 21 receives notice that the bank depository is in compliance with the increased collateral requirements,  
 22 the **State Treasurer shall notify [the public officials served by the bank depository] each public of-**  
 23 **icial who was notified under paragraph (a) of this subsection** that the bank depository is once  
 24 again in compliance.

 5 Treasurer pursuant to ORS 295.018 [(5)(a)] **(6)(a)**, [or] 295.031 (1) **or 295.061 (4)(a)**, the public official  
 6 shall withdraw from the bank depository to which the notice applies all **uninsured** public funds  
 7 deposits [*except those deposits that are insured by the Federal Deposit Insurance Corporation*].

8 (2) If a public official receives a notice from the State Treasurer pursuant to ORS 295.018  
 9 [(5)(a)] **(6)(a)**, [or] 295.031 (1) **or 295.061 (4)(a)**, beginning [20] **15** business days after the public of-  
 10 ficial receives the notice, the public official may not deposit into the bank depository to which the  
 11 notice applies any public funds [*deposits if, as a result of such a deposit, the total public funds of the*  
 12 *public official on deposit with the bank depository exceed the deposit insurance limit of the Federal*  
 13 *Deposit Insurance Corporation*] **that, as a result of such a deposit, would be uninsured public**  
 14 **funds deposits**. The prohibition on deposits continues until the public official receives notice under  
 15 ORS 295.018 [(5)(b)] **(6)(b)**, [or] 295.031 (2) **or 295.061 (4)(b)** indicating that the bank depository is  
 16 in compliance with ORS 295.013, [or] 295.018 **or 295.061**, as applicable.

17 (3) Except as required by any applicable law or regulation, a bank depository may not impose  
 18 any early withdrawal penalty or any forfeiture of interest with respect to a withdrawal made by a  
 19 public official pursuant to this section.

20 **SECTION 10.** ORS 295.037 is amended to read:

21 295.037. (1) The deposit of securities by a bank depository with its custodian pursuant to ORS  
 22 295.001 to 295.108 constitutes consent by the bank depository to the disposition of the securities in  
 23 accordance with this section.

24 (2) When a loss has occurred in a bank depository, the bank depository shall as soon as possible  
 25 make payment to the proper public officials of all funds subject to the loss, pursuant to the following  
 26 procedures:

27 **(a) Immediately upon occurrence of the loss, the State Treasurer shall take possession**  
 28 **of the securities segregated as collateral for uninsured public funds deposits held by the**  
 29 **closed depository and begin to liquidate as much of the collateral as the State Treasurer**  
 30 **estimates is necessary, based upon the most recent information available to the State**  
 31 **Treasurer on the amount of uninsured public funds deposits held by the closed depository,**  
 32 **for distribution of the proceeds among public officials entitled to the proceeds as provided in**  
 33 **this section.**

34 [(a)] **(b)** The Director of the Department of Consumer and Business Services or the receiver **for**  
 35 **the closed depository** shall, within 20 days after the issuance of a restraining order or taking  
 36 possession of any bank depository, ascertain the amount of public funds on deposit in the bank de-  
 37 pository as disclosed by its records and the amount of the public funds covered by deposit insurance  
 38 **or deposit guaranty bonds** and certify the amounts to the State Treasurer and to each public of-  
 39 ficial who has public funds on deposit in the bank depository.

40 [(b)] **(c)** Each public official who has **uninsured** public funds on deposit in the bank depository  
 41 shall, within 10 days after receipt of the certification from the Director of the Department of Con-  
 42 sumer and Business Services or the receiver, furnish to the State Treasurer verified statements of  
 43 the **uninsured** public funds that the public official has on deposit in the bank depository.

44 (3) Upon receipt of the certification from the Director of the Department of Consumer and  
 45 Business Services or the receiver and the verified statements from the public officials who have

1 **uninsured** public funds on deposit in the bank depository, the State Treasurer shall ascertain and  
 2 fix the amount of public funds on deposit in the bank depository, plus interest to the date the funds  
 3 are distributed to the public official at the rate the bank depository agreed to pay on the funds,  
 4 minus any amount covered by deposit insurance **or deposit guaranty bonds**.

