**WHAT THE MEASURE DOES:** Creates the State Agency Innovation Fund. Directs unencumbered moneys to the Fund. Allows state agencies to request appropriations from the fund.

**ISSUES DISCUSSED:**

- Eliminate tradition of spending every last dollar
- Encourage savings within state agencies

**EFFECT OF COMMITTEE AMENDMENT:** Replaces original measure.

**BACKGROUND:** House Bill 3055-A requires 10 percent of the amount that would normally revert to the General Fund from state agencies that return money, after each fiscal year, to be used as grant money to be distributed from the State Agency Innovation Board. The nine member board will be appointed by the Governor.
