WHAT THE MEASURE DOES: Names the bridge crossing Euchre Creek on U.S. Highway 101 near milepost 317 as the Wilbur C. Moore Bridge. Requires the Oregon Department of Transportation (ODOT) to create and post markers designating the name.

ISSUES DISCUSSED:

- Mr. Moore's legacy of being a pioneer and community pillar until he passed away on September 3, 2008
- Logistics and nature of the designation

EFFECT OF COMMITTEE AMENDMENT: No amendment.

BACKGROUND: Wilbur Moore comes from a pioneer family that settled in Oregon. Highway 101 runs through the Moore property. HB 2185 honors his legacy by naming the bridge after him (not as a memorial).
