PROPOSED LEGISLATION**  
Seventy-Sixth Oregon Legislative  
Assembly  
2011 Regular Session  
Legislative Revenue Office

Bill Number: HB 2179  
Revenue Area: Bonding  
Economist: Mazen Malik  
Date: 3/8/2011

**Measure Description:**

Permits County to use local registration fees to pay for debt service and costs related to bonds or other obligations.

**Revenue Impact:** The bonds authorization allowed under this bill is dependent on the revenue from the County registration fee.

**Impact Explanation:**

The 2009 session gave the counties the ability to impose their own vehicle registration fees. A number of counties are imposing their independent fees at this time. This measure gives the counties the authority to issue bonds against that new source of revenue. The revenue office is expecting will examine this issue further when the bill is referred to the revenue committee. That detailed examination will allow for the assurance that revenues and bonds are aligned correctly.
