## **Summary of Revenue Changes**

The General Fund appropriations made in the bill are within resources available as projected in the May 2011 economic and revenue forecast by the Department of Administrative Services Office of Economic Analysis, supplemented by transfers from various agency accounts to the General Fund for general governmental purposes as authorized in Senate Bill 939, plus other actions to reduce state agency expenditures.

## **Summary of Capital Construction Subcommittee Action**

Senate Bill 5508 appropriates General Fund to the Emergency Board for general purpose and targeted special purpose appropriations, and makes other adjustments to individual agency budget and position authority as described below.

### **Emergency Board**

The Emergency Board allocates General Fund and provides Lottery Funds, Other Funds, and Federal Funds expenditure limitation to state agencies for unanticipated needs in approved agency budgets when the Legislature is not in session. The Subcommittee appropriated \$25 million General Fund to the Emergency Board for general purposes.

Senate Bill 5508 makes two special purpose appropriations to the Emergency Board, totaling \$10 million General Fund:

- \$8 million General Fund for the Department of Human Services and/or the Oregon Health Authority for caseloads or costs for programs and services. This appropriation is in addition to the resources, and the special purpose appropriation to the Emergency Board, included in the budget bills for the Department of Human Services (House Bill 5030) and the Oregon Health Authority (Senate Bill 5529).
- \$2 million General Fund for the Department of Justice for: 1) the on-going legal costs associated with the state's defense of the revenue stream generated from the Master Settlement Agreement entered into with major tobacco companies; and 2) the Defense of Criminal Convictions program. This appropriation is in addition to the resources included in the budget bill for the Department of Justice (Senate Bill 5518).

If these special purpose appropriations are not allocated by the Emergency Board before December 1, 2012, any remaining funds become available to the Emergency Board for general purposes.

## **Adjustments to Approved 2011-13 Budgets**

### **OMNIBUS ADJUSTMENTS**

Omnibus adjustments reflect savings in multiple agencies based on reductions in Department of Administrative Services' assessments and charges for services, including the State Data Center; Secretary of State audit assessments; and Office of Administrative Hearings charges. Agencies will need to reconcile these changes in the appropriate line items with consideration for the 6.5% overall reduction in services and supplies applied to most agency budgets and reductions in uniform/self-support rent charges. Debt service costs are also adjusted based on

updated bonding information, including a net \$24.4 million reduction in Lottery Funds debt service costs. The combined results of these changes on individual agency budgets are shown in Attachment A. Total savings are \$21.1 million General Fund, \$24.5 million Lottery Funds, \$33.9 million Other Funds, and \$2.6 million Federal Funds.

## **ADMINISTRATION**

### Oregon Department of Administrative Services

Senate Bill 5508 includes General Fund appropriations to the Department for the following programs:

- \$100,000 for the Confluence Project, a collaborative effort of Pacific Northwest tribes, civic groups from Washington and Oregon, artists, architects, and landscape designers. Each of its seven sites along the Columbia River features an art installation interpreting the area's ecology and history.
- \$400,000 for the Boardman Health Clinic, which gives Columbia River Community Health Services the amount needed to complete the funding package for this project. The new 15,000 square foot medical facility replaces a 5,000 square foot building that can no longer expand with the existing footprint.
- \$400,000 for Southwestern Oregon Community College's Curry Campus project. The money will help finish equipping and furnishing the facility.
- \$425,000 for Port Orford to purchase a building for the planned marine reserve research and interpretive center.

The Subcommittee added \$19,514,631 Other Funds for costs of issuance and special payments associated with the distribution of proceeds from several Lottery Bond sales; projects are detailed below and approved in the Lottery Bond bill (House Bill 5036). Also included is \$903,119 Lottery Funds to cover the 2011-13 debt service on those bonds.

