**Measure Description:**

Provides that armory may be constructed outside of city.

**Government Unit(s) Affected:**

Oregon Military Department

**Local Government Mandate:**

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

**Analysis:** The Oregon Military Department (OMD) is currently constructing the Polk County Readiness Center and it is located outside of the city limits. If this bill does not pass, OMD may have to stop construction and forfeit \$12.1 million in Federal Funds and \$5.1 million in OF (COP) currently being used finance construction of the Readiness Center. It is not clear at this time whether or not OMD has additional armories under construction or planned that may be affected by this bill.
