9 “(3) Except as required by any applicable law or regulation, a bank depository may not impose

12 “**SECTION 10.** ORS 295.037 is amended to read:

13 “295.037. (1) The deposit of securities by a bank depository with its custodian pursuant to ORS
14 295.001 to 295.108 constitutes consent by the bank depository to the disposition of the securities in
15 accordance with this section.

16 “(2) When a loss has occurred in a bank depository, the bank depository shall as soon as pos-
17 sible make payment to the proper public officials of all funds subject to the loss, pursuant to the
18 following procedures:

19 “(a) **Immediately upon occurrence of the loss, the State Treasurer shall take possession**
20 **of the securities segregated as collateral for uninsured public funds deposits held by the**
21 **closed depository and begin to liquidate as much of the collateral as the State Treasurer**
22 **estimates is necessary, based upon the most recent information available to the State**
23 **Treasurer on the amount of uninsured public funds deposits held by the closed depository,**
24 **for distribution of the proceeds among public officials entitled to the proceeds as provided in**
25 **this section.**

26 “[a] (b) The Director of the Department of Consumer and Business Services or the receiver
27 **for the closed depository** shall, within 20 days after the issuance of a restraining order or taking
28 possession of any bank depository, ascertain the amount of public funds on deposit in the bank de-

30 **or deposit guaranty bonds** and certify the amounts to the State Treasurer and to each public of-
31 ficial who has public funds on deposit in the bank depository.

32 “[b] (c) Each public official who has **uninsured** public funds on deposit in the bank depository
33 shall, within 10 days after receipt of the certification from the Director of the Department of Con-
34 sumer and Business Services or the receiver, furnish to the State Treasurer verified statements of
35 the **uninsured** public funds that the public official has on deposit in the bank depository.

36 “(3) Upon receipt of the certification from the Director of the Department of Consumer and
37 Business Services or the receiver and the verified statements from the public officials who have
38 **uninsured** public funds on deposit in the bank depository, the State Treasurer shall ascertain and
39 fix the amount of public funds on deposit in the bank depository, plus interest to the date the funds
40 are distributed to the public official at the rate the bank depository agreed to pay on the funds,
41 minus any amount covered by deposit insurance **or deposit guaranty bonds**.

42 “(4) After making the calculation described in subsection (3) of this section, the State Treasurer
43 shall assess the [*net*] amount of **uninsured** public funds against all bank depositories, as follows:

44 “(a) First, against the [*bank*] **closed** depository [*that suffered the loss*], to the extent of the full
45 value of [*its collateral deposited with its custodian pursuant to ORS 295.001 to 295.108*] **the proceeds**

1 **realized from the liquidation of its collateral by the State Treasurer under subsection (2) of**
2 **this section, plus the treasurer’s estimate of the amount of proceeds expected to be received**
3 **from the collateral still to be liquidated by the State Treasurer; and**

4 “(b) Second, against [*the collateral of all*] **all of the** other bank depositories, on a proportionate
5 basis determined as provided in subsection (5) of this section. **The amount assessed against each**
6 **other bank depository under this paragraph may not exceed the maximum liability of the**
7 **bank depository.**

8 “(5) For purposes of subsection (4) of this section, the proportionate share of each of the other
9 bank depositories shall be determined by:

10 “(a) Averaging the **total** amounts of [*the total*] **all uninsured** public funds deposits reported on
11 the bank depository’s last [*four*] **two** treasurer reports;

12 “(b) Averaging the **aggregate** total amounts of [*the total*] **all uninsured** public funds deposits
13 reported on the last [*four*] **two** treasurer reports of all of the bank depositories; and

14 “(c) Dividing the result of the calculation performed under paragraph (a) of this subsection by
15 the result of the calculation performed under paragraph (b) of this subsection.

16 “(6) Notwithstanding the assessment provisions of subsection (4) of this section, the State
17 Treasurer shall assess the [*net*] amount of **uninsured** public funds deposits of a public official only
18 against the [*bank*] **closed** depository [*that suffered the loss*], and not against [*the collateral of*] other
19 bank depositories, if the public official:

20 “(a) Was given appropriate notice about the [*bank*] **closed** depository by the State Treasurer
21 under ORS 295.018 [(5)(a)] **(6)(a)**, [or] 295.031 (1) **or 295.061 (4)(a) and did not comply with ORS**
22 **295.034; [and] or**

23 “(b) [*The public official did not comply with ORS 295.034*] **Failed to timely comply with the**
24 **requirements of ORS 295.006 and, as a result of the failure to timely comply, did not receive**
25 **appropriate notice about the closed depository from the State Treasurer under ORS 295.018**
26 **(6)(a), 295.031 (1) or 295.061 (4)(a).**