- \$3,251,756 Other Funds for disbursement to the Port of Morrow for the purpose of Willow Creek/Sage Center Improvements, including construction of sidewalks or other walkways. For debt service, \$173,981 Lottery Funds is approved.
- \$6,478,890 Other Funds for disbursement to the City of Hermiston for the purpose of acquiring, developing, constructing and equipping the Eastern Oregon Trade Center. For debt service, \$346,294 Lottery Funds is approved.
- \$2,950,809 Other Funds for disbursement to the Milton-Freewater Water Control District for public infrastructure improvements, including levee restoration/repair projects and bridge projects in Milton-Freewater and surrounding areas. For debt service, \$157,711 Lottery Funds is approved.
- \$2,549,322 Other Funds for disbursement to the Oregon Historical Society for payment of mortgage costs associated with the society's storage facility in Gresham. For debt service, \$225,133 Lottery Funds is approved.
- \$4,283,854 Other Funds for disbursement to the Lane Transit District for the West Eugene EmX Extension; this project supports the acquisition, construction and procurement of the components of an extension of the bus rapid transit system in west Eugene. Debt service for this project was included as part of the omnibus adjustments mentioned previously.

### Office of the Governor

The Subcommittee appropriated \$3 million General Fund and increased Federal Funds expenditure limitation by \$825,616 for the purpose of implementing Senate Bill 909, which creates the Oregon Education Investment Board and the Early Learning Council. Three positions (2.50 FTE) were also approved: a Chief Investment Officer and Early Learning Systems Director (both Principal Executive/Manager G) and one half-

time Executive Support Specialist 2. An estimated \$354,067 General Fund will be spent on Personal Services and services and supplies. The Governor's Office anticipates expending the balance of the General Fund resources for professional services contracts for change management, development of a school-readiness assessment tool, and development of a comprehensive early childhood education and care budget. The federal funds, from the federal State Early Childhood Advisory Council grant received during the 2009-11 biennium, will support the Early Learning System Director, the half-time executive support position, associated services and supplies and Professional Services costs for the work of the Early Learning Council.

#### Secretary of State

The budget for the Secretary of State is increased by \$80,000 General Fund for House Bill 2257, which expands electronic filing requirements of statements to the Elections Division; by \$380,312 Other Funds for House Bill 3247, which requires the agency to establish the "One Stop Shop for Oregon Business" internet portal; and by \$634,419 Federal Funds for two federal grants, with the understanding that the Department of Administrative Services will unschedule the Federal Funds expenditure limitation pending award of the grants. One limited-duration Operations and Policy Analyst 2 position (0.50 FTE) is also established for development of the internet portal. The General Fund appropriation is to finance one-time costs and will be phased out in development of the agency's 2013-15 biennium budget. All but \$75,000 of the Other Funds for the internet portal will also be phased out in the development of the 2013-15 biennium budget. The remaining \$75,000 is projected to cover the ongoing maintenance costs of the internet portal.

### **CONSUMER AND BUSINESS SERVICES**

#### Oregon Health Licensing Agency

The Subcommittee approved \$46,356 Other Funds expenditure limitation to support licensing and regulatory oversight of Polysomnographic Technologists within the Respiratory Therapist and Polysomnographic Technologist Licensing Board, as established in Senate Bill 723. The Other Funds revenue results from applications, licensure, renewals, and other fees associated with licensing the Polysomnographic Technologists.

#### Real Estate Agency

The Other Funds expenditure limitation for the agency is increased by \$496,400 to cover expenses for an online licensing system. The agency received a \$500,000 limitation for this project during the 2009-11 biennium. However, due to delays in project implementation, vendor payments will not be made until the first quarter of the 2011-13 biennium.

### **ECONOMIC AND COMMUNITY DEVELOPMENT**

#### Oregon Business Development Department

Senate Bill 5508 establishes \$1.3 million in new Lottery Funds expenditure limitation for the Department. Of this amount, \$1 million is established for identifying regional governance solutions to improve economic development opportunities and for developing a West Coast strategy to create jobs while reducing carbon emissions and the costs of doing business by retrofitting and redesigning the built environment. The remaining \$300,000 is established for a pilot project providing economic gardening services. An additional \$106,207 Other Funds expenditure limitation is provided for payment of costs to issue lottery revenue bonds for the Department. Bond proceeds will provide the source

of these Other Funds. These bonds are associated with the authorization in House Bill 5036 of \$10,000,000 of lottery revenue bond proceeds for infrastructure financing. A total of \$10,000,000 of lottery revenue bond proceeds will be deposited into the Special Public Works Fund and the Water/Waste Water Fund, where they will be used to provide loans and grants to municipalities with eligible infrastructure projects. The Department is authorized to make these loans and grant payments as Nonlimited Other Funds. The Lottery Funds, Other Funds, and Nonlimited Other Funds expenditures are one-time expenditures that will be phased out in the development of the Department's 2013-15 biennium budget.

