13 (a) Notify *[its]* **the depository's** custodian and the State Treasurer in writing that the *[bank]*

27 (B) The average of the balances of uninsured public funds *[held by the bank]* **the depository**
 28 **holds,** as shown on the last two immediately preceding treasurer reports.

29 (b) In consultation with the Director of the Department of Consumer and Business Services, the

 45 under subsection (1) of this section, the State Treasurer shall give notice of the order to the director

1 and the custodian of the *[bank]* depository within one business day after issuing the order.

2 (4) *[Failure of the director]* **The director's failure** to inform the State Treasurer of the condition

4 on the director. The State Treasurer *[shall not be]* **is not** liable to *[any]* a public depositor or to
5 *[any bank]* a depository for increasing or not increasing the collateral requirement as authorized in

22 **that the depository has failed** to comply.

23 (b) If, after giving notice as required by paragraph (a) of this subsection, the State Treasurer
24 receives notice that the *[bank]* depository *[is in compliance]* **has complied** with the increased
25 collateral requirements, the State Treasurer shall notify each public official *[who was]* **that the**
26 **State Treasurer** notified under paragraph (a) of this subsection that the *[bank]* depository *[is once*
27 *again in compliance]* **has complied**.

28 (7) A *[bank]* depository that does not comply with subsection (5) of this section may not accept

43 failure to each public official who has uninsured public funds on deposit in the *[bank]* depository
44 *[with respect to which the notice was given or the information was received]* **that is the subject of**
45 **the notice from the custodian or of the information the State Treasurer received.**

1 (2) Within five business days after the State Treasurer receives notice from a custodian pursuant
 2 to ORS 295.013 (2)(f) [*indicating*] **that indicates** that a [*bank*] depository has [*once again*] pledged
 3 adequate collateral with [*its*] **the depository's** custodian, the State Treasurer shall send written
 4 notice to each public official who was notified under subsection (1) of this section stating that the
 5 [*bank*] depository [*once again*] has adequate collateral.

6 **SECTION 10.** ORS 295.034 is amended to read:

7 295.034. (1) Within 15 business days after a public official receives a notice from the State
 8 Treasurer pursuant to ORS 295.018 (6)(a), 295.031 (1) or 295.061 (4)(a), the public official shall with-
 9 draw from the [*bank*] depository to which the notice applies all uninsured public funds deposits.

10 (2) If a public official receives a notice from the State Treasurer pursuant to ORS 295.018 (6)(a),
 11 295.031 (1) or 295.061 (4)(a), beginning 15 business days after the public official receives the notice,
 12 the public official may not deposit into the [*bank*] depository to which the notice applies any public
 13 funds that, as a result of [*such a*] **the** deposit, would be uninsured public funds deposits. The prohi-
 14 bition on deposits continues until the public official receives notice under ORS 295.018 (6)(b), 295.031
 15 (2) or 295.061 (4)(b) indicating that the [*bank*] depository is in compliance with ORS 295.013, 295.018
 16 or 295.061, as applicable.

17 (3) Except as required by any applicable law or regulation, a [*bank*] depository may not impose
 18 [*any*] **an** early withdrawal penalty or [*any*] **a** forfeiture of interest with respect to a withdrawal
 19 [*made by*] **that** a public official **makes** pursuant to this section.

20 **SECTION 11.** Sections 12, 13, 13a and 13b of this 2010 Act are added to and made a part
 21 of ORS 295.001 to 295.108.

22 **SECTION 12.** (1) **A credit union depository's deposit of securities with a custodian under**
 23 **ORS 295.001 to 295.108 constitutes the credit union depository's consent to the disposition**
 24 **of the securities in accordance with this section.**

25 (2) **If a loss occurs in a credit union depository, the credit union depository shall, as soon**
 26 **as possible, pay to the proper public officials all funds subject to the loss in accordance with**
 27 **the following procedures:**

28 (a) **Immediately after the loss occurs, the State Treasurer shall take possession of se-**
 29 **curities that the closed depository's custodian has segregated as collateral for uninsured**
 30 **public funds deposits of the closed depository. The State Treasurer shall immediately liqui-**
 31 **date as much of the collateral as the State Treasurer estimates is necessary, based on the**
 32 **most recent information available to the State Treasurer concerning the amount of**
 33 **uninsured public funds the credit union depository holds, and distribute the proceeds among**
 34 **public officials entitled to the proceeds as provided in this section.**

35 (b) **The Director of the Department of Consumer and Business Services or a receiver**
 36 **shall, within 20 days after issuing a restraining order or taking possession of the credit union**
 37 **depository, ascertain from the credit union depository's records the amount of public funds**
 38 **on deposit in the credit union depository and the amount of public funds that are covered**
 39 **by deposit insurance or deposit guaranty bonds. The director or the receiver shall certify the**
 40 **amounts to the State Treasurer and to each public official who has public funds on deposit**
 41 **in the credit union depository.**

42 (c) **Within 10 days after receiving the certification from the director or the receiver, a**
 43 **public official who has public funds on deposit in the credit union depository shall furnish to**
 44 **the State Treasurer verified statements of the public funds that the public official has on**
 45 **deposit in the credit union depository.**

1 (3) When the State Treasurer receives the certification from the director or the receiver
2 and the verified statements from the public officials who have public funds on deposit in the
3 credit union depository, the State Treasurer shall ascertain and fix the amount of public
4 funds on deposit in the credit union depository, plus interest to the date the funds are dis-
5 tributed to the public official at the rate the credit union depository agreed to pay on the
6 funds, minus any amount that deposit insurance or deposit guaranty bonds cover.