5 (4) After making the calculation described in subsection (3) of this section, the State Treasurer  
 6 shall assess the *[net]* amount of **uninsured** public funds against all bank depositories, as follows:

7 (a) First, against the *[bank]* **closed** depository *[that suffered the loss]*, to the extent of the full  
 8 value of *[its collateral deposited with its custodian pursuant to ORS 295.001 to 295.108]* **the proceeds**  
 9 **realized from the liquidation of its collateral by the State Treasurer under subsection (2) of**  
 10 **this section, plus the treasurer's estimate of the amount of proceeds expected to be received**  
 11 **from the collateral still to be liquidated by the State Treasurer;** and

12 (b) Second, against *[the collateral of all]* **all of the** other bank depositories, on a proportionate  
 13 basis determined as provided in subsection (5) of this section. **The amount assessed against each**  
 14 **other bank depository under this paragraph may not exceed the maximum liability of the**  
 15 **bank depository.**

16 (5) For purposes of subsection (4) of this section, the proportionate share of each of the other  
 17 bank depositories shall be determined by:

18 (a) Averaging the **total** amounts of *[the total]* **all uninsured** public funds deposits reported on  
 19 the bank depository's last *[four]* **two** treasurer reports;

20 (b) Averaging the **aggregate** total amounts of *[the total]* **all uninsured** public funds deposits  
 21 reported on the last *[four]* **two** treasurer reports of all of the bank depositories; and

22 (c) Dividing the result of the calculation performed under paragraph (a) of this subsection by the  
 23 result of the calculation performed under paragraph (b) of this subsection.

24 (6) Notwithstanding the assessment provisions of subsection (4) of this section, the State Treas-  
 25 urer shall assess the *[net]* amount of **uninsured** public funds deposits of a public official only against  
 26 the *[bank]* **closed** depository *[that suffered the loss]*, and not against *[the collateral of]* other bank  
 27 depositories, if the public official:

28 (a) Was given appropriate notice about the *[bank]* **closed** depository by the State Treasurer  
 29 under ORS 295.018 *[(5)(a)]* **(6)(a)**, *[or]* 295.031 (1) **or 295.061 (4)(a) and did not comply with ORS**  
 30 **295.034; [and] or**

31 (b) *[The public official did not comply with ORS 295.034]* **Failed to timely comply with the**  
 32 **requirements of ORS 295.006 and, as a result of the failure to timely comply, did not receive**  
 33 **appropriate notice about the closed depository from the State Treasurer under ORS 295.018**  
 34 **(6)(a), 295.031 (1) or 295.061 (4)(a).**

35 (7) **The assessment by the State Treasurer against the closed depository shall be payable**  
 36 **immediately from the proceeds of the collateral delivered to the State Treasurer.** Assessments  
 37 made by the State Treasurer **against the other bank depositories** are payable on the fifth business  
 38 day following demand. If any bank depository fails to pay its assessment, the State Treasurer shall  
 39 take possession of **and liquidate** the securities segregated as collateral **for uninsured public funds**  
 40 **deposits held** by the bank depository *[and liquidate the securities for the purpose of paying the as-*  
 41 *essment]* **or so much of the securities as is needed to pay the bank depository's assessment.**

42 (8) The State Treasurer shall distribute the *[net proceeds of the assessments and of any liquidated*  
 43 *collateral]* **amounts received by the State Treasurer from the assessments**, to the extent that  
 44 they do not exceed the total *[net]* amount of **uninsured** public funds deposits and accrued interest  
 45 claimed by the public officials, among the public officials entitled to the proceeds in proportion to

1 the public officials' respective claims.

