

FISCAL IMPACT OF PROPOSED LEGISLATION

Measure: SB 730 - A

Seventy-Sixth Oregon Legislative Assembly – 2011 Regular Session
Legislative Fiscal Office

Prepared by: Tim Walker
Reviewed by: John Borden, Doug Wilson
Date: 6/29/2011

Measure Description:

Eliminates sunset of provision that limits length of incarceration that court may impose when certain probationary sentences are revoked.

Government Unit(s) Affected:

Counties, Department of Corrections, Judicial Department, Public Defense Services Commission, Oregon Criminal Justice Commission

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis: HB 3508 (2009) limited the length of time of incarceration to 60 days that a court could impose when certain probationary sentences were revoke. HB 3508 (2009) had a sunset date of July 1, 2011.

The Governor's Recommended Budget (GRB) is based on current law, which assumes the limit is no longer in effect. If this bill is passed, the limit to 60 days is continued for another two years. The estimated impact of this bill on the Department of Corrections budget is a reduction of \$9.8 million General Fund to the Community Corrections grant program. The bill includes a sunset clause effective July 1, 2013.

The Oregon Judicial Department reports that the measure will not have a fiscal impact. The Public Defense Services Commission and Counties report a minimal fiscal impact due to the provisions of this bill.
