**WHAT THE MEASURE DOES:** Allows Universal Service Fund moneys to be expended by the Public Utility Commission to map or survey the state to determine where broadband services are available.

**ISSUES DISCUSSED:**

- Provisions of the measure
- History of 2009 legislation

**EFFECT OF COMMITTEE AMENDMENT:** No amendment.

**BACKGROUND:** House Bill 2192 clarifies that the Public Utility Commission is authorized to expend money from the Universal Service Fund to survey and map for broadband per the intent of 2009 legislation.
