WHAT THE MEASURE DOES: Expands the membership of the Oregon Progress Board. Directs the Board to make presentations to certain members of Legislative Assembly and to report conclusions and recommendations to Legislative Assembly every two years.

ISSUES DISCUSSED:

- Useful board, needs direction

EFFECT OF COMMITTEE AMENDMENT: Directs the Board to report findings to the Legislature by July 2, 2012.

BACKGROUND: House Bill 3528-A adds two members to the Oregon Progress Board. The measure also instructs the Board to make recommendations and propose legislation to the Legislative Assembly. The Board must also present to first-term legislators and report the conclusions and recommendations of the Board during every regular legislative session.
