

**REVENUE IMPACT OF
PROPOSED LEGISLATION**
Seventy-Sixth Oregon Legislative
Assembly, 2011 Regular Session
Legislative Revenue Office

Bill Number:	HB 2328 - A
Revenue Area:	Transportation fees
Economist:	Mazen Malik
Date:	4/7/2011

Measure Description:

Requires persons operating electric motor vehicles and plug-in hybrid electric motor vehicles to pay vehicle road usage charge.

Revenue Impact: Proposes a new way of collecting revenue from the vehicle type that doesn't pay fuel tax.

Impact Explanation:

The bill has a new concept of charging the electric vehicles a road user charge. The revenue outcome of this measure will be examined by the revenue committee, and this statement is for the purpose of moving the bill to the house revenue committee.

Creates, Extends, or Expands Tax Expenditure: Yes No
