EFFECT OF COMMITTEE AMENDMENTS: amendments are expected

BACKGROUND:

The Municipal Debt Advisory Commission (MDAC) – which includes local government finance representatives as well as public members and a designee of the State Treasury brings issues in local government bonding issues to the legislature every session. This measure attempts to give local governments the ability to repurchase its bonds in order to allow it to take advantage of interest rate changes. Conforms timeline for changes (end of sec 3). Includes sanitary districts under the ORS 287A less restrictive definitions and conditions. The amendment is expected to remove the requirement for limiting the authority for refinancing without going again to the voters.
