Re: Support HB 2404 A-Engrossed

Dear Joint Committee on Tax Credits:

The Oregon Psychological Association strongly supports access to mental health and seeks to support veterans, psychologists, and all mental health professionals who work tirelessly to support them. House Bill 2404 will help provide some minor level of re-imbusement for the sacrifice that therapists make in serving those who have already served. House Bill 2404 will enable more therapists to see military members and their families.

Please vote to pass HB 2404 A-Engrossed.

Very Respectfully,

Douglas Marlow, Ph.D.
