of this section in excess of the amount available
30 under subsection (3) of this section. The amount set aside shall be as determined by law.

31 (5) If the amounts available under subsections (3) and (4) of this section are either not sufficient
32 to fund the positive adjustments or exceed the positive adjustments to districts required under sub-
33 sections (1) and (2) of this section and the adjustments required under subsection (2) of this section,
34 the Superintendent of Public Instruction shall recalculate the funding percentage in ORS 327.013
35 [(2)] (1)(a) to distribute as nearly as practicable the total sum available for distribution.

36 **SECTION 12.** ORS 327.101 is amended to read:

37 327.101. (1) Each fiscal year, the distribution to a school district under ORS 327.008 and 327.013
38 shall be adjusted to fully reflect the difference between the apportionment due to the district for the
39 prior fiscal year under ORS 327.008 and 327.013, and the amounts actually distributed to the district
40 in the prior fiscal year under ORS 327.008, 327.013 and 327.099. The adjustment shall be made to the
41 May 15 apportionment to the district.

42 (2) No consideration shall be made in the adjustment made under subsection (1) of this section
43 for any penalties, forfeitures or additional receipts of State School Fund moneys, except when ex-
44 pressly directed by law.

45 (3) An amount of funds equal to the sum of all negative adjustments made to the May 15 ap-

1 portionment under subsection (1) of this section shall be used by the Department of Education for
 2 purposes of funding positive adjustments required under subsection (1) of this section in the same
 3 fiscal year.

4 (4) If the amounts available under subsection (3) of this section are either not sufficient or ex-
 5 ceed the adjustments to districts required under subsection (1) of this section, the Superintendent
 6 of Public Instruction shall recalculate the funding percentage in ORS 327.013 [(2)] (1)(a) to distribute
 7 as nearly as practicable the total sum available for distribution.

8 **SECTION 13.** ORS 327.336 is amended to read:

9 327.336. (1) As used in this section:

10 (a) "Extended ADMw" means the district extended weighted average daily membership com-
 11 puted under ORS 327.013 [(6)] (1)(c).

12 (b) "Local option tax rate" means the amount of local option taxes imposed by the school dis-
 13 trict for the current fiscal year, after compression under ORS 310.150 and after subtraction of the
 14 amount of school district local option taxes that are distributed to an urban renewal agency pursu-
 15 ant to ORS 457.440, divided by the assessed value of the school district.

16 (c) "School district" means a common or union high school district.

17 (d) "Target district" means the school district that, for the fiscal year prior to the year for
 18 which grants are being determined, had a total assessed value of taxable property per district ex-
 19 tended ADMw that was greater than all but 25 percent of the school districts in this state for that
 20 prior fiscal year. The Department of Education shall determine which school district is the target
 21 district for a fiscal year, based on the total assessed values of school districts reported to the De-
 22 partment of Education by the Department of Revenue for the fiscal year prior to the year for which
 23 grants are being determined under this section.

24 (2) A school district shall receive a local option equalization grant for a fiscal year:

25 (a) In which the school district imposes local option taxes pursuant to ORS 280.040 to 280.145;
 26 and

27 (b) For which the total assessed value of taxable property per extended ADMw of the school
 28 district for the prior fiscal year does not exceed the total assessed value of taxable property per
 29 extended ADMw of the target district for the prior fiscal year.

30 (3) The amount of the local option equalization grant shall equal the lesser of:

31 (a) The product of the local option tax rate of the school district for the current fiscal year \times
 32 (total assessed value per extended ADMw of the target district for the prior fiscal year – total
 33 assessed value per extended ADMw of the school district for the prior fiscal year) \times the extended
 34 ADMw of the school district for the prior fiscal year; or

35 (b) The amount obtained by subtracting the local option tax imposed by the school district for
 36 the current fiscal year, after compression under ORS 310.150, from the lesser of:

37 (A) Twenty percent of the combined total for the school district of the general purpose grant,
 38 the transportation grant, the facility grant and the high cost disabilities grant of the school district
 39 for the current fiscal year; or

40 (B) \$1,000 multiplied by the extended ADMw of the school district for the current fiscal year.
 41 The amount multiplied by the extended ADMw of the school district shall be increased each fiscal
 42 year by three percent above the amount allowed for the prior fiscal year.