Of the Lottery Funds available to the Department in the 2011-13 biennium budget, the amount of \$20,000 is designated for the purpose of promoting Oregon businesses at the 2011 and 2012 China International Fairs for Investment & Trade in Xiamen, China.

#### Housing and Community Services Department

Other Funds expenditure limitation for the Housing and Community Services Department is reduced by \$4,879,057 to reconcile the amount of Lottery Bond proceeds approved in the Capital Construction budget for the purpose of preserving low income housing with expiring federal subsidies. The low income housing preservation package is anticipated to provide gap financing to preserve about 125 units of affordable housing. The total amount approved is \$5,000,000 Other Funds for project costs and \$120,943 Other Funds for costs of issuance.

#### Department of Veterans' Affairs

Senate Bill 5508 appropriates a total of \$800,000 General Fund to the Department of Veterans' Affairs for the following purposes:

- \$350,000 to augment payments to county veterans' service organizations for the 2011-13 biennium.
- \$350,000 in one-time funding for interim operation of the Military HelpLine service for veterans until federal funding is secured for the service by the Oregon Military Department.
- \$100,000 in one-time funding to provide assistance with medical transportation to veterans who use wheelchairs.

## **EDUCATION**

#### Department of Education

The State School Fund is adjusted in Senate Bill 5508 to reflect a rebalance of statewide resources, decreasing General Fund and increasing Lottery Funds expenditure limitation by \$2,822,847.

The Subcommittee approved a one-time appropriation of \$150,000 General Fund for the For Inspiration and Recognition of Science and Technology (FIRST) program.

The Oregon Court of Appeals affirmed a ruling against the Department of Education for breach of contract with Vantage Learning which provided standardized testing in Oregon schools. The resulting judgments total \$3.5 million plus accrued interest at 9% per annum from October 2006 to date of payment, which will exceed \$5 million in total. The Subcommittee approved \$5 million General Fund to assist in covering this liability. The Department estimates that approximately \$2.4 million may be available within its existing 2009-11 legislatively approved budget that would otherwise be reverted to the General Fund. The Department is to first utilize its 2009-11 legislatively approved budget to the greatest

extent possible to address the payments due to Vantage Learning; any remaining balance due may be paid from this new appropriation. Any remaining funds from the \$5 million will be disappropriated when the Legislature convenes in 2012.

One position (1.00 FTE) is established for the Director of the Office of Regional Educational Services approved in Senate Bill 250.

The Subcommittee approved an increase of \$625,000 Other Funds expenditure limitation for the Oregon School for the Deaf (OSD) to support building improvements, repairs and maintenance costs, with the understanding that the Department of Administrative Services (DAS) will unschedule \$450,000 pending a joint report from DAS Facilities Division and OSD. The \$175,000 that is not uncheduled is for replacing carpet in the elementary/middle school building and the building used for the infirmary, food service and administration, as the old carpet is a safety hazard for children. Consistent with the direction provided by the Emergency Board in December 2010, the agency and DAS shall bring forward a five-year maintenance plan that is inclusive of funding available within the existing operating budget, community donations, proceeds from the sale of the School for the Blind, and any resources available from other state agencies. The report should also include an update on facility utilization with the improvements sponsored by the Extreme Makeover: Home Edition program. This report shall be considered in conjunction with the work of a legislative interim work group to review deferred maintenance needs and sustainability of the OSD and the staffing model prepared by ODE in response to a budget note adopted with House Bill 5020 (2011) prior to rescheduling the balance of the expenditure limitation.

