ISSUES DISCUSSED:

- Clarification for local jurisdictions regarding applicability of statute

EFFECT OF COMMITTEE AMENDMENT: No amendment.

BACKGROUND: Oregon Revised Statute 408.230 requires public employers to give a preference to veterans or disabled veterans in hiring and promotion decisions related to civil service positions. The statute provides a framework for giving veterans and disabled veterans additional points in scoring during the hiring and promotion process. The preference does not guarantee that a veteran will be hired or promoted. The 2009 Legislative Assembly amended ORS 408.230, clarifying the definition of civil service and removing a provision limiting the veterans' preference to positions for which application was made within 15 years of discharge or release from service. Some public employers, however, have relied on the 2009 amendments to claim they no longer need to give a hiring or salary promotion preference to veterans or disabled veterans because the law does not apply to them. The Oregon Department of Veterans' Affairs requested Senate Bill 277 to clarify that all public employers are subject to the hiring and promotion preference for veterans and disabled veterans.
