Dear Revenue Committee Member

My Arthur Academy education is valuable to me because it is a small learning community. Some benefits of a small learning community are the schools are less money to fund. The students and teachers know each other better. Also, the kids get more attention. They get more individual help if they need it.

Arthur Academy has lots of activities like cooking classes, art classes, mad science classes, Outdoors School and really cool field trips. We get to go on cooler field trips than other schools. We get to go on more field trips, too. At my old school, I didn't get to have art classes, mad science classes, cooking classes, Outdoors School or go on really fun and cool field trips. I have more fun at Arthur Academy.

The teachers are much more friendly at Arthur Academy. The teachers I used to work with were not very nice. The teachers at Arthur Academy laugh and have fun with the kids when necessary. They interact with the students better. They know me as a person and not just a student. They help with the students education more. The teachers give