#### Department of Community Colleges and Workforce Development

The Subcommittee approved a net increase of \$3.54 million General Fund for the following purposes:

- \$3.4 million General Fund for Oregon's National Career Readiness Certificate (NCRC) and on-the-job training programs which support the Governor's "Getting Oregon Back to Work" initiative. The Subcommittee also approved establishing one limited duration Program Analyst position (1.00 FTE) to support the NCRC. The position is grant funded and the Department has sufficient Federal Funds expenditure limitation.
- \$500,000 General Fund for a one-time expenditure of \$100,000 to the Trucking Solutions Consortium for administration and \$400,000 for a loan program for students participating in commercial driver license training. These loans are not part of a State program and funding is provided only to establish the private program.
- Decreased debt service by \$363,510 to reflect updated principal and interest payments following the April 2011 sale of Article XI-G bonds.

#### Oregon University System

The Oregon University System (OUS) budget is adjusted in Senate Bill 5508 to reflect the fiscal impact of Senate Bill 242. The OUS budget was reduced \$7,440,000 General Fund to reflect the System now retaining interest on all monies it receives. The interest on tuition and other revenues was previously deposited in the General Fund. To mitigate the impact of this change on the General Fund, OUS agreed to a reduction in its base budget to offset the lost General Fund revenues. OUS is further directed to phase-out an additional \$14,603,000 General Fund during development of its 2013-15 budget request to reflect the 2013-15 lost General Fund revenue estimate of \$22,043,000. Additional changes due to approval of Senate Bill 242 include a \$1,947,230 General Fund reduction to eliminate funding included in the budget to pay Department of Justice costs now that OUS will no longer be represented by the State. OUS estimates it will cost more to retain outside legal counsel, however, so the budget was increased by \$2,307,230 Other Funds to accommodate the increase in legal costs. Reductions of \$236,816 General Fund and

\$1,018,168 Other Funds are made to reflect OUS not paying DAS assessments after July 1, 2012. Additional Other Funds adjustments related to the fiscal impact of Senate Bill 242 include adding \$250,000 for a risk management consultant, \$200,000 for a study on alternative health plans, and \$14,580 due to increasing the membership of the Board of Higher Education to 15 people. Overall, these changes reduce the OUS budget for education and general services by \$9.6 million General Fund and add \$1.8 million Other Funds expenditure limitation. For complete details on the fiscal effects of Senate Bill 242, see the fiscal impact statement issued for Senate Bill 242-C.

Senate Bill 5508 also appropriates \$5,660,047 General Fund for debt service on outstanding Article XI-Q general obligation bonds. The budget for OUS included no debt service for these bonds, which have largely replaced the use of Certificates of Participation.

The Subcommittee approved an additional \$500,000 General Fund for Dispute Resolution services at the University of Oregon and an additional \$150,000 General Fund for the Labor Education Research Center at the University of Oregon. Both increases were made as one time additions in General Fund support for the 2011-13 biennium only.

## **HUMAN SERVICES**

### Oregon Health Authority

The Subcommittee approved an additional \$13.9 million Other Funds and \$23.3 million Federal Funds expenditure limitation for the increased hospital benefits for clients in the Oregon Health Plan Standard program. These increased benefits were part of the hospital provider tax expansion, but were contingent on the passage of Senate Bill 204. For this reason the limitation was not included in Senate Bill 5529, the budget bill for the Oregon Health Authority. The Subcommittee also approved the addition of \$600,000 General Fund to mitigate the reduction to the reimbursement rate for durable medical equipment.

In addition, \$300,000 Other Funds expenditure limitation was added to Public Health to restore funding to the Oregon Trauma System. The Seniors Farmers Market Program was increased by \$5,000 Other Funds and \$60,000 Federal Funds expenditure limitation. Revenues from increased medical marijuana fees will fund the state portion of these two items.

The Subcommittee directed the following budget note related to contracts for managed care plans:

### **BUDGET NOTE**

The Oregon Health Authority (OHA) priority shall be to renew contracts of prepaid managed care plans under contract January 1, 2011 within budgetary constraints. The OHA shall not use a competitive bid process or similar process in the renewal of the contracts for prepaid managed care organizations. OHA will work cooperatively with plans to develop capitation rates using realistic pricing structures which are actuarially sound and which address the fiscal viability of the plans given the budget reductions. This structure should reflect the legislatively approved budget and its reductions as well as the need for federal approval in the most expeditious and fiscally prudent manner.

