**Measure Description:**

Allows Oregon Racing Commission to establish license fees for certain persons by rule.

**Government Unit(s) Affected:**

Oregon Racing Commission

**Expenditure Impact:**

See analysis

**Local Government Mandate:**

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

**Analysis:**

SB 149 would allow the Oregon Racing Commission to set license fees by rule instead of the fees which are currently set in statute.

For the 2011-13 biennium, the Oregon Racing Commission anticipates a revenue shortfall. With passage of this bill, the agency anticipates raising license fees from \$10 per year to \$20 per year. This fee increase would generate approximately \$46,000 in the second year of the 2011-2013 biennium
