The 76th Oregon Legislative Assembly

Senate Bill 326

Position: Support

Good Afternoon, my name is Jeff Musgrove and I am co-owner, along with my brother Mark, of Musgrove Mortuaries and Cemeteries. We have businesses in several locations in Lane County. Mark and I are second generation Funeral Directors and funereal home owners, having bought the business from our parents in 1990.

Over the last 20 years we have spent tens of thousands of dollars on estate tax planning with our attorney and CPA and tens of thousands of dollars on life insurance policies just so that we would have enough money to pay estate taxes and still be able to operate our business in the event of the death of one of the principals. Without this huge outlay of time and money there is a very real chance that our business, which has been in operation for 128 years, would not survive.

I am asking for your assistance in relieving this burden.

Co-Chairs and committee members, thank you for this opportunity to speak to you today.