### Department of Human Services

The Subcommittee added \$1.5 million Federal Funds expenditure limitation to the Children, Adults and Families budget, based on a federal bonus for Oregon's low negative error rate in administering the Supplemental Nutrition Assistance Program (SNAP/food stamps). The agency expects to use the one-time federal award to offset General Fund expenditures in program administration. The General Fund will be shifted to the Temporary Assistance to Needy Families (TANF) program budget to continue, for at least the first year of the biennium, the \$50 monthly Post-TANF payments for families who are transitioning from TANF cash assistance to employment. House Bill 5030, the department's budget bill, anticipated eliminating these payments for the full 2011-13 biennium as a budget savings action.

The Subcommittee approved an additional \$500,000 General Fund for Oregon Project Independence. Together with funding in House Bill 5030, this brings program funding to \$9.5 million General Fund for the 2011-13 biennium.

After completion of the DHS budget in House Bill 5030, DHS discovered that the budgeted funding level for Type B Area Agencies on Aging (AAAs), who determine long-term care service and financial eligibility and provide adult protective services for seniors and people with physical disabilities, was not sufficient to fund the AAAs at 85% equity relative to state office costs as was intended. The funding level in House Bill 5030 would instead fund Type B AAAs at 83.7% equity. The Subcommittee approved \$279,161 General Fund and \$260,139 Federal Funds to fund the AAAs at 85% equity through February 2012. This allows time for DHS and the AAAs to review the funding allocation model, overall costs, revenues and caseload trends, with the intent that DHS and the AAAs make a recommendation to the 2012 Legislative Assembly for addressing this issue for the balance of the 2011-13 biennium.

An additional \$2 million General Fund and \$3.3 million Federal Funds was approved to partially restore rate reductions slated for certain providers of developmental disability (DD) comprehensive services. The budget continues the DD provider rate reductions implemented as part of the DHS allotment reductions for the 2009-11 biennium, but the added funding will avoid, at least through February 2012, further reductions otherwise expected for the 2011-13 biennium. The added funding will delay the October 1, 2011 4% comprehensive services rate reduction through February 2012 for Adult Supportive Living Services, Adult and Children's 24-Hour DD Residential Services, Employment Services and Children's Proctor Care; and fund brokerage administration at 89% of equity. The funding will not impact the following reductions set to take effect October 1, 2011: 10% reduction to Adult DD Foster Care providers and Community Developmental Disability Programs; a further 4% reduction in Children's DD Foster Care; and a 4% reduction to non-Alternatives to Employment program transportation.

### State Commission on Children and Families

An additional 0.25 FTE reduction is made as a technical adjustment to reflect the Commission's final staffing plan to implement its legislatively adopted budget in Senate Bill 5550.

## **JUDICIAL BRANCH**

### Judicial Department

The Subcommittee approved adjustments to the budget for the Judicial Department as follows:

- House Bill 2710 transfers funding of the Collection and Revenue Management Program from Other Funds back to the General Fund. This results in a \$28.2 million Other Funds expenditure limitation reduction, with General Fund appropriations of \$9.3 million for third party debt collection fees and \$18.9 million for Personal Service and services and supplies costs. This action does not result in any change to the Department's positions or FTE.
- A General Fund appropriation of \$2 million for Trial and Appellate level operations costs.
- General Fund appropriations for payments to the Oregon Law Commission (\$223,000) and the Council on Court Procedures (\$52,000).
- An Other Funds reduction of \$405,816 for the costs of issuance for Oregon eCourt Program Article XI-Q bonds. The Department's budget will retain \$100,000 for the \$6 million of Article XI-Q bonds approved in House Bill 5005.
- A General Fund Debt Service reduction of \$486,738, which reflects a lower Article XI-Q bond issuance for the Oregon eCourt Program than was assumed in the Governor's recommended budget.

## **LEGISLATIVE BRANCH**

### Legislative Counsel Committee

The Other Funds expenditure limitation for the Legislative Counsel Committee is decreased by \$275,000 for payments to the Oregon Law Commission (\$223,000) and the Council on Court Procedures (\$52,000). For the 2011-13 biennium, these two entities will receive a General Fund appropriation through the Oregon Judicial Department (see the Judicial Branch program area narrative above).

