22 (d) Notwithstanding ORS 496.146 (10), the commission, upon the recommendation of the Access

24 habitat improvements to private land, is authorized to issue each year up to 10 elk and 10 deer tags
25 to hunt deer or elk. The tags shall be auctioned or raffled to the highest bidder in a manner pre-

33 (4) The commission may, at the time of issue only, indorse upon the tags referred to in sub-
34 section (1) of this section an appropriate designation indicating whether it is for a game animal to
35 be taken with bow and arrow or with firearms, at the choice of the applicant. The commission may
36 prescribe by rule that the holder of such a tag is not authorized to take the game animal by any
37 other means than the tag so indorsed.

38 (5) Except as provided in subsection (6) of this section, a person is not eligible to obtain, in a
39 lifetime, more than one controlled hunt tag issued by the commission to hunt mountain sheep and
40 one controlled hunt tag issued by the commission to hunt mountain goat.

41 (6) A person is eligible to obtain mountain sheep tags, antelope tags or mountain goat tags de-
42 scribed in subsection (2)(a) and (b) of this section, regardless of whether the person has previously
43 taken a mountain sheep, antelope or mountain goat or previously obtained a mountain sheep tag,
44 antelope tag or mountain goat tag issued pursuant to subsection (1) or (2)(a) or (b) of this section.

45 (7) The number of nonresident mountain goat tags and nonresident mountain sheep tags shall

5 than 10 percent of all mountain sheep tags issued.

6 (8) The number of tags issued by drawing under subsection (1)(g), (m) and (o) of this section shall
7 be decided by the commission, but for each class of tag so issued, the number may not be more than
8 three percent of all tags of that class issued for hunting in a particular area except one nonresident
9 tag may be issued for each hunt when the number of authorized tags is less than 35. The number
10 of tags issued under subsection (1)(g) of this section for the general hunting season may be decided
11 by the commission, but the number may not be more than three percent of all tags issued the pre-
12 vious year for hunting in a particular area.

13 (9) The number of tags issued by drawing under subsection (1)(b) and (e) of this section shall

15 five percent of all tags of that class issued for hunting in a particular area except one nonresident
16 tag may be issued for each hunt when the number of authorized tags is fewer than 35. The com-
17 mission shall set the percentage by rule each year after holding a public hearing.

18 (10) If a controlled hunt for game mammals is undersubscribed during the primary controlled
19 hunt drawing, the commission may issue the unallocated tags to licensed hunters at up to four times
20 the standard tag fee on a first-come, first-served basis. This controlled hunt tag program shall be in
21 addition to and not replace any existing controlled hunt tag program.

22 **(11) The commission by rule may authorize the issuance of free tags to hunt antelope,**
23 **deer and elk to provide an incentive to increase compliance with hunting reporting require-**