43 (4) If the amount computed under subsection (3)(b) of this section is zero or less, a local option
 44 equalization grant may not be made to the school district for the fiscal year.

45 (5) As soon as is practicable after school districts have certified property taxes to the assessor

1 under ORS 310.060, the Department of Revenue shall report to the Department of Education a list
 2 of school districts certifying local option taxes for the current fiscal year and the local option tax
 3 rates for those districts. The amount of each local option equalization grant shall be calculated by
 4 the Department of Education.

5 (6) If the election authorizing the imposition of a local option tax is held after the start of a
 6 biennium in which the local option tax is to be imposed, the local option equalization grant for a
 7 fiscal year of that biennium shall be determined as otherwise prescribed in this section, but may not
 8 be paid to the school district until the first fiscal year of the next succeeding biennium.

9 **SECTION 14.** ORS 338.157 is amended to read:

10 338.157. For purposes of calculating the weighted average daily membership (ADMw) of a public
 11 charter school, it shall be assumed that the public charter school has the same percentage of chil-
 12 dren in poverty families, as calculated under ORS 327.013 [(7)(a)(E)(i)] **(1)(c)(A)(v)(I)**, as the school
 13 district in which the public charter school is located. Based on this percentage, an additional
 14 amount shall be added to the average daily membership (ADM) of the public charter school.

15 **SECTION 15.** ORS 338.165 is amended to read:

16 338.165. (1) Notwithstanding ORS 338.155 (1), for purposes of this section, the “resident school

 29 the student. If a student is enrolled in a public charter school and is eligible for special education
 30 and related services an additional amount shall be added to the ADM of the public charter school
 31 as described in ORS 327.013 [(7)(a)(A)] **(1)(c)(A)(i)**. The payment per ADMw in the public charter
 32 school that is attributable to the student who is eligible for special education and related services
 33 shall equal an amount that is at least equal to:

34 (a) 40 percent of the amount of the school district’s General Purpose Grant per ADMw as cal-
 35 culated under ORS 327.013 for students who are enrolled in kindergarten through grade eight; and

36 (b) 47.5 percent of the amount of the school district’s General Purpose Grant per ADMw as
 37 calculated under ORS 327.013 for students who are enrolled in grades 9 through 12.

38 (4) If the resident school district is not the sponsor of a public charter school, the resident
 39 school district for each ADMw that is attributable to a student enrolled in a public charter school
 40 who is eligible for special education and related services shall transfer five percent of the amount
 41 of the school district’s General Purpose Grant per ADMw as calculated under ORS 327.013 to the
 42 sponsor of the public charter school.

43 (5) Notwithstanding subsection (3) of this section, a school district and a public charter school
 44 may negotiate on a case-by-case basis for an alternative distribution of funds other than the dis-
 45 tribution prescribed by subsection (3) of this section.

1 **SECTION 16.** ORS 340.065 is amended to read:

5 (2) Any transportation costs incurred by a school district under this section shall be considered
 6 approved transportation costs for purposes of ORS 327.013 [(9)] (3).

7 **SECTION 17.** Section 2 of this 2009 Act and the amendments to ORS 327.008, 327.013,

 9 sections 3 to 16 of this 2009 Act apply to State School Fund distributions occurring in fiscal

11 **SECTION 18.** Notwithstanding ORS 327.095 (1), the Department of Education shall adjust
 12 the distributions to school districts made during the fiscal year beginning July 1, 2009, to
 13 distribute any additional funds that may be available as the result of the enactment of sec-
 14 tion 2 of this 2009 Act and the amendments to ORS 327.008, 327.013, 327.019, 327.026, 327.061,