## **NATURAL RESOURCES**

### State Department of Agriculture

Lottery funds expenditure limitation is increased by \$543,000 on a one-time basis to accommodate 2009-11 carry forward for weed control activities. Due to the excessively wet spring, the Department was unable to complete all the weed control projects originally planned for the 2009-11 biennium.

### State Department of Energy

Senate Bill 5508 increases the Department's Other Funds expenditure limitation by \$100,000 for financing and technical assistance to school districts for investments in energy efficiency in the 2011-13 biennium; this includes one limited-duration finance position (1.00 FTE). It also increases Other Funds by \$400,000 for the expenses of one limited-duration Governor's energy policy advisor position (1.00 FTE), for supporting the development of a 10-year plan for energy, and for coordinating other activities related to energy policy within the Office of the Governor and the Department.

The following budget note was approved:

## **BUDGET NOTE**

The Department of Energy will establish a work group to develop policy recommendations to be provided to the Legislature during the February 2012 session relating to large single load customers that result in small utilities being re-designated as large utilities under the renewable portfolio standard. Members of the workgroup shall consist of nine members, appointed as follows:

- The Department of Energy shall appoint:
  - two representatives of the Umatilla Electric Cooperative;
  - one representative of the environmental community;
  - one representative of the natural resource community; and
  - one representative of consumer owned utilities.
- The Co-Speakers of the House of Representatives shall appoint two members, one from each caucus, who shall serve as ex-officio members.
- The Senate President shall appoint two members, one from each caucus, who shall serve as ex-officio members.

A representative of the Governor's office, designated by the Governor, is also invited to participate.

The work group shall:

- examine issues and develop policy recommendations relating to small utilities that have large single load customers, which result in the utilities being reclassified as large utilities under the renewable portfolio standard;
- examine complications resulting from contract requirements between the Bonneville Power Administration and preferred energy customers for Tier II energy contracts, and make recommendations for potential rule or policy changes; and
- submit a report, including findings and recommendations, to the Department of Energy and the interim legislative committees relating to energy and consumer protection no later than February 1, 2012.

### Department of Environmental Quality

The Subcommittee approved the following budget note relating to the implementation of new water quality standards:

## **BUDGET NOTE**

By February 15, 2013, DEQ shall report to the Seventy-seventh Legislative Assembly on the status of the water quality standards rules proposed for adoption in June 2011, including whether the rules were adopted by the Environmental Quality Commission (EQC) and approved by the Environmental Protection Agency (EPA). If the standards are adopted and approved, the report shall also include, but need not be limited to:

- the number and types of variances granted;
- a summary of the conditions contained in the variances;
- for each variance application received by DEQ, the cost incurred by a permittee to prepare the variance application as made available by the applicant; and,
- information provided by permittees who applied for a variance on the estimated costs associated with implementing the pollution prevention plan required by the variance and other related fiscal impacts.

By February 15, 2015, DEQ shall report to the Seventy-eighth Legislative Assembly on the status and implementation of the human health toxics standards and any related standards adopted by the EQC and approved by EPA after June 2011. The report shall also include but not be limited to the information listed above.

#### State Department of Fish and Wildlife

Senate Bill 5508 establishes \$726,928 Other Funds expenditure limitation for State Department of Fish and Wildlife debt service payments for the agency's headquarters building project to be financed with Article XI-Q bonds authorized in HB 5005.

#### State Forestry Department

The Subcommittee approved an increase of \$414,881 Other Funds for the cost of issuance related to the sale of lottery bonds (\$1.9 million) authorized in House Bill 5036 for the purchase of land in the Gilchrist Forest. The Subcommittee reduced the Private Forests Other Funds expenditure limitation by \$300,000 to remove limitation related to contract services funded by the harvest tax revenue. These services will be accommodated within the Department's total budget authorization for the 2011-13 biennium.

#### Water Resources Department

Senate Bill 5508 appropriates \$487,062 General Fund to restore a Water Availability Modeler position (\$152,972), a Groundwater Hydrogeologist position (\$159,090) and groundwater research funds (\$125,000) that the Governor's recommended budget proposed to eliminate, and provide \$50,000 services and supplies to contract data systems maintenance and software applications related to the program. Restoring the two positions (2.00 FTE) enables the department to maintain water availability models and hydrographic data needed to make decisions when water right applications, permits, and transfers are evaluated; and identify aquifer boundaries, define water budgets, document the interaction between surface water and groundwater and quantify the impacts of future allocations on senior users and the water resource.