7 (4) After making the calculation described in subsection (3) of this section, the State
8 Treasurer shall assess the amount of uninsured public funds against all credit union deposi-
9 tories as follows:

10 (a) First, against the credit union depository that suffered the loss, to the extent of the
11 full value of the proceeds from the State Treasurer's liquidation of the credit union
12 depository's collateral under subsection (2) of this section, plus the State Treasurer's esti-
13 mate of the amount of proceeds the State Treasurer expects to receive from collateral the
14 State Treasurer has not yet liquidated; and

15 (b) Second, against all other credit union depositories on a proportionate basis deter-
16 mined as provided in subsection (5) of this section. The amount the State Treasurer assesses
17 against another credit union depository may not exceed the credit union depository's maxi-
18 mum liability.

19 (5) For purposes of subsection (4) of this section, the State Treasurer shall determine the
20 proportionate share of each of the other credit union depositories by:

21 (a) Averaging, for each credit union depository, the total amounts of all uninsured public
22 funds deposits the credit union depository reported on the credit union depository's last two
23 treasurer reports;

24 (b) Averaging the aggregate total amounts of all uninsured public funds deposits all
25 credit union depositories reported on the credit union depositories' last two treasurer re-
26 ports; and

27 (c) Dividing the result of the calculation performed under paragraph (a) of this sub-
28 section by the results of the calculation performed under paragraph (b) of this subsection.

29 (6) Notwithstanding the assessment provisions of subsection (4) of this section, the State
30 Treasurer shall assess the amount of a public official's uninsured public funds deposits only
31 against the closed depository and not against other credit union depositories, if the public
32 official:

33 (a) Received appropriate notice about the closed depository from the State Treasurer
34 under ORS 295.018 (6)(a) or 295.031 (1) and did not comply with ORS 295.034; or

35 (b) Failed to timely comply with the requirements of ORS 295.006 and, as a result of
36 failing to timely comply, did not receive appropriate notice about the closed depository from
37 the State Treasurer under ORS 295.018 (6)(a), 295.031 (1) or 295.061 (4)(a).

38 (7) Assessments the State Treasurer makes against the closed depository are payable
39 immediately from the proceeds of the collateral delivered to the State Treasurer. Assess-
40 ments the State Treasurer makes against other credit union depositories are payable on the
41 fifth business day following demand. If a credit union depository fails to pay an assessment,
42 the State Treasurer shall take possession of and liquidate the securities the credit union
43 depository segregated as collateral for uninsured public funds deposits that the credit union
44 depository holds, or shall liquidate as much of the securities as is necessary to pay the credit
45 union depository's assessment.

1 (8) The State Treasurer shall distribute the amounts the State Treasurer receives from
2 the assessments among the public officials entitled to the proceeds in proportion to the
3 public officials' respective claims, to the extent that the proceeds do not exceed the total
4 amount of uninsured public funds deposits that the public officials claim.

5 (9) If, after all other available sources are applied, the amounts the State Treasurer re-
6 ceives from the assessments are inadequate to meet the total claims of the public officials
7 to uninsured public funds deposits, the public officials may make claims against the closed
8 depository as general creditors, but not against a credit union depository other than the
9 closed depository.

10 (10)(a) If the final amount of proceeds the State Treasurer receives from the liquidation
11 of collateral from a closed depository exceeds the amount of the assessment against the
12 closed depository under subsection (4)(a) of this section, the State Treasurer shall pay the
13 amount of the excess to the closed depository.

14 (b) If the final amount of proceeds the State Treasurer receives from the liquidation of
15 collateral from other credit union depositories exceeds the amount of the assessment against
16 the other credit union depositories under subsection (4)(b) of this section, the State Treas-
17 urer shall pay the excess to the other credit union depositories in proportion to the amounts
18 the other credit union depositories paid in assessments to the State Treasurer.

19 (c) If the final amount of proceeds the State Treasurer receives from the liquidation of
20 collateral from a credit union depository other than the closed depository under subsection
21 (7) of this section exceeds the amount of the assessment against the credit union depository,
22 the State Treasurer shall pay the excess to the credit union depository.