2 (9) If the [*net proceeds of the assessments and of any liquidated collateral*] **amounts received by**  
 3 **the State Treasurer from the assessments** are inadequate, after all other available sources are  
 4 applied, to meet the total claims of the public officials [*entitled to the proceeds*] **for the amount of**  
 5 **their uninsured public funds deposits**, the public officials may make claims against the closed  
 6 [*bank*] depository as general creditors, **but not against any bank depository other than the**  
 7 **closed depository.**

8 (10)(a) **If the final amount of proceeds from the liquidation of collateral received by the**  
 9 **State Treasurer from a closed depository exceeds the amount of the assessment against the**  
 10 **closed depository under subsection (4)(a) of this section, the State Treasurer shall pay the**  
 11 **amount of the excess to the closed depository.**

12 (b) **If the final amount of proceeds from the liquidation of collateral received by the State**  
 13 **Treasurer from other bank depositories exceeds the amount of the assessment against the**  
 14 **other bank depositories under subsection (4)(b) of this section, the State Treasurer shall pay**  
 15 **the excess to the other bank depositories in proportion to the amounts paid to the State**  
 16 **Treasurer under their assessments.**

17 (c) **If the final amount of proceeds from the liquidation of collateral received by the State**  
 18 **Treasurer from a bank depository, other than the closed depository, under subsection (7) of**  
 19 **this section exceeds the amount of the assessment against the bank depository, the State**  
 20 **Treasurer shall pay the excess to the bank depository.**

21 [(10)] (11) The prohibition on transfers of assets set forth in ORS 711.410 does not apply to as-  
 22 sessments, payments, transfers or sales of securities made pursuant to this section.

23 **SECTION 11.** ORS 295.041 is amended to read:

24 295.041. Upon the distribution of the proceeds of assessments and liquidated collateral pursuant  
 25 to ORS 295.037 by the State Treasurer to any public official, the State Treasurer shall be subrogated  
 26 to all of the right, title and interest of the public official against the closed [*bank*] depository, and  
 27 shall share in any distribution of its assets ratably with other depositors. Any sums received from  
 28 any distribution shall be paid to the public officials to the extent of any unpaid net deposit liability  
 29 and the balance remaining shall be paid to the bank depositories against which the assessments  
 30 were made, pro rata in proportion to the assessments actually paid by each bank depository. How-  
 31 ever, the closed [*bank*] depository may not share in any distribution of the balance remaining. If the  
 32 State Treasurer incurs expenses in enforcing the treasurer's rights under this section, the expenses  
 33 may be charged as provided in ORS 295.106. The State Treasurer shall submit a claim for expenses  
 34 to the bank depository, and if the charges are thereafter paid to the treasurer, they shall be treated  
 35 as a liquidation expense of the closed [*bank*] depository.

36 **SECTION 12.** ORS 295.046 is amended to read:

37 295.046. (1) A bank depository may not accept a deposit of public funds if the deposit would  
 38 cause the aggregate of public funds deposits made by any one public official in the bank depository  
 39 to exceed at any time the net worth of the bank depository. If a bank depository's net worth is re-  
 40 duced, the bank depository may allow public funds on deposit in excess of the reduced net worth to  
 41 remain if the bank depository deposits with its custodian eligible securities valued at market value  
 42 in an amount at least equal to the amount of the excess public funds deposits. If the additional se-  
 43 curities required by this section are not deposited with the custodian, the bank depository shall  
 44 permit the public official to withdraw deposits prior to maturity, including accrued interest, in ac-  
 45 cordance with applicable statutes and governmental regulations.

1 (2) The limitations of subsection (1) of this section do not apply to public funds deposits held  
2 by a bank depository in a certificate of deposit or time deposit under *[the program described in]* ORS  
3 295.004.

4 **SECTION 13.** ORS 295.048 is amended to read:

5 295.048. (1) Notwithstanding ORS 295.046, a bank depository may not permit the aggregate of  
6 public funds deposits on deposit with the bank depository from all public officials to exceed at any  
7 time:

8 (a) 100 percent of the value of the bank depository's net worth, if the bank depository is an  
9 undercapitalized bank depository;

10 (b) 150 percent of the value of the bank depository's net worth, if the bank depository is an  
11 adequately capitalized bank depository;

12 (c) 200 percent of the value of the bank depository's net worth, if the bank depository is a well  
13 capitalized bank depository; or

14 (d) 30 percent of the total aggregate **uninsured** public funds deposits of all public officials in  
15 all bank depositories as reported in the most recent notice received by the bank depository from the  
16 State Treasurer.

