EFFECT OF COMMITTEE AMENDMENT: Modifies description of “Oregon Conservation Strategy” in additional statute (ORS 94.538). Updates references to 2009 Chapter Law.

BACKGROUND: Senate Bill 763 (2009) authorized governmental units to establish transferrable development credit systems to allow intergovernmental transfer of development interests within and across jurisdictional boundaries. This legislation made reference to the Oregon Conservation Strategy. Senate Bill 997A makes a correction to the description of the Conservation Strategy.