23 (11) The prohibition on transfers of assets set forth in ORS 711.410 does not apply to as-
24 sessments, payments, transfers or sales of securities made in accordance with this section.

25 **SECTION 13.** (1) Until June 30, 2011, the State Treasurer may accept moneys from any
26 public or private source, including a credit union or an association of credit unions, for the
27 purpose of paying initial expenses related to administering the provisions of section 12 of this
28 2010 Act.

29 (2) The State Treasurer shall deposit moneys the State Treasurer receives under this
30 section into the Miscellaneous Receipts Account established for the State Treasurer in the
31 General Fund. Notwithstanding the provisions of ORS 295.106, moneys the State Treasurer
32 receives under this section are continuously appropriated to the State Treasurer for the
33 purpose of paying the State Treasurer's initial expenses related to administering section 12
34 of this 2010 Act. The State Treasurer shall expend the moneys in accordance with the terms
35 and conditions upon which the moneys were made available.

36 **SECTION 13a.** (1) The State Treasurer may decline to accept from a credit union the
37 certification and pledge agreement necessary to qualify the credit union as a credit union
38 depository under ORS 295.008 unless:

39 (a) At the time the credit union submits the certification and pledge agreement, at least
40 four other credit unions have each submitted:

41 (A) A certification and pledge agreement necessary to qualify as a credit union depository
42 under ORS 295.008; and

43 (B) A signed statement from a public official that indicates that the public official intends
44 to deposit more than \$250,000 of public funds with the credit union if the credit union quali-
45 fies as a credit union depository; and

1 (b) The State Treasurer receives moneys under the provisions of section 13 of this 2010
2 Act or ORS 295.106 that are sufficient to pay for one year the State Treasurer's initial or
3 continuing expenses related to administering section 12 of this 2010 Act.

4 (2)(a) The State Treasurer may withdraw from a pledge agreement that the State
5 Treasurer previously accepted from a credit union under ORS 295.008 if fewer than five credit
6 unions are qualified as credit union depositories under ORS 295.001 to 295.108 during any
7 period of 180 days or longer.

8 (b) Except as provided in ORS 295.008 (4), a credit union that is a party to a pledge
9 agreement from which the State Treasurer withdraws in accordance with paragraph (a) of
10 this subsection does not qualify as a credit union depository under ORS 295.001 to 295.108.
11 Within 10 business days after the State Treasurer notifies the credit union that the State
12 Treasurer has withdrawn from the pledge agreement, the credit union shall return all
13 uninsured public funds deposits that the credit union holds to the public official that depos-
14 ited the public funds.

15 **SECTION 13b.** For any period of time during which fewer than 10 credit unions are sub-
16 ject to pledge agreements with the State Treasurer and a custodian under ORS 295.008, the
17 State Treasurer, notwithstanding ORS 295.001 (12), by rule may set the maximum liability for
18 a credit union depository at 20 percent of the greater of:

19 (1) All uninsured public funds deposits the credit union depository holds, as shown on the
20 date of the credit union depository's most recent treasurer's report; or

21 (2) The average of the balances of all uninsured public funds deposits the credit union
22 depository holds, as shown on the credit union depository's last two immediately preceding
23 treasurer reports.

24 **SECTION 14.** ORS 295.041 is amended to read:

25 295.041. *[Upon the distribution of]* **When the State Treasurer distributes** the proceeds of as-
26 sessments and liquidated collateral *[pursuant to ORS 295.037 by the State Treasurer to any public*

37 section, *the expenses may be charged]* as provided in ORS 295.106. The State Treasurer shall submit
38 a claim for expenses to the *[bank]* depository, and if the charges are thereafter paid to the **State**
39 **Treasurer,** they shall be treated as a liquidation expense of the closed depository.

40 **SECTION 15.** ORS 295.046 is amended to read:

41 295.046. (1) A *[bank]* depository may not accept a deposit of public funds if the deposit would
42 cause the aggregate of public funds deposits *[made by]* **that** any one public official **makes** in the
43 *[bank]* depository to exceed at any time the **depository's** net worth *[of the bank depository].* If a
44 *[bank]* depository's net worth is reduced, the *[bank]* depository may allow public funds on deposit in
45 excess of the reduced net worth to remain if the *[bank]* depository deposits with *[its]* **the**

1 **depository's** custodian eligible securities valued at market value in an amount at least equal to the
 2 amount of the excess public funds deposits. If the additional securities required by this section are
 3 not deposited with the custodian, the *[bank]* depository shall permit the public official to withdraw
 4 deposits prior to maturity, including accrued interest, in accordance with applicable statutes and
 5 governmental regulations.

6 (2) The limitations of subsection (1) of this section do not apply to public funds deposits *[held*
 7 *by a bank]* a depository **holds** in a certificate of deposit or time deposit under ORS 295.004.

 13 undercapitalized *[bank]* depository;

14 (b) 150 percent of the value of the *[bank]* depository's net worth, if the *[bank]* depository is an
