

Senate Bill 1022

Sponsored by Senator EDWARDS, Representative HOYLE (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Authorizes City of Junction City to provide water and sewer services to existing uses on certain parcels outside urban growth boundary incident to extension of services to state institution in urban growth boundary.

Declares emergency, effective on passage.

A BILL FOR AN ACT

1
2 Relating to urban public facilities; and declaring an emergency.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1. (1) As used in this section:**

5 (a) "Parcel" has the meaning given that term in ORS 215.010.

6 (b) "State institution" means one or more facilities to be developed for a public purpose
7 by the Department of Corrections or the Department of Human Services with a residential
8 capacity of approximately 220 beds and on-site laundry facilities.

9 (2) If the City of Junction City extends water and sewer services to serve a state insti-
10 tution on lands within the urban growth boundary of the city and the efficient extension of
11 the water and sewer services dictates that the right of way for water and sewer
12 infrastructure crosses land that is not within the urban growth boundary, the City of Junc-
13 tion City may provide water and sewer services to uses existing on January 1, 2010, on a
14 parcel outside the urban growth boundary that is:

15 (a) In the path of the right of way of the water and sewer infrastructure required to
16 serve the state institution;

17 (b) Adjacent to and has ingress and egress through a parcel described in paragraph (a)
18 of this subsection when the actual use to be connected is within _____ feet of the right of
19 way of the water and sewer infrastructure; or

20 (c) Within _____ feet of the right of way of the water and sewer infrastructure required
21 to serve the state institution.

22 (3) The authority for the City of Junction City to offer water and sewer services pursuant
23 to this section is granted:

24 (a) Notwithstanding the provisions of a statewide land use planning goal that limit the
25 establishment or extension of sewer systems outside an urban growth boundary.

26 (b) Contingent upon the city's provision of water and sewer services to a state institution
27 as described in this section.

28 (4) Water and sewer services provided pursuant to this section may not serve as a con-
29 dition, criterion or other legal basis for new or expanded uses, or increased densification of
30 the uses, of a parcel outside of the urban growth boundary.

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted.
New sections are in **boldfaced** type.

1 **SECTION 2.** This 2010 Act being necessary for the immediate preservation of the public
2 peace, health and safety, an emergency is declared to exist, and this 2010 Act takes effect
3 on its passage.
