SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Designates May of each year as Maternal Mental Health Awareness Month.
Declares emergency, effective on passage.

A BILL FOR AN ACT

1 Relating to Maternal Mental Health Awareness Month; and declaring an emergency.

2 Whereas maternal mental health directly affects women, infants and children and must be seen
3 as a primary concern for the health and safety of families; and

4 Whereas perinatal mood disorders, which include depression, anxiety, mania and psychosis, are
5 pervasive but treatable illnesses and occur in approximately one out of eight of all pregnant and
6 postpartum women; and

7 Whereas research has shown that untreated maternal depression and anxiety during pregnancy
8 or postpartum negatively affects birth outcomes and infant development, including infant mental
9 health and brain development; and

10 Whereas maternal risk factors for the development of perinatal mood disorders can be reliably
11 identified, assessed and treated by health care providers and public health systems; and

12 Whereas families should be informed of the importance of mental health during pregnancy and
13 postpartum and can be given information that will empower them to take preventive measures; and

14 Whereas reliable, evidence-based methods for culturally competent risk evaluation, screening
15 and treatment have been developed and could be adopted in Oregon; and

16 Whereas provider education and public awareness regarding maternal mental health is a public
17 health priority; and

18 Whereas accessible local, state and federal resources for screening, assessment, referral and
19 treatment need to be available to all childbearing families and their health care providers through-
20 out the State of Oregon; now, therefore,

21 **Be It Enacted by the People of the State of Oregon:**

22 **SECTION 1. (1) May of each year is designated as Maternal Mental Health Awareness**