17 (2) The State Treasurer shall notify each bank depository and its custodian of the total aggregate  
18 **uninsured** public funds deposits of all public officials in all bank depositories, based on the  
19 most recently submitted treasurer reports. The treasurer shall give the notification required by this  
20 subsection by the last day of the month in which bank depositories are required to submit a treasurer  
21 report.

22 (3) If a bank depository's aggregate of **uninsured** public funds deposits exceeds the amount set  
23 forth in subsection (1) of this section, the bank depository shall, *[not later than 20]* **within three**  
24 business days after receipt of notice from the State Treasurer, cease accepting deposits of  
25 **uninsured** public funds.

26 (4) Notwithstanding subsections (1) and (3) of this section:

27 (a) A bank depository may accept and hold **uninsured** public funds deposits in excess of the  
28 limits provided in subsection (1) of this section if the State Treasurer, upon good cause shown, approves  
29 the request of the bank depository to hold **uninsured** public funds in excess of the limits  
30 provided in subsection (1) of this section for a period not exceeding 90 days **and eligible securities**  
31 **are deposited with the bank depository's custodian as collateral in an amount at least equal**  
32 **to the amount of the uninsured public funds deposits in excess of the limits provided in**  
33 **subsection (1) of this section.**

34 (b) The *[limitations]* **limits** of subsection (1) of this section do not apply to public funds deposits  
35 held by a bank depository in a *[program described in]* **certificate of deposit or time deposit under**  
36 ORS 295.004.

37 (c) A well capitalized bank depository or an adequately capitalized bank depository may accept  
38 and hold public funds deposits in excess of the limit provided in subsection (1)(d) of this section if  
39 eligible securities are deposited with the bank depository's custodian as collateral in an amount at  
40 least equal to the amount of the public funds deposits in excess of the *[limitation]* **limit** prescribed  
41 in subsection (1)(d) of this section.

42 **SECTION 14.** ORS 295.053 is amended to read:

43 295.053. (1) If a bank depository ceases holding **uninsured** public funds deposits, the bank depository's  
44 custodian shall continue to hold the pledged securities of the bank depository as collateral  
45 pursuant to ORS 295.001 to 295.108. Unless the State Treasurer directs that the bank depository's

1 securities be held for a longer period, the custodian shall hold the bank depository's pledged secu-

9 (2) If any of a bank depository's pledged securities mature during the [periods] **period** described  
10 in subsection (1) of this section, the bank depository shall pledge substitute securities that shall be  
11 held by its custodian until the expiration of the period.

12 (3) At the end of the [applicable holding] period **described in subsection (1) of this section**,  
13 if the bank depository has not, during that period, [had on deposit] **held** any **uninsured** public funds  
14 deposits, the custodian shall tender the bank depository's securities to the bank depository.

15 *[(4) Notwithstanding the release of a bank depository's securities pursuant to subsection (3) of this*  
16 *section, the bank depository shall continue to be treated as a bank depository and shall be subject to*

20 *assets.]*

21 **SECTION 15.** ORS 295.061 is amended to read:

 22      the Legislative Fiscal Officer and to the Secretary of State.

23      (3) **This section controls over any other law that gives another state agency general re-**  
 24      **sponsibility for, or control over, the accounting, fiscal or electronic commerce affairs of the**

 11 below \$125 million, the State Treasurer may transfer the assets of the pool to the state investment  
 12 fund established under ORS 293.701 (2)(o). In that event, the local government investment pool par-  
 13 ticipant accounts will be treated as are other state funds and accounts in receiving a proportionate

 23 the State Treasurer's judgment, sufficient interest by local government exists to insure the local  
 24 government investment pool will remain over \$125 million. Prior to reestablishing the pool as a  
 25 separate fund, the State Treasurer shall first present a plan for operation, including the reasons for  
 26 such action, to the Oregon Investment Council at a regularly scheduled meeting for its review and  
 27 comment. The State Treasurer shall publish notice in the Secretary of State's administrative rules  
 28 bulletin of the treasurer's intent to reestablish the pool as a separate fund at least 30 days prior to  
 29 the meeting at which the Oregon Investment Council shall review the proposal, and notice of the
