Dear Senators,

Please vote down SB 189 that Senator Whitsett introduced to use road funds for law-enforcement in Klamath, Lane, and Douglas Counties. My understanding according to Representative Bill Garrard that he and Senator Whitsett doesn't believe in using those funds for the law-enforcement and neither do I.

Thank you for voting no on SB 189.

Sincerely,

Robert Hoffman  
Klamath County Resident

p.s. This is the letter I sent to all of the Senators and Representatives. There's a battle here of very bad integrity of public officials and investigations from the state and possibly the Feds going on our departments of our government. Enough is enough of bad politicians and department heads.