27 “(7) **The assessment by the State Treasurer against the closed depository shall be payable**
28 **immediately from the proceeds of the collateral delivered to the State Treasurer.** Assessments
29 made by the State Treasurer **against the other bank depositories** are payable on the fifth business
30 day following demand. If any bank depository fails to pay its assessment, the State Treasurer shall
31 take possession of **and liquidate** the securities segregated as collateral **for uninsured public funds**
32 **deposits held** by the bank depository [*and liquidate the securities for the purpose of paying the as-*
33 *essment*] **or so much of the securities as is needed to pay the bank depository’s assessment.**

34 “(8) The State Treasurer shall distribute the [*net proceeds of the assessments and of any liqui-*
35 *dated collateral*] **amounts received by the State Treasurer from the assessments**, to the extent
36 that they do not exceed the total [*net*] amount of **uninsured** public funds deposits and accrued in-
37 terest claimed by the public officials, among the public officials entitled to the proceeds in propor-
38 tion to the public officials’ respective claims.

39 “(9) If the [*net proceeds of the assessments and of any liquidated collateral*] **amounts received**
40 **by the State Treasurer from the assessments** are inadequate, after all other available sources
41 are applied, to meet the total claims of the public officials [*entitled to the proceeds*] **for the amount**
42 **of their uninsured public funds deposits**, the public officials may make claims against the closed
43 [*bank*] depository as general creditors, **but not against any bank depository other than the**
44 **closed depository.**

45 “(10)(a) **If the final amount of proceeds from the liquidation of collateral received by the**

1 State Treasurer from a closed depository exceeds the amount of the assessment against the
2 closed depository under subsection (4)(a) of this section, the State Treasurer shall pay the
3 amount of the excess to the closed depository.

4 “(b) If the final amount of proceeds from the liquidation of collateral received by the
5 State Treasurer from other bank depositories exceeds the amount of the assessment against
6 the other bank depositories under subsection (4)(b) of this section, the State Treasurer shall
7 pay the excess to the other bank depositories in proportion to the amounts paid to the State
8 Treasurer under their assessments.

9 “(c) If the final amount of proceeds from the liquidation of collateral received by the
10 State Treasurer from a bank depository, other than the closed depository, under subsection
11 (7) of this section exceeds the amount of the assessment against the bank depository, the
12 State Treasurer shall pay the excess to the bank depository.

13 “[~~(10)~~] (11) The prohibition on transfers of assets set forth in ORS 711.410 does not apply to
14 assessments, payments, transfers or sales of securities made pursuant to this section.

15 “**SECTION 11.** ORS 295.041 is amended to read:

16 “295.041. Upon the distribution of the proceeds of assessments and liquidated collateral pursuant
17 to ORS 295.037 by the State Treasurer to any public official, the State Treasurer shall be subrogated
18 to all of the right, title and interest of the public official against the closed [*bank*] depository, and
19 shall share in any distribution of its assets ratably with other depositors. Any sums received from
20 any distribution shall be paid to the public officials to the extent of any unpaid net deposit liability
21 and the balance remaining shall be paid to the bank depositories against which the assessments
22 were made, pro rata in proportion to the assessments actually paid by each bank depository. How-
23 ever, the closed [*bank*] depository may not share in any distribution of the balance remaining. If the
24 State Treasurer incurs expenses in enforcing the treasurer’s rights under this section, the expenses
25 may be charged as provided in ORS 295.106. The State Treasurer shall submit a claim for expenses
26 to the bank depository, and if the charges are thereafter paid to the treasurer, they shall be treated
27 as a liquidation expense of the closed [*bank*] depository.

28 “**SECTION 12.** ORS 295.046 is amended to read:

29 “295.046. (1) A bank depository may not accept a deposit of public funds if the deposit would
30 cause the aggregate of public funds deposits made by any one public official in the bank depository
31 to exceed at any time the net worth of the bank depository. If a bank depository’s net worth is re-
32 duced, the bank depository may allow public funds on deposit in excess of the reduced net worth to
33 remain if the bank depository deposits with its custodian eligible securities valued at market value
34 in an amount at least equal to the amount of the excess public funds deposits. If the additional se-

11 most recently submitted treasurer reports. The treasurer shall give the notification required by this
12 subsection by the last day of the month in which bank depositories are required to submit a treasurer
13 report.

14 “(3) If a bank depository’s aggregate of **uninsured** public funds deposits exceeds the amount set
15 forth in subsection (1) of this section, the bank depository shall, [*not later than 20*] **within three**

29 “(c) A well capitalized bank depository or an adequately capitalized bank depository may accept and hold public funds deposits in excess of the limit provided in subsection (1)(d) of this section if eligible securities are deposited with the bank depository’s custodian as collateral in an amount at least equal to the amount of the public funds deposits in excess of the [*limitation*] **limit** prescribed in subsection (1)(d) of this section.
