EFFECT OF COMMITTEE AMENDMENT: Limits use of DOR to collections of state interest. Requires report on collections from justice courts using DOR.

BACKGROUND: House Bill 2653 A was filed at the request of the Interim Committee on Consumer Protection and Government Accountability for the Task Force on Effective and Cost-Efficient Service Provision. Justice courts are currently responsible for collection of judgments ordered by them. House Bill 2653 A permits them to use the Department of Revenue to collect judgments that involve state monies.