### **PUBLIC SAFETY**

#### Oregon Criminal Justice Commission

Other Funds expenditure limitation for the Criminal Justice Commission is increased by \$176,384 to provide sufficient limitation for payment to drug courts to comply with the 2005 law that requires the Commission pay 20% of forfeiture collections to drug courts.

### Department of Justice

The Subcommittee appropriated \$600,000 General Fund to the Department of Justice for two Crime Victims' programs. The Child Abuse Multidisciplinary Account (CAMI) is to receive \$458,940 General Fund and the Oregon Domestic and Sexual Violence Abuse program is to receive \$141,060 General Fund. These appropriations are in addition to the resources included in the budget bill for the Department of Justice (Senate Bill 5518).

### Oregon Military Department

The Subcommittee approved \$7.5 million Other Funds expenditure limitation for the expenditure of Article XI-M seismic rehabilitation bonds approved in House Bill 5005. Additionally, the Subcommittee appropriated \$618,000 in General Fund debt service for the Article XI-M bonds and added \$114,000 Other Funds expenditure limitation for the cost of issuance.

The Subcommittee approved a \$43,737 Other Funds expenditure limitation increase for the cost of issuance of The Dalles Readiness Center's Article XI-Q bonds, as approved in House Bill 5005. This issuance, which will occur late in the 2011-13 biennium, does not have any associated General Fund debt service during the biennium.

### Oregon Youth Authority

An additional \$300,000 General Fund is appropriated to the Oregon Youth Authority to enhance funding for east Multnomah County gang intervention services.

## **TRANSPORTATION**

### Department of Transportation

The Subcommittee added \$2 million General Fund for Senior and Disabled Transportation operating grants in the Oregon Transportation Department's Public Transit division. Public transit activities include offering mobility grants to communities to ensure equality of opportunity to access transportation systems and services for seniors and individuals with disabilities.

The Subcommittee approved an increase of \$12,503,912 Other Funds expenditure limitation to implement provisions of House Bill 5036 authorizing issuance of lottery bonds for Connect Oregon IV for multimodal transportation projects. This amount includes the cost of issuance and the amount of bond proceeds that is anticipated to be distributed during the biennium.

An additional \$549,715 Other Funds expenditure limitation was approved to correct a calculation error in vacancy savings for Motor Carrier Transportation (\$193,815), Transportation Program Development (\$334,957), and the Transportation Safety Program (\$20,943).

## Adjustments to 2009-11 Budgets

### Public Utility Commission

Senate Bill 5508 increases the Commission's Other Funds expenditure limitation by \$10,000 for the Board of Maritime Pilots related to Attorney General charges associated with rate cases.

### Oregon University System (Department of Higher Education)

Federal Funds expenditure limitation for the Oregon University System is increased by \$3,550. Unallocated federal American Recovery and Reinvestment Act funding is added for 2009-11 to ensure the correct distribution of these funds is maintained between the education sectors as required by the granting authority.

### Judicial Department

The Judicial Department budget is increased with a \$499,999 General Fund appropriation for operations. The amount of the appropriation is to ensure that the Department receives seven quarters of House Bill 2287 revenues (\$22,002,005) as anticipated in the Department's 2009-11 legislatively approved budget.

### Public Defense Services Commission

The Subcommittee approved a supplemental General Fund appropriation of \$802,570 for the Public Defense Services Account for trial-level public defense. The amount of the appropriation is to ensure that the agency receives seven quarters of House Bill 2287 revenues (\$12,380,573) as anticipated in the Commission's 2009-11 legislatively approved budget.

### Oregon Watershed Enhancement Board

Expenditure limitation for this Board is increased by \$800,000 Federal Funds to pay out federal land acquisition grants that the agency expects to expend late in the current biennium.

### Department of Transportation

The Subcommittee added \$2 Lottery Funds expenditure limitation for debt service payments for Connect Oregon II for multimodal transportation projects and the Southeast Metro Milwaukie Extension bonds.
