**WHAT THE MEASURE DOES:** Adds drug treatment and programs that support drug treatment to the list of allowable uses of forfeiture proceeds. Declares emergency, effective on passage.

**ISSUES DISCUSSED:**

- Cost-effectiveness of treatment and housing for addicted chronic offenders compared to incarceration
- Treatment as a logical and necessary companion to enforcement and education

**EFFECT OF COMMITTEE AMENDMENT:** No amendment.

**BACKGROUND:** Current law strictly limits use of assets forfeited in drug cases to enforcement and education purposes. House Bill 3151 allows funds to be used for treatment purposes as well.
